Narrative Explanation (Required for Indeterminate Cash Receipts)

“This bill includes estimates for both vehicle and driver related fees as well as aviation fuel tax. DOL used data from the February 2022 transportation revenue forecast. Fee changes are then attributed to three different accounts, including the new Move Ahead WA Account and the Move Ahead WA Flexible Account. For purposes of this fiscal note, cash receipts are based on the effective dates of the changes in the bill.

Relevant sections for cash receipts:
