PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and a coalition of all of the exclusive bargaining representatives described in [Appendix A](#), “Coalition Exclusive Bargaining Representatives,” who are subject to [RCW 41.80.010](#) and represent fewer than a total of five hundred (500) employees each, referred to as the “Union.”

If a new general government bargaining unit is certified by the Public Employment Relations Commission (PERC) during the term of this Agreement and that exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply.

If a Coalition exclusive bargaining representative exceeds five hundred (500) members during the term of this Agreement, the Agreement will remain in full force and effect for that union until the expiration of the Agreement and negotiation of a successor Agreement.

ARTICLE 1 RECOGNITION CLAUSE

- 1.1** This Agreement covers the employees in the bargaining units described in Appendix A, “Bargaining Units Represented by the Coalition Exclusive Bargaining Representatives,” but it does not cover any statutorily excluded positions or any positions excluded in Appendix A. The titles of the classifications listed in Appendix A are listed for descriptive purposes only.
- 1.2** If the Public Employment Relations Commission (PERC) certifies a new bargaining unit in general government during the term of this Agreement and the exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply. The Employer agrees to enter into negotiations regarding mandatory subjects with the newly added group to discuss any bargaining unit specific concerns which are not addressed in this Agreement. The Employer shall provide copies of any agreement reached with that group to the remaining representatives.
- 1.3** The parties recognize that PERC has the exclusive authority to determine appropriate bargaining unit composition and exclusive representation.

ARTICLE 2 NON-DISCRIMINATION

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, genetic information, creed, national origin, political affiliation, military status, status as a veteran who has received an honorable discharge or been discharged with an honorable record, a disabled veteran or Vietnam era veteran, status as a victim of domestic violence, sexual assault or stalking, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, or union activities. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2** Both parties agree that unlawful harassment will not be tolerated, including disparate treatment and hostile work environment on the basis of any of the categories listed in Section 2.1.
- 2.3** Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within seven (7) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.

- 2.4 Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

ARTICLE 3 BID SYSTEM

3.1 Applicability

- A. This Article applies only to employees in the Master, Mates & Pilots (MM&P), Washington State Nurses Association (WSNA), Union of Physicians of Washington (UPW), Washington State Patrol Communication Managers (IBT 174), Affiliated Washington Pharmacists (AWP), International Association of Fire Fighters (IAFF), Teamsters 760 Enforcement Sergeants (Sections 3.1 and 3.15 only), Fish & Wildlife Officers Guild (FWOG) Enforcement Officers bargaining units (Sections 3.1 and 3.15 only), and Washington Association of Fish Hatchery Professionals (WAFHP) (Sections 3.1 and 3.16 only).
- B. This Article does not apply to the filling of non-permanent, on-call, project or career seasonal positions.
- C. The Employer will comply with the provisions of this Article prior to filling vacancies in accordance with [Article 4](#), Filling of Vacancies.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. Bid Positions
Positions filled as a result of a bid.
- B. Bid System
A process allowing employees with permanent status to submit bids to other positions within their employing institution in the same job classification in which they currently hold permanent status or to a lower classification within the bargaining unit for which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completing one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid to a part-time position in the same job classification in which the employee currently holds permanent status or to a lower classification within the bargaining unit for which they have previously held status. Exceptions to these parameters are noted herein.
- C. Position
A particular combination of shifts and days off.

3.3 Components of a Bid

Bids shall indicate the employee's choice of shift, days off and job classification. Employees shall be responsible for the accuracy of their bids. Each bid shall remain active for a period of twelve (12) months from the date submitted by the employee.

3.4 Submittal, Withdrawal and Denial of Bids

Any bids submitted after the date a vacancy is considered to have occurred shall not be considered for that vacancy, unless otherwise provided for in this Article. Employees are expected to submit bids in writing. Employees may withdraw their bids, in writing, at any time prior to the referral. An employee's bid request may be denied if the employee has documented attendance or performance problems or if the employee has not demonstrated they have the skills and abilities or licensing for that position as determined by Management.

7.2 Determination

A. The Employer will designate and comply with the Fair Labor Standards Act regarding whether a position is overtime-eligible or overtime-exempt. In addition, the Employer will determine if an overtime-eligible position is a law-enforcement position, with or without an extended work period. The employee and Union will be notified in writing if a change in overtime-eligible status is made to a position.

B. MM&P

Except in emergency conditions, Management and the Union agree that no employee covered by the United States Coast Guard regulations will work more than twelve (12) hours in a consecutive twenty-four (24) hour period.

C. IAFF – Employees of the McNeil Island Fire Department

1. The regular work schedule for full-time overtime eligible firefighters will be one hundred and ninety-two (192) hours in a twenty-seven (27) day work period. The Employer may adjust the work schedule with prior notice to the employees.
2. IAFF members who work twenty-four (24) hour shifts provide essential fire, rescue and emergency medical services twenty-four (24) hours a day, seven (7) days a week, three hundred sixty-five (365) days a year. The Employer will make efforts to provide for consistent coverage within available resources. Unless exigent circumstances exist, only an IAFF member will be used to perform IAFF specific duties and/or cover shift work.
3. Employees will normally be scheduled to work twenty-four (24) consecutive hour shifts.
4. Employees working twenty-four (24) hour shifts will not work more than forty-eight (48) consecutive hours if a total of eight (8) hours sleep time has not been available during each twenty-four (24) hour periods.
5. Employees will not work more than seventy-two (72) consecutive hours.
6. Employees who are required to work in excess of forty-eight (48) consecutive hours will not be required to return to work until they have had at least twelve (12) hours off duty.
7. Employees may exchange full shifts for positions in which they are qualified in accordance with the following:
 - a. Requests for shift exchanges will be submitted on appropriate DSHS forms, seven (7) calendar days in advance of the exchange, when practicable.
 - b. The requested shift exchange is voluntary, and is agreed to in writing by both employees, and approved in writing by the supervisor for exchange.
 - c. Requested shift exchanges will be considered on a case by case basis.
 - d. Employees will not submit requests for shift exchanges which would result in overtime.
8. The schedules of all employees who work twenty-four (24) hour shifts, to include employees who routinely work irregular schedules, shall be determined and posted in a location accessible to all staff a

minimum of four (4) months in advance at all times. All subsequent updates, changes or adjustments to the original schedule shall be updated and posted.

D. UPW

Physicians are expected to work as many hours as necessary to accomplish their assignment or fulfill their core responsibilities. Full-time physicians will typically work forty (40) hours a week on a schedule established in collaboration with their supervisor. Flexibility of working hours may be needed for responding to patient and hospital needs.

If a full-time physician is approved to perform an “extra duty assignment”, the physician will receive additional pay at one and one-quarter (1 ¼) times their regular rate of pay for working these “extra duty” hours, if the assignment results in the physician working beyond their normally assigned work hours. Physicians will not be compensated for “extra duty” that is not worked.

“Extra Duty” is defined as hospital operational needs identified by the employer that require a physician to work hours that are hours over and above those necessary to accomplish the physician’s regular assignment and fulfill their core responsibility. These “extra duty” hours typically include covering hours/shifts not regularly assigned to any other physician, on-call work, covering patient loads due to vacancies or working hours that are not covered because of leave usage by the regularly assigned physician.

Physicians that are interested in performing “extra duty” assignments will submit, in writing to the Chief Medical Officer their interest in performing “extra duty” assignment(s).

