ARTICLE 1
UNION RECOGNITION

1.1 The State and the Employer recognize the Union as the exclusive bargaining representative for the employees described in Appendix A.

1.2 This Agreement covers the employees in the bargaining units described in Appendix A, entitled “Bargaining Units Represented by the Washington Federation of State Employees – Community Colleges,” but does not cover any statutorily-excluded positions, or any positions excluded in Appendix A. The titles of the jobs listed in Appendix A are listed for descriptive purposes only.

1.3 If the Public Employment Relations Commission (PERC) certifies the Union as the exclusive bargaining representative during the term of this Agreement for a bargaining unit in any of the Employer’s institutions of higher education, the terms of this Agreement will apply.

ARTICLE 2
 NON-DISCRIMINATION

*This Article has been modified by an MOU effective June 7, 2018*

2.1 Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, creed, national origin, political affiliation, military status, status as an honorably discharged veteran, a disabled veteran or Vietnam era veteran, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, genetic information, pregnancy, status as a victim of domestic violence, sexual assault, or stalking, or because of the participation or lack of participation in union activities. Bona fide occupational qualifications based on the above traits do not violate this Section.

2.2 Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with the Employer’s policy. In cases where an employee files both a grievance and an internal complaint regarding the same alleged discrimination, the grievance will be suspended until the internal complaint process has been completed.

2.3 Both parties agree that unlawful harassment will not be tolerated.

2.4 Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

2.5 Both parties agree that nothing in this Agreement will prevent an employee from filing a complaint with the Washington State Human Rights Commission, Office of Civil Rights, or the Equal Employment Opportunities Commission.
ARTICLE 3
WORKPLACE BEHAVIOR

3.1 The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not promote a college’s/district’s business, employee well-being, or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.

3.2 Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. If an employee and/or the employee’s union representative believes the employee has been subjected to inappropriate workplace behavior, the employee and/or the employee’s representative is encouraged to report this behavior to the employee’s supervisor, a manager in the employee’s chain of command and/or the Human Resources Office. An employee or the employee’s representative should identify complaints as inappropriate workplace behavior. The Employer will investigate the reported behavior and take appropriate action as necessary. The employee and/or union representative will be notified upon conclusion of the investigation. Upon request, the Employer will provide the employee and the union representative with a copy of the investigation report.

3.3 Retaliation against employees who make a workplace behavior complaint will not be tolerated.

3.4 Supervisors, managers and Human Resource Office staff will be trained on Article 3, Workplace Behavior. The Employer and the Union may agree to prepare and make available online a 15-minute joint training online presentation on workplace behavior for all employees covered by this CBA and their supervisors, managers and Human Resources staff.

3.5 Grievances related to this Article may be processed through Step 3 of the Grievance Procedure.

ARTICLE 4
HIRING AND APPOINTMENTS

*This Article has been modified by an MOU effective June 7, 2018*

4.1 Filling Positions
The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. The Employer can fill a position on a full-time or part-time basis. Consideration will be limited to employees who have the skills and abilities required for the position. Positions will be posted for at least ten (10) calendar days.
4.2 Certification of Applicants

A. The Employer will determine the number of applicants to be certified to the hiring official for consideration. When filling the positions, the Employer will appoint the most senior employee on the appropriate internal layoff list with the required skills and abilities who had indicated an appropriate geographic availability for the position.

If there are no names on the internal layoff list, the Employer will consider internal promotional candidates, employees who are requesting a transfer or voluntary demotion, and qualified part-time hourly or non-permanent appointee candidates prior to considering other candidates. The Employer will offer an interview to at least two (2) transfer or voluntary demotion candidates with the skills and abilities required for the position.

B. An internal promotional candidate is an employee who applies for appointment with their college/district to a class with a higher salary range maximum.

C. A transfer candidate is an employee who applies for appointment with their college/district to a position in the same class, same class on a different shift or to a different class with the same salary range maximum.

D. A voluntary demotion candidate is an employee who applies for appointment with their college/district to a class with a lower salary range maximum.

E. A qualified part-time hourly or non-permanent appointee candidate is a part-time hourly or non-permanent appointee who has applied for an open position and who meets the skills and abilities for the position.

F. Interested internal promotions, transfers, voluntary demotions and part-time hourly or non-permanent appointees may apply by following the application process on the posted announcement. Consideration will be limited to employees who have the skills and abilities required for a position.

G. Each Employer will establish a posting process that takes into consideration employee accessibility issues to electronic and hard copy notifications, as well as geographical issues.

4.3 Types of Appointment

A. Regular Employment
   The Employer may fill a position with a regular employment appointment for positions scheduled to work twelve (12) months per year.

B. Cyclic Year Employment
   The Employer may fill a position with a cyclic year appointment for positions scheduled to work less than twelve (12) full months each year, due to known, recurring periods in the annual cycle when the position is not
needed. At least fifteen (15) days before the start of each annual cycle, incumbents of cyclic year positions will be informed, in writing, of their scheduled periods of leave without pay in the ensuing cycle. Such periods of leave without pay will not constitute a break in service.

When additional work is required of a cyclic position during a period for which the position was scheduled for leave without pay, the temporary work will be offered to the incumbent. If the employee has disciplinary action(s) in their personnel file within the previous six (6) months of the offer, or there is pending implementation of a disciplinary action, the employee may or may not be offered the work. The incumbent will be allowed at least three (3) working days in which to accept or decline the offer. Should the incumbent decline the work, it will be offered to other cyclic employees, in the same classification, with the necessary skills and abilities, in order of seniority, before being filled by other means.

C. **Project Employment**

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.

2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

   Employees with permanent project status will serve a trial service period when they:

   a. Promote to another job classification within the project; or

   b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.

3. The Employer may consider project employees with permanent project status for transfer, voluntary demotion, or promotion to non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position.

4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or trial service period.

5. The layoff and recall rights of project employees will be in accordance with the provisions in Article 35, Layoff and Recall.
D. **Non-permanent Employment**

1. The Employer may make classified non-permanent appointments to fill in for the absence of a permanent employee during a workload peak, while recruitment is being conducted, or to reduce the possible effects of a layoff. Non-permanent appointments will not exceed eighteen (18) months. A non-permanent appointee must have the skills and abilities required for the position, will be assigned to an official Washington State Human Resources job classification, and paid on the General Service Salary Schedule. The Employer is not required to use a competitive process before making a non-permanent appointment.

2. A permanent employee who accepts a non-permanent appointment within their college will have the right to return to their position in the college or to a position in the permanent classification they left at the completion of the non-permanent appointment, provided the employee has not left the original non-permanent appointment, or unless the original supervisor agrees otherwise.

3. The Employer may convert a non-permanent appointment into a permanent appointment if the Employer used a competitive process to fill the non-permanent appointment. In such circumstances the employee will serve a probationary or trial service period. Time spent in a non-permanent appointment will count towards the probationary or trial service period if the position duties remain the same.

4. The Employer may end a non-permanent appointment at any time with one (1) working days’ notice to the employee.

5. The separation of a non-permanent employee will not be subject to the grievance procedure in Article 30.

E. **In-Training Employment**

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program. The Employer will discuss any proposed in-training series at a Union-Management Communication Committee (UMCC) meeting prior to implementation.

2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from classified service any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial
service periods required by the in-training program. Employees who are not successful may be separated at any time with one (1) working days’ notice from the Employer.

If the Employer fails to provide one (1) working days’ notice, the separation will stand and the employee will be entitled to payment of salary for up to one (1) working day, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining status in the in-training position. The separation of an employee will not be subject to the grievance procedure in Article 30.

3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does not successfully complete the trial service period or periods at any time with three (3) working days’ notice.

If the Employer fails to provide three (3) working days’ notice, the reversion will stand and the employee will be entitled to payment of the difference in salary for up to three (3) working days, which the employee would have worked at the higher level if notice had been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status in the in-training position.

The employee’s reversion right will be to the job classification that the employee held permanent status in prior to their in-training appointment, in accordance with Subsections 4.5 B.4 and 4.5 B.5 of this Article.

4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.

5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.

6. If the entire in-training program—meaning all levels within the in-training appointment—is designated as a trial service period, the employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.

4.4 Employee Status
A. Classified Service
An employee will attain permanent status in the classified service upon completion of a probationary review period. For positions designated in-training, Subsection 4.3 E will govern when permanent status is attained.

An employee who is newly hired in a classified position will be required to serve a probationary period, regardless of whether or not they have held permanent status at another college district or agency. However, unless the employee has a break-in-service between appointments, they will have continuous or unbroken classified service for the purpose of seniority, leave and any article in this bargaining agreement that refers to continuous or unbroken service.

B. Job Classification
An employee will attain permanent status in a job classification upon their successful completion of a probationary, trial service, or transition review period.

4.5 Review Periods
A. Probationary Period
1. Every permanent employee, whether part-time or full-time, following their initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months. The Employer may extend the initial probationary period for an individual employee or for all employees in a class as long as the extension does not cause the total period to exceed twelve (12) consecutive months. Employees will be provided with an explanation for the extension.

2. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer will credit time worked in the non-permanent appointment toward completion of the probationary period per Subsection 4.3 D.3.

3. The Employer may separate a probationary employee at any time during the probationary period, whether or not the Employer has evaluated the probationary employee. The Employer will provide the employee one (1) working days’ written notice prior to the effective date of the separation.

If the Employer fails to provide one (1) working days’ notice, the separation will stand and the employee will be entitled to payment of salary for up to one (1) working day, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status. The separation of a probationary employee will not be subject to the grievance procedure in Article 30.
4. The Employer will extend an employee’s probationary period, on a
day-for-a-day basis, for any day(s) that the employee is on leave
without pay or shared leave, except for leave taken for military
service.

5. An employee who transfers, promotes or voluntarily demotes prior
to completing their initial probationary period will serve a new
probationary period. The length of the new probationary period will
be in accordance with Subsection 4.5 A.1, unless adjusted by the
Employer for time already served in probationary status. In no case,
however, will the total probationary period be less than six (6)
consecutive months.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other
employees with permanent status who are promoted, or who
voluntarily accept a transfer or demotion into a job classification for
which they have not previously attained permanent status, will serve
a trial service period of six (6) consecutive months. The Employer
may extend the initial trial service period for an individual employee
or for all employees in a class as long as the extension does not cause
the total trial service period to exceed twelve (12) consecutive
months. If the Employer extends an individual employee’s trial
service period, the Employer will provide the employee with written
reasons for the extension. Employees in an in-training appointment
will follow the provisions outlined in Subsection 4.3 E.

2. If the Employer converts the status of a non-permanent appointment
to a permanent appointment, an incumbent employee who has
already attained permanent status will serve a trial service period.
However, the Employer will credit time worked in the non-
permanent appointment toward completion of the trial service
period per Subsection 4.3 D.3.

3. Any employee serving a trial service period will have their trial
service period extended, on a day-for-a-day basis, for any day(s) that
the employee is on leave without pay or shared leave, except for
leave taken for military service.

4. With three (3) working days’ written notice by the Employer, an
employee who does not successfully complete their trial service
period will be offered a funded position in the same college/district
that is:

a. Vacant and is within the trial service employee’s previously
held job classification; or
b. Vacant at or below the employee’s previous salary range.

In either case, the employee being reverted must have the skills and abilities required for the vacant position. If the employee has not attained permanent status in the vacant position, the employee will be required to complete a trial service period.

If the Employer fails to provide three (3) working days’ notice, the reversion will stand and the employee will be entitled to payment of the difference in the salary for up to three (3) working days, which the employee would have worked at the higher level if notice had been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status in the higher classification.

5. An employee who has no reversion options or does not revert to the classification they held prior to the trial service period may request the Human Resources Office to place their name on the layoff list for positions in job classifications where they had previously attained permanent status.

6. An employee serving a trial service period may voluntarily revert to their former position within fifteen (15) calendar days after the appointment, provided that the position has not been filled or an offer has not been made to an applicant. The Employer may consider requests after the fifteen (15) day period. After fifteen (15) days, an employee serving a trial service period may voluntarily revert at any time to a vacant position in the same college/district that is:

   a. Within the employee’s previously held job classification; or
   b. At or below the employee’s previous salary range.

