**Sequential by code number with description**

<b>Code</b>	<b>Title and Description</b>
<b>A</b>	<b>SALARIES AND WAGES</b>  Amounts paid to persons who provide personal services subject to the direction and control of a state agency (employer/employee relationship) are to be classified as salaries and wages, except for those persons who are considered employees for payroll tax reporting only (refer to Subobject NW). It does not matter that the state agency permits the employee considerable discretion and freedom of action as long as the state agency has the legal right to supervise and control the method and the result of the services.
AA	State Classified  Those state employees/positions whose salaries are set in accordance with the Washington Personnel Resources Board salary schedule and compensation plans, except those employees/positions whose salaries are set by the Washington Personnel Resources Board under the provisions of additional exemptions requested by elected officials and the executive assistants for personnel administration as prescribed by RCW 41.06.070. Also includes those employees under the Washington Management Services program.
AB	Higher Education Classified  All classified employees/positions of institutions of higher education and related boards under the jurisdiction of the Washington Personnel Resources Board as defined by chapter 41.06 RCW.
AC	State Exempt  Those employees/positions whose salaries are set by the governor, upon recommendation of the State Committee on Agency Officials' Salaries, or by appropriate boards and commissions; and those employees/positions whose salaries are set by the Washington Personnel Resources Board under the provisions of additional exemptions requested by elected officials and the executive assistant for personnel administration as prescribed by RCW 41.06.070. This category includes those employees/positions whose salaries are established by agency heads such as confidential secretaries, administrative assistants, and assistant attorney generals.

**Object/Subobject Decisions Flowcharts**

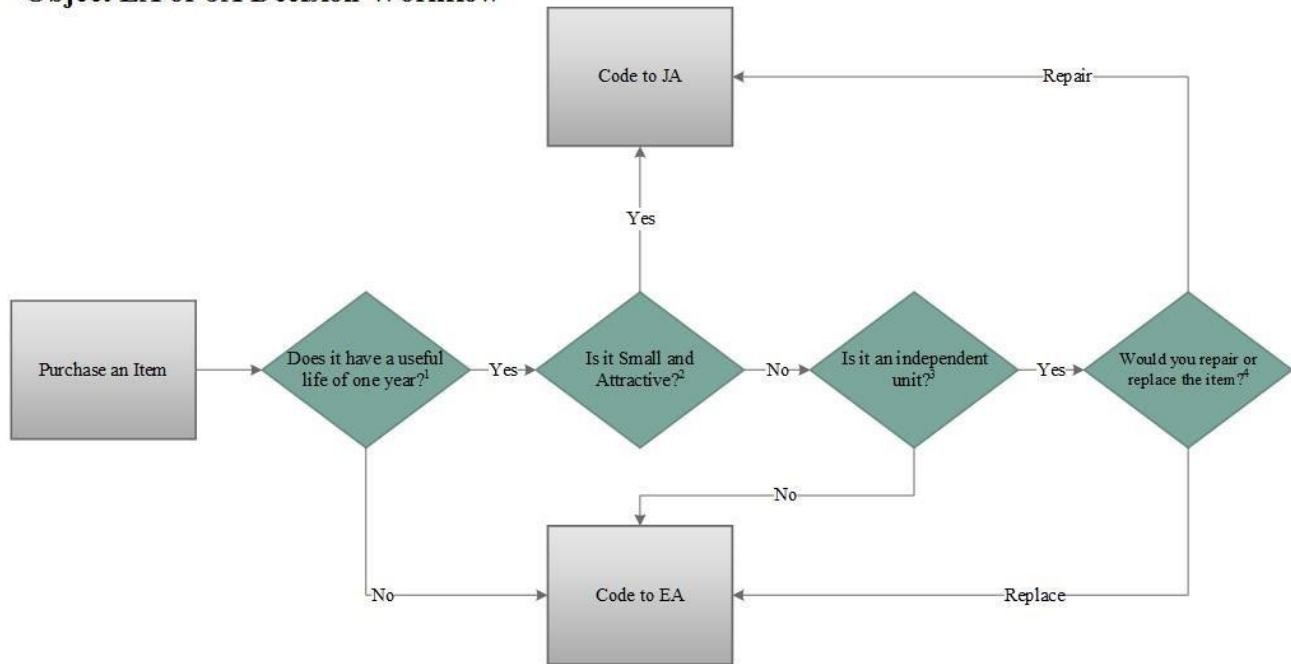

The following sub-sections provide guidance and criteria to use in determining the appropriate Object and/or Subobject to code certain expenditures.

## 75.70.30.a

In determining if an item should be coded as Subobject **EA-Supplies and Materials** or **JA-Noncapitalized Assets**, answers to the questions below should be factored into the decision. Refer to the decision flowchart shown below.

1. Under normal conditions of use, is the item expected to serve its principal purpose for at least one year?
2. Does the item fall under the agency policy for small and attractive assets? In the absence of an agency policy, does the item fall under the SAAM policy for small and attractive assets. Refer to SAAM Sub-section 30.40.20.
3. Does the item retain its original shape, appearance, and character with use? That is, the item does not lose its identity through fabrication or incorporation into a different or more complex unit or substance.
4. If the item is damaged or some of its parts are lost or worn out, is it more feasible to repair the item or to replace the item with an entirely new unit?

## Object EA or JA Decision Workflow

1 - Under normal conditions of use, including reasonable care and maintenance, it can be expected to serve its principal purpose for at least one year.

2 - Please refer to your agency's policy for Small and Attractive items; if none, refer to SAAM policy 30.40.20.

3 - It retains its original shape, appearance, and character with use. It does not lose its identity through fabrication or incorporation into a different or more complex unit or substance.

4 - If the item is damaged or some of its parts are lost or worn out, it is more feasible to repair the item than to replace it with an entirely new unit.

## 75.70.30.b

In determining if an item should be coded as Object **C-Professional Service Contracts** or Subobject **ER-Other Routine Contractual Services**, answers to the questions below should be factored into the decision. Refer to the decision flowchart shown below.

1. Are the contracted services part of the core day-to-day business operations or a unique or infrequent service?
2. Are the services received consulting or advisory in nature? That is, are the services predominantly intellectual in character such as the development of findings, conclusions, and recommendations that are presented to the agency for consideration and decision making?

Object C or ER Decision Workflow

1 – Are the services being contracted part of the core day to day business operations or is it a unique service or infrequent service?

2 – Includes services that are predominately intellectual in character such as the development of findings, conclusions, and recommendations that are presented to the agency for consideration and decision making.
