1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Office of Financial Management (OFM), Forecasting and Research Division, is soliciting Proposals from Bidders to procure the Services of a **Quality Assurance Contractor** to provide quality assurance for Washington's statewide all payer health care claims database (WA-APCD) project under its Health Care Price Transparency Project (<http://www.ofm.wa.gov/healthcare/pricetransparency/>).

As required by law, Chapter 43.371 RCW (<http://app.leg.wa.gov/rcw/default.aspx?cite=43.371>), OFM must establish the WA-APCD through a competitive process for the services of a Lead Organization and Data Vendor to implement and maintain this system.

RCW 43.371.020 directs OFM to establish the WA-APCD to support transparent public reporting of health care information. The database must improve transparency to:

1. Assist patients, providers, and hospitals to make informed choices about care
2. Enable providers, hospitals, and communities to improve by benchmarking their performance against that of others by focusing on best practices
3. Enable purchasers to identify value, build expectations into their purchasing strategy, and reward improvements over time
4. Promote competition based on quality and cost

The database must systematically collect all medical and pharmacy claims from private and public payers, with data from all settings of care, which will permit the systematic analysis of health care delivery. Data suppliers include public (state and federally purchased), private and voluntary (self-insured).

The law requires OFM to use a competitive process to select a Lead Organization to coordinate and manage the WA-APCD. Further, the law requires the Lead Organization to enter into a contract with a Data Vendor to perform data collection, processing, aggregation, extracts, and analytics

OFM will be conducting a competitive process to obtain the services of a Lead Organization and Data Vendor to implement the WA-APCD, establish health care claims data collection mechanisms, collect historical claims and establish its ongoing administrative infrastructure, processes and procedures. The Lead Organization will perform its work offsite, and the WA-APCD will be hosted and maintained by the Data Vendor offsite. OFM does not have a role in implementing the WA-APCD beyond providing oversight both contractual and general. OFM anticipates the successful WA-APCD Lead Organization and Data Vendor will begin work in the summer of 2016.

The WA-APCD project has been deemed a Level 2 project by the Office of the Chief Information Officer (OCIO). Because of the sensitive nature of the data to be collected and the interest of a wide range of external stakeholders, including the Governor's office, health care insurers, providers and consumers, the business community and other state agencies, external QA is required for the establishment of the Lead Organization and the implementation of the WA-APCD.

CMS Grants

In September 2013, OFM Forecasting and Research Division received a two-year Rate Review Cycle III grant from the Centers for Medicare and Medicaid Services (CMS) for its Health Care Price Transparency Project to establish the WA-APCD and produce health care claims-based fee schedules. Legislation passed in 2015 changed the original approach to establishing the WA-APCD and pushed the timeline out. An initial one-year, no-cost extension was received by OFM from CMS and extends the end of the Cycle III grant timeline to September 30, 2016.

In September 2014, OFM's Health Care Price Transparency Project received an additional two-year grant (CMS Rate Review Cycle IV grant) for the creation of health care claims data products from the

WA-APCD once the system is up and running. In 2015, the Legislature included a proviso in the biennial budget to transfer State Innovation Model (SIM) grant funds from the Health Care Authority (HCA) to OFM for creation of the Washington State Common Measure Set for Health Care Quality and Cost reporting with claims data out of the WA-APCD. The work under these grants, as well as some additional work funded by the Cycle III grant, are not included in this QA RFP. No other funding is available for the WA-APCD.

The Assistant Director for the OFM Forecasting and Research Division is the Project Sponsor. The Program Director is the Division's Senior Forecasting and Research Manager for Health and Human Services. The Health Care Price Transparency project has a grant-funded, dedicated Project Director whose focus is the rule making under the WA-APCD law. The Health Care Price Transparency project also has a contracted Project Manager (at .7 FTE) to manage grant budgeting, work plan and federal reporting activities under the Cycle III and Cycle IV grants, as well as manage the relationship with the Lead Organization through its establishment of the WA-APCD and production of additional claims data products.

1.2. OBJECTIVES AND SCOPE OF WORK

- e. Post Implementation Report with lessons learned to be provided to the OFM Program Director and OCIO liaison and published on the Internet

Please note if any subcontractors are certified by the Washington State Office of Minority and Women's Business Enterprises, if applicable.

4. EVALUATION AND CONTRACT AWARD

4.1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team(s), to be designated by the AGENCY, which will determine the ranking of the proposals.

