Preparing your 1099-NEC & 1099-MISC forms for printing and mailing

Verify Agency’s Profile

- Your agency TIN
- Your Agency NAME
- Your Agency Address
- Your Agency Contact Person for 1099-NEC & 1099-MISC: Name, Phone Number, and Email address

Please email the OFM Help Desk at HereToHelp@ofm.wa.gov of any changes to your Agency’s Profile information. OFM will update your agency profile so your agency contact information shows correctly on the 1099-NEC & 1099-MISC forms.

Verify Recipient’s Profile

Please navigate through each 1099-NEC & 1099-MISC forms and ensure that the Recipient profile exist and valid:

- TIN
- NAME
- Tax Type
- Address
- Zip code

If any part of the Recipient profile is incorrect, please correct the 1099-NEC & 1099-MISC records in Account Ability.

Verify Amounts

Verify that each 1099-NEC & 1099-MISC forms has the correct Amount and populated in the appropriate IRS Box:

- Correct Dollar Amount?
- Appropriate IRS Box?
Taking into account Electronic Funds Transfer (EFT) payments processed on last two-business day of the calendar?

Refer to user guide: Determining the Correct 1099 Reporting Year for EFT Payments.

Manually track EFT reversals and make appropriate adjustment to current year’s 1099-NEC & 1099-MISC

For example:

If you incorrectly paid vendor “A” $5000 and later did an EFT reversal (within 3-4 business days from payment date) or EFT Returned of this $5000, the 1099-NEC & 1099-MISC will show $5000 paid to vendor “A”.

You will need to remember that you did an EFT reversal or return and manually backed out this $5000 EFT reversal/return, as vendor A should not be receiving a 1099-NEC or 1099-MISC form.