If the employee has not attained permanent status in the job classification, the employee will be required to complete a trial service period.

Neither the extension of a trial service period nor the reversion of an employee who is unsuccessful during their trial service period are subject to the grievance procedure in Article 30. An employee may request a review by the President or designee within twenty-one (21) days of the effective date of the extension or reversion.

C. Transition Review Period

In accordance with Article 35, Layoff and Recall, the Employer may require an employee to complete a transition review period.
4.6 **Apprenticeship Programs**
The Employer and the Union recognize the value and benefit of providing apprenticeship opportunities in its employment structure. The Employer agrees to consider apprenticeship proposals submitted from the Union and will be open to meeting with the Union to discuss their proposals.

4.7 **New Employee Orientation and Union Access to New Employees**

A. Within ninety (90) days of a new employee’s start date in a bargaining unit position represented by the Union, the Employer will provide the Union access to the employee during the employee’s regular work hours at the employee’s regular worksite, or at another location mutually agreed to by the Employer and the Union, for no less than thirty (30) minutes, to present information about the Union and the Collective Bargaining Agreement. This presentation may occur during a formal or informal new employee orientation provided by the Employer or at another time within the above ninety (90) day period. No employee will be required to attend the presentation given by the Union. The Employer will provide the employee’s name, job title, college campus and day or night shift and will provide notice to the Union’s Council Representative and the Chief Steward of a new employee orientation at the same time the new employee is given notice.

The Employer also agrees to provide each new employee with an orientation package provided by the Union and an opportunity for the Union to provide a video and/or other types of material, presented to the new employee as part of their online orientation.

**ARTICLE 5**

**PART-TIME HOURLY APPOINTMENTS**

*This Article has been modified by an MOU effective August 29, 2018*

5.1 The Employer may make temporary appointments (also referred to as “part-time hourly”) per RCW 41.06.070(1)(l) and corresponding WAC 357-04-035 and WAC 357-04-045. Individuals in these appointments are limited to one thousand fifty (1,050) hours of work in a twelve (12) consecutive month period from the individual’s original date of hire. For the purposes of counting the one thousand fifty (1,050) hours, the twelve (12) month period will begin on the employee’s original date of hire. The next twelve (12) month period will repeat accordingly and this pattern will continue.

A. **Represented Individuals**

Excluding students, individuals in part-time hourly appointments who work between three hundred fifty (350) hours and one thousand fifty (1,050) hours in a twelve (12) consecutive month period from the original date of hire who are members of the bargaining units identified in Appendix A represented by the Union, are governed by the specific terms of this Article. Once the employee works at least three hundred fifty (350) hours the
employee remains a represented individual until the end of the first twelve-month period in which the employee does not work at least three hundred fifty (350) hours in a twelve (12) consecutive month period from the date of hire. An employee who has not worked sufficient hours to remain a represented individual is excluded from the bargaining unit until the employee again works at least three hundred fifty (350) hours in a twelve (12) month period from the original date of hire.

B. The Union will be given an opportunity to have a Union representative speak to a newly represented individual. Within ninety (90) days of an employee’s start date in the bargaining unit represented by the Union, the Employer will provide the Union access to the employee during the employee’s regular work hours at the employee’s regular worksite, or at another location mutually agreed to by the Employer and the Union for not more than fifteen, less than thirty (15-30) minutes, to provide present information about the Union and this Collective Bargaining Agreement. No employee will be required to attend the presentation given by the Union. The Employer will provide the employee’s name, job title, college campus and day or night shift.

C. If the Employer deducts union fees, subject to Article 41, Union Dues Deduction and Status Reports, from a part-time hourly employee’s paycheck and the employee is later determined to not be a represented individual by a court or an administrative agency of competent jurisdiction, the Union will reimburse the employee for the fees deducted. In addition, the Union and the employee will indemnify the State, the Employer and the State Board for Community and Technical Colleges for all costs associated with grievances, unfair labor practices and/or law suits associated with the deduction of dues/fees from a part-time hourly employee’s paycheck and the employee is later determined to not be a represented individual by a court or an administrative agency of competent jurisdiction.

D. Unless identified in Sections 5.9, 5.13-5.12, 5.14 and 5.15, below, no other Articles in this Agreement apply to represented individuals.

E. The Employer may petition the Assistant Director of the Office of the State HR for approval of exceptions to the one thousand fifty (1,050) hour threshold specified above. The Employer will provide the Executive Director of the Union with a copy of the petition.

5.2 Appointment Notice
Prior to the start of a part-time hourly appointment, the part-time hourly appointee must be notified in writing of the conditions of the appointment. The written notification must contain the following information regarding the appointment:

1. The reason for the part-time hourly appointment;
2. The hours of work and the hourly rate of pay;
3. The anticipated duration of the appointment;
4. A statement regarding the receipt or non-receipt of benefits;
5. The employee’s original date of hire in a part-time hourly appointment;
6. A description of when they may become a represented individual, included in the bargaining unit and covered by this Agreement;
7. A statement of the Union’s exclusive recognition and union security provision; and
8. The right to request remedial action as provided in Section 5.8, below.

5.3 Compensation

A. The Employer will continue current practices regarding salary assignments for represented individuals.

B. 1. After the increase in Subsection 5.3 B.2, effective July 1, 2017, all represented part-time hourly appointees will earn a minimum twelve fourteen dollars ($1214.00) per hour. If the state minimum wage increases to more than twelve dollars ($12.00) per hour during the duration of this Agreement, employees will earn a salary that is at least equal to the state minimum wage and will have their salaries adjusted each January in accordance with the state minimum wage act.

2. Effective July 1, 2017, represented part-time hourly appointees who were earning more than twelve fourteen dollars ($1214.00) per hour prior to July 1, 2017 and who reach the three hundred fifty (350) hour threshold on or after July 1, 2017 through June 30, 2018 will receive a two-three percent (23%) increase to their salary.

C. Effective July 1, 2018, all represented part-time hourly appointees who have reached the three hundred fifty (350) hour threshold on or after July 1, 2018 through December 31, 2018, will receive a two-three percent (23%) increase to their salary.

D. Minimum Wages Determined by Local Ordinances

Effective January 1, 2019 all represented part-time hourly appointees who have reached the three hundred fifty (350) hour threshold on or after January 1, 2019 through June 30, 2019, will receive a two percent (2%) increase to their salary. After the increase in Subsection 5.3 B.2, any employee who has a primary assigned duty station within a local jurisdiction which has passed an ordinance establishing a minimum wage higher than the minimum wage established in the Collective Bargaining Agreement, will be paid no less than the minimum wage directed by the local ordinance. The Employer will
first consider the hourly wage of the employee’s base salary plus any applicable King County Premium Pay under the below Subsection E. If, after this consideration, the employee’s salary is still below the local ordinance minimum wage, the Employer will place the employee at the minimum wage requirement of the local ordinance.

E. King County Premium Pay

Employees assigned to a primary duty station in King County will receive five percent (5%) premium pay calculated from their base salary. When an employee no longer has their primary duty station in King County, they will not be eligible for this premium pay.

EF. Represented part-time hourly appointees who are paid based on the General Service Salary Schedule will continue to be paid based on the step of the General Service Salary Schedule they are assigned and therefore will receive any negotiated increases to the General Service. These part-time hourly employees will also not receive the increases in Subsection 5.3 B.2 and C. and D.

5.4 Hours of Work and Overtime

The Employer will assign the hours of work for represented individuals. All hours worked in excess of forty (40) hours in a seven (7) day workweek constitutes overtime. Overtime hours will be compensated at a rate of one and one-half (1-1/2) times the represented individual’s regular rate of pay.

5.5 Hiring and Appointments

Section 4.1 as specifically established in Sections 4.2(A), (E) and (F) applies to part-time hourly appointees.

5.6 Release Time for Interviews

Release time will be granted to represented individuals for the purposes of interviewing for positions within the employee’s college.

5.7 Suspended Operations

If the Chief Executive Officer or designee of the college/district determines that the public health, property or safety is jeopardized and it is advisable due to emergency conditions to suspend the operation of all or any portion of the college/district, the following will govern represented individuals:

A. When prior notice has not been given, represented individuals released until further notice after reporting to work will be compensated for hours worked on the first day of suspended operations.

B. Represented individuals who are not required to work during suspended operations may request and may be granted a schedule change during their workweek.
C. Represented individuals who are required to work during suspended operations will receive one and one-half (1-1/2) times their regular hourly rate for work performed during the period of suspended operation. Overtime worked during suspended operations will be compensated in accordance with Section 5.4, above.

5.8 Remedial Action
A. If a represented individual has worked more than one thousand fifty (1,050) hours in a twelve (12) month period from the individual’s original date of hire, they may request remedial action from the Assistant Director of State Human Resources or the designee in accordance with WAC 357-49. Following the Director’s review of the remedial action request, an individual may file exceptions to the Director’s decision in accordance with WAC 357.

B. Remedial action is not subject to the provisions of the grievance procedure specified in Section 5.16, below.

5.9 Training and Employee Development
Sections 9.2 and 9.3 of Article 9, Training and Employee Development, apply to represented individuals.

5.10 Privacy and Off-Duty Conduct
A. Employees have the right to confidentiality related to personal information and personnel issues to the extent provided/allowed by law. The Employer, the Union and the employees will take appropriate steps to maintain such confidentiality.

ARTICLE 6
PERFORMANCE EVALUATION

6.1 Objective
The performance evaluation process gives a supervisor an opportunity to discuss performance goals with their employee and assess and review their performance with regard to those goals. Supervisors can then provide support to the employee in their professional development, so that skills and abilities can be aligned with college/district mission and goals. Performance problems will be brought to the attention of the employee at the time of the occurrence, or when the supervisor becomes aware, to give them an opportunity to address the issue.

6.2 Evaluation Process
A. The immediate supervisor will meet with an employee at the start of their review period to discuss performance expectations. The employee will receive copies of their performance expectations as well as notification of any modifications made during the review period. Employee work performance will be evaluated during probationary, trial service and transition review periods and at least annually thereafter. Notification will
be given to a probationary or trial service employee whose work performance is determined to be unsatisfactory.

B. The supervisor will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation. The discussion may include such topics as:

1. Reviewing the employee’s performance;
2. Identifying ways the employee may improve their performance;
3. Updating the employee’s position description, if necessary;
4. Identifying performance goals and expectations for the next appraisal period; and
5. Identifying employee training and development needs.

C. The performance evaluation process will include, but not be limited to, a written performance evaluation on forms used by the Employer, the employee’s signature acknowledging receipt of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. A copy of the final performance evaluation, including any employee or reviewer comments, will be provided to the employee. The original performance evaluation forms, including the employee’s comments, will be maintained in the employee’s personnel file.

D. If an employee disagrees with their performance evaluation, the employee has the right to attach a rebuttal.

E. The performance evaluation process is subject to the grievance procedure in Article 30. The specific content of a performance evaluation is not subject to the grievance procedure.

F. Performance evaluations will not be used to initiate personnel actions such as transfer, promotion, or discipline.

6.3 Training on performance evaluations will be offered to all bargaining unit employees.

Employees working three (3) or more hours longer than a normal workday will be allowed an additional thirty (30) minute unpaid meal period. When an employee’s unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

7.5 **Overtime-Eligible Employees Paid Meal Periods for Straight Shift Schedules**
The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](https://example.com). Meal periods for employees on straight shifts do not require relief from duty.

Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

7.7 **Overtime-Eligible Employees - Positive Time Reporting**

Employees will promptly inform the Employer when they receive a subpoena. An
overtime-eligible employee who is subpoenaed to appear in court, provided the
subpoena is related to their job function or involves matters they have witnessed at
work, will be compensated for appearing in court and for travel per the OFM
guidelines.

