2025-27 IT ADDENDUM

New submittal process beginning with the 2025-27 biennium

The IT Addendum has five parts and is now completed via a Formstack survey available on [WaTech's website](#). After completing the Formstack survey, the agency will receive a PDF copy of their responses via email. Agencies must submit this PDF as an attachment to their associated decision package in the Agency Budget System (ABS).

If you have questions or need assistance, please contact your [WaTech Business Relationship Manager](#) or the [WaTech Support Center](#).

NOTE: Only submit an IT addendum if your decision package includes IT costs.