The RFP Coordinator may contact the Bidder for clarification of any portion of the Bidder's proposal.

4.2. EVALUATION WEIGHTING AND SCORING

The maximum number of evaluation points available is 100. The Administrative Requirements are evaluated on a pass/fail basis. The following points will be assigned to the Proposal for evaluation purposes:

WRITTEN PROPOSAL

Technical Proposal	30 Points
Qualifications/Experience Proposal	60 Points
Quotation/Cost Proposal	10 Points
<hr/>	
Total (for Written Proposal)	100 Points

Scores from the written evaluations of Sections 2. Technical Proposal, and 3. Qualifications/Experience Proposal will be consensus scored by evaluators. Scores for Section 4. Quotation/Cost Proposal will be added to the evaluator's total scores. If OFM elects to conduct Oral Presentations, the highest-scoring bidders as a result of the Written Evaluations will be invited to make an Oral Presentation.

4.3 FINAL DETERMINATION OF APPARENTLY SUCCESSFUL BIDDER

The AGENCY may, after evaluating the written proposals, decide at that point to award the contract to the Bidder whose proposal best fits the needs of the AGENCY. The AGENCY may also elect to schedule oral presentations of the finalists. Should oral presentations become necessary, the AGENCY will contact the top-scoring firm(s) to schedule a date, time and location. Commitments made by the Consultant at the oral interview, if any, will be considered binding.

If the AGENCY opts for an Oral Evaluation, Written scores will then be set aside and final evaluations will be based upon the oral presentation, the Bidder's proposal, key staff references, as well as any other information known about the Contractor's prior and expected performance by AGENCY.

OFM management shall make the final determination as to which Bidder, initially designated as a finalist, shall be officially selected and notified as the Apparently Successful Bidder.

Any Bidder who would be an Apparently Successful Bidder based on the scores awarded by the evaluators, and who is not selected, shall be provided, upon request, the reasons why OFM selected a Bidder with a lower final score.

4.4 NOTIFICATION TO BIDDERS

The AGENCY will notify the Apparently Successful Bidder of their selection in writing upon completion of the evaluation process. Individuals or firms whose proposals were not selected for further negotiation or award will be notified separately by e-mail or facsimile.

4.5 DEBRIEFING OF UNSUCCESSFUL BIDDERS

Any Bidder who has submitted a proposal and been notified that they were not selected for contract award may request a debriefing. The request for a debriefing conference must be received by the RFP Coordinator no later than 3:30 PM, local time, in Olympia, Washington on the date as specified in Section 2.2 of the RFP.

Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the firm's proposal;
- Critique of the proposal based on the evaluation;
- Review of proposer's final score in comparison with other final scores without identifying the other firms.

Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.6 PROTEST PROCEDURE

Protests may be made only by Unsuccessful Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be received by the RFP Coordinator no later than 3:30 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests may be submitted by e-mail or facsimile, but must then be followed by the document with an original signature.

Bidders protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Bidder that also submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the apparently successful bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

"Claim," as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom.

CONTRACTOR'S obligations to indemnify, defend, and hold harmless includes any claim by CONTRACTORS' agents, employees, representatives, or any subcontractor or its employees.

CONTRACTOR expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to CONTRACTOR'S or any subcontractor's performance or failure to perform the contract. CONTRACTOR'S obligation to indemnify, defend, and hold harmless the State shall not be eliminated or

reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials.

CONTRACTOR waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless State and its agencies, officials, agents or employees.

18. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this contract. The CONTRACTOR and his or her employees or agents performing under this contract are not employees or agents of the AGENCY. The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of the AGENCY or of the State of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit that would accrue to such employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

19. INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, AGENCY may collect from the CONTRACTOR the full amount payable to the Industrial Insurance accident fund. The AGENCY may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by the AGENCY under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

20. LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

21. LIMITATION OF AUTHORITY

Only the AGENT or AGENT'S delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the AGENT.

22. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

In the event of the CONTRACTOR'S non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with the AGENCY. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

23. NONDISCRIMINATION

During the performance of this contract, the CONTRACTOR shall comply with all federal and state nondiscrimination laws, regulations and policies.