New opportunities for the above identified “extra duty” assignments will be offered first to physician volunteers who have submitted their written interest, by seniority, as long as the physician has the skills and abilities to perform the assignment.

When “extra duty” is available after volunteers have been selected, or when “extra duty” requires specific knowledge or skills, the Employer retains the right to assign any physician who has the appropriate skills and abilities required for the “extra duty.” When a physician does not volunteer for “extra duty” and is assigned an “extra duty” assignment, such assignment shall be assigned by the Employer on a rotating basis in inverse seniority order. The length of the involuntary extra duty assignment shall not be more than sixty (60) continuous days in duration unless the physician working the “extra duty” assignment agrees to extend the “extra duty” assignment beyond the sixty (60) day duration. A rotating inverse seniority list will be maintained so that no person will be required to work involuntary extra duty until all eligible physicians have worked extra duty. A physician may be excused from involuntary extra duty upon approval by the Chief Medical Officer.

The employer also retains the right to restrict the number of “extra duty” assignments that any one (1) physician works. The Employer may deny any physician from performing “extra duty” if the physician has any documented performance or attendance issues, which are impacting the ability of the physician to perform their core duties.

If no physician is assigned to the “extra duty” assignment, then the Employer shall be allowed to use Locum Tenens physician(s) to meet operational needs. Emergency coverage will be arranged by the Chief Medical Officer.

A state employed physician may bump a locum tenens physician with 30 calendar days’ notice of the desire to bump a locums or upon appointment of a state employed physician to a vacancy. The state employed physician will normally continue to cover the assignment for the duration of what would have been the locums tenens physician assignment to ensure operational efficiency and continuity of care.

E. AWP

Pharmacists are expected to work as many hours as necessary to accomplish and fulfill clinical or core responsibilities. Pharmacists assigned to perform work outside of their normal work hours or while in standby status in order to accomplish their assignments and fulfill clinical responsibilities, will receive additional straight time pay at their regular rate of pay for actual work performed. The Employer will grant exchange time in lieu of straight time pay, upon mutual agreement between the Employer and the employee.

Pharmacists performing on-call work such as responding to phone calls, monitoring for new orders and awaiting physician responses shall be compensated for the time spent completing these tasks. Time submitted and approved will be paid on a straight time basis at the employee’s regular rate of pay for all AWP pharmacists: every call a pharmacist receives after midnight until 6:00 a.m. the next day, the on-call pharmacist will receive one hour of straight time in compensation for addressing the call, regardless of the length of the call. The Employer will grant exchange time in lieu of straight time, upon mutual agreement between the Employer and employee.

F. Washington State Patrol CVEO

The regular work day for CVEO4s shall consist of eight (8) or ten (10) consecutive hours worked within a twenty-four (24) hour period.

A. Regular Work Schedules

The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, as defined above, with starting and ending times as determined by the requirements of the position. Part-time

employees will be paid at their regular rate for all hours worked up to forty (40) hours in the workweek.

WSNA

Monthly work schedules will be posted one (1) month in advance. Changes in regular monthly work schedules and days off will be posted one (1) week in advance when possible.

In scheduling work assignments, and under normal facility operations, employees will not be required to work more than sixteen (16) hours in a twenty-four (24) hour period.

B. Alternate Work Schedules

2. Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws.
3. Previously approved alternate work schedules may be permanently rescinded by the Employer if business and customer service needs are no longer being met, or if performance or attendance concerns occur. In such case, the Employer will provide notice to the employee with written confirmation to follow.

C. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. Overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

D. Permanent Schedule Changes

Employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change. Changes in schedule subject to [Article 3](#), Bid System, will be subject to the terms of that Article.

- E. Emergency Schedule Changes
The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies. The employee will be paid callback pay in accordance with [Article 41](#), Compensation, and overtime pay as applicable.

- A. Sergeants will attend a monthly planning meeting scheduled by their immediate supervisor to identify, prioritize and plan upcoming workload issues and scheduled days off. A Sergeant's immediate supervisor may deny requests for scheduled days off to provide necessary supervision or patrol priorities. The result of the meeting will be a draft twenty-eight (28) day regional plan.
- B. Detachment Sergeants will take the resulting plan and coordinate with Detachment Officers prior to the beginning of the twenty-eight (28) day work period as soon as possible to schedule patrols and other assignments and to identify officers' days off, ensuring the regional plan will be accomplished. The resulting detachment plan will be forwarded to the Sergeant's immediate supervisor for review and final approval. A Sergeant's immediate supervisor reserves the right to evaluate the effectiveness of each detachment's planning process and can direct change(s) as needed.
- C. Sergeants will provide weekly updates to their immediate supervisor, to include deviations from the plan and anticipated changes for the upcoming week. Sergeants will manage their Detachments to accomplish the Agency mission, regional plans, detachment plans and emergent situations.
- D. A "Scheduled Day Off" is defined as a day off during the upcoming twenty-eight (28) day period approved by the Sergeant's immediate supervisor. Prior to the beginning of the upcoming twenty-eight (28) day work period, Sergeants may identify eight (8) scheduled days off for said twenty-eight (28) day work period, normally two (2) days off per week. For the twenty-eight (28) day period, four (4) of the scheduled days off will be weekend days. The Sergeant's immediate supervisor may approve requests for additional weekend days. The Sergeant's immediate supervisor may deny the requests for scheduled days off in accordance with [Subsection 7.4 A](#) of this Article; however, the specific or personal needs of the Sergeants will

be taken into consideration. When mutually agreed, changes to scheduled days off may be approved.

Based on program needs, each supervisor has the authority to make final decisions necessary to plan and schedule the time, place and methods of the work to be performed by employees of his or her detachment or unit; however, supervisors will attempt to meet officers' personal needs. The result of the meeting will be a twenty-eight (28) day detachment or unit plan that will be forwarded to the Captain for final approval. The approved plan will be forwarded to regional staff and the appropriate emergency communication center(s).
- C. Days Off

Officers will request days off as Scheduled Days Off (SDO) at the planning meeting. Supervisors may deny requests for days off to provide for and schedule patrol priorities. When the supervisor has approved requests for

SDOs, they may be cancelled by the supervisor within seventy-two (72) hours' notice without incurring callback pay. If a SDO is cancelled with less than seventy-two (72) hours' notice, the Department will compensate the officer in accordance with Section 41.17 of [Article 41](#), Compensation. Additional hours worked on a cancelled SDO will be compensated at the regular rate of salary and will be part of the normal one hundred seventy-one (171) hour work period. Officers wishing to change a SDO must also provide seventy-two (72) hours' notice to their supervisor. Approvals with shorter notice may be granted by mutual agreement between the supervisor and the officer. Cancellation of a SDO by the supervisor will not result in callback compensation. Officers that wish to adjust SDOs may request those changes in advance from their supervisor. Officers will normally work at least four (4) weekend days (Saturday or Sunday) each work period consistent with the twenty-eight (28) day detachment or unit plan as identified in Subsection B of [Article 7.5](#). Normally, four (4) of the SDOs in a twenty-eight (28) day period will be weekend days; however, supervisors may approve additional weekend days off. In the event of a bona fide emergency and when the officer's actual supervisor or designated supervisor (other Sergeants or the Captain) within the region is not available to grant approval, an officer may exercise discretion in determining the need to work time not previously designated on their schedule. Not later than the next working day the Officer will report to their actual or designated supervisor the nature of bona fide emergency justifying the schedule modification.

