\* - State certified special census.

+ - Informal count. A population count that is considered accurate but does not meet all special census certification requirements.

# - Informal census. A population and housing count that is considered accurate but does not meet all special census certification requirements.

\$ - Corrected Federal Census. Census 2020 population and housing adjusted for misallocated group quarters and annexations effective and approved by OFM from January 2, 2020 to April 1, 2020.

The 2020 populations are, with a few exceptions, equal to the federal census P.L. 94-171 counts.

With the exception of corrections or updates to the federal census counts, annual estimates in this official series are not revised on the basis of other information that becomes available after the estimate date.

<sup>1</sup>The 2021 estimates in this table were revised November 30, 2021 after the 2020 Census P.L. 94-171 became available. These 2021 estimates supersede the estimates OFM released on June 30, 2021.
