**TO:** Agency Budget Officers

**FROM:** Jim Crawford, Assistant Director

**SUBJECT: BUDGET FORMAT CHANGE REQUESTS**

This memorandum provides instructions for agencies considering revisions to their budget format reporting structure. As provided in [RCW 43.88.030](#), a “budget format change” requires prior approval from OFM and the Legislative Evaluation & Accountability Program (LEAP) Committee. A budget format change refers to any of the following changes in budget, allotment, or accounting formats:

- shift of costs between programs (subprograms/categories for the Department of Social and Health Services, Department of Corrections, and Health Care Authority);
- program creation, consolidation, elimination, or division of programs/subprograms/categories;
- title change, if the new title is different from the current program, subprogram, or category name; or
- any other revisions that would affect the comparability of expenditures, revenues, workload, performance and personnel over time.

Agencies proposing any such changes must submit a request to the Office of Financial Management (OFM) no later than **Monday, May 21, 2018**.

Even-numbered calendar years are a good time to submit proposals for budget structure changes in anticipation of submitting agency biennial budget requests.

**Note: Agencies are not required to submit budget format change proposals;** please limit changes to those that serve a legitimate business purpose.

Program changes already adopted by legislative action in substantive legislation or an appropriations act do not require LEAP Committee approval; however, **a ten-year history restructure of historical data is still required** ([RCW 44.48.150](#)). For information on the type and format of the data required, please contact Mike Schaub in OFM’s Statewide Accounting Division at (360) 725-0225 or [michael.schaub@ofm.wa.gov](mailto:michael.schaub@ofm.wa.gov).

### **Required Elements of Program Structure Change Request**

Agency submittals must provide a thorough description and explanation of each proposed budget format change. Include the following elements to ensure that your agency submittal is complete:

1. **Narrative Description of Change** (see Tab A of attached Excel file, Program Structure Change Example). This should focus on the following questions:
  - What purpose is served by the change?
  - How will this change affect the availability and understanding of budget and accounting information for policymakers and the public? For example, if programs are being consolidated, explain how this change will affect the availability and understanding of data from formerly independent programs.
  - The name, telephone number, and email address of the representative(s) who will testify regarding the proposed changes at the LEAP Committee hearing. All agencies with program structure change requests must have a representative available to testify.
2. **Crosswalk** should display details within the affected programs in the existing structure compared to the proposed structure. (See Tab B of Program Structure Change Example.)
3. **Comparison of Current Structure to Proposed Structure** should compare the total estimated current biennial expenditures and FTEs, for all programs, before and after the proposed changes. (See Tab C of Program Structure Change Example.)

#### [Program Structure Change Examples and FAQs](#)

After conferring with legislative staff, OFM will communicate our recommendations to the LEAP Committee; the LEAP Committee only considers those requests recommended by OFM. Historically the LEAP Committee has met to act on these requests in early June. Please keep this time frame in mind for your planning purposes.

Accounting-related program restructure requests recommended by OFM and approved by the LEAP Committee, are approved contingent upon OFM and LEAP Committee staff's receipt of the reconstructed ten-year operating and capital expenditure and FTE history reflect the revised structure. This information will be used to update OFM's historical database. **No accounting-related program restructure may be instituted prior to validation of the ten-year reconstruction of data by OFM and LEAP Committee staff.**

Only budget-related program restructure requests recommended by OFM and approved by the LEAP Committee are to be included in 2019-21 agency budget request proposals.

Please email your agency program structure change requests, as editable source documents (e.g., Excel, Word) not .pdf files, to [OFM.Budget@ofm.wa.gov](mailto:OFM.Budget@ofm.wa.gov).

Questions should be directed to your [Assigned Budget Analyst](#).
