## **PREAMBLE**

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and UFCW Local 21, chartered by the United Food and Commercial Workers, referred to as the “Union.”

## **ARTICLE 1 RECOGNITION CLAUSE**

The Employer recognizes the Union as the exclusive bargaining representative for employees working for the Washington State Liquor Control Board covered by this Agreement, as follows:

All full-time and part-time Liquor Store Assistant Managers 1 and 2, Liquor Store Clerks, and Non-Permanent Liquor Store Employees, excluding any statutorily excluded positions.

## **ARTICLE 2 UNION MEMBERSHIP**

### **2.1 Union Dues**

When an employee provides written authorization to the Employer, the Union has the right to have deducted from the employee's salary, an amount equal to the fees and dues required to be a member of the Union.

### **2.2 Union Membership**

A. It shall be a condition of employment that all employees covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain in good standing, and those who are not members on the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the thirtieth (30th) day following the beginning of such employment, become and remain members in good standing in the Union.

B. Upon the failure of any employee to comply with any provisions of this Article, the Union may then notify the Employer, in writing, of such failure, and thereupon the employee shall not be continued in employment.

### **2.3 Payroll Deduction of Union Dues**

The Employer will provide for payroll deduction of Union dues upon authorization by the employee. Payroll deduction authorization cards must be received by the Liquor Control Board payroll office in Olympia by the tenth (10th) day of the month to be recognized as effective for that month. The Employer assumes no responsibility either to the employee or to the Union for any error in making or failing to make such deductions.

### **2.4 Dues Cancellation**

An employee may cancel his or her payroll deduction of dues by written notice to the Employer and the Union. The cancellation will become effective on the second (2nd) payroll after receipt of the notice. However, the cancellation may cause the employee to be terminated, subject to Section 2.2 above.

**2.5 Indemnification**

The Employer shall be held harmless by the Union and employees for compliance with this Article and any issues related to the deduction of dues and fees.

**2.6 Compliance**

All union security provisions of this Agreement shall be in compliance with RCW 41.80.100.

**2.7 Employee Notification**

The Employer will inform all employees who become bargaining unit members that the Union is the exclusive bargaining representative for those units.

**2.8 Voluntary Deduction**

A. The Employer agrees to deduct from the wages of any employee who is a member of the Union a deduction for the Union's Political Action Committee as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union. The Employer agrees to remit any deductions made pursuant to this provision to the Union together with a report showing:

1. Employee name;
2. Personnel number;
3. Amount deducted.

B. The parties agree that this section satisfies the Employer's obligations and provides the deduction authorized under Section 1 (6) of RCW 41.04.230.

**ARTICLE 3  
HIRING AND APPOINTMENTS**

**3.1 Filling Positions**

See Appendix E, attached, titled "41.80.20(3)."

**3.2 Types of Appointment**

A. Permanent

An employee appointed to a permanent position will attain permanent status upon successful completion of a probationary period as defined in Subsection 3.3 A of this Article.

B. Non-Permanent

1. The Employer may fill a position with a non-permanent appointment. The non-permanent appointee must have the skills and abilities required for the position. Non-permanent appointments will not exceed twelve (12) consecutive months, except when filling in for the absence of a permanent employee.

2. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee.
3. An employee with permanent status may accept a non-permanent appointment. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify his or her current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the agency and the duration of those return rights. At a minimum, the agency must provide the employee access to the agency's internal layoff list.

### **3.3 Review Periods**

#### **A. Probationary Period**

1. Every full-time and part-time employee, following his or her initial appointment to a permanent position, will serve a probationary period of one thousand forty-four (1044) actual hours of work or nine (9) consecutive months, whichever is earlier.
2. The Employer may separate a probationary employee at any time during the probationary period, and such separation will not be subject to the grievance procedure in Article 14.
3. An employee who transfers or is promoted prior to completing his or her initial probationary period will serve a new probationary period. The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than one thousand forty-four (1044) actual hours of work or nine (9) consecutive months as described in subsection 3.3 A.1 above.
4. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer will credit time worked in the non-permanent appointment toward completion of the probationary period.

