The appointments of Leadpersons and Forepersons as specified in this Article refer to Leadpersons and Forepersons who are working supervisors of all of the people employed in each of those crafts by the Employer. Forepersons and Leadpersons are not required for subsets of employees in each craft, e.g., shifts, work crews, field crews.

reasons for disqualification and shall then return to the employee's previously held position at the former rate of pay with no loss of seniority in the previously held position. Such action will not be subject to the grievance procedure.

C. At the end of the assignment as Vessel and Terminal General Forepersons, the individuals will return to the positions held immediately prior to taking the Vessel and Terminal General Foreperson position.

D. The Vessel and Terminal General Forepersons may, at any time during the assignment, resign from the Vessel and Terminal General Forepersons positions and return to their previous assignment.

Section 2. In accordance with Section C.1 above, the Senior Port Engineer, the Port Engineer, or the General Foreperson will meet with the employee at the start of the employee's review period to discuss performance expectations. The employee will receive copies of his or her performance expectations as well as notification of any modifications made during the review period. Employee work performance will be evaluated during probation, trial service and at least annually thereafter.

Section 3. The Senior Port Engineer, the Port Engineer, or the General Foreperson will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation.

The performance evaluation process will include, but not be limited to, a written performance evaluation on forms used by the Employer, the employee's signature acknowledging receipt of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. A copy of the final performance evaluation, including any employee comments, will be provided to the employee. The original performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.

Section 4. If an employee disagrees with his or her performance evaluation, the employee has the right to attach a rebuttal.

Section 5. The performance evaluation is not subject to the grievance procedure in Article 12.

ARTICLE 6 HOURS OF WORK AND RATES OF PAY

Section 1. The normal work week shall be five (5) consecutive days, Monday through Friday, of not more than eight (8) hours per day, exclusive of lunch period.

All overtime worked by an employee will be paid at one and one-half (1 ½) times (overtime rate) the employee's straight time rate of pay. Actual time will be reported but overtime will be paid in the following six (6) minute increments based on the following increments, (six [6] minutes, twelve [12] minutes, eighteen [18] minutes, twenty-four [24] minutes, thirty-six [36] minutes, forty-eight [48] minutes) for the first hour. For time worked in excess of one (1) hour, overtime will be paid at one and

one half (1 ½) the employee's straight time rate of pay, in one (1) hour increments.

Section 2. Notwithstanding the foregoing, upon mutual agreement between the Employer, the Union and the affected employees, said employees may be scheduled to work four (4) consecutive ten (10) hour days at the straight time rate of pay within a work week. Under such schedule, all time worked in excess of ten (10) hours in any one (1) day shall be at the overtime rate of pay. It is further agreed this type of scheduling will be used selectively.

Section 3. All work performed on Saturday and Sunday shall be paid at the overtime rate of pay.

Year round employees who are called to work on scheduled days off will be compensated at their overtime rate of pay. In addition, they will receive three (3) hours of pay at their straight time rate of pay regardless of the length of the overtime shift or the hours actually worked.

Section 4. Employees transferred from one shift to another, unless relieved from work at least a full shift as set forth herein, before starting their new shift, shall be paid the overtime rates for the first such shift worked. However, if an employee working on the "first" or regular daylight shift is required to return to work on the third shift within the same twenty-four (24) hour work-day period, he or she shall receive double time for the first such "third" shift worked. The twenty-four (24) hour work-day period mentioned herein shall be the twenty-four (24) hour period commencing with the starting time of the dayshift. No employee shall be transferred from a regular assigned shift to another shift more than once a work-week except in an extreme emergency involving a shortage of manpower.

Section 5. The regular daylight shift shall begin at 7:00 A.M. and shall be an eight and one-half (8-1/2) hour period less thirty (30) minutes for meals on the employee's time except that, if the locality of the Employer's plant and existing traffic conditions render it desirable to start the day shift for all employees at an earlier hour, such starting time may, by agreement between the Employer and the Unions, be made earlier, but in no event earlier than 6:15 A.M. The daylight shift may also be modified by flex time. When flex time is adopted at the option of the employee and the concurrence of management, the regular daylight shift shall begin at 6:15 A.M. but no later than 6:45 A.M. and be an eight and one-half (8-1/2) hour period less thirty (30) minutes for meals on the employee's time. Starting times and stopping times are subject to change if ferry schedules change. Pay for a full shift period shall be a sum equivalent to eight (8) times the regular hourly rate with no premium. The second and third shifts shall start on or within one-half (1/2) hour after the preceding shifts.

