Shared leave

85.34.20.a

The Shared Leave Program enables a state employee to donate annual, sick, and personal holiday leave to another state employee who:

- Is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, or impairment,
- Has been called to service in the uniformed service,
- Is a victim of domestic violence, sexual assault or stalking, or
- Has needed skills to assist in responding to an emergency declared anywhere in the U.S.A. by the federal or any state government, and the employee is volunteering with a governmental agency or nonprofit organization to provide humanitarian relief in the devastated area.
- Has a monthly full-time equivalent base salary of \$2,500 or less and has no vacation leave. Use of shared leave under this circumstance is allowable only during the 2009-2011 biennium and only in lieu of a temporary layoff during the closure of an office.

Refer to RCWs 41.04.650 through 670 and SAAM Subsection 25.40.10. After approval from agency head or authorized designee, transfer of leave between employees is to be recorded in the accounting and payroll systems in such a way as to allow for statewide reporting of shared leave activity.

85.34.20.b

For shared leave transfers between employees within an agency and within the same account, no transfer of cash is involved. The entry is to debit GL Code 6510 "Cash Expenditures/Expenses" with Subobject BT "Shared Leave Provided - Sick Leave," BU "Shared Leave Provided - Personal Holiday," and BV "Shared Leave Provided - Vacation Leave," as applicable, and to credit the same general ledger code with Subobject BW "Shared Leave Received." Refer to Subsection 85.42.50.a for an illustrative entry.

Accounting Procedures

- 85.34.20.c Shared leave donations between accounts and/or agencies require transfer of cash from one account and/or agency to the other. In the donor's agency and account, the entry is to debit GL Code 6510 "Cash Expenditures/Expenses" with Subobject BT, BU, and BV, as applicable, and to credit the appropriate cash GL code. In the donee's agency and account, the entry is to debit the appropriate cash GL code and to credit GL Code 6510 "Cash Expenditures/Expenses" with Subobject BW. Refer to Subsection 85.42.50.b for illustrative entries.
- 85.34.20.d Statute requires that unused shared leave be returned on a pro-rata basis to the various donors. Additionally, if an employee donates multiple types of leave, any reversion is to be returned proportionate to the original donation. When shared leave is returned, the original entries recording shared leave transfers are reversed for the value of the unused shared leave. Amounts are assumed to be immaterial and should be recorded as a recovery of current expenditures. Refer to Subsections 85.42.50.d and e for illustrative entries.
- 85.34.20.e Refer to Section 25.40 for administrative procedures relating to shared leave.

85.34.40 Salary overpayment recoveries

June 1, 2004

- 85.34.40.a When a salary or wage overpayment occurs, the total amount of the expenditure recovery includes the gross pay overpayment and associated employer costs related to the overpayment. These costs may include social security, Medicare, medical aid, retirement, and the employer's share for health insurance.
- 85.34.40.b If the employee is continuing on payroll, process the recovery of the gross salary overpayment as a reduction to gross pay through the payroll system. Refer to Section 25.80. In most cases, this process will automatically adjust all the reductions for gross pay and the related employer costs.
- 85.34.40.c If the employee has been terminated from the payroll system and no future salary payments are anticipated, a manual recovery of both the employee overpayment and employer costs is necessary. The steps are as follows:
1. Recover from the employee the overpaid net pay plus any deductions that cannot be recovered by the agency from the applicable vendors. Each deduction recovery will depend on the vendor involved and if the deduction actually has been distributed.
 2. Follow Internal Revenue Service procedures for recovery of income tax withholding, social security, and Medicare for both the employee and applicable employer shares.
 3. Deposit current appropriation expenditure recoveries of net pay and deductions, or employer costs, to the account(s) where the employee was charged, crediting GL Code 6510 "Cash Expenditures" using the same Object A, B, or N series charged for the wage overpayment. Refer to Subsection 85.42.70.a for an illustrative entry.
 4. Decrease the full time equivalents (FTEs) for the number of hours associated with the overpayment if excess paid hours caused all or a part of the overpayment. Refer to Subsection 85.42.70.b for an illustrative entry.
- 85.34.40.d Refer to Subsection 85.20.30 regarding the coding of receipts for recovery of salary and benefit expenditures charged against a prior appropriation.