#### **B. Trial Service Period**

1. Employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. However, the Employer may extend the trial service period to no more than twelve (12) consecutive months.

2. Any employee serving a trial service period will have his or her trial service period extended, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. With prior written notice by the Employer, all employees failing a trial service period may be offered an opportunity to revert to a position in the same agency, that is:
  - a. Vacant or filled by a non-permanent employee and is within the trial service employee's previously held job classification; or
  - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

In either case, the employee being reverted must have the skills and abilities required for the vacant position.

4. Any employee failing a trial service period, who has no reversion options, may request that his or her name be placed on the agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where he or she had previously attained permanent status.
5. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in Article 14.

## **ARTICLE 4**

### **HOURS OF WORK/SCHEDULING**

#### **4.1 Definitions**

- A. Full-time Employees  
Employees who are scheduled to work forty (40) hours per workweek in their home store. The continuation of full-time status for the position will be contingent upon the operational needs of the store.
- B. Part-time Employees  
Employees who are scheduled to work less than forty (40) hours per workweek in their home store and who work a fluctuating schedule subject to the operational needs of the store.
- C. Full-time Eligibility  
A scheduled employee who averages thirty-six (36) or more hours per week for the fiscal year (July 1 to June 30) will be considered a full-time employee only for purposes of:

1. a transfer to a job opening in another Washington State agency;
2. participation in state sponsored training for which full-time status is required; and
3. eligibility to attend college level classes or credit or audit.

The continuation of this eligibility for the position will be contingent upon the operational needs of the store.

D. Workweek

A workweek is five (5) working days in a seven (7) day period. Workweeks will normally begin at 12:01 a.m. on Sunday and end at 12:00 midnight the following Saturday or as otherwise designated by the Appointing Authority. The standard workweek, for full-time employees is forty (40) hours, divided into five (5) assigned eight (8) hour days within a seven (7) day period. The standard workweek for part-time employees is five (5) or less scheduled days in a seven (7) day period. Part-time employees may volunteer to work on the sixth (6th) or seventh (7th) day at regular time if less than or equal to forty (40) hours.

E. Seniority

Seniority, for scheduling purposes, for part-time employees will be based on actual hours worked as of July 1 and February 1 of each year. The Employer will prepare a report for each store reflecting these seniority hours.

#### 4.2 **Staffing Levels**

Determination of staffing levels and the ratio between full-time, part-time assistant managers and clerks is the sole prerogative of the Employer. To the extent possible, it is the intent to maintain a ratio that will maximize the use of full-time positions, provide part-time employees a reasonable expectation for as many hours as practical with a goal of providing a minimum of twenty (20) hours per week, avoid overstaffing that could lead to layoff(s) and to maintain the efficiency of the system. It is understood that the Union and the Employer have the same common goal to convert as many part-time assistant managers to full-time as is practical, and to provide for two (2) person closing of liquor stores as is practical.

#### 4.3 **Work Schedules**

The work schedule will be posted no later than fourteen (14) calendar days preceding the week being scheduled.

A. Home Store Scheduling Priority

Up to the five (5) longest or equally longest available shifts during the workweek will be scheduled in the following priority at the time the schedule is posted:

- Home Store Assistant Manager

- Home Store Full-time Clerk
- Home Store Part-time Permanent Clerk
- Part-time Clerks from availability cards
- Home Store Non-Permanent Clerk

In the event there are open shifts after the above scheduling process has been completed the Employer will schedule employees, from within their designated Market Area (Attachment A), in the following priority:

1. Part-time permanent clerks with less than twenty (20) hours of scheduled work.
2. Any available Clerk.

B. Shift Length

When the skills and abilities of the assigned part-time clerks are equitable, the most senior assigned clerk will be scheduled up to a maximum of five (5) available scheduled shifts during the workweek that are the longest, or equally longest, scheduled shifts during that workweek in their home store. However, the Employer may deviate from this process where there is documented performance issues regarding the employee's skills and abilities.