7.9  Overtime-Exempt Employees
Overtime-exempt employees are not covered by federal or state overtime laws.
Compensation is based on the premise that overtime-exempt employees are
expected to work as many hours as necessary to provide the public services for
which they were hired. These employees are accountable for their work product,
and for meeting the objectives of the college/district for which they work. The
Employer’s policy for all overtime-exempt employees is as follows:

A. The Employer determines the products, services, and standards which must
be met by overtime-exempt employees.

B. Overtime-exempt employees are expected to work as many hours as
necessary to accomplish their assignments or fulfill their responsibilities
and must respond to directions from management to complete work
assignments by specific deadlines. Full-time overtime-exempt employees
are expected to work a minimum of forty (40) hours in a workweek and
part-time overtime-exempt employees are expected to work proportionate
hours. Overtime-exempt employees may be required to work specific hours
to provide services, when deemed necessary by the Employer.

C. The salary paid to overtime-exempt employees is full compensation for all
hours worked.

D. Overtime-exempt employees are not authorized to receive any form of
overtime compensation, formal or informal.

E. Exchange Time
The appointing authority or their designee will approve overtime exempt
employee absences with pay for extraordinary or excessive hours worked,
without charging leave. Excess hours may be documented and accrued for
later use as “exchange time.” Exchange time may be used for purposes that
would otherwise require the use of vacation and/or sick leave.

F. If they give notification and receive the Employer’s concurrence, overtime-
exempt employees may alter their work hours. Employees are responsible
for keeping management apprised of their schedules and their whereabouts.

G. Prior approval from the Employer for the use of paid or unpaid leave for
absences of two (2) or more hours is required, except for unanticipated sick
leave.
H. **All Overtime-Exempt Employees Subpoenaed to Appear in Court**
Employees will promptly inform the Employer when they receive a subpoena. An overtime-exempt employee who is subpoenaed to appear in court, provided the subpoena is related to their job function or involves matters they have witnessed at work, will be compensated in accordance with the provisions, above. Any travel will be compensated per the OFM guidelines.

An employee whose workweek is less than forty (40) hours will be paid at their regular rate of pay for all work performed up to forty (40) hours in a workweek and paid at the overtime rate for authorized work more than forty (40) hours in a workweek.

8.3 General Provisions
A. The Employer will determine whether work will be performed on regular work time or overtime, the number, the skills and abilities of the employees required to perform the work, and the duration of the work.

B. The Employer will first attempt to meet its overtime requirements on a voluntary basis with qualified employees who are currently on duty. In the event there are not enough employees volunteering to work, the supervisor may require employees to work overtime. The supervisor will give as much advance notice as possible to employees and consider an employee’s personal and family needs prior to requiring overtime. There will be no pyramiding of overtime.

C. If an employee was not offered overtime for which they were qualified, the employee will be offered the next available overtime opportunity for which they are qualified.

8.4 Compensatory Time for Overtime-Eligible Employees

B. Maximum Compensatory Time
Employees may accumulate no more than one hundred and sixty (160) hours of compensatory time.

C. Compensatory Time Use
An employee must use compensatory time prior to using vacation leave, unless this would result in the loss of their vacation leave or the employee is using vacation leave for domestic violence leave. Compensatory time must be used and scheduled in the same manner as vacation leave, as in Article 11, Vacation Leave. Employees may use compensatory time for leave as required by the Domestic Violence Leave Act, RCW 49.76.
Employer may schedule an employee to use their compensatory time with seven (7) calendar days’ notice.

D. **Compensatory Time Cash Out**
   1. All compensatory time must be used by June 30th of each year. If compensatory time balances are not scheduled to be used by the employee by April of each year, the supervisor will contact the employee to review their schedule. The employee’s compensatory time balance will be cashed out every June 30th or when the employee separates from the Employer. Employers may continue their current practices with respect to compensatory time cash out when the employee transfers to another position.

   2. As an exception to Subsection 8.4 D.1 above, an appointing authority or their designee may allow an employee to carry forward up to twenty-four (24) hours of compensatory time past June 30th when an employee’s workload requires overtime during the months of May and June.

**ARTICLE 9**

Training will be considered time worked for union stewards who attend the training during their scheduled work shift. Union stewards who attend the training during their non-work hours will not be compensated for training. The parties will agree on the date, time, number
and names of stewards attending each session. Additional release time may be provided in accordance with Article 40.8. If appropriate, the Union will attempt to schedule more than one (1) training session at each institution to minimize release and travel issues.

C. The Employer will arrange training on this Agreement for all bargaining unit employees no less than once per contract year. The Employer and the Union recognize the value of, and encourage joint training when possible.

9.4 Employees may communicate their education and skill development training desires annually through the performance evaluation process.

C. Personal holidays may not be carried over to the next calendar year except when an eligible employee’s request to take their personal holiday has been denied or canceled. The employee will attempt to reschedule their personal holiday during the balance of the calendar year. If they are unable to reschedule the day, it will be carried over to the next calendar year.

Employees may use vacation leave for leave as required by the Domestic Violence Leave Act, RCW 49.76.

11.10 Use of Vacation Leave for Sick Leave Purposes
The Employer may allow an employee who has used all of their sick leave to use vacation leave for sick leave purposes as provided in Subsection 12.2 A. An employee who has used all of their sick leave may use vacation leave for sick leave purposes as provided in Subsections 12.2 B – H.

11.11 Emergency Childcare
Employees may use vacation leave for childcare emergencies after the employee has exhausted all of their accrued compensatory time. Use of vacation leave and sick leave for emergency childcare is limited to a combined maximum of four (4) days per calendar year.

11.12 Vacation Cancellation
Should the Employer be required to cancel scheduled vacation leave because of an emergency or exceptional business needs, affected employees may select new vacation leave from available dates. In the event the affected employee has incurred non-refundable, out-of-pocket vacation expense, the employee will normally be reimbursed by the Employer, if the Employer had previously approved the employee’s vacation leave request and if the employee has an adequate leave balance at the time of the vacation to take the vacation.

11.13 Vacation Leave Maximum
Employees may accumulate maximum vacation leave balances not to exceed two hundred and forty (240) hours. However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum:
A. If an employee’s request for vacation leave is denied by the Employer, and the employee is close to the vacation leave maximum, the Employer will grant an extension for each month that the Employer must defer the employee’s request for vacation leave.

B. An employee may also accumulate vacation leave days in excess of two hundred and forty (240) hours as long as the employee uses the excess balance prior to their anniversary date. Any leave in excess of the maximum that is not deferred in advance of its accrual as described above, will be lost on the employee’s anniversary date.

C. When an employee reaches a balance of more than three hundred (300) hours the supervisor may work with the employee to schedule leave until the leave balance falls below three hundred (300) hours.

11.14 Separation
Any employee, who has been employed for at least six (6) continuous months will be entitled to payment for vacation leave credits when they:

A. Resign with adequate notice,
B. Retire,
C. Are laid-off, or
D. Are terminated by the Employer.

In addition, the estate of a deceased employee will be entitled to payment for vacation leave credits.

An employee who has used all of their sick leave may use compensatory time, vacation leave, personal leave or all of a personal holiday for sick leave purposes as provided in Subsections 12.2B.

12.4 Restoration of Vacation Leave

In the event an employee is injured or becomes ill while on vacation leave, the employee may submit a written request to use sick leave and have the equivalent amount of vacation leave restored. The supervisor may require a written medical certificate.
12.5 Sick Leave Reporting, Certification and Verification
A. An employee must promptly notify their supervisor on their first day of sick leave and each day after, unless there is mutual agreement to do otherwise. If an employee is in a position where a relief replacement is necessary if they are absent, they will notify their supervisor at least two (2) hours prior to their scheduled time to report to work (excluding leave taken in accordance with RCW 49.76 - Domestic Violence Leave).

B. If the Employer suspects abuse, the Employer may discuss FMLA eligibility and/or require a written medical certificate for any sick leave absence. When a medical certificate is required, the Employer will state the reasons for suspicion of sick leave abuse. The Employer will not require continuous medical verification for longer than six (6) months as result of the Employer suspecting abuse.

If medical certification or verification is required for overtime eligible positions, it shall be in accordance with the Minimum Wage Requirements and Labor Standards, RCW 49.46.210, WACs 296-128-600 et seq. sick leave provisions and this Agreement. B. The converted sick leave hours do not reduce their previous calendar year sick leave balance below four hundred eighty (480) hours; and

C. The employee notifies their payroll office by January 31st that they would like to convert sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee’s sick leave balance.

12.7 Sick Leave Separation Cash Out
At the time of retirement from state service or at death, an eligible employee or the employee’s estate will receive cash for their compensable sick leave balance on a
one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include “vested out of service” employees who leave funds on deposit with the retirement system.

ARTICLE 13
SHARED LEAVE

*This Article has been modified by an MOU effective August 9, 2018*

13.1 Shared Leave
The purpose of the leave sharing program is to permit state employees, at no significantly increased cost to the State, of providing leave to come to the aid of another state employee who has been called to service in the uniformed services, who is responding to a state of emergency anywhere within the United States declared by the federal or state government, who is a victim of domestic violence, sexual assault, or stalking, or who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition, which has caused or is likely to cause the employee to take leave without pay or terminate their employment. For purposes of the leave sharing program, the following definitions apply:

A. “Domestic violence” means physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury, or assault, between family or household members as defined in RCW 26.50.010; sexual assault of one family or household member by another family or household member; or stalking as defined in RCW 9A.46.110 of one family or household member by another family or household member.

B. “Employee” means any employee who is entitled to accrue sick leave or vacation leave and for whom accurate leave records are maintained.
(Although part-time hourly appointments are entitled to sick leave, Article 13 does not apply to these appointments.)

C. "Employee’s relative" normally will be limited to the employee’s spouse, state registered domestic partner as defined by RCWs 26.60.020 and 26.60.030, child, stepchild, grandchild, grandparent, or parent.

D. "Household members" is defined as persons who reside in the same home who have reciprocal duties to and do provide financial support for one another. This term will include, but is not limited to, foster children and legal wards. The term does not include persons sharing the same general house when the living style is primarily that of a dormitory or commune.

E. “Parental leave” means leave to bond and care for a newborn child after birth or to bond and care for a child after placement for adoption or foster care, for a period of up to sixteen (16) weeks after the birth or placement.

F. “Pregnancy disability” means a pregnancy-related medical condition or miscarriage.

G. "Service in the uniformed services" means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.

H. "Severe" or "extraordinary" condition is defined as serious or extreme and/or life threatening.

I. “Sexual assault” has the same meaning as in RCW 70.125.030.

J. “Stalking” has the same meaning as in RCW 9A.46.110.

K. "Uniformed services" means the armed forces, the army national guard, and the air national guard of any state, territory, commonwealth, possession, or district when engaged in active duty for training, inactive duty training, full-time national guard duty, or state active duty, the commissioned corps of the public health service, the coast guard, and any other category of persons designated by the President of the United States in time of war or national emergency.

L. “Victim” means a person that domestic violence, sexual assault, or stalking has been committed against as defined in this Article.
13.2 Shared Leave Receipt

A. An employee may be eligible to receive shared leave if the Employer has determined the employee meets any of the following criteria:

1. The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature;

2. The employee has been called to service in the uniformed services;

3. A state of emergency has been declared anywhere within the United States by the federal or any state government and the employee has the needed skills to assist in responding to an emergency or its aftermath and volunteers their services to either a governmental agency or to a nonprofit organization engaged in humanitarian relief in the devastated area, and the governmental agency or nonprofit organization accepts the employee’s offer of volunteer services;

4. The employee is a victim of domestic violence, sexual assault, or stalking;

5. The employee needs the time for parental leave as defined in Subsection 13.1E; or

6. The employee is sick or temporarily disabled because of pregnancy disability, as defined in Subsection 13.1F.

B. The illness, injury, impairment, condition, call to service, emergency volunteer service, or consequence of domestic violence, sexual assault, or stalking, parental leave or pregnancy disability has caused, or is likely to cause, the employee to:

1. Go on leave without pay status; or
2. Terminate state employment.

C. The employee’s absence and the use of shared leave are justified.

D. The employee has depleted or will shortly deplete their:

1. Vacation leave, sick leave and personal holiday if the employee qualifies under Subsection 13.2 A.1;

2. Vacation leave and paid military leave allowed under RCW 38.40.060 if the employee qualifies under Subsection 13.2 A.2;

3. Vacation leave or personal holiday if the employee qualifies under Subsections 13.2 A.3 or 13.2 A.4; or
4. Personal holiday and compensatory time, if the employee qualifies under Subsections 13.2 A.5 or A.6. The employee under this Subsection can retain in reserve up to forty (40) hours each of vacation leave and sick leave.