To ensure that an adequate workforce is available at all times once flex time has been adopted, shop start time assignments will be approved by the Port Engineer.

This is to ensure that the crews are balanced and always have adequate supervision and personnel across start times, the Port Engineer has the authority to modify start times when a shop becomes unbalanced at any point.

Section 6. Employees working overtime shall receive a lunch period of thirty (30) minutes on the Employer's time after every four (4) hours if the overtime hours are annexed to a regular scheduled shift. An employee required to work during his regular lunch period shall receive the overtime rate for such lunch period and shall thereafter be allowed a reasonable opportunity to eat his lunch on the Employer's time. If an employee is held over his/her existing shift to work overtime and is not notified at least twenty-four hours in advance prior to the end of the shift, the employee shall be guaranteed one (1) hour minimum at the overtime rate for work beyond his/her regular shift.

The regular second shift shall be an eight (8) hour period less thirty (30) minutes for meals on employee's time. Pay for a full second shift period shall be a sum equivalent to eight (8) times the regular hourly rates as set forth in Appendix A plus ten percent (10%). The regular third shift shall be a seven and one-half (7 ½) hour period less thirty (30) minutes for meals on the employee's time. Pay for a full third shift period shall be a sum equivalent to eight (8) times the regular hourly rates as set forth in Appendix A plus fifteen percent (15%).

Section 7. If the employer calls out an employee between regularly scheduled work shifts due to an emergency or unforeseen operational needs, the affected employee will be compensated as follows:

A. A Foreperson or acting Foreperson will receive a minimum of four (4) hours pay at the overtime rate of pay for the callout. The minimum hours of pay is in recognition of the Foreperson's or acting Foreperson's availability to complete work assignments including, but not limited to, receiving and making phone calls to arrange work activities during his/her off duty hours.

If circumstances require substantial Foreperson coordination that exceeds the four (4) hour minimum callout, additional time spent in support that is annexed to the callout will be compensated at a minimum of fifteen (15) minute increments, or actual time on the phone whichever is greater. This provision also applies when the Foreperson or acting Foreperson is required to support additional

callouts for separate emergencies that may occur during the same callout timeframe.

This payment does not apply:

1. To any subsequent calls within the four (4) hour period (beginning when the initial call was received);
 2. When a Foreperson or acting Foreperson is scheduled to work by management in advance or when a work schedule is extended on either end of a shift; or
 3. When a Foreperson or acting Foreperson receives a callout within two (2) hours of their normal start time and only coordination over the phone is required. Instead, the Foreperson or acting Foreperson will receive the overtime rate of pay until the start of their regularly scheduled shift.
- B. A journeyperson and/or leadperson will receive a minimum of four (4) hours pay at the overtime rate of pay for a callout. If required to work past four (4) hours, the employee will be compensated for the actual hours worked including travel. A journeyperson and/or leadperson will also receive a payment of three (3) hours pay at the basic salary, per occurrence, in addition to all other compensation due for hours worked. This payment does not apply when a journeyperson or leadperson is scheduled to work by management in advance or when a work schedule is extended on either end of a shift, when an employee is on unapproved leave without pay, or when an employee is on administrative leave..

Section 8. Employees starting their regular shift or called and starting to work after the starting time of their regular shift shall receive not less than four (4) hours pay for the first half of the shift and, if required to continue on second half of shift, they shall receive pay for a full shift. This payment does not apply during after hours or off shift callouts. Callouts after hours, weekends, or holidays do not constitute a shift.

Section 9. Employees required to report for work for a regularly scheduled shift and not used shall receive four (4) hours straight time pay. Employees required to report for work on a weekend and not used shall receive four (4) hours at the overtime rate.

Section 10. Employees who voluntarily quit or are discharged for cause shall be paid only for actual hours worked.