A requirement for an employee to return to standby duty on a scheduled day off will require the employee to conduct a facility inspection (check water flow alarms, secure building(s), etc.) and, therefore, constitutes callback status.

D. Employees assigned to standby status may be relieved for any portion of the assignment for which they are able to find a replacement. The employee initiating the change in assignment will document the change in writing to the appropriate supervisor. The person providing relief is responsible for meeting all standby obligations.

E. All alarms other than that of the employee on standby duty will be turned off unless the Specialist 4, with the appropriate complex manager's approval, directs an employee to leave his or her electronic alarm on. The requirement to turn on the electronic alarm device will constitute assigned standby.

periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume his/her unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

Washington State Patrol Communication Managers (IBT 174)

The normal workday shall consist of an eight (8) hour period which includes a thirty (30) minute paid lunch, as long as during the eight (8) hours employees remain at the Communication Center or conduct agency business. 7.9 Overtime-Eligible Paid Meal Periods and Rest Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods and rest periods for employees on straight shifts do not require relief from duty.

7.10 Overtime-Eligible Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed rest periods of fifteen (15) minutes for each one-half (1/2) shift of four (4) or more hours worked at or near the middle of each one-half (1/2) shift of four (4) or more hours. Rest periods do not require relief from duty. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

7.11 Time Reporting

The Employer may require employees to accurately report time worked in accordance with a positive time reporting process as determined by the Agency.

7.12 Overtime-Exempt Employees

The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards, which must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities. Full-time overtime-exempt employees are expected to work a minimum of

forty (40) hours in a workweek and part-time overtime-exempt employees are expected to work proportionate hours. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer. The Employer may allow overtime exempt employees to work flexible hours, or modified shifts so long as agency business needs are met with the schedule.

- C. The salary paid to overtime-exempt employees is full compensation for all hours worked, except:
 - 1. All overtime-exempt employees will receive pay when required by the employer to work on a holiday, as identified in [Article 11](#), Holidays, at an additional rate of one and one-half (1-1/2) times the employee's salary for the time worked.
 - 2. UPW
Compensation for physicians working "Extra Duty" as defined in [Section 7.2 D](#) will be given on an hour for hour basis at one and one-quarter (1 ¼) times their regular rate of pay for the time they are assigned to the extra duty.  - 3. AWP
Work performed in accordance with [Section 7.2 E](#) will be compensated on an hour for hour straight time basis. The Employer will grant exchange time in lieu of straight time, upon mutual agreement between the Employer and the employee.
- D. With approval of the Appointing Authority, overtime-exempt employees will accrue exchange time for hours worked in excess of the normal forty (40) hour workweek. Exchange time may be accrued at straight time to a maximum of eighty (80) hours. Exchange time has no cash value and cannot be transferred between agencies.
- E. Exchange time will be used and scheduled in the same manner as vacation leave, as in [Article 12](#), Vacation Leave. The Employer may schedule an employee to use his/her exchange time with seven (7) calendar days notice.
- F. If they give notification and receive prior approval from the Employer, overtime-exempt employees may adjust their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.
- G. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

In the event there are not enough employees volunteering to work, the supervisor may require employees to work overtime unless prohibited by law.
- B. If an employee was not offered overtime for which he/she was qualified, the employee will be offered the next available overtime opportunity for which he/she is qualified. Under no circumstances will an employee be compensated for overtime that was not worked. There will be no pyramiding of overtime.

8.4 Scheduling Overtime – MM&P and IAFF

8.5 Scheduling Overtime – IBEW

Where there are known work activities that will require overtime, those overtime hours for assignments will be offered to full-time employees first based on seniority.

Management may assign on-call employees to work prior to offering or assigning any voluntary or mandatory overtime.

Involuntary Overtime

When involuntary overtime is required, it will be assigned to employees on duty in inverse order of seniority, provided the employee has the skills and abilities required of the positions. The inverse order will be re-established when the list has been exhausted, i.e. the employee with the greatest seniority has worked his or her required overtime.

- A. An employee who volunteers and works an overtime shift prior to an involuntary overtime assignment will have his or her name removed from the overtime rotation for that cycle.

 - 2. When a holiday falls on the employee's scheduled day off, the Agency will treat the employee's workday before or after as the holiday. 2. The beginning of the shift that precedes the holiday.

The decision will be the same for all employees in a facility unless there is agreement to do otherwise between the Agency and one (1) or more affected employees, or with the Union, which will constitute agreement of the employees.

F. Part-time employees who begin employment before and remain employed after the holiday will be compensated in cash or compensatory time for the holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.

G. A full-time employee who would otherwise be entitled to a holiday but is on leave without pay will receive compensation for the holiday provided he/she has been in pay status for eighty (80) non-overtime or non-standby hours during the month, not counting the holiday. Compensation for holidays for other than full-time employees during leave without pay will be proportionate to the time in pay status required for full-time employment. An employee who works less than a majority of their shift on the holiday will have their designated holiday determined by [Subsection 11.2.D](#) of this Article.

For example, if an employee is scheduled to start work at 8:00 a.m. on the holiday and scheduled to finish their shift at 8:00 a.m. the following day, they will be treated as working on the holiday. - C. Personal holidays must be taken during the calendar year or the entitlement to the day will lapse, except that the entitlement will carry over to the following year when an otherwise qualified employee has requested a personal holiday and the request has been denied.
- D. Agencies may establish qualifying policies for determining which of the requests for a particular date will or will not be granted when the number of requests for a personal holiday would impair operational necessity. Failure to do so cannot be used as the basis for denial of time off.
- E. Part-time employees who are employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- F. A personal holiday for full-time employees will be equivalent to their work shift on the day selected for personal holiday absence.

Beginning January 2 of each calendar year, employees who desire to take their vacation at a specific period of time shall be scheduled a time, based on the longest period of time in grade in the Masters, Mates and Pilots bargaining unit, to request and may be awarded up to three (3) segments of vacations during the time period of April 1 through March 31.

A “segment” is one (1) day or more contiguous days of vacation leave. Off-shift times to select a vacation shall not be considered as “time worked” for purposes of computing callback or overtime. - E. No employee on approved vacation leave shall be required to return to his/her place of employment until the scheduled leave has ended, except in an emergency situation.

Each employee will be granted vacation for the time stipulated on the vacation schedule, except that Management with reasonable notice, may cancel or otherwise adjust vacation periods when it is determined the program of the Agency will be adversely impacted by the employee being absent from duty. Employees, whose leave has been cancelled or adjusted, shall be allowed to request alternative leave dates pursuant to this Section.

Health-related reason, as defined in [WAC 296-128-600 \(8\)](#), means a serious public health-concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material. The Employer will allow an employee who has used all of his/her sick leave to use compensatory time, exchange time, personal holiday, personal leave day or vacation leave for sick leave purposes. An employee may be denied the ability to use compensatory time, exchange time, personal holiday, personal leave day or vacation leave for sick leave purposes if the employee has documented attendance problems. All compensatory time, exchange time, personal holiday, personal leave day or vacation leave requests for sick leave purposes will indicate that compensatory time, exchange time, personal holiday, personal leave day or vacation leave is being requested in lieu of sick leave. For full-time employees, a personal holiday must be used in full shift increments. For part-time employees the use of a personal holiday for sick leave purposes will be calculated in accordance with [Section 11.3 E](#).