C. Minimum Shift

Full-time and part-time employees will be scheduled not less than a four (4) hour shift. However, in the event less than four (4) hours remain in a work day, any difference between the time worked and the four (4) hour minimum will be added to an employee's existing schedule within seven (7) calendar days. The four (4) hour minimum shall not apply when callback pay is applicable.

D. Split Shift

Part-time employees may work more than one (1) shift in more than one (1) store provided such work does not interfere with assigned shifts in their home store. Part-time employees will not be required to work more than one (1) shift in one (1) day. However, part-time clerks may accept additional shifts in other stores in the same day that may be less than four (4) hours.

E. Time Between Shifts

There shall be a minimum of ten (10) hours between work shifts within the employee's home store. Work performed prior to the ten (10) hours between the two (2) shifts will be paid at the rate of one and one-half (1-1/2) of an employee's regular rate of pay.

- F. Classification/Seniority Priority  
Scheduling by higher classification and seniority shall supersede any other provision of this Agreement which effects scheduling, except as provided for in Article 18, Training.
- G. Saturdays Off  
Assistant managers and full-time clerks as referenced in Subsection 4.1 A will be allowed one (1) Saturday off every month; however, if this would result in the assistant manager not receiving the five (5) longest shifts, an exception to scheduling must be filed prior to scheduling.
- H. Sundays Off  
All employees as referenced in 4.1A & B who work or are assigned to work in state-run liquor stores selected to participate in the Sunday Sales program will be allowed one (1) Sunday off every month, however, if this would result in the Assistant Manager not receiving the five (5) longest shifts, an exception to scheduling must be filed prior to scheduling.
- I. Late Closing Stores  
In late closing stores, assistant managers will be scheduled no more than four (4) nights per week or if possible, only three (3) nights per week.
- J. Days Off  
Full-time employees shall have two (2) days off. One of the days will be Sunday; the other, a regular day off during the week. When it is practical within the needs of the store to grant Saturday and/or Monday as a day off, these days will be rotated among employees desiring them.
- K. Sunday Sales' Employees' Days Off  
All employees, as referenced in Subsection 4.1.A and 4.1.B above who work or are assigned to work in state-run liquor stores selected to participate in the Sunday Sales program will have two (2) days off. If one of these days is a Sunday, the other day off will be either a Saturday or Monday as determined by the needs of the store. If, for any reason, an employee does not work on a least one Sunday per month, this section will not apply, and such employee will be subject to the specific terms of Article 4.3.I.
- L. Reporting Time  
Employees will report for work no more than fifteen (15) minutes prior to the beginning of their scheduled shift and will begin work no more than five (5) minutes before the shift begins. They will not work longer than five (5) minutes after the completion of the scheduled shift without approval of the manager or person in charge. Employees will work all hours scheduled and will be compensated for all hours worked.

- M. Positive Time Reporting  
Employees will accurately report time worked in accordance with a positive time reporting process as determined by the Employer.
- N. Rest Periods  
There will be a rest period of fifteen (15) minutes during each four (4) hour period of continuous work. Unit members will be scheduled a meal period of no less than thirty (30) minutes nor more than one (1) hour, which commences no less than two (2) hours nor more than five (5) hours from the beginning of the shift. A meal period of more than thirty (30) minutes will be determined by the length of the scheduled shift. Said rest period and lunch period will be taken at a time determined by the manager; however, these will be approximately in the middle of the work period. The rest period and lunch period are intended to be recesses and be preceded and followed by a work period. Such periods may not be used to allow late arrival or early departure and may not be combined.
- O. Lunch Period  
Employees required by management to be on duty during their lunch period will receive their appropriate rate of pay for such time.