E. The employee has abided by the Employer’s policy regarding:

1. Sick leave use if the employee qualifies under Subsections 13.2 A.1, 13.2 A.4, A.5 or A.6; or

2. Military leave if the employee qualifies under Subsection 13.2 A.2.

F. The employee has diligently pursued and been found to be ineligible for benefits under RCW 51.32 if the employee qualifies under Subsection 13.2 A.1.

13.3 Shared Leave Use
A. The Employer will determine the amount of leave, if any, which an employee may receive. However, an employee will not receive more than five hundred twenty-two (522) days of shared leave, except that, the Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature.

B. The Employer will require the employee to submit, prior to approval or disapproval:

1. A medical certificate from a licensed physician or health care practitioner verifying the employee’s required absence, the description of the medical problem, and expected date of return to work status for shared leave under Subsection 13.2 A.1;

2. A copy of the military orders verifying the employee’s required absence for shared leave under Subsection 13.2 A.2;

3. Proof of acceptance of an employee’s offer to volunteer for either a governmental agency or a nonprofit organization during a declared state of emergency for shared leave under Subsection 13.2 A.3;

4. Verification of childbirth or placement of adoption or foster care, when the employee is qualified under Subsection 13.2 A.5; or

5. Medical certification from a licensed physician or health care provider verifying the pregnancy disability when the employee is qualified under Subsection 13.2 A.6.
C. The Employer may require the employee to submit, prior to approval or disapproval, verification of the employee’s status as a victim of domestic violence, sexual assault or stalking for shared leave under Subsection 13.2 A.4. Such verification will be in accordance with the Domestic Violence Leave Act, RCW 49.76 and may be one or more of the following:

1. An employee’s own written statement;

2. A statement from an attorney or advocate, member of the clergy, or medical or other professional; and/or

3. A court order or police report documenting the employee is a victim of domestic violence, sexual assault or stalking.

D. The Employer should consider other methods of accommodating the employee’s needs, such as modified duty, modified hours, flex-time or special assignments in lieu of shared leave usage.

E. Leave transferred may be transferred from employees of one (1) community college district to an employee of the same community college district or, with the approval of the heads of both state agencies, higher education institutions, school district or educational service districts, to an employee of another state agency, higher education institution, school district or educational service district.

F. Vacation leave, sick leave, or all or part of a personal holiday transferred from a donating employee will be used solely for the purpose stated in this Article.

G. The receiving employee will be paid their regular rate of pay; therefore, the value of one (1) hour of shared leave may cover more or less than one (1) hour of the recipient’s salary.

H. Eight (8) hours a month of accrued and/or shared leave may be used to provide for the continuation of benefits as provided for by the Public Employee’s Benefit Board.

I. The Employer will respond in writing to shared leave requests within fourteen (14) calendar days of receipt of a properly completed request.

13.4 Leave Donation

An employee may donate vacation leave, sick leave, or personal holiday to another employee for purposes of the leave sharing program under the following conditions:

A. The Employer approves the employee’s request to donate a specified amount of vacation leave to an employee authorized to receive shared leave; and
1. The full-time employee’s request to donate leave will not cause their vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated; and

2. Employees may not donate excess vacation leave that they would not be able to take due to an approaching anniversary date; except when the request for vacation leave was denied and the vacation leave was deferred.

B. The Employer approves the employee’s request to donate a specified amount of sick leave to an employee authorized to receive shared leave. The employee’s request to donate leave will not cause their sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.

C. The Employer approves the employee’s request to donate all or part of their personal holiday to an employee authorized to receive shared leave.

1. That portion of a personal holiday that is accrued, donated as shared leave, and then returned during the same calendar year to the donating employee, may be taken by the donating employee.

2. An employee will be allowed to split the personal holiday only when donating a portion of the personal holiday to the shared leave program.

D. No employee may be intimidated, threatened, or coerced into donating leave for purposes of this program.

13.5 Shared Leave Administration

A. The calculation of the recipient’s leave value will be in accordance with applicable Office of Financial Management policies, regulations, and procedures. The leave received will be coded as shared leave and be maintained separately from all other leave balances.

- All paid leave accrued must be used prior to using shared leave when the employee qualifies for shared leave under Subsection 13.2 A.1.

- Accrued vacation leave and paid military leave allowed under RCW 38.40.060 must be used prior to using shared leave for employees qualified under Subsection 13.2 A.2.

- All paid leave, except sick leave, must be used prior to using shared leave when the employee qualifies for shared leave under Subsection 13.2 A.3 and Subsection 13.2 A.4.

- For shared leave qualified under Subsections 13.2 A.5 or A.6, the employee is required to deplete their personal holiday and all
compensatory time. The employee is also required to deplete vacation leave and sick leave that is over forty (40) hours in each category.

B. An employee on leave transferred under these rules will continue to be classified as a state employee and will receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation leave or sick leave.

C. All salary and wage payments made to employees while on leave transferred under these rules will be made by the state agency, higher education institution, school district or educational service district employing the person receiving the leave.

D. Where Employers have approved the transfer of leave by an employee of one (1) state agency, higher education institution, school district or educational service district to an employee of another state agency, higher education institution, school district or educational service district, the state agencies, higher education institutions, school districts or educational service districts involved will arrange for the transfer of funds and credit for the appropriate value of leave in accordance with Office of Financial Management policies, regulations, and procedures.

E. Leave transferred under this Section will not be used in any calculation to determine a state agency’s, higher education institution’s, school district’s or educational service district’s allocation of full-time equivalent staff positions.

F. Shared leave no longer needed or will not be needed at a future time in connection with the original injury or illness or for any other qualifying condition by the recipient, as determined by the Employer, will be returned to the donor(s). Unused leave may not be returned until one of the following occurs:

1. The Employer receives a statement from the employee’s doctor verifying whether the employee’s injury or illness is resolved; or

2. The employee is released to full time employment, has not received additional medical treatment for their current conditions or any other qualifying condition for at least six (6) months, and the employee’s doctor has declined, in writing, the employee’s request for a statement indicating the employee’s condition has been resolved.

G. The remaining shared leave is to be divided on a pro rata basis among the donors and reinstated to the respective donors’ appropriate leave balances based upon each employee’s current salary rate at the time of the reversion. The shared leave returned will be prorated back based on the donor’s original donation.
H. Unused shared leave may not be cashed out but will be returned to the donors per Subsection 13.5 F, above.

I. An employee who uses leave that is transferred under this Section will not be required to repay the value of the leave that they used.

13.6 If an employee later has a need to use shared leave due to the same condition listed in their previously approved request, the Employer must approve a new shared leave request for the employee.

**ARTICLE 14**

**UNIFORMED SERVICE SHARED LEAVE POOL**

14.1 **Purpose**

The uniformed service shared leave pool was created so that state employees who are called to service in the uniformed services will be able to maintain a level of compensation and employee benefits consistent with the amount they would have received had they remained in active state service. The pool allows employees to donate leave to be used as shared leave to fellow state employees called to service in the uniformed services. Employee participation will be voluntary at all times. The Military Department, and the Office of Financial Management/State Human Resources will administer the pool.

14.2 **Definitions**

For purposes of this Article only, the following definitions apply:

A. “Employee” means any employee who is entitled to accrue sick leave or vacation leave and for whom accurate leave records are maintained.

B. “Military salary” includes base, specialty and other pay, but does not include allowances such as the basic allowance for housing.

C. “Monthly salary” includes monthly salary, special pay and shift differential, or the monthly equivalent for hourly employees. “Monthly salary” does not include overtime pay, callback pay, standby pay or performance bonuses.

D. “Service in the uniformed services” means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.

E. “Uniformed services” means the armed forces, the army national guard, and the air national guard of any state, territory, commonwealth, possession, or district when engaged in active duty for training, inactive duty for training,
full-time national guard duty, or state active duty, the commissioned corps of the public health service, the coast guard and any other category of persons designated by the President of the United States in time of war or national emergency.

14.3 Participation
A. An employee may be eligible to receive leave from the uniformed service shared leave pool under the following conditions:
   1. The employee is entitled to accrue vacation leave, sick leave, or a personal holiday.
   2. The employee has been called to service in the uniformed services.
   3. The call to service has caused, or is likely to cause, the employee to go on leave without pay status or terminate state employment.
   4. The employee’s absence and the use of shared leave are justified.
   5. The employee has depleted or will shortly deplete their annual leave and paid military leave allowed under RCW 38.40.060.
   6. The employee has followed the Employer’s policy regarding military leave.

B. An employee may donate vacation leave, sick leave, or all or part of a personal holiday to the uniformed service shared leave pool under the following conditions:
   1. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee’s vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.
   2. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee’s sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.
   3. The donating employee may donate all or part of a personal holiday.

14.4 Process
A. Employees requesting to donate to or receive leave from the uniformed service shared leave pool must follow their Employer’s policies and procedures addressing uniformed service shared leave.

B. Employees requesting to receive leave from the uniformed service shared leave pool must also comply with the Military Department procedures for
requesting and receiving leave from the uniformed service shared leave pool. Employees requesting leave from the uniformed shared leave pool should provide the college/district with an earnings statement verifying military salary and orders of service, most current state leave and earnings statement, a completed uniformed service shared leave pool recipient request form, and notification of any change. The employee must also provide copies of earnings statements and orders of service when requested by the Military Department.

C. Shared leave may not be granted unless the pool has a sufficient balance to fund the requested leave for the expected term of service.

D. Shared leave, in combination with military salary, will not exceed the level of the employee’s state monthly salary. Up to eight (8) hours per month of shared leave may be withdrawn and used to continue coverage under the Public Employees’ Benefit Board, regardless of the employee’s monthly salary and military salary.

E. The receiving employee continues to be classified as a state employee and receives the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.

F. The Employer will investigate any alleged abuse of the uniformed service shared leave pool and on a finding of wrongdoing, the employee may be required to repay all of the shared leave received from the pool.

ARTICLE 15
FAMILY AND MEDICAL LEAVE

The parties recognize the following:

• The Washington Family Leave Act (WFLA) (RCW 49.78) is repealed and only effective until December 31, 2019, and therefore any references to WFLA or the provisions of WFLA in this article expire December 31, 2019.

• The Washington Family and Medical Leave Program (RCW 50A.04) is in effect beginning January 1, 2020 and eligibility for and approval of leave for purposes as described under that Program shall be in accordance with RCW 50A.04. In the event that the legislature amends all or part of RCW 50A.04, those amendments are considered by the parties to be incorporated herein. In the event that the legislature repeals all or part of RCW 50A.04, those revisions that are repealed are considered by the parties to be expired and no longer in effect upon the effective date of their repeal.
15.1  A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington state Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for one or more of the following reasons 1 through 4:

1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child.

2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work.

3. Family medical leave to care for a spouse, son, daughter, parent or state registered domestic partner as defined by RCWs 26.60.020 and 26.60.030 who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee’s state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) workweeks of FMLA.

4. Family medical leave for a qualifying exigency when the employee’s spouse, child of any age or parent is on active duty or on call to active duty status of the Armed Forces, Reserves or National Guard for deployment to a foreign country.

Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, rest and recuperation, and attending post-deployment reintegration briefings. In addition, the Employer and the employee may agree that other events which arise out of the covered military member’s active duty or call to active duty status qualify as an exigency, provided both agree to the timing and duration of the leave.

B. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of
twenty-six (26) workweeks of leave for Military Caregiver Leave and leave taken for other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered servicemember or veteran begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

C. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.

D. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, personal holidays, compensatory time off, or shared leave.

15.2 The family medical leave entitlement period will be a twelve (12) month period measured forward from the date an employee begins family medical leave. ARTICLE 25
LICENSURE AND CERTIFICATION

25.1 The Employer will continue its current practices related to licensure and certification or comply with 25.2, 25.3 and 25.4, below, whichever provides the greater benefit to the employee.

25.2 Conditions of Employment
When a license and/or certification is required as a part of the qualifications for a position prior to the appointment of an employee into the affected position, the employee will be responsible for the initial cost of the license and/or certification. Thereafter, the employee will be responsible for maintaining the license and/or certification and for all renewal costs.

