

2019 Census Boundary and Annexation Survey (BAS) Information:

Due to a lapse in federal funding the 2019 BAS invitation letter from the US Census has not been mailed. We expect invitations to be sent around 1/23.

If you would like to start your BAS review now, the information necessary to do so is available, use the links below.

OFM is coordinating the consolidated state BAS response. For information, visit OFM's BAS webpage: <https://www.ofm.wa.gov/washington-data-research/population-demographics/decennial-census/2020-census-everyone-counts/2020-census-resources/boundary-annexation-survey-bas-2020-census>. If you are planning to formally review your boundaries, please contact OFM at pop.annexations@ofm.wa.gov so we can coordinate with you.

Digital response using your own GIS:

The 2019 shapefiles are available under <https://www2.census.gov/geo/pvs/53/> or <ftp://ftp2.census.gov/geo/pvs/53/>. The 2019 BAS files are named with the prefix: 'partnership_shapefiles_18v2' (note that the '_18v3' files are for the PSAP program).