#### **4.4 Posted Schedule Changes**

- A. Full-time  
Seven (7) days' notice is required to change a full-time employee's scheduled day off. In the event that a seven (7) day notice is not given, the employee will be paid at the overtime rate for all hours worked on the previously scheduled day off.
- B. Part-time  
The Employer will attempt to notify part-time employees, as early as reasonably possible, of a change to an employee's shift, up to twenty-four (24) hours before the scheduled shift change.
- C. Schedule Change Priority  
When there are changes to the posted schedule, employees, by seniority, will be given the opportunity to work the shift(s) according to the following priority, provided no overtime will be incurred. Employees will be responsible for updating their availability cards.
- Home Store Part-time Assistant Manager
  - Home Store Part-time Permanent Clerk
  - Home Store Non-Permanent Clerk
  - Part-time Clerk from availability cards
  - Any available clerk

The above priority will not apply in the event of an emergency. An emergency will be defined as advance notice of twenty-four (24) hours or

less when employees on the posted schedule are unable to report to work. In this circumstance the manager may call any available clerk prior to calling part-time clerks from availability cards.

#### **4.5 Availability Cards**

Part-time employees will be allowed to receive additional available hours in another store provided they are not scheduled to work in their home store. Part-time employees desiring more hours must fill out an availability card for the store(s) in which they want to work. Managers will assign the additional hours required by peak load periods or absence of another scheduled employee not to exceed forty (40) hours per week as required by Subsection 4.4 C, above. Part-time employees are not required to stand by for a possible call on their non-scheduled days.

#### **4.6 Market Areas Work Requirement**

Permanent and part-time clerks will be assigned a Home Store, however they can be required to work in any store within their designated Market Area as outlined in Article 4.3.

#### **4.7 Exceptions**

##### **A. Family Needs/Education**

The Employer may grant exceptions to the standard scheduling practice for the purpose of allowing defined term restriction by the employees of their hours, shift, or days of work. Exception to scheduling is limited to family needs such as child care, caring for ill family members, attending important family events, educational purposes such as taking college courses for professional development. Approval or denial of requests for exception to scheduling will be based upon the operational needs of the home store.

##### **B. Light Duty**

Seniority scheduling will be waived to the extent of the doctor's limitations for employees working in the store on light duty. The Employer will not be required to schedule other employees for additional hours due to the light duty accommodations. If an employee demonstrates that they cannot perform within the limitations of duty as written, or the employee refuses or requests not to perform such duties, the Employer will not be required to schedule that employee until another doctor's evaluation or re-evaluation has been submitted by the employee.

##### **C. Acceptance of Longer Shifts**

With five (5) working days' notice, the acceptance of a longer shift at another store by a scheduled employee may be granted. Approval or denial of requests will be based upon the needs of the home store.

- D. With regard to the exceptions outlined in Subsections A and C above, the Employer's obligation is to first attempt to get another home store employee to cover the shift. If unsuccessful and there are no volunteers, the needs of the store will prevail.

## **ARTICLE 5 SENIORITY**

### **5.1 Definition**

- A. Seniority for a full-time employee will be defined as the employee's length of unbroken state service. Seniority for part-time employees will be based on actual hours worked, which will include those hours an employee works a temporary assignment(s) as a full-time Liquor Store Assistant Manager or Manager. Leave without pay of fifteen (15) consecutive days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:

1. Military leave or United States Public Health Service;
2. Compensable work-related injury or illness leave;
3. Governmental Service Leave, and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
4. Educational leave, contingent upon successful completion of the course; and/or
5. Reducing the effects of layoff.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on temporary layoff, in accordance with Section 27.5 of Article 27, Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service because of layoff, and are reemployed within two (2) years of their separation date, will not be considered to have a break in service.

- B. For the purposes of layoffs, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse or state registered domestic partner, as provided for in RCW 41.06.133.

## **5.2 Ties**

If two (2) or more employees have the same unbroken state service date, ties will be broken in the following order:

## **ARTICLE 14**

### **GRIEVANCE PROCEDURE**

#### **14.1 Terms and Requirements**

A. Grievance Definition

A grievance is an allegation by a permanent employee or a group of permanent employees that there has been an act that violates this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all managers and employees are encouraged to engage in free and open discussions about disputes.