25.3 Outside Entity Requirements
When an outside entity, (e.g., by state regulation or local ordinance), requires a new license and/or certification following the appointment of the employee into the affected position, the Employer will reimburse the employee for the initial cost of the new license and/or certification. Thereafter, the employee will be responsible for maintaining the license and/or certification and for all renewal costs.

25.4 Employer Convenience
When a license and/or certification is not required by an outside entity and the Employer, for its own convenience, requires a new license and/or certification following the appointment of the employee into the affected position, the Employer will reimburse the employee for the initial cost of the new license and/or certification. Thereafter, the Employer will continue to pay for maintaining the license and/or certification and for all renewal costs.
25.5 Employees will notify their appointing authority or designee if their work-related license and/or certification has expired, or has been restricted, revoked or suspended within twenty-four (24) hours of expiration, restriction, revocation or suspension, or prior to their next scheduled shift, whichever occurs first.

25.6 Continuing Education Units
Employees in positions that require licensures or certifications with Continuing Education Unit (CEU) requirements will be allowed to do so on work time and at the Employer’s expense, based on documentation from the licensure or certification provider. This provision does not apply to the Washington State driver’s license.

ARTICLE 26
VOLUNTEERS AND STUDENT WORKERS

The Employer will utilize volunteers and student workers only to the extent they supplement and do not supplant bargaining unit employees. Volunteers and student workers will not supervise bargaining unit employees.

A volunteer is a person who donates labor to another by his or her own free choice. Generally, the volunteer doesn’t receive anything of value in exchange for the service—not money, trade of products or services, or anything else of monetary value.

WAC 357-04-040: Which student employees of higher education employers are exempt from civil service rules?

(1) Students who are participating in a documented and approved internship program which consists of an academic component and work experience are exempt.

(2) Students who are employed through the state or federal work/study programs are exempt.

(3) Students are exempt if they are employed by the institution at which they are enrolled (or by a related board) and meet any one of the following conditions:

(a) The student works five hundred sixteen hours or less (516 or less) in any six consecutive months. Hours worked in a temporary position(s) during the summer and other breaks in the academic year are not counted in the five hundred sixteen (516) hours. The position is exempt only if the student does not take the place of a classified employee who was laid off due to lack of funds or lack of work, and the student does not fill a position that is currently or was formerly occupied by a classified employee during the current or prior calendar or fiscal year, whichever is longer.
(b) The student is employed in a position directly related to his/her major field of study to provide a training opportunity; or
(c) the student is elected or appointed to a student body office or student organization position such as student officers or student news staff members.

ARTICLE 27
RESIGNATION AND ABANDONMENT

27.1 Voluntary Resignation
The Employer may permit an employee to withdraw their resignation at any time prior to the effective date.

27.2 Unauthorized Absence/Abandonment
When an employee has been absent without authorized leave and has failed to contact the Employer for a period of three (3) consecutive days, the employee is presumed to have abandoned their position. The Employer will make at least two (2) attempts to contact the employee to determine the cause of the absence. Each attempt to contact will include calling the employee at their contact phone number and their emergency contacts on file with the Employer. The Employer may also request a welfare check.

27.3 Notice of Separation
When an employee’s abandonment is presumed in accordance with Section 27.2, above, the Employer will separate the employee by sending a separation notice to the employee by certified mail to the last known address of the employee. Such notice will include information regarding eligibility for continuation of medical benefits.

27.4 Petition for Reinstatement
An employee who has received a separation notice in accordance with Section 27.3, above, may petition the Employer in writing to consider reinstatement. The employee must provide proof that the absence was involuntary or unavoidable. The petition must be received by the Employer or postmarked within seven (7) calendar days after the separation notice was deposited in the United States mail.

27.5 Grievability
Denial of a petition for reinstatement is grievable. The grievance may not be based on information other than that shared with the Employer at the time of the petition for reinstatement.

ARTICLE 28
PRIVACY AND OFF-DUTY CONDUCT

28.1 Employees have the right to confidentiality related to personal information and personnel issues to the extent provided/allowed by law related to their:
A. Protected personnel issues;

B. Protected personal and medical information; and

C. Family members’ protected personal and medical information.

The Employer, the Union and the employees will take appropriate steps to maintain such confidentiality.

28.2 The off-duty activities of an employee may be grounds for disciplinary action if said activities are a conflict of interest as set forth in RCW 42.52, are detrimental to the employee’s work performance or the program of the college/district, or otherwise constitutes just cause. An employee will report all arrests and any court-imposed sanctions or conditions that affect their ability to perform assigned duties to the Human Resources Office or appointing authority within twenty-four (24) hours or prior to their scheduled work shift, whichever occurs first.

ARTICLE 29
DISCIPLINE

29.1 The Employer will not discipline any permanent employee without just cause.

29.2 Discipline includes oral and written reprimands, reductions in pay, suspensions, demotions, and discharges. Oral reprimands will be identified as such and, if documented, such documentation will be placed in the supervisor’s file only, subject to removal in accordance with Section 33.11.

29.3 When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

29.4 The Employer has the authority to conduct investigations.

29.5 A. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. An employee seeking representation is responsible for contacting their representative.

B. During an investigation, employees will answer all appropriate questions truthfully and to the best of the employee’s knowledge.

C. The role of the union representative in regard to Employer-initiated investigations is to provide assistance and counsel to the employee and not interfere with the Employer’s right to conduct the investigation. Every effort will be made to cooperate in the investigation.
D. The Employer will notify and advise the employee with updates of the status of the investigation every thirty (30) days until the investigation is complete. Upon notification that the Union is representing the employee for purposes of the investigation, the Employer will provide simultaneous notification to the Union.

29.6 An employee placed on an alternate assignment during an investigation will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee’s access to the Employer’s premises.

29.7 Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee and the union staff representative in writing of the reasons for the contemplated discipline and an explanation of the evidence, copies of written documents relied upon to take the action and the opportunity to view other evidence, if any. This information will be sent to the union staff representative on the same day it is provided to the employee. The employee will be provided an opportunity to respond either at a meeting scheduled by the Employer, or in writing if the employee prefers. A pre-disciplinary meeting with the Employer will be considered time worked.

29.8 The Employer will provide an employee with fifteen (15) calendar days’ written notice prior to the effective date of a reduction in pay or demotion.

29.9 The Employer will normally provide an employee with seven (7) calendar days’ written notice prior to the effective date of a discharge. If the Employer fails to provide seven (7) calendar days’ notice, the discharge will stand and the employee will be entitled to payment of salary for time the employee would otherwise have been scheduled to work had seven (7) calendar days’ notice been given.

However, the Employer may discharge an employee immediately without pay in lieu of the seven (7) calendar days’ notice period if, in the Employer’s determination, the continued employment of the employee during the notice period would jeopardize the good of the college/district. The Employer will provide the reasons immediate action is necessary in the written notice.

29.10 The Employer will provide the Union with a copy of any disciplinary letters.

29.11 The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in Article 30. Oral reprimands, however, may be processed only through the top internal step of the grievance procedure and cannot be arbitrated.
ARTICLE 30
GRIEVANCE PROCEDURE

30.1 The Union and the Employer agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

30.2 Terms and Requirements
A. Grievance Definition
   A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. Disciplinary action may be grieved, subject to the provisions of Section 29.11 of Article 29, Discipline. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance
   Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. The grievance will state the name of the employee or the names of the group of employees. The Union, as exclusive representative, is considered the only representative of the employee in grievance matters and has the right in a grievance to designate the person who will represent the employee on behalf of the Union.

C. Computation of Time
   Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt. Documents filed after 5 p.m. on a standard business day, or on a Saturday, Sunday or holiday will be considered received on the next business day.

D. Failure to Meet Timelines
   The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents
   The written grievance must include the following information or it will not be processed:
1. The date of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence;

2. The nature of the grievance;

3. The facts upon which it is based;

4. The specific Article and Section of the Agreement violated;

5. The specific remedy requested;

6. The steps taken to informally resolve the grievance; and

7. The name and signature of the union representative.

F. Modifications
No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal
A grievance may be withdrawn at any time.

I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.

J. Pay
Paid release time will be provided to employees, grievants and union stewards in accordance with Article 40, Union Rights and Activities.

K. Group Grievances
No more than five (5) grievants will be permitted to attend grievance meetings.

L. Consolidation
Grievances arising out of the same set of facts may be consolidated by written agreement.

M. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

N. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

O. Grievance Files
Written grievances and responses will be maintained separately from the employee’s personnel file.

30.3 Filing and Processing
A. Filing
A grievance must be filed within twenty-eight (28) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The twenty-eight (28) day period above should be used to attempt to informally resolve the dispute. The union steward or staff representative will indicate when a discussion with the Employer is an attempt to informally resolve a dispute.

B. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

C. Processing
The Union and the Employer agree that in-person meetings are preferred at all steps of the grievance process and will make efforts to schedule in-person meetings, if possible.

Step 1: Supervisor, Manager or Human Resources Designee
If the issue is not resolved informally, the Union may file a written grievance to the supervisor, manager or designee, with a copy to the Human Resources Office, within the twenty-eight (28) day period described in Subsection 30.3 A. The Employer will designate a supervisor, manager or designee who will meet in person or confer by telephone with a union steward and/or staff representative and the grievant within fourteen (14) days of receipt of the grievance, and will respond in writing to the Union within fourteen (14) days after the meeting. A supervisor or manager, who is within a grievant’s organizational structure, may accompany the Human Resources Designee to the meeting.

Step 2: Human Resources Office Designee President/Chancellor or Designee (who has not been a party to the Step 1 grievance meeting)
If the issue is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance, including a copy of the Step 1 decision, with the President/Chancellor, with a copy of the grievance, Step 2 request and Step 1 decision to the Human Resources Office, within fourteen (14) days of the Union’s receipt of the Step 1 decision. The Human Resources Office President/Chancellor or designee will designate who will hear the grievances at Step 2. The designee will meet in person or confer by telephone with a union steward or staff representative and the grievant within fourteen (14) calendar days of receipt of the appeal, and will respond in writing to the Union within fourteen (14) days after the meeting. A supervisor or manager, who is within a grievant’s organizational structure, may accompany the President/Chancellor or designee to the meeting.

Step 3: President/Chancellor or Designee
If the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing the written grievance, including a copy of all previous responses, with the President/Chancellor, with a copy to the Human Resources Office, within fourteen (14) days of the Union’s receipt of the Step 2 decision. The President/Chancellor or designee will meet in person or confer by telephone with a union steward or staff representative and the grievant within fourteen (14) days of receipt of the appeal, and will respond in writing to the Union within fourteen (14) days after the meeting.

Step 4: Mediation or Pre-Arbitration Review Meetings (PARM)
1. Disciplinary and Disability Separation Grievances (excluding written reprimands)

   If the grievance is not resolved at Step 3, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the OFM/State Human Resources (SHR)/Labor Relations Section (LRS) and the college’s/district’s Human Resources Office within thirty (30) days of receipt of the Step 3 decision. In addition to all other filing requirements, the request must include a copy of the grievance and all previous responses.

2. Non-Disciplinary and Written Reprimand Grievances (excluding disability separations)

   If the grievance is not resolved at Step 3, the Union may request a PARM by filing the written grievance including a copy of all previous responses with the Director of the LRS and the college’s/district’s Human Resources Office within thirty (30) days of receipt of the Step 3 decision. Within fifteen (15) days of the receipt of all the required information, the LRS will either:
i. Notify the Union in writing that a PARM will be scheduled with the LRS designee, the college’s/district’s Human Resources Office representative, and the Union’s staff representative to review and attempt to settle the dispute.

OR

ii. Notify the Union in writing that no PARM will be scheduled. Within thirty (30) days of the request, a PARM will be scheduled. The meeting will be conducted at a mutually agreeable time.

