## ANNEXATION AND MUNICIPAL BOUNDARY CHANGE CERTIFICATE

For all Annexations and Boundary Line Adjustments - Including Street Right-of-Way Adjustments

IMPORTANT: The following documents must be attached with this certificate (RCW 35.13.260, 35A.14.700, 43.62.040):

- 1. Three copies of the final ordinance containing the legal description of the boundary change area;
- 2. Three copies of a map clearly showing the boundary change area and existing city limits on an 8½"x11" or 8½"x14" size paper. Outline the boundary changes in red; outline former city limits in green. Maps should conform to acceptable engineering standards (i.e., directional arrow, scale, street names, rivers, and other physical characteristics). The Office of Financial Management (OFM) may be able to help with maps;
- 3. The original Field Enumeration sheets used to enumerate the population and housing of the boundary change area and all summary tabulation sheets. Copies are not needed. Census procedures and definitions must follow OFM's Enumerator's Manual. Please contact OFM at (360) 902-0597 or (360) 902-0599 or see http://www.ofm.wa.gov/pop/annex/default.asp for census manuals and forms; and,
- 4. If this is a mutual boundary change between governments, include a copy of the other government's (city/town or county) agreement to the change. If this is a boundary change between municipal governments, each municipality needs to submit this certificate to OFM with supporting documentation.