Section 11. Any employee already receiving a higher rate of pay than the minimum set forth in Appendix A for his classification shall suffer no reduction as a

result of this Agreement, and nothing herein shall preclude the payment of a higher rate at the discretion of the Employer.

- Section 12.** A. In the situation where an employee who has completed the normal work shift and continues working, is scheduled or later called back to work other than the normal work shift, the following schedule shall apply with regard to reporting time the following day:

Section 12.A does not apply to General Foreperson, Foreperson, or acting Foreperson activities. Reporting times will be adjusted to compensate for flex time.

Reporting time changes reflected in this section are effective on the ratification date of the Agreement and are not retroactive.

Even though the employee is not required to report to work until the time specified above, the employee will be paid for a full eight (8) hours, or ten (10) hours if that is the employee's normal work schedule, as though they were at work.

All hours worked on the call out will be paid in accordance with the appropriate provisions of this Agreement and the applicable provisions of the WSF pay manual.

Section 3. An employee's vacation anniversary date shall be based on the date he commences employment with the Employer.

Section 4. Vacation leave is not available to an employee unless the employee has served six (6) continuous months of employment.

A re-employed or reinstated employee also must have six (6) months of continuous employment before being entitled to use vacation leave.

Leave credits accumulated are canceled automatically on separation after a period of continuous employment of less than six (6) months.

Section 5. All accumulated annual leave shall be paid when an employee separates for any reason after six (6) months of continuous employment, provided seven (7) days notice has been given by the employee who quits.

Section 6. Vacation pay shall be computed on the basis of the straight time rate in effect at the time the vacation is taken.

- Section 7.** Whenever possible, vacations will be scheduled for the mutual convenience of the Employer and employee. An employees request for vacation time off shall be submitted to the employee's Foreperson in writing. At the time the employee submits a vacation time off request, the employee must have, or will have accrued, the leave to cover the vacation time off as requested. Whenever possible, requests for vacation time shall be made at least two (2) weeks in advance. The Foreperson in an area must report quarterly who will be on vacation and when. Leave of absence without pay for short periods may be granted at the discretion of the Employer. Such requests shall be made in advance. Requests for leave without pay for extended periods shall be considered subject to established WSF policies.
- Section 8.** Holidays shall not be considered when computing vacation time off. When one of the holidays specified in [Article 7](#) occurs during an employee's vacation period, he shall receive an additional day of vacation.
- Section 9.** Vacation credits as set out in Section 1 shall be pro-rated and credited on a monthly basis.

ARTICLE 9 WELDING

It is recognized that the processes of welding and burning are tools of the trade represented by the Union, and pay for such work shall be as specified in Appendix A for journeyman classifications. Employees required to take a welding test shall be paid for the time consumed in the test if they pass it successfully.

ARTICLE 10 APPRENTICESHIP, TRAINING PROGRAM AND NEW TECHNOLOGIES

- A.**
- Section 1. Apprenticeship Program:**
"Apprenticeship Program" (Program) in this Agreement means a Program approved by the Washington State Apprenticeship and Training Council that is registered with the Apprenticeship Section of Specialty Compliance Services Division of the Washington State Department of Labor and Industries.
- Section 2. Apprentice:**
"Apprentice" in this Agreement means an employee that is indentured to an approved Program and shall be subject to the Standards of Apprenticeship of the Program. An Apprentice(s) is an employee covered by the terms and conditions of the Collective Bargaining Agreement (CBA) between the Employer and the Unions who does not have the required number of hours of practical experience and training, and has not

passed the required evaluation necessary to be a Journeyman in a specific trade/classification.

Section 3. Regular Apprentices:

When the Employer desires to hire the first Apprentice in a specific trade/classification as a regular employee, the WSF shall make their selection from the appropriate Unions list of indentured Apprentices. The hiring of additional Apprentices in the same trade shall be done consistent with [Article 4](#) of the CBA.

Section 4. Temporary Apprentices:

When the Employer desires to hire a temporary Apprentice, the Employer shall place a work call to the appropriate Union(s) and specify either a low-time or a high-time Apprentice. A low-time Apprentice has completed fifty percent (50%) or less of their training and a high-time Apprentice has completed more than fifty percent (50%) of their training.

