25.70.30
January 1, 2017

Amounts due to deceased employees

When an employee dies, promptly record all amounts owed to the employee in GL Code 5145 “Due to Deceased Employees’ Estates.” All compensation due to a deceased employee, no matter when earned, is to be held until the surviving spouse, domestic partner registered in the state of Washington or estate has met certain legal requirements. Refer to Subsection 85.34.30 for accounting procedures related to amounts due to deceased employees.

The term “amounts owed to the deceased” means amounts owed for labor or services performed by the deceased and/or expense reimbursements or allowances.

25.70.30.a

Cases in which the court has appointed a personal representative

If the deceased employee’s estate is in probate (a court action has been filed to distribute the deceased’s estate), and the court has appointed a personal representative, then the entire amount owing to the deceased employee is to be paid to the personal representative (personal representatives may also be referred to as executors or administrators).

The agency is to require a copy of the court order appointing the personal representative before paying the amount due the deceased employee. Generally, orders appointing personal representatives will come from the state superior court. If a tribal court is involved in an inheritance case and an agency is presented with a tribal court order, contact your agency’s OFM Accounting Consultant.

25.70.30.b

Cases in which no personal representative has been appointed

If no personal representative has been appointed by a court on behalf of the deceased’s estate, then certain relatives can claim the amount due to the deceased employee. The agency must require proof of the claimant’s relationship to the deceased employee before distributing any of the amounts owed to the deceased to the claimant. This proof is accomplished when the claimant completes the *Claim for Indebtedness of the State of Washington to Deceased Employee* form. Using the declaration form is easiest for most claimants, particularly those residing out of state, because it does not require the document to be signed in front of a notary public.

The specific relatives who can file a claim for indebtedness are set forth in RCW 49.48.120. They are as follows in the order of priority: the surviving spouse or domestic partner registered in the state of Washington of the deceased; if there is no surviving spouse or domestic partner registered in the state of Washington of the deceased, then the deceased's surviving child or children; if the deceased had no surviving child or children, then the deceased's parent or parents.

Refer to Subsection 25.70.30.d for instructions involving surviving spouses or domestic partners registered in the state of Washington who have a community property agreement. If none of these relatives survives the deceased, then the state can release the amount owed to the deceased only to the personal representative of the deceased's estate unless the provisions of Subsection 25.70.30.e apply.

Note: Effective July 22, 2011, RCW 26.60.090 authorizes a legal union of two persons of the same sex that was validly formed in another jurisdiction, and that is substantially equivalent to a domestic partnership under state law, to be recognized as a valid domestic partnership and treated the same as a domestic partnership registered in the state of Washington regardless of whether it bears the name domestic partnership. Whenever "domestic partner" is used in this section, refer to this note for clarification.

The state of Washington does not permit the creation of common law marriages. Couples must obtain a license and the ceremony must be solemnized in order for the marriage to be valid (refer to RCW 26.04.050).

However, a common law marriage created in another state will be recognized as valid in the state of Washington if the common law marriage was recognized as a valid marriage in the state where created (refer to RCW 26.04.020(3)). The following jurisdictions recognize common law marriages: Alabama; Colorado; District of Columbia; Georgia (if created before 1/1/1997); Idaho (if created before 1/1/1996); Iowa; Kansas; Montana; New Hampshire; Ohio (if created before 10/10/1991); Oklahoma (if created before 11/1/1998); Pennsylvania (if created before 1/1/2005); Rhode Island; South Carolina; Texas; and Utah.

If the deceased has multiple surviving children, then the agency can pay only the representative portion of the amount owed to the deceased to a child, absent an agreement signed by all of the deceased's children that the child signing the Claim Form may accept the amount owed to the deceased on behalf of all the deceased's surviving children. For example, if the deceased has three surviving children, and only one child filed a claim form, the agency could pay that child only one-third of the total amount the agency owed the deceased, subject to the dollar restrictions in Subsection 25.70.30.c.

A child of the deceased employee who has been declared emancipated under Chapter 13.64 RCW may still file the claim form for the amounts due the deceased. While children who are minors (under 18) must have a guardian or other legal representative file the claim form on their behalf, an emancipated minor is considered an adult for these purposes.

If the deceased is survived by both parents who are divorced or the domestic partnership registered in the state of Washington has been dissolved – then each must file a claim form and the agency should pay each parent half of the total amount owed to the deceased, subject to the dollar restrictions in Subsection 25.70.30.c. If the parents are still married or domestic partners registered in the state of Washington, then either may file the claim form and the agency should pay the entire amount subject to the dollar restrictions in Subsection 25.70.30.c to that parent.

