Add New Receivable Lease - Land
Facilities Portfolio Management System (FPMT)

This job aid provides information for using FPMT to add a new receivable lease for land.

Overview

<table>
<thead>
<tr>
<th>Step</th>
<th>Action</th>
<th>Additional Information</th>
</tr>
</thead>
</table>
| Pre-requisites | • Add Land  
• Add Owned Land | You will add the receivable land to existing land. The existing land must have Owned Land added to it before you can add the Receivable Land. Reference the job aids for adding new land and adding owned land. |
| 1 | Add Receivable Land | Use the search option to find your agency and expand the information so that you can add the receivable land. |
| 2 | Add Receivable Lease Contract | Use the search option to find the land so that you can add the receivable lease contract. |
| 3 | Add Receivable Lease Payment | Use the receivable lease contract menu to add lease payment information. |
| 4 | Add Receivable Lease Option | Use the receivable lease contract menu to add lease option information. |

New receivable leases are added to FPMT after the lease contract has been executed. ✓ You will need a copy of the lease contract (with lease acreage square feet and other information as stated in the lease agreement) so that you can provide required information.
Add New Receivable Land

Use the search option to find your agency and expand the information so that you can add the new receivable land.

1. Select: Open.

2. Select: Search.

5. Select: Refine by.
   ➔ FPMT will display additional options depending on your search criteria.
7. Select: Your agency.
8. Select: Search.

9. Select: Open.

10. Select: Menu.

13. **Select:** Create a new receivable land.

14. **Input:** Name.
   - Use your agency SAAM acronym - agency common name (acronym dash name).
   - Receivable land properties includes several optional fields for your agency. For example, description is optional.

15. **Input:** Receivable lease number.
   - Use number assigned by parent agency, DES, or institution. This number must be unique and different than master lease number.

16. **Select:** Lessor.
17. **Select:** Lessee.
   - If lessee is not a state agency, select other tenants 999 and use other lessee field for non-state agency name.

18. **Input:** Agency optional information.
   - Use agency optional information for cross-referencing with agency internal data.
19. Select: Owned land status. ➔ Status should be active when adding new owned land.

20. Select: Save and close. ➔ FPMT will add the new receivable land so that you can add the receivable contract and other information.

Add Receivable Lease Contract

Use the search option to find the land so that you can add the new receivable lease.

1. Select: Open.

2. Select: Search.

5. Select: Refine by.
6. Select: Agency abbreviation. ➔ FPMT will display a list of agencies using SAAM abbreviations.
7. Select: Your agency.
8. Select: Search.
9. Select: Open.

In this example, we use search tools to filter by agency and refine by agency abbreviation. Other options are available in the filter dropdown and refine by dropdown.
10. Select: Menu.

- Use receivable lease number for the name.  
- Receivable lease contract properties includes several optional fields. For example, description is optional.

15. Input: Receivable contract number.  
- Use a unique receivable contract number.

17. Input: Receivable contract acreage.  
- Use square feet as stated in lease agreement.

18. Input: Receivable contract executed date.  
- Use date the last party signed the lease agreement.

19. Input: Receivable contract start date.

20. Input: Receivable contract end date.
21. **Select:** Debt issued.  
➔ Has debt been issued that is secured by the payments from this lease?  

<table>
<thead>
<tr>
<th>Debt Issued</th>
<th>No</th>
</tr>
</thead>
</table>

22. **Input:** Prepayments.  
➔ Payments received from the lessee at or before lease commencement that relate to a future period, such as deposit for final month’s rent.

<table>
<thead>
<tr>
<th>Prepayments</th>
<th></th>
</tr>
</thead>
</table>

23. **Select:** Variable payments.  
➔ Does lease include variable payments based on future performance of lessee or on usage of the asset? If yes, provide description (basis, terms, conditions).

<table>
<thead>
<tr>
<th>Variable Payments</th>
<th></th>
</tr>
</thead>
</table>

| Description of Variable Payments |  |

24. **Input:** Interest rate.  
➔ Use interest rate stated in the contract or the implied interest rate.

<table>
<thead>
<tr>
<th>Interest Rate</th>
<th></th>
</tr>
</thead>
</table>

25. **Select:** Manually record accounting entries.  
➔ Will accounting entries be recorded manually in AFRS?  
✓ If yes, FPMT will not send any transactions to AFRS for this contract.  
✓ If no, select master index if total lease payments are over threshold and provide information for accounting reference.

<tr>
<th>Comment</th>
<th></th>
</tr>
</thead>
</table>

27. **Select:** Save and close.  
➔ FPMT will add the contract information.

[SAVE AND CLOSE]
Add Receivables Lease Payment

Use the receivable lease contract menu to add lease payment information.
- If the receivable lease contract has more than one lease payment, add each payment separately. All payments can have an active status (FPMT reports will pull data based on the run date of the report).

1. **Select:** Menu.
2. **Select:** Add.
3. **Select:** Receivable payment.
4. **Select:** Create a new receivable payment.

5. **Input:** Name.
   - Use payment type - payment series number (payment type dash payment series number).
   - Description is optional.

6. **Input:** Payment series number.
   - Use sequential numbers for payment series (1, 2, 3, etc.).
7. **Select:** Payment frequency.
8. **Select:** Payment type.
9. **Input:** Payment amount.
10. **Input:** Index rate.
    - Use the index or rate in effect at lease commencement.
11. **Input:** Payment start date.
12. **Input:** Payment end date.
13. **Select:** Receivable payment status.
➔ Status should be active when adding new payment.
➔ Comments are optional.

14. **Select:** Save and close.
➔ FPMT will add the payment information.

**Add Receivable Lease Option**

Use the receivable lease contract menu to add lease option information.

1. **Select:** Menu.
2. **Select:** Add.
3. **Select:** Receivable option.
4. **Select:** Create a new receivable option.

**5. Input:** Name.
➔ Use option type - option number (option type dash option number).
➔ Description is optional.

**6. Input:** Option number.
➔ Use option number in the order it appears in the lease contract (1, 2, 3, etc.).
7. **Select:** Option type.
8. **Input:** Option description.
➔ Option date is optional.
9. **Select:** Receivable option status.
   ➔ Status should be active when adding new lease option.

10. **Select:** Reasonably certain option will be executed.
    ➔ This will determine if the payment is included in lease liability and lease asset calculations.
    ✓ If yes, and option type is purchase, the exercise price of the purchase option will be required.
    ➔ Comments are optional.

11. **Select:** Save and close.
    ➔ FPMT will add the option information.