The Employer retains all rights in determining the staffing needs of each trade/classification and the hiring of Apprentices shall be at Employer sole discretion.

Section 5. Contributions:

A Letter of Agreement will be executed with each Program individually in which a Journeyman is employed. The WSF shall contribute fifteen cents (\$0.15) for each compensable straight-time hour worked by a Journeyman at Eagle Harbor, to the appropriate Program, for the classification in which each Journeyman is employed.

In no event will hourly contributions exceed two-thousand eighty (2080) hours for each Journeyman employed in a trade/classification during a calendar year.

Section 6. Ratio of Apprentices to Journeyman:

The Employer may employ Apprentices at the following ratio within each trade/classification:

One (1) Apprentice for the first Journeyman employed, 1:1

Thereafter one (1) Apprentice for each two (2) Journeymen employed, 1:2

Section 7. Section Apprentice Work:

The Apprentice shall at all times be under the direction of a Journeyman of the same classification in which the work is being performed. An Apprentice(s) shall not work alone inconsistent with the appropriate Unions Standards of Apprenticeship. An Apprentice, who is working with a Journeyman on a particular project, shall not be considered to be

working alone, provided the Journeyman is responsible for the Apprentice's work, actively directs the Apprentice and performs inspections as required. The Apprentice shall not work alone in a remote location or where other journeymen are not readily available.

A Journeyman who directs an Apprentice does not qualify for Foreperson(s) or Leadperson(s) pay by that action alone. The WSF may initially employ an Apprentice at a level other than the entry level, however, at no time after initial employment shall an Apprentice's hours be waived for purposes of advancement to Journeyman.

B. Training Program

Section 1. Any employee who successfully completes a training course related to the employee's job, which has previously been approved by the Employer prior to enrollment, shall be reimbursed by the Employer for the total cost of tuition and books required provided the employee receives a passing grade.

Section 2. Employees shall be compensated at the proper rate of pay for hours spent at training or schooling provided but not mandatory by WSF. Transportation, room and board (when required) shall be paid by WSF. All travel time shall be compensated at the straight time rate and mileage will be paid, where applicable, at the rate allowed by the State Office of Program Planning and Fiscal Management for use of private automobiles with the exception of mandatory training which will be in accordance with [Article 16](#).

When attending a training program, the hours of work will be the scheduled class hours. The work day will consist of eight (8) hours exclusive of any meal period. Overtime will not be paid unless the training class extends beyond eight (8) hours. In no event shall an employee be compensated for less than a full day when attending such training.

C. New Technologies and Training

Section 1. The Employer agrees that as new technologies that affect and impact the craft are introduced into the industry that Bargaining Unit employees will be educated and trained in the new technologies considered to be part of the work of the appropriate trades when introduced to the Washington State Ferry System. New Technology shall be understood to include any proposed introduction of the following:

A. Any non-proprietary computer controlled machinery.

- B. Any new processes such as machining, repair methods, installations, removals or new techniques or methods within the industry.
- C. Type of systems whether they are propulsion, or ships back-up systems or any system within the vessels, docks, terminals, or any other work place within the bargaining unit's area of exclusive jurisdiction.
- D, New methods and/or materials used for enhancement of the vessels, docks, and terminals.
- E. Any other technological innovations which would substantially affect jobs or job content which would be considered within the exclusive scope of the bargaining unit.
- F. The parties agree this section is not subject to the grievance procedure.

ARTICLE 11

LOCKOUTS, STRIKES AND SLOWDOWNS PROHIBITED

Section 1. Pursuant to [RCW 47.64](#), the Employer and the Union agree that the public interest requires efficient and uninterrupted performance of all Ferry services and, to this end, pledge their best effort to avoid or eliminate any conduct contrary to this objective. Specifically, the Union shall not cause or condone any work stoppage or other interference with Ferry functions by employees covered under this Agreement, and, in the event that Union members participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties. Any employee participating in the prohibited activities may be discharged by the Employer.