24. PRIVACY

Personal information including, but not limited to, "Protected Health Information," collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss. CONTRACTOR shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

25. PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

26. RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

27. REGISTRATION WITH DEPARTMENT OF REVENUE

The CONTRACTOR shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

28. RIGHT OF INSPECTION

The CONTRACTOR shall provide right of access to its facilities to the AGENCY, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

29. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the AGENCY may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the AGENCY'S discretion under those new funding limitations and conditions.

30. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

31. SITE SECURITY

While on AGENCY premises, CONTRACTOR, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

32. SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Department for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as provided by law.

33. TAXES

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

34. TERMINATION DUE TO CHANGE IN FUNDING

If the funds OFM relied upon to establish this Contract are withdrawn or reduced, or if additional or modified conditions are placed on such funding, OFM may immediately terminate this Contract by

providing written notice to the Contractor. The termination shall be effective on the date specified in the notice of termination.

35. TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

36. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the AGENCY shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

37. TERMINATION PROCEDURES

Upon termination of this contract, the AGENCY, in addition to any other rights provided in this contract, may require the CONTRACTOR to deliver to the AGENCY any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The AGENCY shall pay to the CONTRACTOR the agreed upon price, if separately stated, for completed work and services accepted by the AGENCY, and the amount agreed upon by the CONTRACTOR and the AGENCY for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by the AGENCY, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AGENT shall determine the extent of the liability of the AGENCY. Failure to agree with such determination shall

be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the AGENT determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AGENT, the CONTRACTOR shall:

- a. Stop work under the contract on the date, and to the extent specified, in the notice;
- b. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
- c. Assign to the AGENCY, in the manner, at the times, and to the extent directed by the AGENT, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case the AGENCY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the AGENT to the extent AGENT may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the AGENCY and deliver in the manner, at the times, and to the extent directed by the AGENT any property which, if the contract had been completed, would have been required to be furnished to the AGENCY;
- f. Complete performance of such part of the work as shall not have been terminated by the AGENT; and
- g. Take such action as may be necessary, or as the AGENT may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which the AGENCY has or may acquire an interest.

38. TREATMENT OF ASSETS

- a. Title to all property furnished by the AGENCY shall remain in the AGENCY. Title to all property furnished by the CONTRACTOR, for the cost of which the CONTRACTOR is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the AGENCY upon delivery of such property by the CONTRACTOR. Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the
-

performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.

- b. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.
- c. The CONTRACTOR shall be responsible for any loss or damage to property of the AGENCY that results from the negligence of the CONTRACTOR or which results from the failure on the part of the CONTRACTOR to maintain and administer that property in accordance with sound management practices.
- d. If any AGENCY property is lost, destroyed or damaged, the CONTRACTOR shall immediately notify the AGENCY and shall take all reasonable steps to protect the property from further damage.
- e. The CONTRACTOR shall surrender to the AGENCY all property of the AGENCY prior to settlement upon completion, termination or cancellation of this contract
- f. All reference to the CONTRACTOR under this clause shall also include CONTRACTOR'S employees, agents or SUBCONTRACTORS.

39. U.S. Department of Treasury, Office of Foreign Assets Control

The agency complies with U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC) payment rules. OFAC prohibits financial transactions with individuals or organizations, which have been placed on the OFAC Specially Designated Nationals (SDN) and Blocked Persons sanctions list located at <http://www.treas.gov/offices/enforcement/ofac/index.html>. Compliance with OFAC payment rules ensures that the agency does not conduct business with individuals or organizations that have been determined to be supporters of terrorism and international drug dealing or that pose other dangers to the United States.

Prior to making payment to individuals or organizations, the agency will download the current OFAC SDN file and compare it to agency and statewide contractor files. In the event of a positive match, the agency reserves the right to: (1) make a determination of "reasonability" before taking the positive match to a higher authority, (2) seek assistance from the Washington State Office of the State Treasurer (OST) for advanced assistance in resolving the positive match, (3) comply with an OFAC investigation, if required, and/or (4) if the positive match is substantiated, notify the contractor in writing and terminate the contract according to the Termination for Convenience provision without making payment. The agency will not be liable for any late payment fees or missed discounts that are the result of time required to address the issue of an OFAC match.

40. WAIVER

Waiver of any default or breach shall not be deemed a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this contract unless stated to be such in writing and signed by authorized representative of the AGENCY.