C. Computation

Days are calendar days, and will be counted by excluding the first day and including the last day of time limits. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and time limits will apply to the date of receipt, not the date of postmarking.

D. Time Limits

Failure by the Union to comply with the time limits will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the time limits will entitle the Union to move the grievance to the next step of the procedure. However, time limits designated in this Article may be modified upon mutual written consent of the parties.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;
2. The facts upon which it is based;
3. The specific article and section of the Agreement violated;
4. The specific remedy requested; and
5. The name of the grievant(s) and the Union representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

- G. Resolution  
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- H. Withdrawal  
A grievance may be withdrawn at any time.
- I. Resubmission  
If terminated, resolved or withdrawn, the same grievance cannot be resubmitted.
- J. Pay  
Grievants will not lose pay for attending grievance meetings held during their scheduled work time. Grievants will not be paid for meetings held during their off-duty time; nor shall the grievant accumulate any additional hours of pay over his or her normal schedule for participating in a grievance meeting. Additionally, the Employer will not pay grievants for travel time, per diem or preparation related to grievances.
- K. Group Grievances  
No more than three (3) grievants will be permitted to attend a single grievance meeting.
- L. Consolidation  
The Employer and/or the Union may consolidate grievances arising out of the same set of facts.
- M. Bypass  
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- N. Discipline  
Disciplinary grievances will be initiated at the level at which the disputed action was taken.
- O. Alternative Resolution Methods  
Any time during the grievance process, by mutual consent, the parties may use alternative methods, including mediation, to resolve disputes. If the parties agree to use alternative methods, the timelines in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the timelines resume. Any expenses and fees of alternative methods will be shared equally by the parties.

## 14.2 Filing and Processing

### A. Filing

1. A grievance must be filed within fifteen (15) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.
2. A grievance alleging loss of pay for hours worked is subject to the provision of Section 14.3 of this Article. The remedy of such grievance shall not exceed the statutory limitations.

### B. Process

#### **Step 1: Written Submission to Operations Manager**

If the issue is not resolved informally at the Store level, the Union may submit a grievance in writing, which will contain the information described in Subsection 14.1 E, to the Operations Manager with a copy to the Human Resources Office within the fifteen (15) day period described in Subsection 14.2 A, above. The Operations Manager or designee will meet or confer by telephone with the Union representative within fifteen (15) days after the receipt of the Step 1 written submittal, and will respond in writing to the Union within fifteen (15) days after the meeting or conference.

#### **Step 2: Written Submission to Administrative Director**

If the grievance is not resolved at Step 1, the Union may move it to the next step by filing the written grievance with the Administrative Director, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision. The Administrative Director or designee will respond in writing to the Union within thirty (30) days after the receipt of the Step 1 decision.

#### **Step 3: Arbitration**

If the grievance is not resolved at Step 2, the Union may file a demand for arbitration (with a copy of the grievance and all responses attached). It will be filed with the Director of the OFM Labor Relations Office (OFM/LRO) and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 2 decision. Within fifteen (15) days of the receipt of the arbitration demand, the OFM/LRO will discuss with the Union the need to schedule a pre-arbitration review meeting. If agreed, the OFM/LRO Director or designee, the agency Human Resources Director, and the Union's representative will meet to review and attempt to settle the dispute.

If the parties are unable to reach an agreement to conduct a pre-arbitration meeting or if the matter is not resolved at a pre-arbitration meeting, the OFM/LRO and the Union will, within fifteen (15) days, meet and attempt to agree upon an arbitrator. If the parties are unable to reach an agreement

on an arbitrator the Union may, within fifteen (15) days, file a demand to arbitrate the matter with the American Arbitration Association (AAA).

C. Selecting an AAA Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the AAA, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise, in writing.

