

ORDINANCE 2102

MCLAIN ANNEXATION

ORDINANCE PROVIDING FOR THE ANNEXATION OF CERTAIN REAL PROPERTY BY THE CITY OF SELAH, WASHINGTON, AND INCORPORATING THE SAME WITHIN THE CORPORATE LIMITS THEREOF AND ZONING SAID REAL PROPERTY BUSINESS, GENERAL.

WHEREAS, pursuant to RCW 35A.14.120, there was filed with the City of Selah two petitions of intent for annexation signed by the owners of not less than ten (10) percent in value, according to the assessed valuation for general taxation of the property for which annexation is sought; said petitions of intent were accepted by the City Council of the City of Selah, and thereafter, owners representing approximately ninety (100) percent in value, according to the assessed valuation for general taxation of the property for which annexation is being petitioned, have signed petitions seeking annexation to incorporate the described property within the corporate limits of the City of Selah; and,

WHEREAS, said petitions set forth the fact that the City Council of the City of Selah, Washington, would require the assumption of a pro-rata share of existing City indebtedness by the area requesting to be annexed; if ultimately annexed the property would be zoned Business, General (B-2) on the date of annexation, and, the annexation petition is to be conditioned in that petitioners grant the City of Selah a “right of first refusal” to secure ownership of any irrigation and/or domestic water rights appurtenant to the land; and,

WHEREAS, garbage, refuse collection and disposal service within the “McLain” Annexation area is presently provided to properties by Yakima Waste Systems, Inc. under authority issued by the Washington Utilities and Transportation Commission (WUTC) and the City desires to provide such services in accordance with RCW 35.13.280; and,

WHEREAS, RCW 35.13.280 requires the City to grant Yakima Waste Systems, Inc., as the current WUTC authorized provider of garbage, refuse collection and disposal service within the “McLain” Annexation area, a franchise to continue to provide such garbage, refuse collection and disposal service to properties within the GRAF Annexation area for a term of seven (7) years from the effective date of the annexation; and,

WHEREAS, RCW 35.13.280 requires the City to provide specific notice to the WUTC regarding the City’s intent to provide garbage, refuse collection and disposal service within the “McLain” Annexation area, through a franchise to Yakima Waste Systems, Inc. to continue to provide such garbage, refuse collection and disposal service to properties within the “McLain” Annexation area for a term of seven (7) years from the effective date of the annexation; and,

WHEREAS, the City Council fixed the date of February 11, 2020, as the date for public hearing

thereon and caused due and proper notice of said hearing to be published and posted pursuant to RCW 35A.14.130; and

WHEREAS, the City Council has determined that Business, General (B-2) zoning is the appropriate zoning designation for the property to be annexed based on the adopted 2017 City of Selah Urban Growth Area Comprehensive Plan;