5. Additional Cost Requirements. Recipients must comply with the following supporting documentation conditions:

- Equipment/Technology items – As defined in 45 CFR Parts 74 and 92, equipment means tangible nonexpendable personal property, including exempt property, charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with recipient policy, lower limits may be established. Technology items such as computers that do not meet the \$5,000 per unit threshold and a lower limit is not set by recipient policy (and may therefore be classified as supplies), must still be individually tagged and recorded in an equipment/technology database. This database should include any information necessary to properly identify and locate the item. For example: serial # and physical location of equipment (e.g. laptops, tablets, etc.). **In addition, purchase of Technology items (both those classified as equipment (tangible nonexpendable personal property with an acquisition cost of \$5,000 or more per unit) and those classified as supplies (tangible expendable personal property with an acquisition cost of less than \$5,000 per unit)), over and above that which is already approved in the budget must be approved by the Grants Management Specialist (regardless of acquisition cost).**
- Travel mileage expenses - All federally funded travel must be tracked through a travel log which includes: traveler/position, destination, length of stay, mileage, per diem, reason for the trip, airfare, and any other reimbursable expenses.
- Conference attendance - For attendance at any conference, including those sponsored by CMS, recipients must submit a breakdown of costs associated with attending the conference for prior approval. This should include all costs associated with travel to the conference and a brief narrative explaining the program related purpose/how attending the conference will further the objectives of the program. (see **Attachment C** for the HHS Policy on Promoting Efficient Spending for Conferences and Meetings)

6. Audit Requirements. OMB Circular A-133 provides requirements for the audit of States, local governments, and non-profit organizations expending Federal awards. Non-federal entities that expend \$500,000 or more in a year in Federal awards shall have a single or

program specific audit conducted for that year in accordance with OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf).

For questions and information concerning the submission process, please contact the Federal Audit Clearinghouse (entity which assists Federal cognizant and oversight agencies in obtaining OMB Circular A-133 data and reporting packages) at <http://harvester.census.gov/sac> or 888-222-9907.

*Commercial Organizations should consult 45 CFR 74.26(d) for specific audit requirements.

7. Programmatic and Financial Reporting. Recipients must comply with the programmatic and financial reporting requirements outlined in Attachment B, Special Terms and Conditions. Failure to submit reports (i.e. financial, progress, or other required reports) on time may be basis for withholding financial assistance payments, suspension, termination or denial of continued funding. A history of such unsatisfactory performance may result in a designation of “high risk” for the recipient organization and may jeopardize potential future funding from the Department of Health and Human Services.

8. Funding for Recipients. All funding provided under this award shall be used by the Recipient exclusively for the program referenced in the Notice of Award, as defined in section 2794 of the Public Health Service Act, described in the funding opportunity announcement, and delineated in the Recipient’s approved proposal. This includes any approved revisions, as applicable, made subsequent to the Recipient’s approved proposal. If the Recipient should use any of the funds for any purpose other than for the approved program, then all funds provided under this award shall be returned to the United States Treasury.

9. Public Reporting. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing the project funded in whole or in part with Federal money, clearly state: (1) the percentage of the total cost of the project financed with Federal money; (2) the dollar amount of Federal Funds for the project; and (3) the percentage and dollar amount of the total costs of the project that is financed by nongovernmental sources.

10. Central Contractor Registration and Universal Identifier Requirements. This award is subject to the requirements of 2 CFR part 25, Appendix A. For the full text of the award term, go to <http://www.cms.gov/CCIIO/Resources/Funding-Opportunities/award-term-for-central-contractor-registration.html>. To complete CCR requirements, Recipients must register or maintain registration in the System for Award Management (SAM) database. Please consult the SAM website (<https://www.sam.gov/portal/public/SAM/>) for more information.

11. Trafficking in Persons. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text

of the award term, go to <http://www.cms.gov/CCIIO/Resources/Funding-Opportunities/trafficking-term.html>.

12. Subaward Reporting and Executive Compensation. This grant is subject to the reporting requirements of the Federal Funding Accountability and Transparency Act of 2006 (Pub. L.

109-282), as amended by section 6202 of Public Law 110-252 and implemented by 2 CFR Part 170. Grant and cooperative agreement recipients must report information for each first-tier subaward of \$25,000 or more in Federal funds and executive total compensation for the recipient's and subrecipient's five most highly compensated executives as outlined in Appendix A to 2 CFR Part 170. For the full text of the award term, go to <http://www.cms.gov/CCIIO/Resources/Funding-Opportunities/ffata.html>. For further assistance, please contact Iris Grady, the Grants Management Specialist assigned to monitor the subaward and executive compensation reporting requirements at divisionofgrantsmanagement@cms.hhs.gov.