13.5 Sick Leave Reporting, Certification and Verification

An employee must promptly notify his/her supervisor on the first day of sick leave and each day after, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify his/her supervisor at least two (2) hours prior to his/her scheduled time to report to work (excluding leave taken in accordance with the Domestic Violence Leave Law [RCW 49.76](#)). If the Employer suspects abuse, the Employer may require a written medical certificate for that sick leave absence. An employee returning to

work after any sick leave absence may be required to provide written certification from his/her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

- C. They notify their payroll office by January 31st that they would like to convert their sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee's sick leave balance.

13.7 Carry Forward and Transfer

Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this Agreement. When an employee moves from one state agency to another, regardless of status, the employee's accrued sick leave will be transferred to the new agency for the employee's use.

13.8 Sick Leave Separation Cash Out

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for his/her total sick leave balance on a one (1) hour for four (4) hours basis.  - G. Employees may not donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
 - H. The donating employee may donate any specified amount of sick leave provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
 - I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.
- 14.4** The Agency Head will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment. The Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature. A non-permanent or on-call employee who is eligible to use accrued leave or personal holiday may not use

shared leave beyond the termination date specified in the non-permanent or on-call employee's appointment letter.

- 14.6** Any donated leave may only be used by the recipient for the purposes specified in this Section.
- 14.7** The receiving employee will be paid their regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.
- 14.8**
- A. All forms of paid leave available for use by the recipient must be used prior to using shared leave when qualified under Section 14.3 A.1.
 - B. All forms of paid leave, except sick leave, available for use by the recipient must be used prior to using shared leave when qualified under Section 14.3 A.2 or 14.3 A.3, or 14.3 A.4.
 - C. For shared leave qualified under subsection 14.3.A.5 of this Article, the employee is not required to deplete all of their vacation leave and sick leave and can maintain up to forty (40) hours of each of vacation and sick leave.

- 14.9** Any shared leave no longer needed or will not be needed at any future time in connection with the original injury or illness or for any other qualifying condition by the recipient, as determined by the Agency Head or designee will be returned to the donor(s).

- 14.10** If an employee has a need to use shared leave due to the same condition listed in the previously approved request, the agency head or designee must approve a new shared leave request for the employee.

ARTICLE 15

FAMILY AND MEDICAL LEAVE - PREGNANCY DISABILITY LEAVE

- 15.1** A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for any one or more of the following reasons 1-4:
- 1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;

2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
3. Family medical leave to care for a spouse, son, daughter, parent, or state registered domestic partner as defined by RCW [26.60.020](#) and [26.60.030](#), who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) weeks of FMLA.
4. Family medical leave for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.

- 15.2** The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.
- 15.3** The Employer will continue the employee's existing employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay his/her share of health insurance, life insurance and disability insurance premiums.
- 15.4** The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a family medical leave qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event. An employee has the option of using some, or all of their paid leave for a family medical leave qualifying event, but must follow the notice and certification requirements relating to family medical leave usage in addition to any notice and certification requirements relating to the use of paid leave.
- 15.5** The Employer may require certification from the employee's, the family member's, or the covered service member's health care provider for the purpose of qualifying for family medical leave.
- 15.6** Personal medical leave, serious health condition leave or serious injury or illness leave covered by the family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 15.7** Upon returning to work after the employee's own family medical leave-qualifying illness, the employee may be required to provide a fitness for duty certificate from a health care provider. Once the employee provides the fitness for duty certification, the agency will not delay the return to work while the agency seeks clarification and authentication from the employee's health care provider.
- 15.8** The employee will provide the Employer with not less than thirty (30) days' notice before the family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- 15.9 Parental Leave**
- A. Parental leave will be granted to the employee for the purpose of bonding with the employee's newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved

beginning at the agency director step of the grievance procedure in [Article 31](#).

- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, personal leave day, exchange time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FMLA or WFLA leave for baby bonding purposes.

15.10 Pregnancy Disability Leave

- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA or WFLA.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, exchange time, personal leave day, and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

15.11 The parties recognize that the Department of Labor could further define the amendments to FMLA. The Employer and employees will comply with existing and any newly developed federal FMLA regulations, interpretations and/or definitions.

15.12 Washington Family Leave Act (WFLA) effective until December 31, 2019

The parties recognize that the WFLA ([RCW 49.78](#)) is only effective until December 31, 2019, at which time it will be repealed. All references to or provisions of WFLA addressed in this article will expire on December 31, 2019. Nothing in this article waives the right of the unions to bargain, in accordance with [Article 48](#) of this Agreement, any repealed portion of the WFLA not incorporated into the WFMLP.

15.13 Washington Family and Medical Leave Program Effective January 1, 2020

The parties recognize that the Washington Family and Medical Leave Program ([RCW 50A.04](#)) is in effect beginning January 1, 2020. Eligibility for and approval of leave for purposes as described under that Program shall be in accordance with RCW 50A.04 and the rules promulgated thereunder. In the event that the legislature amends all or part of RCW 50A.04, those amendments are considered by the parties to be incorporated herein and will not require further bargaining. In the event that the legislature repeals all or part of RCW 50A.04, repealed provisions will no longer be in effect upon the effective date of their repeal, and either party may invoke its right to bargain regarding the impacts of such a repeal on the parties.

ARTICLE 16
SEVERE INCLEMENT WEATHER AND
NATURAL DISASTER LEAVE

16.1 If the Employer decides that a state office or work location is non-operational or inaccessible due to severe inclement weather or natural disaster, the following will apply:

- A. Non-emergency (or emergency, if applicable) employees may be released with no loss of pay during the disruption of services.
- B. Non-emergency (or emergency, if applicable) employees may be reassigned to similar positions at locations within a reasonable driving distance from the non-operational location during the disruption of services.
- C. If affected state offices or work locations are reasonably believed to be temporarily non-operational, employees will be allowed to utilize accrued leave for up to four (4) weeks. The employee's leave will be charged in the following order:
 - 1. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
 - 2. Any accrued vacation leave;
 - 3. Accrued sick leave, up to a maximum of three (3) days in any calendar year;
 - 4. Leave without pay.
- D. At the discretion of the Employer, if, after four (4) weeks, the state office or work location is still non-operational, non-emergency employees may be subject to a temporary reduction of work hours or temporary layoff consistent with [Section 35.5](#) of [Article 35](#), Layoff and Recall, of this Agreement.

16.2 If a work location remains fully operational but an employee is unable to report to work or remain at work because of severe inclement weather or a natural disaster, the employee's leave will be charged in the following order:

- A. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
- B. Any accrued vacation leave;
- C. Any accrued sick leave, up to a maximum of three (3) days in any calendar year; then

D. Leave without pay

Although the types of paid leave will be used in the order listed above, and each type of paid leave will be exhausted before the next is used, employees will be permitted to use leave without pay rather than vacation or sick leave at their request.

- 16.3** Employees who report to work late due to severe inclement weather or a natural disaster will be allowed up to one (1) hour of paid time (up to two (2) hours for employees who work on McNeil Island). The State may grant additional paid time if deemed reasonable under the circumstances. Section 16.2 will apply to any additional late time.

ARTICLE 17

MISCELLANEOUS LEAVE

- 17.1** Subject to the Employer's prior approval, employees will be allowed paid leave, during scheduled work time, for:

A. Examinations or interviews for state employment;

Each employee will be allowed paid leave during his/her scheduled work hours for examinations and interviews for state employment. Approval cannot be denied for up to four (4) times in a calendar year, unless it interferes with the business needs of the agency. Any additional examinations and interviews are subject to the Employer's prior approval. The employer may approve reasonable travel time.

