**POLICY CHANGES**

**1. Move Pension Fund Shift to Agencies**

In the enacted 2017-19 budget, the legislature shifted a portion of General Fund pension costs to the Pension Funding Stabilization Account, and instructed the Office of Financial Management to allocate this change to agency budgets. This item implements that requirement. (General Fund-State; Pension Funding Stabilization Account-State)

**2. Updated PEBB Rate**

The funding rate for the Public Employees' Benefits Board (PEBB) insurance program is adjusted for fiscal year 2019 to reflect updated actuarial projections, administrative costs and payments to third-party administrators. The funding is sufficient for a new virtual diabetes prevention program and a change in the waiting period for dental crown replacements in the Uniform Dental Program (UDP) from seven to five years. The change would bring UDP into alignment with the current waiting period in the managed dental plans. This reduces the fiscal year 2019 funding rate from \$957 per month to \$906. (General Fund-State)

**3. Vacation Leave Buyout**

Funding is provided for a one-time vacation leave buyout for an employee who separated from the state in August 2017. (General Fund-State)