13. Fraud, Waste, and Abuse. The HHS Office of the Inspector General (OIG) maintains a toll-free number (1-800-HHS-TIPS [1-800-447-8477]) for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Information also may be submitted by email to hhstips@oig.hhs.gov or by mail to Office of the Inspector General, Department of Health and Human Services, Attn: HOTLINE, 330 Independence Ave., SW, Washington, DC 20201. Such reports are treated as sensitive material and submitters may decline to give their names if they choose to remain anonymous.

14. Human Subjects Protection. If applicable to Recipient's program, the Recipient bears ultimate responsibility for protecting human subjects under the award, including human subjects at all sites, and for ensuring that an assurance approved by OHRP and certification of IRB review and approval have been obtained before human subjects research can be conducted at each collaborating site. Recipients may not draw funds from the payment system, request funds from the paying office, or make obligations against Federal funds for research involving human subjects at any site engaged in nonexempt research for any period not covered by both an OHRP-approved assurance and IRB approval consistent with 45 CFR part 46. Costs associated with IRB review of human research protocols are not allowable as direct charges under grants and cooperative agreements unless such costs are not covered by the organization's indirect cost rate.

HHS expects Recipients and others involved in grant/cooperative agreement-supported research to take appropriate actions to protect the confidentiality of information about and the privacy of individuals participating in the research. Investigators, IRBs, and other appropriate entities should ensure that policies and procedures are in place to protect identifying information and must oversee compliance with those policies and procedures.

15. Certification of Filing and Payment of Federal Taxes. As required by the Departments of Labor, Health and Human Services, and Education and Related Agencies Appropriation Act, 2008 (Public Law 110-161, Division G, Title V, section 523), Recipient certifies, to the best of its knowledge and belief, that it:

(1) Has filed all Federal tax returns required during the three years preceding this certification;

AND

(2) Has not been convicted of a criminal offense under the Internal Revenue Code of 1986 (U.S. Code – Title 26, Internal Revenue Code);

AND

(3) Has not, more than 90 days prior to certification, been notified of any unpaid Federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding.

16. Project and Data Integrity. Recipient shall protect the confidentiality of all project-related information that identifies individuals.

The Recipient shall assume responsibility for the accuracy and completeness of the information contained in all technical documents and reports submitted. The CMS Project Officer shall not direct the interpretation of the data used in preparing these documents or reports.

At any phase in the project, including the project's conclusion, the Recipient, if so requested by the Project Officer, must deliver to CMS materials, systems, or other items used, developed, refined or enhanced in the course of or under the award. The Recipient agrees that CMS shall have royalty-free, nonexclusive and irrevocable rights to reproduce, publish, or otherwise use and authorize others to use the items for Federal government purposes.

17. Use of Data and Work Products. At any phase of the project, including the project's conclusion, the Recipient, if so requested by the CMS Project Officer, shall submit copies of analytic data file(s) with appropriate documentation, representing the data developed/used in end-product analyses generated under the award. The analytic file(s) may include primary data collected, acquired or generated under the award and/or data furnished by CMS. The content, format, documentation, and schedule for production of the data file(s) will be agreed upon by the Principal Investigator and the CMS Project Officer. The negotiated format(s) could include both file(s) that would be limited to CMS's internal use and file(s) that CMS could make available to the general public.

All data provided by CMS will be used only for the research described in this grant award and in connection with the Recipient's performance of its obligations and rights under this program. Recipient has an obligation to collect and secure data for future monitoring by CMS. The Recipient will return any data provided by CMS or copies of data at the conclusion of the project. All proprietary information and technology of the Recipient are and shall remain the sole property of the Recipient.

All publications, press announcements, posters, oral presentations at meetings, seminars, and any other information-dissemination format, including but not limited to electronic/digital media that is related to this project must include a formal acknowledgement of support from the Department of Health and Human Services, citing the FON as identified on this award document as follows: “The project described was supported by Funding Opportunity Number PR-PRP-13-001 from the U.S Department of Health and Human Services, Centers for Medicare & Medicaid Services.” Recipients also must include a disclaimer stating that “The contents provided are solely the responsibility of the authors and do not necessarily represent the official views of HHS or any of its agencies.” One copy of each publication, regardless of format, resulting from work performed under an HHS project must accompany the annual or final progress report submitted to CMS through its CMS PO.

