

## Contracts Freeze Exception Report to OFM

Workforce Training and Education Coordination Board

(Do not report a running list, only report new actions since your last report.)

Date Approved	Name of Contractor	Brief Description of Services	Term of Contract	Cost	Fund Source (Exception)
2/5/2025	Resource Data Inc	<p>This is an existing IT project that is in the last phase of the project. The development vendor, ROI, is requesting additional funds (\$65,740.00) needed to complete the project due to increased scope created by the departure of two staff members mid-project, and UI/UX work not covered by the UI/UX vendor. Items removed from the scope include CTOL import capabilities, data loaders, reports and ad-hoc queries.</p>	2/5/2025- 6/30/2025	65,740	State IT Pool Contract is an IT project subject to the provision of the IT investment pool and has been certified to move to the next stage by WA Tech and approved for funding by OF
