Office of Financial Management, Forecasting and Research Division

SUBJECT: 2023 PUBLIC TRANSPORTATION BENEFIT AREA POPULATION ESTIMATES

The 2023 Public Transportation Benefit Area (PTBA) population estimates are attached. The estimates may be used for the distribution of funds in accordance with RCW 36.57A.010.

A combination of methods was used to develop these estimates:

- For standard geographies such as counties or cities, values from the Office of Financial Management's (OFM) Official April 1 Population Estimates Program were used.
- For non-standard geographies, estimates were derived from OFM's Small Area Estimates Program using the Department of Revenue's second quarter PTBA boundary file.

If you have any questions regarding these figures, please contact me at 360-280-7935 or rob.kemp@ofm.wa.gov.