For six (6) months after completion of the project, the Recipient shall notify the CMS Project Officer prior to formal presentation of any report or statistical or analytical material based on information obtained through this award. Formal presentation includes papers, articles, professional publication, speeches, and testimony. In the course of this research, whenever the Principal Investigator determines that a significant new finding has been developed, he/she will communicate it to the CMS Project Officer before formal dissemination to the general public. The Recipient shall notify CMS of research conducted for publication.

18. Reservation of Rights. Nothing contained in this Agreement is intended or shall be construed as a waiver by the United States Department of Justice, the Internal Revenue Service, the Federal Trade Commission, HHS Office of the Inspector General, or CMS of any right to institute any proceeding or action against Recipient for violations of any statutes, rules or regulations administered by the Government, or to prevent or limit the rights of the Government to obtain relief under any other federal statutes or regulations, or on account of any violation of this Agreement or any other provision of law. The Agreement shall not be construed to bind any Government agency except CMS, and this Agreement binds CMS only to the extent provided herein. The failure by CMS to require performance of any provision shall not affect CMS’s right to require performance at any time thereafter, nor shall a waiver of any breach or default result in a waiver of the provision itself.

19. FY 2013 Appropriations Provision. HHS Recipients must comply with all terms and conditions outlined in their grant award, including grant agreement policy terms and conditions contained in applicable Department of Health and Human Services (HHS) Grant Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.

20. Consolidated Appropriations Act, Fiscal Year 2012, Public Law 112-74. The following information is provided as a reference. Please consult the full Act for the complete text. The information cited below will remain in effect until further modified, superseded, or rescinded.

Title II, Section 203 – Cap on Researcher Salaries

FY2012 Enacted Language: Sec. 203. None of the funds appropriated in this title shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II.

Actions: Since the reduced and expanded salary cap was included in PL 112-74, which was effective December 23, 2011, implementation of the lower level of \$179,700 is applicable to grants and cooperative agreements with an initial issue date or obligation of FY2012 funds on/after December 23, 2011. For FY2012 awards issued on/before December 22, 2011 (competing and non-competing) and to which FY2012 funds have not been obligated since December 23, 2011, the effective salary limitation remains at Executive Level 1, \$199,700.

Title II, Section 218 – Gun Control Prohibition

FY2012 Enacted Language: Sec. 218. None of the funds made available in this title may be used, in whole or in part, to advocate or promote gun control.

HHS Policy on Promoting Efficient Spending for Conferences and Meetings Attachment C

“Use of Appropriated Funds for Conferences and Meeting Space to reflect the increased reporting requirements and enhanced controls required by Section 3003 of the Consolidated and Further Continuing Appropriations Act, 2013”

It is the Department of Health and Human Services’ (HHS) policy that conferences and meetings funded through grants and cooperative agreements: are consistent with legal requirements and HHS’ missions, objectives, and policies; represent an efficient and effective use of taxpayer funds; and are able to withstand public scrutiny. CMS must conduct business, including conferences and meetings, consistent with these tenets. As a result, CMS has adopted grant and cooperative agreement practices that promote efficient spending for conferences and meetings.

While grant recipients are always encouraged to provide performance-based solutions to the Government’s requirements, the Centers for Medicare and Medicaid (CMS) encourages alternative solutions (i.e. teleconference) as opposed to traditional face-to-face meetings. A “conference” is defined as “[a] meeting, retreat, seminar, symposium or event that involves awardee, subcontractor, or consultant travel.”

Any conferences, with or without travel, that you believe are necessary to accomplish the purposes of this grant must have prior CMS approval. These requests must be priced separately in the budget and include the following information:

- (1) a description of its purpose;
- (2) the number of participants attending;
- (3) a detailed statement of the costs to the grant, including—
 - (A) the cost of any food or beverages;
 - (B) the cost of any audio-visual services for a conference;
 - (C) the cost of employee or contractor travel to and from a conference; and
 - (D) a discussion of the methodology used to determine which costs relate to a conference.

In addition, funds under this grant may not be used for the purpose of defraying the costs of a conference that is not directly and programmatically related to the purpose for which the grant is awarded (such as a conference held in connection with planning, training, assessment, review, or other routine purposes related to a project funded by the grant).