D. Authority of the Arbitrator

1. The arbitrator will:
  - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
  - b. Be limited in his or her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
  - c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;
  - d. Not have the authority to order the Employer to modify his or her staffing levels or to direct staff to work overtime.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for half (1/2) of the costs of the fee for the court reporter, and a fee for a copy of the transcript, if required.
4. Each party is responsible for the costs of its representatives and witnesses. Grievants and their witnesses will not be paid by the Employer for preparation for, travel to or from, or participation in arbitration hearings, but may use leave for such activities.

### **14.3 Election of Remedies**

Pursuit of a claim before the Equal Employment Opportunity Commission, the Human Rights Commission, or in a judicial or other forum constitutes a waiver of the right to pursue the same claim through arbitration under this Article.

## **ARTICLE 15 DISCIPLINE**

- 15.1** The Employer will not discipline any permanent employee without just cause.
- 15.2** Discipline includes oral and written reprimands, reductions in pay, suspensions, demotions, and discharges. Oral reprimands will be identified as such. Any written reprimand, including an oral reprimand, if documented, will be given to the employee.
- 15.3** Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee in writing of the reasons for the contemplated discipline and an explanation of the evidence. The Employer will provide the Union a copy of the written reasons for the contemplated discipline. The employee will be provided an opportunity to respond either at a meeting scheduled by the Employer, or in writing if the employee prefers. A pre-disciplinary meeting with the Employer will be considered time worked.
- 15.4** The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in Article 14. Oral and written reprimands may not be processed through the grievance procedure. However, if further discipline results in a reduction in pay, suspension, demotion or discharge the Union may challenge the written reprimands of such discipline, if applicable.

**ARTICLE 16**  
**LABOR/MANAGEMENT COMMUNICATION COMMITTEE**

2. The Union is responsible for paying any travel or per diem expenses of employee representatives.

C. Meetings

All committee meetings shall be scheduled on mutually acceptable dates and times.

D. Scope of Authority

Committee meetings will be used for discussions only, and the committee shall have no authority to conduct any negotiations, bargain collectively or modify any provision of this Agreement. Nothing in this Article or any committee's activities shall be subject to the grievance procedure in Article 14.

#### **17.3 Personal Safety**

The Employer will continue its efforts to minimize the exposure of employees to harm in stores where armed robbery and violence present a continuing problem. No bargaining unit employee will be required to make a bank deposit alone after dark or after 6:00 p.m., whichever is later. Employees will not be required to apprehend shoplifters or others suspected of criminal activities. The Employer will respond in a timely manner to employee concerns about safety and safety related issues.

Reasonable suspicion testing for alcohol or controlled substances may be directed by the Employer for any employee when there is reason to suspect that alcohol or controlled substance usage may be adversely affecting the employee's job performance, that the employee has used alcohol or a controlled substance prior to reporting to work or usage occurred during the assigned work day, or that the employee may present a danger to the physical safety of the employee or another. Specific objective grounds must be stated in writing that support the reasonable suspicion.
- B. Post Accident Testing  
A post-accident test may be conducted when a work-related incident has occurred involving death, serious bodily injury or significant property damage, or the potential for death, serious injury, or significant property damage, and when the employee's action(s) or inaction(s) contributed to the incident.
- C. Referral  
Referral for testing will be made on the basis of specific objective grounds documented by a manager who has attended training on detecting the signs/symptoms of being affected by controlled substances/alcohol. The manager must confer with the Appointing Authority or designee, who must then approve the referral for testing.
- D. Testing  
When reasonable suspicion exists, employees must submit to alcohol and/or controlled substance testing when required by the Employer. A refusal to test is considered the same as a positive test. When an employee is referred for testing, he or she will be removed immediately from duty and transported to the federally approved collection site. The initial cost

of reasonable suspicion testing, including the employee's salary, will be paid by the Employer.

Testing will be conducted in such a way to ensure maximum accuracy and reliability by using the techniques, chain of custody procedures, equipment and laboratory facilities, that have been approved by the U.S. Department of Health and Human Services. All employees notified of a positive controlled substance or alcohol test result may request an independent test of their split sample at the employee's expense. If the test result is negative, the Employer will reimburse the employee for the cost of the split sample test.