Section 2. During the life of this Agreement, the Employer shall not engage in any lockout. Any action of the Employer in closing its facility during a general strike, riot, or civil commotion for protection of the facility shall not be deemed a lockout.

ARTICLE 12 GRIEVANCE PROCEDURE

Section 1. The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Article provides a formal process for problem resolution.

Section 2. Terms and Requirements:

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

The parties acknowledge that time limits are important to judicious processing and resolution of grievances. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

Failure by the Union to comply with the initial thirty (30) day deadline contained in Section 3A below will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure. In the case of a dispute over the timeliness of a grievance, such issue may be brought forth to an arbitrator for his or her determination.

E. Contents

The written grievance should include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date the incident occurred;
3. The specific article and/or section of the Agreement violated;
4. The specific remedy requested;
5. The name of the grievant or a description of the group; and
6. The name and signature of the Union representative.

F. Modifications

No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved, or withdrawn, the same grievance cannot be re-submitted.

J. Consolidation

The Employer or the Union may consolidate grievances arising out of the same set of facts.

K. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

L. Discipline

Disciplinary grievances will be initiated at the level at which the disputed action was taken. The employer may discipline any employee with just and sufficient cause up to and including termination.

- M. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

Section 3. Filing and Processing:

- A. Filing
A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence. This thirty (30) day period may be used to attempt to informally resolve the dispute.

- B. Processing
Step 1 – Director of Vessels or Designee
If the issue is not resolved informally, the Union may present a written grievance to the Director of Vessels or the Director’s designee with a copy to the WSF Labor Relations Office within the thirty (30) day period described above. The Director of Vessels or the Director’s designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within ten (10) days after the meeting.

Step 2 – Ferries Division Assistant Secretary or Designee
If the grievance is not resolved at Step 1, the Union may request a Step 2 meeting by filing it with the Ferries Division Assistant Secretary or designee, with a copy to the WSF Labor Relations Office, within fifteen (15) days of the Union’s receipt of the Step 1 decision. The Ferries Division Assistant Secretary or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal, and will respond in writing to the Union within ten (10) days after the meeting.

Step 3 – Pre-Arbitration Review Meetings
If the grievance is not resolved at Step 2, the Union may request a pre-arbitration review meeting by filing the written grievance including a copy of all previous responses and supporting documentation with the State Human Resources, Labor Relations (SHR/LR) at labor.relations@ofm.wa.gov with a copy to the agency’s Human Resource Office within fifteen (15) days of the

Union's receipt of the Step 2 decision. Within fifteen (15) days of the receipt of all the required information, the SHR/LR representative or designee will discuss with the Union:

1. If a pre-arbitration review meeting will be scheduled with the SHR/LR representative or designee, an agency representative, and the Union's staff representative shall review and attempt to settle the dispute.
2. If the parties are unable to reach agreement to conduct a meeting, the SHR/LR representative or designee will notify the Union in writing that no pre-arbitration review meeting will be scheduled.

Within fifteen (15) days of receipt of the request, a pre-arbitration review meeting will be scheduled. The meeting will be conducted at a mutually agreeable time. The SHR/LR will notify the Union, in writing, of the meeting results within ten (10) days of the conclusion of the pre-arbitration review meeting.

Step 4 – Arbitration

If the grievance is not resolved at Step 3, or the SHR/LR representative or designee notifies the Union in writing that no pre-arbitration review meeting will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the Federal Mediation and Conciliation Service (FMCS) within fifteen (15) days of the pre-arbitration review meeting or receipt of the notice no pre-arbitration review meeting will be scheduled. A copy of the demand to arbitrate the dispute will be provided to the SHR/LR and WSF Labor Relations contemporaneous to filing a demand to arbitrate the dispute with FMCS.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the FMCS (limited to seven [7] names).

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;

- b. Be limited in his or her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;
 - d. Not have the authority to order the Employer to modify his or her staffing levels or to direct staff to work overtime.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
 3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled at the request of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its Union representatives, witnesses, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of

repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant, and the Union representative.