B. Assessment from the Employee Assistance Program (EAP);

C. Life-giving procedures;

D. Jury Duty as outlined in 17.2;

E. To appear in court or administrative hearing, as specifically provided below in Section 17.3;

F. For bereavement leave, as specifically provided below in [Section 17.5](#).

17.2 **Jury Duty**

Employees will receive paid leave and be allowed to retain any compensation paid to them for their jury duty service. Employees will promptly inform the Employer when notified of the employee's jury duty summons. If selected to be on a jury, employee-requested schedule changes will be approved, to accommodate jury duty service. If employees are released from jury duty and there are more than two (2) hours remaining on their work shift, they may be required to return to work.

- 17.3** A subpoenaed employee will receive paid leave, during scheduled work time, to appear as a witness in a court or an administrative hearing for work-related cases, unless the employee:

- A. Is a party in the matter and is not represented by the Attorney General's Office of the state of Washington, or
- B. Has an economic interest in the matter.

Nothing in this Section will preclude an employee from receiving regular pay, travel expenses and per diem to appear in court or an administrative hearing on behalf of the Employer.

17.4 Employees will not be eligible for per diem or travel expenses under this Article.

17.5 Bereavement Leave

ARTICLE 30 DISCIPLINE

30.1 Just Cause

The Employer will not discipline any permanent employee without just cause.

For Law Enforcement Employees – The parties agree that the Department of Fish and Wildlife (DFW) is required to make certain disclosures to prosecuting attorneys pursuant to *Brady v. Maryland*, 373 U.S. 83 (1963). Even if the underlying facts surrounding the disclosure may give rise to discipline, the parties agree that the disclosure or subsequent prosecutorial designation will not be the sole basis for the discipline.

30.2 Employee Privacy

When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

30.3 Forms of Discipline

Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.

30.4 Investigative Process

- A. The Employer has the authority to determine the method, develop and follow appropriate guidelines for conducting investigations and notify the Union of those guidelines.
- B. Upon written request by the Union to the Agency HR Director or designee, if an investigation lasts longer than forty-five (45) days from the date the employee was notified of the investigation, the Employer will notify the Union in writing of the current status of the investigation (for example: interviews pending, drafting of investigative report, waiting for analysis of data) and the Employer will provide an anticipated timeframe for completion. The Employer will provide its response to the Union's request for the current status of the investigation at least ten (10) days from the date of request by the Union. However, in the event the Employer does not respond to the Union's request for a status of the investigation within ten (10) days, the failure to meet this timeframe will not be a basis for challenging the disciplinary action or precluding admissibility of evidence.
- C. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification when the investigation is completed and that no discipline will be imposed.

30.5 Investigatory Interviews

- A. For Department of Fish and Wildlife (DFW) and Board of Industrial Insurance Appeals (BIIA) - Unless exigent circumstances exist, the employer will notify the employee at least forty-eight (48) hours in advance

of an investigative interview. The employee may waive the forty-eight (48) hour period. The notification will include the nature of the interview.

For all other Agencies - Unless exigent circumstances exist, the employer will notify the employee at least twenty-four (24) hours in advance of an investigative interview. The employee may waive the twenty-four (24) hour period. The notification will include the nature of the interview.

- B. Upon request, an employee has the right to a Union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a Union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- C. Employees have a duty to fully cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.

For Department of Fish and Wildlife (DFW) Teamsters and Fish and Wildlife Officers Guild (FWOG) only: The Department will compel employees who are the subject of an administrative investigation(s) to fully participate in the investigatory interview(s). - D. The Employer will allow a reasonable break for an employee participating in an investigatory interview.
- E. For Department of Fish and Wildlife (DFW) Teamsters and Fish and Wildlife Officers Guild (FWOG) only: An employee shall not be compelled to prepare a response, written, or recorded statement pertaining to any use of deadly force. Employees involved in the use of deadly force shall be allowed to consult with a FWOG or Teamsters representative, respectively, and an attorney prior to being ordered to provide a statement regarding the use of deadly force. The employee will not be required to make any statement, written or otherwise, regarding the use of deadly force for seventy-two (72) hours after the incident. The affected employee may waive the requirement to wait seventy-two (72) hours.
- F. Nothing in the prior subsection will prevent an employee from giving a public safety statement at the scene to preserve evidence, identify witnesses or otherwise protect officer and/or public safety. The parties agree that

public safety statements are necessary to ensure public safety and scene integrity.

30.6 Alternative Assignments

An employee placed on an alternate assignment during an investigation will be informed of the reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation. Such a reassignment shall not result in the loss of base salary to the employee. The employee will not be prohibited from contacting his or her union representative(s) unless there is a conflict of interest, in which case the employee may contact another union representative. This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified.

30.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will offer the opportunity to schedule a pre-disciplinary meeting with the employee. Five (5) days prior to the pre-disciplinary meeting, the Employer will inform the employee and the Union of the reasons for the contemplated discipline and an explanation of the evidence and copies of written documents relied upon to take the action. Employees may request a shorter timeframe for the pre-disciplinary meeting. The employee will be provided an opportunity to respond in writing or in person.

30.8 Notice Prior to Reduction in Pay or Demotion

The Employer will provide an employee with fifteen (15) calendar days written notice prior to the effective date of the reduction in pay or demotion.

30.9 Ability to Grieve Specific Discipline

The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 31](#), Grievance Procedure, Oral Reprimands, however, may only be processed through the Agency Head step of the grievance procedure.

30.10 Copy of Disciplinary Action Provided to Union

Copies of disciplinary actions, except for oral reprimands, will be sent to the Union at the time it is given to the employee.

**ARTICLE 31
GRIEVANCE PROCEDURE**

31.1 The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

31.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;
2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
3. The specific article and section of the Agreement violated;
4. The specific remedy requested; and
5. The name and signature of the grievant(s) or the Union representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

- H. Withdrawal
A grievance may be withdrawn at any time.
- I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- J. Pay
Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.
- K. Consolidation
The Employer may consolidate grievances arising out of the same set of facts.
- L. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- M. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

31.3 Filing and Processing

- A. Filing
A grievance must be filed within twenty-one (21) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union representative or union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the twenty-one (21) days described above.
- B. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- C. Processing
 - 1. **Step 1: Responsible Supervisor, Manager or Designee:**
If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the Human Resources Office, within the twenty-one (21) day

period described above. The Employer will designate a responsible supervisor, manager or designee who will, upon agreement of the parties, meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting. If the parties cannot agree on the meeting process, the Union may move the grievance to Step 2 of the grievance procedure. For FWOOG, with notice to the Chief or designee, one additional union steward with knowledge relevant to the grievance may also participate in the conference, provided that the steward does so while in an unpaid status.

Note: The Departments of Fish and Wildlife, Department of Corrections, Social and Health Services, Enterprise Services, Liquor and Cannabis Board and the Washington State Patrol will bypass Step 1.

2. Step 2: Appointing Authority or Designee:

If the grievance is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance, with the Appointing Authority or designee, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision.

For agencies bypassing Step 1: If the issue is not resolved informally, the Union may file a written grievance with the employee's Appointing Authority or designee, with a copy to the Human Resources Office within the twenty-one (21) day period described in 31.3 A.