An employee who has a positive alcohol test and/or a positive controlled substance test will be referred to the Employee Advisory Service (EAS) for evaluation of possible treatment options. However, the employee may be subject to disciplinary action, up to and including dismissal, based on the incident that prompted the testing, including a violation of the drug and alcohol free work place rules. If there are no other just cause related issues, the employee will be permitted to return to work. If there are other just cause related issues, the Employer will make a decision on a case-by-case basis.

5. A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the agency.
6. A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum, within the agency.
7. When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
  - A. The most senior candidate on the agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
  - B. If there are no names on the internal layoff list, the agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the agency may consider up to ten (10) additional tied candidates. The agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.

- C. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
- D. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the agency may add up to three (3) affirmative action candidates to the names certified for the position.
- E. When recruiting for multiple positions, the agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

## APPENDIX F

*Due to legislative amendments to RCW 41.80.020 and RCW 47.64.270, the coalition agreement on health care benefits is a separate agreement and is not included as part of the 2011-2013 master collective bargaining agreement. For ease of reference, the coalition health care agreement is reprinted below.*

**HEALTH BENEFITS AGREEMENT  
BY AND BETWEEN  
THE STATE OF WASHINGTON  
AND  
THE COALITION OF UNIONS<sup>1</sup>**

**HEALTH CARE BENEFITS AMOUNTS**

- F.1** The Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected health care premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board annually for benefits in calendar year 2012 and calendar year 2013, respectively. The projected health care premium is the weighted average across all plans, across all tiers. The Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance) in effect for calendar year 2011 will be maintained for the 2011-2013 biennium.
- F.2** The Employer will pay the entire premium costs for each bargaining unit employee for basic life, basic long-term disability and dental insurance coverage.
- F.3** **Wellness**  
To support the statewide goal for a healthy and productive workforce, employees are encouraged to participate in a Health Risk Assessment survey. Employees will be granted work time and may use a state computer to complete the survey.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE STATE OF WASHINGTON  
AND  
UNITED FOOD AND COMMERCIAL WORKERS**

It is the State's intention to apply the 3% across-the-board salary reduction to all general government employees including management staff, and all general government employees covered by RCW 41.80. If subsequent to negotiations of the parties' 2011-2013 collective bargaining agreement, the Employer agrees to or implements more favorable treatment regarding the across-the-board salary reductions for general government employees whether management staff or employees covered by RCW 41.80, then the Employer will apply such treatment to employees covered by this agreement. Provided, that any agreement which provides for temporary layoff days instead of a salary reduction which involves rounding up the number of days for the 3% reduction language and rounding down the number of days for the 2% reduction language, shall not be regarded as a violation of this MOU. The parties will meet promptly upon request of the Union to negotiate the implementation of that more favorable treatment. Any change in the across-the-board salary reduction is subject to legislative approval.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE STATE OF WASHINGTON  
AND  
UNITED FOOD AND COMMERCIAL WORKERS**

The parties agree that if the November 2012 general fund revenue forecast projects an increase of 3% or greater in the 2011-2013 revenues (\$33.583 billion or greater) than what was projected in the November 2010 general fund state forecast (\$32.605 billion), the Governor will submit in her supplemental budget a request for funding to reduce the salary reduction for the period of January 1, 2013 through June 29, 2013 from 3% to 2%. If the legislature approves the funding request, Article 32, Compensation of the parties' 2011-2013 collective bargaining agreement will be modified to reflect the change in salary reduction from 3% to 2% for the period of January 1, 2013 through June 29, 2013. In addition, Article 7, Compensation/Health Care Benefits Amounts of the parties' 2011-2013 collective bargaining agreement will be modified to reflect a change in Temporary Salary Reduction leave from 5.2 hours per month to 3.5 hour per month for the period of January 1, 2013 through June 29, 2013.