F. Tracking of Monetary Disbursements, Grievance/Arbitration Settlements and Awards

1. At the time a disbursement is authorized as a result of a grievance settlement or as a result of an arbitration award, the Employer will notify the Union and the Manager of the Eagle Harbor facility of the authorization, including the name of the individual employee(s) authorized to receive the payment, the grievance number, if applicable, and the amount of disbursement. A copy of this notification will be forwarded to the WSF Payroll Office as the basis for authorizing the disbursement of funds.
2. At the time the disbursement is made, WSF will confirm in writing to the employee and to the Union the amount, date of payment, and grievance/arbitration identification number.

G. Successor Clause

Grievances filed under the 2015-2017 Agreement will be processed to completion in accordance with the provisions of the 2015-2017 Agreement.

ARTICLE 13
ASSIGNMENT OF WORK

The Staff Chief Engineer has the authority to assign to his crew any job function related to electrical, mechanical, pipe, sheetmetal, etc., he desires when the vessels are in normal operations.

Eagle Harbor craft personnel are only invited aboard vessels to perform work at the Staff Chief Engineer's request, and are required to report to the Watch Officers prior to performing any work requisitions. While vessels are in normal lay-up status at the Eagle Harbor Facility and/or while a vessel is in normal lay-up at any other terminal for purposes other than the vessels' operational tie-up, all work requisitions submitted by the Staff Chief Engineer will be performed by craft personnel. This is not intended to allow Staff Chief Engineers, during normal lay-up status, to withhold work requisitions to enable vessel crew members to perform rehabilitation work normally done by craft employees.

ARTICLE 14
SHOP STEWARDS – MEETINGS AND RELATED MATTERS

Section 1. It is recognized by the Employer that shop stewards are desirable for the proper administration of the terms of this Agreement. The Employer also recognizes that it is desirable that the person designated as Steward shall receive his fair share of the work that he is qualified to perform. In no event shall the Employer discriminate against a Steward in the manner of layoffs or rehires or discharge him on account of the proper performance of his duties. There may be designated by each Union one (1) shop steward who shall be the last laid off in the event a lay off is required provided the shop steward has the skills to perform the work available. Twenty-four (24) hours advance notice will be given the Steward if he/she is to be laid off.

There shall be one (1) shop steward designated as the Steward's Liaison. At the conclusion of the monthly Steward's meeting the Liaison will have free access to disseminate information and communicate between the members, other Unions and Management. This time shall be limited to one (1) hour unless otherwise approved by Management.

Union Stewards will be allowed to investigate grievances during their normal work day provided no necessary required work is interrupted by the Steward's absence and the Steward's Supervisor has given the Steward prior approval to engage in such activity. Such prior approval shall not unreasonably be withheld.

Section 2. The Employer will not discriminate in any way against any shop steward for presenting a complaint, dispute or grievance to the Employer in the manner provided for in this Agreement. The full grievance procedure as set forth in this Agreement shall be available to any Union which feels that its shop steward(s) have been discriminated against in the administration of their duties and responsibilities as a shop steward(s).

ARTICLE 15
PAY DAY

Section 1. All employees will be paid pursuant to [WAC 82-50-021](#) as now in effect or hereinafter amended by the Office of Financial Management.

Section 2. In case an employee is laid off or discharged by the Employer, he shall receive his pay in compliance with State Law.

ARTICLE 16
TRAVEL TIME AND OUT-OF-YARD WORK
AND MANDATORY TRAINING

- Section 1.** When employees are required to travel to and from jobs/mandatory training during their regular shift hours, they shall receive the regular straight-time hourly rate as specified in Schedule A. The Employer shall either provide covered transportation for such employees, shall pay the regular fares, or shall pay the mileage rate allowed by the State office of Program Planning and Fiscal Management for use of private automobiles.
- Section 2.** The employee may transport tools and small equipment not to exceed seventy-five (75) pounds.
- Section 3.** Employees required to travel to and from jobs/mandatory training outside their regular shift hours and on Saturday, Sunday, or holidays shall receive the established overtime rate as defined in [Article 6](#) hereof. A regular shift for mandatory training is as governed by [Article 10, B. Section 2](#).
- Section 4.** Employees required to stay overnight in order to complete jobs located away from the WSF maintenance facility shall be entitled to State per diem allowance.
- Section 5.** When an employee is required to travel from home to and from a job site other than the maintenance facility during the normal work week:

 - B. Employees who reside on the West side of Puget Sound will be paid for travel time and mileage either from their residence to the job site/mandatory training site, or from Eagle Harbor to the job site/mandatory training site, whichever is the lesser distance.