25.70.30.c

Payments to the relatives in Subsection 25.70.30.b are limited to \$13,000 or less

Even if the state owes the deceased more than \$13,000, the agency can only pay to the appropriate relative an amount not exceeding \$13,000, unless the provisions of Subsections 25.70.30.d or 25.70.30.e apply or a personal representative has been appointed by the court.

Starting July 1, 2005, and every biennium thereafter, the director of the Office of Financial Management (OFM) may adjust the amount of indebtedness that can be paid for a claim to a level not to exceed the percentage increase in the consumer price index for Seattle. Adjusted dollar amounts of indebtedness shall be rounded to the nearest five hundred dollar limit. Refer to RCW 49.48.120.

Salary Overpayment Recoveries

25.80.10

July 1, 2012

Definitions

Overpayment, as used in RCW 49.48.210, means a payment of wages for a pay period that is greater than the amount earned for a pay period.

Net overpayment, for the purposes of this section, means the amount of overpayment made to an employee, less the employee share of Social Security and Medicare payroll taxes.

Involuntary wage deduction means a wage deduction the agency imposes through the procedures detailed in Subsection 25.80.50.

25.80.15

July 1, 2007

Recovery methods

Debts due the state for overpayment of wages may be recovered by the agency in several ways:

- 1) The employee can agree to pay back the overpayment through a voluntary wage deduction (or, by cash or personal check);
- 2) The agency can assign the debt to a collection agency;
- 3) The agency can engage in an involuntary wage action; or
- 4) The agency can bring an action against the employee in court.

If the overpayment involves an employee covered by a collective bargaining agreement, the recovery methods in the collective bargaining agreement should be followed.

Credit cards and/or debit cards may be processed either by retail methods or over the internet. Retail methods are also called point of sale and include transactions over the counter, through an interactive voice response system, over the phone, by fax, or by mail.

Expansions of existing processes **may require** approval by OFM as well. Agencies planning an expansion should contact their assigned OFM Accounting Consultant to determine if an EFS is needed.

State agencies accepting credit cards and/or debit cards must comply with Payment Card Industry – Data Security Standards (PCI-DSS) to safeguard cardholder data. Additional guidance is available on OFM’s E-Commerce Resources website at: <http://www.ofm.wa.gov/resources/ecommerce.asp>.

Each agency accepting credit cards and/or debit cards **must** reconcile its card activity daily.

Generally agencies may not accept credit cards, commonly referred to as purchase cards, from other state agencies.

Exceptions to this are as follows:

- When prior written approval is received from OFM based on the requirements in Subsection 40.40.10.
- When the paying and/or receiving account is a local account, and the receiving agency has agreed to accept the inter-agency purchase card payments.
- The Department of Transportation’s Good To Go! prepaid toll accounts.

Refer to Subsection 85.36.20 for further information on methods of payment available for interagency payments.

Wire transfers, lockbox services, remote deposit services, and other electronic technologies

40.20.30.a

In general, in addition to credit cards and/or debit cards, unless specifically authorized by law, all other forms of acceptance or electronic transfer of funds and/or payment information by state agencies **must be approved** by the Office of Financial Management (OFM) **prior to** implementation. This **requires** an economic feasibility study (EFS) to be submitted to OFM. Refer to Section 40.40 for information related to preparing an EFS.

Expansions of existing processes **may also require** approval by OFM. Agencies planning an expansion should contact their assigned OFM Accounting Consultant to determine if an EFS is needed.

If a project is limited to these other electronic technologies, and does not include automated clearing house (**ACH**) transfers, the Business Case of the EFS is required to explain why ACH would not be a viable option for their project.

40.20.30.b

Electronic payment types where an EFS is **required** include, but are not limited to:

- **ACH transfers not performed directly through the Office of the State Treasurer (OST).** Any ACH transfer where the processing and settlement occur outside the state treasury.
- **Lockbox services.** Contact the OST Cash Management Section for information on services available through the Master Lockbox and Automated Remittance Advice Services Contract. A contract amendment is required to add a new agency or to change existing agency specific requirements. Lockboxes often have an electronic component. Contact OST and OFM to determine if an EFS approval is needed for the specific project.
- **Remote deposit services.** The use of imaging software to capture and transfer an image of a paper check to the bank for deposit. May also be referred to as Check 21 deposits. Contact OST's Cash Management Section regarding available contracts.