The proceedings of any mediation or PARM will not be reported or recorded in any manner, except for written agreements reached by the parties during the course of the mediation or PARM. Unless they are independently admissible, statements made by or to the mediator, or by or to any party or other participant in the mediation or PARM, may not be:

1. Later introduced as evidence;

2. Made known to an arbitrator or hearings examiner at a hearing; and/or

3. Construed for any purpose as an admission against interest.

**Step 54: Arbitration**

If the grievance is not resolved at mediation or a PARM, or the OFM/SHR/LRS designee notifies the Union in writing that no PARM will be scheduled, the Union may file a demand for arbitration. The demand to arbitrate the dispute must be filed with the American Arbitration Association (AAA) within thirty (30) days of the mediation session, PARM or receipt of the notice that no PARM will be scheduled. Simultaneous with filing, copies of the demand for arbitration will be provided to the Human Resources Office and LRS.

**D. Selecting an Arbitrator**

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the AAA, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

**E. Authority of the Arbitrator**

1. The arbitrator will:

   a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;

c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;

d. Not have the authority to order the Employer to modify staffing levels or to direct staff to work overtime.

2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

F. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room(s), will be shared equally by the parties.

2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. The requesting party will pay the cost of the court reporter. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.

4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses, and any fees. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and the union steward.

5. If, after the arbitrator issues their award, either party files a motion with the arbitrator for reconsideration, the moving party will bear the additional expenses of the arbitrator.
30.4 **Successor Clause**

Grievances filed during the term of the 2017-2019 Agreement will be processed to completion in accordance with the provisions of the 2017-2019 Agreement.

**ARTICLE 31**

**LEGAL DEFENSE**

If a bargaining unit employee becomes a defendant in a civil liability suit arising out of actions taken or not taken in the course of their employment for the State, the employee has the right to request representation and indemnification through their college/district according to RCW 4.92.

**ARTICLE 32**

**EMPLOYEE ASSISTANCE PROGRAM**

32.1 The Employer agrees to provide all bargaining unit employees and qualifying family members access to a confidential employee assistance program selected and paid for by the Employer.

32.2 Employees can request a work schedule adjustment to allow access to the services of the employee assistance program.

32.3 In accordance with WAC 357-31-325, leave with pay must be granted to an employee to allow an employee to receive assessment from the employee assistance program.

**ARTICLE 33**

**EMPLOYEE FILES**

33.1 The Employer will maintain one (1) official personnel file for each employee. Human Resources will maintain the personnel file. This will not preclude the maintenance of all lawful files and records as needed by the Employer. Additional employee files may include supervisory files, attendance files, payroll files, and medical files. All references to “supervisory file” in this Agreement refer to a file kept by the employee’s first-line supervisor.

33.2 Each employee has the right to review their personnel file, supervisory file, attendance file, payroll file and medical file. The Employer will determine the location of all employee files. An employee may arrange to examine their own employee files. Written authorization from the employee is required before any representative of the employee will be granted access to employee files. Review of employee files will be in the presence of an Employer representative during business hours. The employee and/or representative may not remove any contents. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or their representative.
33.3 An employee may insert a reasonable amount of job-related material in their personnel file that reflects favorably on their job performance. An employee may provide a written rebuttal to any information in the files that they consider objectionable.

33.4 Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the employee’s files. The Employer may retain this information in a legal defense file in accordance with RCW 41.06.450.

33.5 When documents in an employee file are the subject of a public disclosure request under RCW 42.56, the Employer will provide the employee with a copy of the request at least ten (10) business days in advance of the intended release date.

33.6 Employees will be provided a copy of all adverse material at the time the materials are included in the personnel file.

33.7 Information in employee files will be retained only as long as it has a reasonable bearing on the employee’s job performance or upon the efficient and effective management of the college/district.

33.8 Anonymous material, not otherwise substantiated, will not be placed in an employee file.

33.9 The Employer will ensure the security and confidentiality of employee files.

33.10 Medical files will be kept separate and confidential in accordance with state and federal law.

33.11 Supervisory files will be purged of the previous year’s job performance information following completion of the annual performance evaluation, unless circumstances warrant otherwise.

33.12 Removal of Documents
A. Written reprimands will be removed from an employee’s personnel file after three (3) years if:
   1. Circumstances do not warrant a longer retention period;
   2. There has been no subsequent discipline; and
   3. The employee submits a written request for its removal.

B. Records of disciplinary actions involving reductions in pay, suspensions or demotions, and written reprimands not removed after three (3) years will be removed after five (5) years if:
   1. Circumstances do not warrant a longer retention period;
   2. There has been no subsequent discipline; and
3. The employee submits a written request for its removal.

C. Nothing in this Section will prevent the Employer from agreeing to an earlier removal date, unless to do so would violate RCW 41.06.450.

ARTICLE 34
Reasonable Accommodations and Disability Separation

34.1 Disability Accommodations
A. The Employer and the Union will comply with all relevant federal and state laws, and regulations providing reasonable accommodations to qualified individuals with disabilities. The Employer will maintain written procedures for reasonable accommodation for qualified individuals with disabilities. Upon request, the Human Resources Office will make the reasonable accommodation written procedures available to an employee.

34.2 B. An employee who believes that they suffer a disability and requires a reasonable accommodation to perform the essential functions of their position may request such an accommodation by submitting a request to the Employer.

34.3 C. Employees requesting accommodation must cooperate with the Employer in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at Employer expense. Medical information disclosed to the Employer will be kept confidential.

34.4 D. The Employer will determine whether an employee is eligible for a reasonable accommodation and the accommodation to be provided.

34.2 Safety Accommodations
A. An employee may request a reasonable safety accommodation if the employee or the employee’s family member is a victim of domestic violence, sexual assault or stalking (or perceived victim). An employee may be required to show verification of the need for a safety accommodation by providing a police report showing the employee or family member was a victim, a court order protecting or separating the victim from the perpetrator of the act, or other evidence from the court or the prosecuting attorney to support the request. Documentation from an advocate for victims, an attorney, a member of the clergy or a medical or other professional who provides services to such victims may be provided, and it shall retain its confidential or privileged nature of communication pursuant to the extent provided by law. An employee can also provide a written statement that they or a family member are a victim and in need of the safety accommodation. Verification of the familial relationship to the victim can
be in the form of a statement from the employee, a birth certificate, court document, or other similar documentation.

B. A reasonable safety accommodation may include, but is not limited to:

1. A transfer, reassignment, modified schedule, changed work telephone number, changed work email address, changed workstation, installed lock, implemented safety procedure, or any other adjustment to a job structure, workplace facility, or work requirement in response to actual or threatened domestic violence, sexual assault, or stalking.

2. Qualifying leave pursuant to Article 11 – Vacation, Article 12 – Sick Leave, Section 18.7 – Personal Leave and Article 19 – Leave Without Pay may be considered a reasonable safety accommodation.

3. The Employer may deny a reasonable safety accommodation request based on an undue hardship, which means an action requiring significant difficulty or expense.

C. Other applicable safety reasonable accommodations for employees under the law or WAC would also apply.

34.3 Pregnancy Accommodations

A. For purposes of this section, “pregnancy” includes the employee’s pregnancy and pregnancy related health conditions.

B. A pregnant employee may request a reasonable accommodation, which may include any of the following:

1. Providing more frequent, longer or flexible restroom breaks;

2. Modifying a no food or drink policy;

3. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, or acquiring or modifying equipment, devices, or an employee’s work station;

4. Providing seating or allowing the employee to sit more frequently if her job requires her to stand;

5. Providing for a temporary transfer to a less strenuous or less hazardous position;

6. Providing assistance with manual labor and limits on lifting;

7. Scheduling flexibility for prenatal visits; and
8. Any further pregnancy accommodation an employee may request, and to which an Employer must give reasonable consideration in consultation with information provided on pregnancy accommodation by the department of labor and industries or the attending health care provider of the employee.

C. The Employer may deny a reasonable pregnancy related accommodation based on undue hardship if the requested accommodation requires significant difficulty or expense. An Employer may not claim undue hardship for the accommodations listed above in Section 34.3 B.1, 2 and 4, or for limits on lifting over seventeen pounds, and the Employer may not request written certification for those same accommodation requests.

D. The Employer will not require a pregnant employee to take leave if another reasonable accommodation can be provided.

E. An Employer, except for the limitations in Section 34.3 C above, can require the employee to provide written certification from her treating health care professional regarding the need for a reasonable accommodation.

F. An Employer does not have to create a position for an employee asking for a pregnancy accommodation or transfer a less senior employee, or promote the pregnant employee as part of a reasonable accommodation.

G. Other applicable pregnancy reasonable accommodations for employees under the law or WAC would also apply.

34.54 Disability Separation

A. An employee with permanent status may be separated from service when the Employer determines that the employee is unable to perform the essential functions of the employee’s position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the Employer based on an employee’s written request for disability separation or after obtaining a written statement from a licensed physician or licensed mental health professional. The Employer can require an employee to obtain a medical examination, at Employer expense, from a licensed physician or licensed mental health professional of the Employer’s choice. Evidence may be requested from the licensed physician or licensed mental health professional regarding the employee’s limitations.

B. When the Employer has medical documentation of the employee’s disability and has determined that the employee cannot be reasonably accommodated in any available position for which they qualify, or the employee requests separation due to disability, the Employer may immediately separate the employee.
34.7 C. The Employer will inform the employee in writing of the option to apply to return to employment prior to their separation due to disability. The Employer will provide assistance to individuals seeking reemployment under this Article for two (2) years. If reemployed, upon successful completion of the employee’s probationary period, the time between separation and reemployment will be treated as leave without pay and will not be considered a break in service.

34.8 D. A disability separation is not a disciplinary action. Disability separation at the employee’s request is not subject to the grievance procedure in Article 30.

ARTICLE 35
LAYOFF AND RECALL

35.1 A. The Employer will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. A layoff is an employer-initiated action that results in:

1. Separation from service;
2. Employment in a class with a lower salary range maximum;
3. Reduction in the work year; or
4. Reduction in the number of work hours.

B. When it is determined that layoffs, other than a temporary layoff, will occur within a layoff unit, the Employer will provide written notice to the Executive Director of the Union, the college Chief shop steward and the local WFSE staff representative with:

1. As much advance notice as possible, but not less than thirty (30) calendar days’ notice (this time period may run concurrent with the notice period provided by the Employer to the employee);
2. An opportunity to meet with affected employees prior to the implementation of the layoff; and
3. An invitation to meet under the provisions of Article 38, Union-Management Communication Committee, of this Agreement.

C. Upon the Union’s request, the Employer will bargain impacts to the bargaining unit. Bargaining will not serve to delay the onset of the layoff.

D. The Employer will explore options including reduction of hourly employees.

35.2 Basis for Layoff
A. The reasons for layoffs include, but are not limited to, the following:
1. Lack of funds;
2. Lack of work; or
3. Organizational change.

B. Examples of layoff actions due to lack of work include, but are not limited to:

1. Termination of a project or special employment;
2. Availability of fewer positions than there are employees entitled to such positions;
3. Employee’s ineligibility to continue in a position following its reallocation to a class with a higher salary maximum; or

40.8 Time Off for Union Activities
A. Union-designated employees may be allowed time off without pay to attend union-sponsored meetings, training sessions, conferences, and conventions. The employees’ time off will not interfere with the operating needs of the
college/district as determined by management. If the absence is approved, the employees may use accumulated compensatory time, personal holiday, or vacation leave instead of leave without pay. However, employees must use compensatory time prior to their use of vacation leave, unless the use would result in the loss of their vacation leave.

B. The Union will give the Employer a written list of the names of the employees it is requesting attend the above-listed activities, at least fourteen (14) calendar days prior to the activity.

40.9 Temporary Employment with the Union
With thirty (30) calendar days’ notice, unless agreed otherwise, employees may be granted leave without pay to accept temporary employment with the Union of a specified duration, not to exceed six (6) months, provided the employee’s time off will not interfere with the operating needs of the college/district as determined by management. Employees who accept temporary employment with the Union may be allowed to use vacation leave or compensatory time to maintain their medical benefits while working for the Union. The Union will reimburse the Employer for the “fully burdened costs of the positions” the Employer incurs as a result of an employee accepting the temporary employment. The Union will reimburse the Employer. The parties may agree to an extension of leave without pay up to an additional six (6) months. The returning employee will be employed in a position in the same job classification and the same geographical area, as determined by the Employer.