When such travel is required on Saturday, Sunday, or a holiday, employees will be paid for actual travel time and mileage from their homes directly to the job site/mandatory training site.

ARTICLE 17

SICK LEAVE

- Section 1.** Full time employees shall, after one-thousand forty (1,040) cumulative hours of continuous employment, receive one (1) day (eight [8] hours) of sick leave credit for each completed month of service provided the employee has been in pay status for eighty (80) non-overtime hours in a calendar month (WAC 357-31-120). Sick leave is accumulative.
- Section 2.** Sick leave credits may be used as soon as granted. Sick leave shall not be used except for the purposes expressed in Section 5 and 6 of this Article.
- Section 3.** Each employee's sick leave credit days are canceled automatically upon his termination of service. Terminating employees do not receive sick leave credit for the month in which they terminate unless they work at least eighty (80) non-overtime (WAC 357-31-120) hours in the month.
- Accumulated sick leave credit days follow the employee if he is transferred to another State of Washington department.
- Section 4.** At the employee's option, annual leave may be used in lieu of sick leave, but sick leave may not be used as annual leave.
- Section 5.** Sick leave may be claimed from the accumulated days of credit for any employee for illness or injury which incapacitates the employee to the extent that he is unable to perform his work.
- Section 6.** Sick leave may be claimed for deaths in the immediate family requiring the attendance of an employee. Leave for such reason shall be limited to three (3) days in any one instance, except that up to two (2) additional days may be allowed if it can be demonstrated to the Employer that the additional time is necessary because of distance. Employees may take sick leave to attend the funeral of relatives as follows: Any relative living in the employee's household, plus the employee's spouse, state registered domestic partner as defined by RCW 26.60.020 and 26.60.030, parent, grandparent, brother, sister, child, grandchild, aunt, uncle, father or mother-in-law, and brother or sister-in-law.
- Section 7.** All sick leave claims must be made on forms provided for that purpose, which forms require the sworn signature of the claimant. A supply of the forms will be furnished to each shop, and they will also be available at terminals and at the general offices.
- Section 8.** No payment of wages chargeable to sick leave credits will be made until the claim form is received in the general offices, except that the form may be prepared for an employee by supervisory employees in the general

offices when the employee is incapacitated to the extent that he cannot sign a claim.

- Section 9.** For claims of more than five (5) working days, the employee must secure a verifying statement from his doctor to support his claim. This statement must be presented to the Employer prior to the employee's return to work.
- Section 10.** A verifying statement from the employee's doctor may be requested by the Employer, at its option, to support claims for five (5) days or less.
- Section 11.** No sick leave claims will be honored for time loss for which the employee is receiving State of Washington Industrial Insurance time-loss payments (Workmen's Compensation).
- Section 12.** All accumulated sick leave may be restored when a previously separated employee is re-employed on a permanent basis within five (5) years of leaving state service (WAC 357-31-160). It also may be transferred between State departments.
- Section 13.** If, at any time during the term of this Agreement, the Legislature of this State should pass any legislation which would allow any group of State employees to cash out or otherwise receive compensation for accumulated sick leave upon retirement, said legislative provisions shall immediately become a part of this Agreement and shall be fully applicable to all employees covered by this Agreement.

ARTICLE 18

LEAVES OF ABSENCE

- Section 1. Employment Status:**
An employee retains employment rights when working, when the employee is on a contract provided leave or when the employee is on a Leave of Absence (paid or unpaid) approved in writing in advance of taking the leave. Employees on unpaid leave of absence are not entitled to Employer paid medical benefits, unless eligible under sick leave or FMLA. An employee taking a leave, which is not pre-approved, is absent without an approved leave and subject to progressive discipline as set forth in Section 19 of the Washington State Ferries employee code of conduct handbook.
- Section 2. Employee Accountability:**
An employee absent from work for three (3) consecutive days who is not on an approved leave may forfeit the employee's seniority rights and will be subject to the progressive disciplinary process, the determination of which shall be case specific.

