

Yakama Yakima **el censo 2020**

Mission: To ensure historically undercounted communities of color, low income and underserved communities throughout south-central Washington are counted in the 2020 census.

Core Values

Transparency

Respect of all people present—each voice has weight

Confidentiality

Openness

Willingness to collaborate (not compete)

Mutually agreed upon ethics

Integrity

Commitment

Vision

Accountability

Politically unbiased (nonpartisan)

Intentionally shared power and collective action

Participatory democracy prioritizing those most often historically and presently excluded

Trust

Groups currently participating: People for People, La Casa Hogar, Nuestra Casa, Asian Pacific Islander Coalition, Yakama Nation, More Equitable Democracy, Yakima Valley Community Foundation, Planned Parenthood, OneAmerica, Washington Census Alliance

Contact: YakamaYakimaCensus@gmail.com

Summary: Organizations and community members have been working since July 2018 to form a Directive Coalition, sub-committees, collaborative workplans, and secure funding. The Coalition has hired one individual to serve as the bilingual (English and Spanish) Coalition Census Organizer, who will work closely with the coalition and the Yakama Nation representative focusing on this work.

Fiscal Sponsorship: Yakima Valley Community Foundation is the fiscal sponsor for this Coalition.
