/7/2025	4/16/2025	71097227	Tribal Cultural Affairs Program Manager	WMS 2	Program Manager	GFS	The Program Manager is key to team management and coordination, shouldering most tribal liaison work, and ensuring delivery of the Tribal Cultural Affairs' (TCA) program's mission. TCA's mission is to foster equity, expand creative economy access and participation for tribes, tribal artists, culture bearers and creatives by funding Tribes and Indigenous artists that have historicall been excluded from their share of government arts and cultural funding. As the current Program Manager is retiring, it is essential that we refill the position, and handle the transition in a way that is respectful to the relationship that has been built with each of the Tribes and their communities.