40.11 WFSE Council President and Vice-President
A. Leave of Absence
Upon request of the Union, the Employer will grant leave with pay for the WFSE Council President and Vice-President for the term of their office. The Union will give the Employer at least thirty (30) calendar day’s prior notice, unless otherwise agreed. The Union will reimburse the Employer.

B. Leave Balances
The President and Vice-President will accrue vacation and sick leave during the period of absence; however, when the President and Vice-President return to state service their leave balances will not exceed their leave balances on the date the period of absence commenced. If the President or Vice-President retire or separate from state service at the end of the period
of absence, their leave balances will not exceed their leave balances on the
date the period of absence commenced. Reporting of leave will be
submitted to the Employer. All leave requests will be submitted within the
required time limits.

C. Indemnification
The Union will defend, indemnify and hold harmless the Employer for any
and all costs including attorneys fees, damages, settlements, or judgments,
or other costs, obligations, or liabilities the Employer incurs as a result of

employee and the Employer may enter into a written agreement regarding
return rights at the commencement of the leave. The period of leave will
not impact the employee’s seniority date.

CLASSIFICATION

42.1 Classification Plan Revisions
A. The Employer will provide to the Union, in writing, any proposed changes to the classification plan including descriptions for newly created classifications. Upon request of the Union, the Employer will bargain, in accordance with Article 37, Mandatory Subjects, the effect(s) of a change to an existing class or newly proposed classification.

B. The Employer will allocate or reallocate bargaining unit positions, including newly created positions, to the appropriate classification within the classification plan based on the duties assigned. The Employer will notify the union staff representative when a position is being reallocated to a job classification that is excluded from a bargaining unit covered by this Agreement.

C. The Employer will maintain a position description for each position. As determined by the Employer, the position description will list the primary duties and responsibilities assigned to the position, skills and abilities, essential functions, and other job-related information. Any reference in position descriptions to “other duties as assigned” must not include hazardous or illegal tasks. Upon request, the position description will be made available to the employee or to the Union.
42.2 Position Review

A. Employee-Initiated Review

An individual employee who believes that the duties of their position have changed, or that their position is improperly classified, may request a review according to the following procedure:

1. The employee and/or the employee’s immediate supervisor will complete and sign the appropriate form.

2. The employee or the supervisor will then send the completed form to the Employer’s Human Resources Office. Within five (5) days of receipt, the Human Resources Office will notify the employee of the date the completed position review request form was received in their office. The Employer’s Human Resources Office will review the completed form and notify the employee of the decision regarding the appropriate classification within sixty (60) calendar days of the date the position review request was received in the Human Resources Office.

3. In the event the employee disagrees with the reallocation decision of the Employer, they may appeal the Employer’s decision to the OFM/State Human Resources, in writing and with a copy to the Human Resources Office, within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The OFM/State Human Resources will then make a written determination, which will be provided to the employee.

4. In accordance with the provisions of WAC 357-52, the employee or the Employer may appeal the determination of the OFM/State Human Resources to the Washington Personnel Resources Board, within thirty (30) calendar days of being provided the written decision of the OFM/State Human Resources. The board will render a decision which will be final and binding.

5. The effective date of a reallocation resulting from an employee request for a position review is the date the request was filed with the Human Resources Office.

6. Decisions regarding appropriate classification will be reviewed in accordance with this Section and will not be subject to the grievance procedure specified in Article 30 of this Agreement.

7. Positions will not be reallocated during the incumbent’s probationary period.

8. Temporary duty assignments in accordance with Article 43.2 are excluded from this process.
42.3 Effect of Reallocation

A. Reallocation to a Class with a Higher Salary Range Maximum
   1. If the employee has performed the higher-level duties for at least six (6) months and meets the skills and abilities required of the position, the employee will remain in the position and retain existing appointment status.

   2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher-level duties for at least six (6) months, the Employer must give the employee the opportunity to compete for the position if they possess the required skills and abilities. The Employer may choose to promote the employee without competition as long as the employee possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in Article 35 of this Agreement applies. If the employee is appointed, they must serve a trial service period.

B. Reallocation to a Class with an Equal Salary Range Maximum
   1. If the employee meets the skills and abilities requirements of the position, the employee remains in the position and retains existing appointment status.

   2. If the employee does not meet the skills and abilities requirements of the position, the layoff procedure specified in Article 35 of this Agreement applies.

C. Reallocation to a Class with a Lower Salary Range Maximum
   1. If the employee meets the skills and abilities requirements of the position and chooses to remain in the reallocated position, the employee retains existing appointment status and has the right to be placed on the Employer’s internal layoff list for the classification occupied prior to the reallocation.

   2. If the employee does not meet the skills and abilities requirements of the position, the layoff procedure specified in Article 35 of this Agreement applies.

42.4 Salary Impact of Reallocation

An employee whose position is reallocated will have their salary determined as follows:

A. Reallocation to a Class with a Higher Salary Range Maximum
   Upon appointment to the higher class, the employee’s base salary will be increased to a step of the range for the new class that is nearest to five percent (5.0%) higher than the amount of the pre-promotional step, or to the entry step of the new range, whichever is higher.
B. **Reallocation to a Class with an Equal Salary Range Maximum**
The employee retains their previous base salary, or is moved to the entry step of the new range, whichever is higher.

C. **Reallocation to a Class with a Lower Salary Range Maximum**
The employee will be paid an amount equal to their current salary provided it is within the salary range of the new position. In those cases where the employee’s current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the salary they were receiving prior to the reallocation downward, until such time as the employee vacates the position or their salary falls within the new salary range.

**43.2326 Voluntary Separation Incentives – Voluntary Retirement Incentives**
The Employer will have the discretion to participate in a Voluntary Separation Incentive Program or a Voluntary Retirement Incentive Program as approved by OFM, if such programs are provided for in the 2017-2019-2021 operating budget. Such participation must be in accordance with the program guidelines. Program incentives or offering of such incentives are not subject to the grievance procedure.
ARTICLE 44
HEALTH CARE BENEFITS AMOUNTS

44.1  A. For the 2017-2019 2019-2021 biennium, the Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected health care premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board. The projected health care premium is the weighted average across all plans, across all tiers.

B. The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:

1. In ways to support value-based benefits designs; and
2. To comply with or manage the impacts of federal mandates.

Value-based benefits designs will:

1. Be designed to achieve higher quality, lower aggregate health care services cost (as opposed to plan costs);
2. Use clinical evidence; and
3. Be the decision of the PEB Board.

C. Article 44.1 B will expire June 30, 2019 2021.

44.2  The PEBB Program shall provide information on the Employer-Sponsored Insurance Premium Payment Program on its website and in an open enrollment publication annually.

44.3  32  A. The Employer will pay the entire premium costs for each bargaining unit employee for basic life, basic long-term disability and dental insurance coverage.

B. If the PEB Board authorizes stand-alone vision insurance coverage, then the Employer will pay the entire premium costs for each bargaining unit employee.

44.4  Wellness

A. To support the statewide goal for a healthy and productive workforce, employees are encouraged to participate in a Well-Being Assessment survey. Employees will be granted work time and may use a state computer to complete the survey.

B. The Coalition of Unions agrees to partner with the Employer to educate their members on the wellness program and encourage participation.
Eligible, enrolled subscribers who register for the Smart Health Program and complete the Well-Being Assessment will be eligible to receive a twenty-five dollar ($25) gift certificate each calendar year. In addition, eligible, enrolled subscribers shall have the option to earn an annual one hundred twenty-five dollars ($125.00) or more wellness incentive in the form of reduction in deductible or deposit into the Health Savings Account upon successful completion of required Smart Health Program activities. During the term of this Agreement, the Steering Committee created by Executive Order 13-06 shall make recommendations to the PEBB regarding changes to the wellness incentive or the elements of the Smart Health Program.

44.4 The PEBB Program shall provide information on the Employer Sponsored Insurance Premium Payment Program on its website and in an open enrollment publication annually.

44.5 Medical Flexible Spending Arrangement

A. During January 2020 and again in January 2021, the Employer will make available two hundred fifty dollars ($250) in a medical flexible spending arrangement (FSA) account for each bargaining unit member represented by a Union in the Coalition described in RCW 41.80.020(3), who meets the criteria in Subsection 44.5 B below.

B. In accordance with IRS regulations and guidance, the Employer FSA funds will be made available for a Coalition bargaining unit employee who:

1. Is occupying a position that has an annual full-time equivalent base salary of fifty thousand four dollars ($50,004) or less on November 1 of the year prior to the year the Employer FSA funds are being made available; and

2. Meets PEBB program eligibility requirements to receive the employer contribution for PEBB medical benefits on January 1 of the plan year in which the Employer FSA funds are made available, is not enrolled in a high-deductible health plan, and does not waive enrollment in a PEBB medical plan except to be covered as a dependent on another PEBB non-high deductible health plan.

3. Hourly employees’ annual base salary shall be the base hourly rate multiplied by two thousand eighty-eight (2088).

4. Base salary excludes overtime, shift differential and all other premiums or payments.

C. A medical FSA will be established for all employees eligible under this Section who do not otherwise have one. An employee who is eligible for Employer FSA funds may decline this benefit but cannot receive cash in lieu of this benefit.
D. The provisions of the State’s salary reduction plan will apply. In the event that a federal tax that takes into account contributions to a FSA is imposed on PEBB health plans, this provision will automatically terminate. The parties agree to meet and negotiate over the termination of this benefit.

ARTICLE 45
VOLUNTARY EMPLOYEES’ BENEFICIARY ASSOCIATIONS (VEBAs)

In accordance with state and federal law, colleges/districts and employees in bargaining units may agree to form a VEBA (tax-free medical spending accounts) funded by the retiree’s sick leave cash out. An Employer sponsored VEBA of employees covered by this Agreement will be implemented only by written agreement with the Union.

ARTICLE 46
CHILDCARE CENTERS

46.1 The Employer and the Union recognize that family life has a significant impact upon employees’ work lives. The Employer agrees to provide employees with access to the Employer’s existing childcare center(s) on the same basis as presently provided.

46.2 The Employer will notify the Union as soon as possible of any changes in employee access to the Employer’s existing childcare center(s).

ARTICLE 47
EMPLOYEE LOUNGE FACILITIES

47.1 The Employer will provide employee lounge facilities apart from work areas. The lounge facilities will be maintained in a clean and safe manner.

47.2 Adequate lunchrooms, breakrooms, washrooms and toilet facilities will be provided and available for use by employees. The facilities will not normally be used for any other purpose.

47.3 Upon request, the Employer will endeavor to provide storage for personal items.

ARTICLE 48
STRIKES

48.1 Nothing in this Agreement permits or grants to any employee the right to strike or refuse to perform their official duties.
ARTICLE 49
CONTRACTING

49.1 The Employer will determine which college/district services will be subject to competitive contracting in accordance with RCW 41.06.142, Department of Enterprise Services WAC 200-320, and State Human Resources, Office of Financial Management State Human Resources (OFM/SHR), WAC 357-43. Nothing in this Agreement will constitute a waiver of the Union’s right to negotiate a mandatory subject in association with Employer’s right to engage in competitive contracting.

49.2 The Employer will notify the Executive Director of the Union (email to mandatorynotice@wfse.org) and satisfy its collective bargaining obligation when it proposes to contract for work that has historically or customarily been performed by bargaining unit members. The notice will include the following information, if known, at the time of notice:

- The location where the work will be performed;
- A description of the work to be contracted;
- A description of the reason for contracting;
- The estimated duration and amount of the contract;
- The intended start date; and
- The date the work must be completed, if applicable.

49.3 The Union will have fifteen twenty-one (1521) calendar days from the receipt of the written notice to request negotiations. The request must be in writing and sent to the OFM/State Human Resources SHR/Labor Relations Section (LRS) at labor.relations@ofm.wa.gov, with a copy to the Employer. If the Union does not request negotiations within the fifteen twenty-one (1521) calendar days, the Employer may contract for work without the need for further negotiations.

49.4 The Employer and the Union recognize the importance of scheduling these negotiations and/or discussions in an expeditious manner. Unless agreed otherwise, the parties agree to schedule a bargaining date to occur within thirty (30) calendar days of receipt of the request to bargain. The parties will agree to the location and time for the negotiations and/or discussions.