In either case, the Appointing Authority or designee will meet (or if mutually agreeable confer by telephone), with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance and will respond in writing to the Union within fifteen (15) days after the meeting.

3. Step 3: Agency Head or Designee:

If the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing the written grievance with the Agency Head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. Upon agreement of the parties, the Agency Head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 3 grievance request. Management will provide a written response to the Union within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

Note: If the Agency Head is the only Appointing Authority for the Agency, Step 3 will be bypassed.

4. Step 4: Mediation or Pre-Arbitration Review Meeting:

If the grievance is not resolved at Step 3, the Union may either file a request for mediation with Public Employment Relations Commission (PERC) or file a demand for a pre-arbitration review meeting with a copy of the grievance and all responses attached.

A. Request for Mediation

The Union may choose to file a request for mediation with PERC in accordance with [WAC 391-55-020](#), with a copy to OFM State Human Resources Labor Relations Section (LRS) at the email address labor.relations@ofm.wa.gov and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 3 decision.

B. Request for Pre-Arbitration Review Meeting (PARM)

As an alternative to requesting mediation, the Union may request a PARM. The PARM shall be filed with the OFM State Human Resources Labor Relations Section (LRS) at the email address labor.relations@ofm.wa.gov and the Agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of the pre-arbitration demand, the LRS will either:

1. Schedule a pre-arbitration review meeting with the LRS Assistant Director or designee, an agency representative, and the Union's representative to review and attempt to settle the dispute. If the matter is not resolved in this pre-arbitration review, within fifteen (15) days of the meeting, the Union may file a demand to arbitrate the dispute with the American Arbitration Association (AAA), or through a mutually agreed upon list of arbitrators, or
2. Notify the Union in writing that no pre-arbitration review meeting will be scheduled. Within fifteen (15) days of receipt of this notice, the Union may file a demand to arbitrate the matter with the AAA, or through a mutually agreed upon list of arbitrators.

5. Step 5: Arbitration:

Filing Demand to Arbitrate

If the grievance is not resolved at Step 4, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the appropriate organization within fifteen (15) days of the mediation session or PARM.

A. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators provided by the AAA or by request to the Public Employment Relations Commission (PERC) for a list of seven (7) or nine (9) arbitrators, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

B. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in his/her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any decision that would result in the violation of this Agreement;
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

C. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses and any fees. Grievants will be paid for participation in arbitration hearings and may use leave for preparation for and travel to or from arbitration hearings.

The location of personnel files will be determined by the Agency. Medical files will be kept separate and confidential in accordance with state and federal law. An employee will have the right to examine his/her own personnel file. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file. The Employer will provide access to the file as soon as possible but not more than fourteen (14) calendar days from the date of a request. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the file that he/she considers objectionable. - 32.4 Removal of Documents**
- A. Adverse material or information related to alleged misconduct that is determined to be false or is unsubstantiated and all such information in situations where the employee has been exonerated of misconduct will be removed from employee files upon employee request.

ARTICLE 33

REASONABLE ACCOMMODATIONS AND DISABILITY SEPARATION

33.1 Reasonable Accommodations

A. Safety Accommodations

1. An employee may request a reasonable safety accommodation if the employee or the employee's family member is a victim or perceived victim of domestic violence, sexual assault or stalking (victim). An employee may be required to show verification of the need for a safety accommodation by providing a police report showing the employee or family member was a victim, a court order protecting or separating the victim from the perpetrator of the act, or other evidence from the court or the prosecuting attorney to support the request. Documentation from an advocate for victims, an attorney, a member of the clergy or a medical or other professional who provides services to such victims may be provided, but it shall retain its confidential or privileged nature of communication pursuant to stat law. An employee can also provide a written statement that they or a family member are a victim and in need of the safety accommodation. Verification of the familial relationship to the victim can be in the form of a statement from the employee, a birth certificate, court document, or other similar documentation.
2. A reasonable safety accommodation may include, but is not limited to:
 - a. A transfer, reassignment, modified schedule, changed work telephone number, changed work email address, changed workstation, installed lock, implemented safety procedure, or any other adjustment to a job structure, workplace facility, or work requirement in response to actual or threatened domestic violence, sexual assault, or stalking.
 - b. Leave pursuant to [Article 12](#), [Article 13](#) and [Article 18](#) may be considered a reasonable safety accommodation.
 - c. The Agency may deny a reasonable safety accommodation request based on an undue hardship, which means an action requiring significant difficulty or expense.

B. Pregnancy Accommodations

1. For purposes of this section, "pregnancy" includes the employee's pregnancy and pregnancy related health conditions.

2. A pregnant employee may request a reasonable accommodation, which may include any of the following:
 - a. Providing more frequent, longer, or flexible restroom breaks;
 - b. Modifying a no food or drink policy;
 - c. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, or acquiring or modifying equipment, devices, or an employee's work station;
 - d. Providing seating or allowing the employee to sit more frequently if her job requires her to stand;
 - e. Providing for a temporary transfer to a less strenuous or less hazardous position;
 - f. Providing assistance with manual labor and limits on lifting;
 - g. Scheduling flexibility for prenatal visits; and
 - h. Any further pregnancy accommodation an employee may request, and to which an Agency must give reasonable consideration in consultation with information provided on pregnancy accommodation by the Department of Labor and Industries or the attending health care provider of the employee.
3. The Agency may deny a reasonable pregnancy related accommodation based on undue hardship if the requested accommodation requires significant difficulty or expense. An Agency may not claim undue hardship for the accommodations listed above in (2) (a), (b) and (d), or for limits on lifting over seventeen pounds, and the Agency may not request written certification for those same accommodation requests.
4. The Agency will not require a pregnant employee to take leave if another reasonable accommodation can be provided.
5. An Agency, except for the limitations in (3) above, can require the employee to provide written certification from her treating health care professional regarding the need for a reasonable accommodation.
6. An Agency does not have to create a position for an employee asking for a pregnancy accommodation or transfer a less senior employee, or promote the pregnant employee as part of a reasonable accommodation.

C. Disability Accommodations:

1. The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
2. An employee who believes that he/she suffers a disability and requires a reasonable accommodation to perform the essential functions of his/her position may request such an accommodation by submitting a request to the Agency.
3. Employees requesting accommodation must cooperate with the Agency in discussing the need for and possible form of any accommodation. The Agency may require supporting medical documentation and may require the employee to obtain a second medical opinion at agency expense. Medical information disclosed to the Agency will be kept confidential.
4. The Agency will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. An employee may request a status update after thirty (30) days of their request for a reasonable accommodation. The Employer will provide a response to the employee within five (5) working days of the employee's update request.

33.2 Disability Separation

- A. An employee with permanent status may be separated from service when the Agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated pursuant to 33.1 (C) above. Determinations of disability may be made by the Agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional. The Agency must make a disability determination within a reasonable amount of time after the submittal of this paperwork. The Agency can require an employee to obtain an independent medical examination at the Agency's expense, including paid time, from a physician or licensed mental health professional of the Agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations.

An employee may elect to have a second medical examination, at the employee's expense, if the employee disagrees with the results of the Agency's physician's exam. The employee must use approved leave for the second exam. Upon request, the Agency will provide a copy of the documents which were provided to the Agency's examining professional to the employee's selected examining physician. The results of this

examination will be taken into consideration when making an accommodation or separation determination.