Section 3. Leave Time Defined and Approved in Advance:

In the case of all leaves, the employee shall obtain managerial written approval in advance of taking the leave on appropriate leave forms provided by the Employer. Leave forms for absences due to illness/injury or other unforeseen events shall be completed by the employee as soon as possible. Medical certification for absences of five (5) days or more for absences due to medical reasons is required. Medical certification may also be required when good cause exists to believe the employee is abusing sick leave. Sick leave for less than five (5) days shall be requested on the payroll timesheet. For absences over five (5) days it must be on the appropriate form provided by the Employer. For medical leaves over thirty (30) days, the employee must also submit a Certificate of Health Care Provider on the appropriate form provided by the Employer. The Employer shall provide employees with a Request for Extended Leave Form with an explanatory cover letter normally no later than thirty (30) days after his or her first day of absence. The completed Request for Extended Leave Form should be submitted to the Employer as soon as possible after receipt.

Section 4. Leave Approval:

On all leaves, the employee must indicate a start date for the leave and ending date for the leave. The terms of all leaves of absence shall be reduced to writing and may be extended up to the maximum time allowed for the specific leave. An employee must obtain written managerial approved extensions before the end date of the leave, except in cases of emergency. Extensions must be applied for a minimum of five (5) working days before the end of the leave. Extensions to leaves beyond the maximum times allowed will be non-precedent setting.

Section 5. Return from Leave:

Employees who have been on an approved leave of absence shall return to work on the date specified on the leave. An employee on Leave of Absence (paid or unpaid) who fails to report to work at the end of such leave, or fails to obtain a written extension before the leave expiration date and does not report to work, is absent without an approved leave, unless the failure was unavoidable due to injury or illness, which must be documented in writing and certified by a physician as soon as possible in order to be considered for return to work.

Section 6. No Accrual:

An employee on a Leave of Absence without Pay or by reason of an industrial injury/illness will continue to accrue seniority only for the purposes of layoff and recall during such leave. During such leave, vacation and sick leave shall not be accrued.

Section 7. Non-occupational Medical Condition:

An employee, who has completed one (1) year of continuous employment, may request a leave of absence due to a non-occupational medical condition that prevents him/her from performing the essential job functions. Such leave shall be granted to the employee upon presentation of a certificate on the form provided by the Employer, from a licensed physician, confirming the employee's continued inability to perform the essential job functions. An employee absent for more than twelve (12) consecutive months, not broken by more than sixty (60) days of work, may be subject to re-evaluation as fit for duty. If the employee is unable to return to work, the employee may be subject to an extension of leave, reasonable accommodation (reference [Article 32](#)) or disability separation. The determination of which will be case specific. Should the employee's leave of absence be extended past twelve (12) months, the employee's seniority is frozen and the seniority date adjusted if the employee returns to work.

Section 8. Occupational Injury/Illness:

An employee, who suffers an occupational injury/illness, may request a leave of absence for the period of incapacitation for which the employee is receiving Worker's Compensation benefits. Such leave shall continue to be granted only upon the employee's presentation of a certificate from a licensed physician, on the form provided by the Employer, confirming the employee's inability to work. If an injured employee reports such injury immediately following its occurrence to the nurse, first-aid attendant, or physician designated and after reporting for work on the following day is advised by the nurse, first aid attendant, or physician designated by the Employer not to continue work because of said injury, he shall be paid to the end of said shift.

Prior to being fit tested, all employees are required to complete a medical questionnaire from a Professional Licensed Health Care Provider (PLHCP) designated by management. An employee must complete all questions as applicable in the questionnaire each time they submit a medical questionnaire. The information on the questionnaire is confidential and subject to all protections provided by State and Federal laws. Management will attempt to arrange for the governmental required annual fit test to occur between June through July of each year. After the fit test, current employees may re-grow a beard or other facial hair on the condition that if an employee is required by the employer to work in an environment which requires a respirator mask the employee shall shave to obtain the proper fit for the respirator mask.
