**Recommendation Summary**

Dollars in Thousands	Annual FTEs	General Fund State	Other Funds	Total Funds
<b>POLICY CHANGES</b>				
<b>1. Internal Audit Function</b>				
Funding will allow for an additional FTE staff and expenditure authority for an internal audit function. (State Treasurer's Service Account-State)				
<b>2. Updated PEBB Rate</b>				
The funding rate for the Public Employees' Benefits Board (PEBB) insurance program is adjusted for fiscal year 2019 to reflect updated actuarial projections, administrative costs and payments to third-party administrators. The funding is sufficient for a new virtual diabetes prevention program and a change in the waiting period for dental crown replacements in the Uniform Dental Program (UDP) from seven to five years. The change would bring UDP into alignment with the current waiting period in the managed dental plans. This reduces the fiscal year 2019 funding rate from \$957 per month to \$906. (State Treasurer's Service Account-State)				
<b>3. Paid Family Leave--Employer Premium</b>				
A paid family and medical leave program was created by Chapter 5, Laws of 2017, 3rd Special Session. Beginning January 1, 2019, the state, as an employer, will be responsible for payment of employer premiums for employees not covered by a collective bargaining agreement. This item provides funding for this obligation. (State Treasurer's Service Account-State)				
<b>4. Audit Services</b>				
Agency budgets are adjusted to reflect each agency's allocated share of charges for state government audits. (State Treasurer's Service Account-State)				
<b>5. Legal Services</b>				
Agency budgets are adjusted to reflect each agency's anticipated share of legal service charges. (State Treasurer's Service Account-State)				
<b>6. CTS Central Services</b>				
Agency budgets are adjusted to reflect each agency's allocated share of charges from the Consolidated Technology Services Agency (WaTech) for the Office of the Chief Information Officer, Office of Cyber Security, state network, enterprise systems, security gateways and geospatial imaging services. (State Treasurer's Service Account-State)				
<b>7. DES Central Services</b>				
Agency budgets are adjusted to reflect each agency's allocated share of charges from the Department of Enterprise Services (DES) for campus rent, utilities, parking and contracts; a capital project surcharge; financing cost recovery; public and historic facilities; real estate services; risk management services; small agency financial and human resource services; personnel service rates; the Perry Street child care center; and the department's enterprise applications. (State Treasurer's Service Account-State)