- B. The Agency may separate an employee when the Agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability.
- C. An employee separated due to disability, will be placed in the General Government Transition Pool Program if he/she submits a written request for reemployment and has met the reemployment requirements of [WAC 357-46-090](#) through 105. Employees participating in the transition pool program shall have no right of appeal within the program.
- D. Disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve his/her disability separation in accordance with [Article 31](#), Grievance Procedure, unless separation was at the employee's request. Upon written request, an employee who grieves a disability separation will be provided a copy of the medical information the Agency used to make the disability separation determination.

ARTICLE 34

SENIORITY

34.1 Definition

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on call employees will be based on actual hours worked. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:
 - 1. Military leave or United States Public Health Services Workers' compensation;
 - 2. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
 - 3. Educational leave, contingent upon successful completion of the coursework;
 - 4. Reducing the effects of layoff; and/or
 - 5. Compensable work related injury or illness leave.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be

moved forward to an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with [Article 35](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within three (3) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by [RCW 26.60.020](#) and [26.60.030](#), as provided for in [RCW41.06.133](#).

34.2 Ties

If two (2) or more employees have the same date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the Agency;
- C. Longest continuous time with the State; and
- D. By lot.

34.3 Semi-Annual Seniority List Posting

The Employer will prepare and post a seniority list and provide a copy to the Union by April 15th and September 15th of each year. The list will be updated annually and will contain each employee's name, job classification and seniority date. The list will be arranged in descending order of seniority. For the purpose of this posting, the seniority list will not include military service credit. Employees will have thirty (30) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct.

- 34.4** For purposes of layoff, the Employer will, at least thirty (30) days prior to the layoff or upon request by the union, provide the Union headquarters with the seniority list adjusted for military service credit. without dates specified. The Union will provide the Employer with any known discrepancies in seniority as soon as known. The list will be arranged in descending order of seniority. The parties recognize that the list may change as new information is provided and therefore the parties agree that the list provided to the union is an unofficial document intended only to supply general information based on DD214(s) on file with the agency.

ARTICLE 35 LAYOFF AND RECALL

35.1 Definition

Layoff is an Employer-initiated action, taken in accordance with [Section 35.3](#) below, that results in:

- A. Separation from service with the Employer;
- B. Employment in a class with a lower salary range;
- C. Reduction in the work year; or
- D. Reduction in the number of work hours.

35.2 The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. Thirty (30) calendar days prior to any layoff, with the exception of those resulting from [Subsection 35.6](#) below, each affected Agency will notify its respective union of its intent to lay off bargaining unit members. This notice shall include: the anticipated position(s) to be eliminated; an electronic list of the seniority of all bargaining unit employees including employee's job class and program; and a list of all known vacancies.

35.3 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds;
- B. Lack of work;
- C. Good faith reorganization;
- D. Ineligibility to continue in a position that was reallocated;
- E. Termination of a project;
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

35.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce his/her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

35.5 Permanent, Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

35.6 Temporary Reduction of Work Hours or Layoff – Agency Option

- A. The Agency may temporarily reduce the work hours of an employee to no less than twenty (20) per week, up to thirty (30) calendar days, due to severe and inclement weather or natural disaster, unanticipated loss of funding, or lack of work. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours.
- B. The Agency may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or severe and inclement weather or natural disaster. Employees will receive notice of seven (7) calendar days of a temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.
- D. A temporary reduction of work hours or layoff will not affect an employee's periodic increment date and the employee will continue to accrue vacation and sick leave credit at their normal rate.

35.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix B, Layoff Units.

35.8 Skills and Abilities

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of layoff, the Agency will use the most current completed position description form(PDF), reviewed, approved and signed by the appropriate chain of command, as the primary basis for determining the skills and abilities necessary to perform the duties of the position. Agencies will ensure that position description forms (PDF) accurately reflect the job duties of the position. The Union may challenge the use of any PDF within the bargaining unit that shows a significant change in the required skills and abilities for the position within three months of the layoff notice.

35.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 34](#), Seniority, among the group of employees with the required skills and abilities as defined in [Section 35.8](#) of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit. Once an option as described in 1 – 3 below is available and offered, no further formal option will be provided.
1. A funded vacant position for which the employee has the skills and abilities, within his/her current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice of vacancies according to seniority and the required skills and abilities.
 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within his/her current job classification.
 3. A funded vacant position or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as his/her current permanent position, within a job classification in which the employee has held permanent status, or, at the employee's written request, to a lower classification within his or her current job classification series even if the employee has not held permanent status in the lower job classification.
- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of the employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify layoff options. The employee must have the skills and abilities of any identified positions(s).

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.

35.10 Informal Options

An employee being laid off may be offered a funded vacant position to job classifications he/she has not held permanent status within his/her layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently

holds permanent status. The Agency will determine if the employee possesses the required skills and abilities for the position.

An employee may request an informal option to job classifications through the agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

35.11 Notification to Employees With Permanent Status

- A. Except for temporary reduction in work hours and temporary layoffs as provided in [Section 35.6](#), employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union/Association will be provided with a copy of the notice at the same time the employee is notified.
- B. Except for temporary reduction in work hours and temporary layoffs as provided in Section 35.6, if the agency chooses to implement a layoff action without providing fifteen (15) calendar days notice, the employee will be paid his/her salary for the days that he/she would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the agency to the employee.
- D. The day that notification is given constitutes the first day of notice.

35.12 Moving Expenses

An employee whose layoff option requires an increase of thirty-five (35) additional commute miles and who chooses to move the permanent residence to reduce the commute will be entitled to reimbursement of moving expenses as defined in OFM regulation.

35.13 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump
An employee who accepts a transfer or bumps to another position within his/her current job classification will retain his/her current salary.
- B. Voluntary Demotion in Lieu of Layoff or Bump to a Lower Position
An employee who voluntarily demotes in lieu of layoff or who bumps to another position with a lower salary range will be paid an amount equal to his/her current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the

maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

C. Appointment from a Layoff List

1. Employees who are appointed from a layoff list to a position with the same salary range from which they were laid off will be paid the amount in which they were compensated when laid off plus any general wage increase or step increase that occurred during the time they were laid off.
2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

35.14 Transition Review Period

- A. The Agency may require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which he/she has:
 1. Not held permanent status;
 2. Been appointed from the General Government Transition Pool Program;
 3. Been appointed from a layoff list.
- B. The Agency will have the authority to extend or shorten an employee's review period as long as the extension does not cause the review period to exceed twelve (12) months. In such case, the Employer will provide written notice of the extension to the union and employee of the basis for an extension. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as his/her eligibility expires or he/she has been rehired, whichever occurs first. Separation during, or extension of, the transition review period will not be subject to the grievance procedure in [Article 31](#).

35.15 Recall

- A. The Agency will maintain layoff lists for each job classification that will include geographic availability. Permanent employees who are laid off will,

at their request, have their name placed on the list for the job classification from which they were laid off and will indicate the geographic areas they are willing to accept employment. Additionally, employees may request to have their name placed on the layoff list for other job classifications in which they have held permanent status. An employee will remain on layoff lists for three (3) years from the effective date of his/her layoff.

- B. When a vacancy occurs within an agency and when there are names on a layoff list, the agency will fill the position in accordance with [Article 4](#), Filling of Vacancies. An employee who is offered a position two (2) times and refuses the offer each time will have his/her name removed from the layoff list. Once an employee accepts an offer, his/her name is removed from the layoff list for that classification unless returned to the list in accordance with other sections of this contract.
- C. Washington Association of Fish Hatchery Professionals (WAFHP) only: Pursuant to terms of [Article 3.16 B](#), employees who have been laid off will have the right to first refusal for positions within the classification in which they had previously held permanent status.

35.16 General Government Transition Pool Program

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Enterprise Services (DES). When a vacancy occurs within an agency, the Agency will consider employees in the General Government Transition Pool Program along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

35.17 Project Employment

- A. Project employees have layoff rights within their project. Formal options will be determined using the procedure outlined in [Section 35.9](#), above.
- B. Permanent status employees who left their regular classified positions to accept project employment without a break in service have layoff rights within the agency in which they held permanent status. The employee's return rights are to the job classification they last held permanent status in prior to accepting project employment using the procedure outlined in [Section 35.9](#).
- C. Project employees who are separated from state service due to layoff and have not held permanent status in classified service may request their names be placed into the General Government Transition Pool Program.

35.18 Seasonal Career Employment

- B. Formal options will be determined using the procedure outlined in [Section 35.9](#), above, to other seasonal career positions. Employees separated due to layoffs will be placed on a separate seasonal layoff list for the season in which they were laid off. Employees who have the skills and abilities to perform the duties of the position to be filled will be recalled based on seniority for other seasonal career positions.

COMPENSATION APPENDIX J

SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE: This range is used for classes having a prevailing pay range that is shorter than Washington’s standard range. An “E” range is a standard range with the first four (4) steps removed. Thus, the first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“G” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“GS1” RANGE: This range applies to the following specific job classes: Physician 3, Physician 4, Psychiatrist. Periodic increases are made at the same intervals as through standard ranges.

Periodic increases through step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE STATE OF WASHINGTON
AND
DEPARTMENT OF FISH AND WILDLIFE
AND
TEAMSTERS LOCAL 760**

The State of Washington, the Department of Fish and Wildlife and Teamsters Local 760, herein referred to as “the parties,” acknowledge there are situations where necessary work cannot be accomplished within the 171 hours/28-day period as identified in the Coalition contract Article 8.2D. The parties acknowledge certain functions/duties among field operations are Sergeant specific duties. The parties recognize there are times a Sergeant is assigned additional personnel and/or further supervisory responsibilities as a result of another Sergeant’s absence. This additional work could necessitate a Sergeant working more than 171 hours in a 28-day period.

The parties enter this agreement under the following premises:

1. A Sergeant temporarily assigned command of additional Officers due to the absence of a Sergeant for more than 30 days will coordinate work with his/her Captain and plan his/her work hours within the constraints of the regular work period (171 hours/28 days). Should the additional personnel and/or responsibilities drive overtime work the Sergeant will specifically identify and request any overtime work. In the event of an unforeseen circumstance requiring immediate supervisory action(s) and when the Sergeant’s actual or designated supervisor within the region is not available to grant overtime approval, a Sergeant may exercise discretion in determining the need to work time not previously planned. Not later than the next working day the Sergeant will report to their actual or designated supervisor the nature of necessary work that justified the overtime worked without pre-approval from the supervisor.

The parties understand nothing in this MOU should be construed as to infringe upon, diminish or void contract language, or management’s right to assign work or duties including overtime work. This MOU shall become effective upon signature and evaluated periodically through LMCC meeting for consistent application Statewide. This MOU will sunset on June 29, 2021.

Diversity, Equity and Inclusion

The parties are committed to developing and maintaining a high performing public workforce that provides access, meaningful services, and improved outcomes for all citizens. The ever-increasing diversity of our population and workforce defines who we are as a people and drives the public's expectations of us as public servants. An important goal is to build work environments that are respectful, supportive and inclusive to everyone.

The Office of Financial Management will be engaged in an enterprise wide effort with state agencies to reassess training, policy compliancy, and data reporting toward the goal of creating a more respectful, diverse, equitable, and inclusive work environment. The Union can be a vital partner in reaching this goal. To that end, as agencies modify their policies to support this work, the Unions, whether through informal discussions at UMCC or LMC meetings, or through other more formal notice, will be provided an opportunity to review and give input on these changes before they are adopted by the agencies.

Nothing in this Memorandum of Understanding should be construed as a waiver of the rights and obligations of either party as it relates to mandatory subjects.

MEMORANDUM OF UNDERSTANDING
BETWEEN THE STATE OF WASHINGTON
AND
WSNA

Scheduling Overtime, Meals and Breaks – WSNA

The parties agree that they have a common interest in further discussion about scheduling overtime, meals and breaks, and providing training and development for nurses at the WDVA homes. Therefore, they agree to continue to engage in schedule discussions on these topics over the course of the terms of this contract.

Scheduling Overtime – WSNA

Assignment of On-Call Employees

Management may assign on-call employees to work prior to offering or assigning, any voluntary or mandatory overtime.

Involuntary Overtime

When an open shift is identified, the employer will follow the provisions of Article 8.3 of the General Provisions before the involuntary process is implemented. When involuntary overtime is required, it will be assigned to employees on duty in inverse order of seniority, provided the employee has the skills and abilities required of the positions. The inverse order will be re-established when the list has been exhausted, i.e. the employee with the greatest seniority has worked his or her required overtime.

- A. An employee who volunteers and works an overtime shift prior to an involuntary overtime assignment, he/she will have his or her name removed from the overtime rotation for that cycle.
- B. The employee will be excused from an involuntary overtime assignment once per quarter unless exigent circumstances impact the operation of the facility.
- C. An employee will not be required to work an involuntary overtime after working a regular shift prior to an approved vacation leave day.

Therefore, the parties agree that by November 30, 2019, WDVA Management and Human Resources will do the following at each Veterans Home:

- 1. Conduct open forums with nursing staff;
- 2. Review and audit current processes for scheduling overtime; and;

3. Utilize the Labor Management Communication Committee (LMCC), per Article 37.2.A.8, to evaluate current practices, and provide feedback for improvements and changes.

Meals and Breaks – WSNA

WDVA and WSNA will agree to conduct and participate in information sessions with nursing staff that identify barriers that affect nurses from being able to take meals and breaks. These sessions will be a way to encourage dialogue between management and nurses to best facilitate staff taking timely breaks. These information sessions will be held two (2) times each year of the biennium at the nursing homes. At the conclusion of these sessions, WDVA and WSNA will work collaboratively to ensure that the barriers identified by both management and nursing staff are addressed so that nurses are receiving timely breaks and unpaid meal periods, which are defined within Article 7.8

In July 2019, WDVA and WSNA will schedule a Statewide LMCC for WDVA Management and Human Resources to provide WSNA with an update. The parties agree that investing in these areas with staff will enhance quality of patient care and staff morale.

This MOU will take effect July 1, 2019.

This pandemic has impacted the ability of the physicians and the clinical pharmacists to engage in continuing medical education (CME) courses provided for in Article 9.11 and 9.12 of the Coalition collective bargaining agreement (CBA).

The Department of Social and Health Services recognizes the benefits from the on-going education and training of its employees. The parties agree that the physicians and clinical pharmacists represented under the terms of the Coalition CBA are allowed to roll their unused CME days and reimbursement allotments they still have available between February 29, 2020 and June 30, 2020 through the life of the current contract expiring June 30, 2021.