49.5 Participation and release time will be in accordance with Section 37.4.

49.6 In the event of conditions beyond the control of the Employer, such as emergencies or mandated conditions requiring immediate implementation, the Employer will
notify the Executive Director of the Union in writing (email to mandatorynotice@wfse.org) as soon as practicable.

ARTICLE 50
SHARED SERVICES

50.1 The Union and the Employer acknowledge that there may be instances where the Employer might be able to expand operations and provide services to other state agencies or institutions of higher education. It is further acknowledged that such expansion may have a beneficial impact on the Employer and may mitigate the impacts of budgetary constraints. The Employer will consider proposals submitted to them from the Union. This Article may be grieved only up to the final internal step of the grievance procedure.

ARTICLE 51
ENTIRE AGREEMENT

51.1 This Agreement constitutes the entire agreement and any past practice or agreement between the parties prior to July 1, 2007, whether written or oral, is null and void, unless specifically preserved in this Agreement.

51.2 With regard to WAC 357, this Agreement preempts all subjects addressed, in whole or in part, by its provisions.

51.3 This Agreement supersedes specific provisions of Employer policies with which it conflicts.

51.4 During the negotiations of the Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining. Therefore, each party voluntarily and unqualifiedly waives the right and will not be obligated to bargain collectively, during the term of this Agreement, with respect to any subject or matter referred to or covered in this Agreement. Nothing herein will be construed as a waiver of the Union’s collective bargaining rights with respect to matters that are mandatory subjects/topics under the law.

ARTICLE 52
SAVINGS CLAUSE

Partial Invalidity
If any court or administrative agency of competent jurisdiction finds any Article, Section or portion of this Agreement to be contrary to law or invalid, the remainder of the Agreement will remain in full force and effect. If such a finding is made, the parties agree to make themselves available to negotiate a substitute for the invalid Article, Section or portion.
ARTICLE 53
DISTRIBUTION OF AGREEMENT

53.1 The Employer will post the Agreement electronically on each college/district website by the effective date of the Agreement or sixty (60) days after legislative approval, whichever is later.

53.2 The Office of Financial Management will provide a copy to the Union in electronic format.

53.3 The Employer will provide all current and new employees with a link to the Agreement. All employees will be authorized access to the Agreement link. Each employee may print and staple or clip one (1) copy of the Agreement from the link on work time on state-purchased paper and state-owned equipment.

ARTICLE 54
TERM OF AGREEMENT

54.1 All provisions of this Agreement will become effective July 1, 20172019, and will remain in full force and effect through June 30, 20192021; however, in accordance with RCW 41.80.090, if this Agreement expires while negotiations between the Union and the Employer are underway for a successor Agreement, the terms and conditions of this Agreement will remain in effect for a period not to exceed one (1) year from the expiration date. Thereafter, the Employer may unilaterally implement according to law.

54.2 Either party may request negotiations of a successor Agreement by notifying the other party in writing no sooner than January 1, 20182020 and no later than January 31, 20182020. In the event that such notice is given, negotiations will begin at a time agreed upon by the parties.

H.1 Each college district is required to comply with the Violence Against Women Reauthorization Act, the Campus SaVE Act, and Title IX of the Education Amendments of 1972. Compliance with these federal laws and associated regulations requires institutions of higher education to adopt and implement programs designed to prevent and respond to domestic violence, dating violence, sexual assault, sexual harassment, and stalking. This program is typically referred to as “Title IX.”

H.2 Pursuant to these federal laws, institutions of higher education are required to develop policies and procedures to prevent and respond to sexual violence and to train, properly process, investigate, and adjudicate sexual violence allegations. The State of Washington (State), Everett Community College (Employer College) and the
Washington Federation of State Employees (Union) hereby agree to the following
compensatory time / additional regular hours accrual and use during the College’s
December 25, 2017 through January 1, 2018 holiday campus closure (campus closure):

1. This MOU pertains to overtime eligible full-time classified employees and to part-time
classified employees covered by the parties’ Collective Bargaining Agreement (CBA).

2. For overtime eligible full-time classified employees (scheduled to work 40 hours per
workweek): From July 1, 2017 through November 30, 2017, supervisors will provide to
employees an opportunity to work and earn compensatory time to a maximum of twenty-
one and one-half (21.5) hours of compensatory time to cover the hours lost due to the
campus closure. These provisions in no way limit overtime or compensatory time that may
be earned due to other circumstances in accordance with the CBA, Article 8. Per the CBA,
employees may be required to use earned compensatory time before using vacation leave.
Therefore, the earned compensatory time serves to offset the use of any form of paid leave
during campus closure.

3. For part-time classified employees (scheduled to work less than 40 hours per workweek):
From November 1, 2017 through December 24, 2017, at a supervisor’s discretion, based
on the work that is available, the supervisor may allow employees to work additional hours
and earn no more than the number of regular hours they would have been scheduled to
work from December 26, 2017 through December 29, 2017. Part-time classified
employees who are interested in additional hours may email their supervisor, and copy the
HR Director/Classified, to request additional hours.

4. Employees will notify their supervisor if they are interested in earning compensatory time
in the preceding Section 2 or additional regular hours in the preceding Section 3
(compensatory time/ additional regular hours).

5. The supervisor will determine the type of work to be performed and the schedule for
compensatory time/additional regular hours.
6. Employees must use the Time and Leave Report comments section to designate the compensatory time/additional regular hours.

7. Use of Paid and/or Unpaid Leave: Classified employees who earn leave may use any combination of paid leave (compensatory time, vacation leave, personal holiday or personal leave) and/or unpaid leave (leave without pay) during the campus closure. Employees may only use sick leave for sick leave purposes per the CBA, Article 12.

8. Holiday Pay:

   Full-time and part-time classified employees will need to be in paid status or use some form of paid leave on December 22, 2017, to receive holiday pay for December 25, 2017 and will need to use some form of paid leave on December 29, 2017, to receive holiday pay for January 1, 2018.

   Cyclic year employees will need to be in paid status or use some form of paid leave on their last regularly scheduled working day prior to December 25, 2017 and will need to use some form of paid leave on December 29, 2017, to receive holiday pay for January 1, 2018.

9. Special Circumstances: If an employee has a special need for leave to cover the campus closure as an exception to the options listed above, the employee may contact the Everett Community College Human Resources Office, to discuss alternatives on a case-by-case basis.

10. Contract Implications: The earning of compensatory time/additional regular hours for campus closure purposes may not be designated by the employee as overtime. There will be no payout of compensatory time/additional regular hours earned for the closure.

11. Notification: Employees will be notified immediately of this MOU.

WASHINGTON FEDERATION OF STATE EMPLOYEES

Winter Break 2018 Campus Closure
Closure Dates: December 24, 26, 27, and 28th

Overtime-Eligible Employee Compensatory Time
Beginning July 1 until November 30, 2018, the College agrees that employees who are overtime-eligible full-time classified employees will be offered the opportunity to work and earn hours of compensatory time equivalent to the time to offset the campus closure December 24, 2018 and December 26—December 28, 2018. Classified employees working less than full-time will be offered the opportunity to earn compensatory time on the same proportional basis their appointment bears to full-time. Compensatory time not used during the scheduled campus closure will be available for employee use in accordance with Article 8.4.

Per the collective bargaining agreement employees may be required to use earned compensatory time before using vacation leave. Therefore the earned compensatory time serves to offset the use of any form of paid or unpaid leave during campus closure.

Overtime-Exempt Employee Exchange Time
Beginning July 1 until November 30, 2018, the College agrees that overtime-exempt classified employees will be offered the opportunity to work specific employer-designated additional hours to earn “exchange time” equivalent to the time needed to offset the 4-day period of winter campus closure in accordance with Article 7.9.E.

Use of Paid and Unpaid Leave
 Classified employees may use any combination of paid leave (compensatory time, vacation leave, personal holiday or personal leave) and/or unpaid leave (leave without pay) during the closure, however they may only use sick leave for sick leave purposes per Article 12.

Holiday Pay
Article 10.3 applies. All employees must use some form of paid leave on their regularly scheduled workday preceding the holiday to be eligible for December 25, 2018 holiday pay.
Special Circumstances
Employees with a special need for leave to cover December closure as an exception to the options listed above may contact HR to discuss alternatives on a case-by-case basis.

Essential Personnel: Facilities, Grounds, Safety and Security, Technology Support Services staff and other essential personnel may be required/directed to maintain College operations during periods of campus closure as necessary. Supervisors may also direct employees to complete time sensitive projects or assignments during the campus closure as required. Employees required to work during the campus closure will be compensated for their time in accordance with Article 7 and Article 8.

Notification
College employees will be notified of the planned closure and details of this agreement within five (5) days after it is signed by both parties.

Precedence
This agreement is not precedent setting and does not establish a practice.

The Employer will not require continuous medical verification for longer than six (6) months as result of the Employer suspecting abuse.

If medical certification or verification is required for overtime eligible positions, it shall be in accordance with the Minimum Wage Requirements and Labor Standards, RCW 49.46.210, WACs 296-128-600 et seq., sick leave provisions and this Agreement. The Employer may not adopt or enforce any policy that counts the use of paid sick leave for an authorized purpose as an absence that may lead to or result in discipline against the employee.

C. An employee returning to work after any sick leave absence may be required to provide written certification from their health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

12.6 Sick Leave Annual Cash Out

Each January an employee is eligible to receive cash on a one (1) hour for four (4) hours basis for ninety-six (96) hours or less of their accrued sick leave, if:

A. Their sick leave balance at the end of the previous calendar year exceeds four hundred eighty (480) hours;

B. The converted sick leave hours do not reduce their previous calendar year sick leave balance below four hundred eighty (480) hours; and

C. The employee notifies their payroll office by January 31st that they would like to convert sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.
All converted hours will be deducted from the employee’s sick leave balance.

12.7 Sick Leave Separation Cash Out
At the time of retirement from state service or at death, an eligible employee or the employee’s estate will receive cash for their compensable sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include “vested out of service” employees who leave funds on deposit with the retirement system.

12.8 Reemployment
Former state employees who are reemployed within five (5) years of leaving state service will be granted all unused and unpaid sick leave credits they had at separation. If an employee is reemployed after retiring from state service, when the employee subsequently retires or dies, only unused sick leave accrued since the date of reemployment minus sick leave taken within the same period will be eligible for sick leave separation cash out, in accordance with 12.7 above.

12.9 Carry Forward and Transfer
Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this Agreement. When an employee moves from one college to another, without a break in service, the employee’s accrued sick leave will be transferred to the new college for the employee’s use.

House Bill 1434 modified RCW 41.04 to include shared leave eligibility for Parental Leave and Pregnancy Disability Leave effective July 1, 2018. The parties agree to modify Article 13, Shared Leave, of the 2017-2019 Collective Bargaining Agreement to incorporate changes in the law, effective July 1, 2018, as follows:

ARTICLE 13
SHARED LEAVE

13.1 Shared Leave

The purpose of the leave sharing program is to permit state employees, at no significantly increased cost to the State, of providing leave to come to the aid of another state employee who has been called to service in the uniformed services, who is responding to a state of emergency anywhere within the United States declared by the federal or state government, who is a victim of domestic violence, sexual assault, or stalking, or who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition, which has caused or is likely to cause the employee to take leave without pay or terminate their employment. For purposes of the leave sharing program, the following definitions apply:

A. “Domestic violence” means physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury, or assault, between family or household members as defined in RCW 26.50.010; sexual assault of one family or household member by another family or household member; or stalking as defined in RCW 9A.46.110 of one family or household member by another family or household member.

B. “Employee” means any employee who is entitled to accrue sick leave or vacation leave and for whom accurate leave records are maintained. (Although part-time hourly appointments are entitled to sick leave, Article 13 does not apply to these appointments.)

C. “Employee’s relative” normally will be limited to the employee’s spouse, state-registered domestic partner as defined by RCWs 26.60.020 and 26.60.030, child, stepchild, grandchild, grandparent, or parent.

D. “Household members” is defined as persons who reside in the same home who have reciprocal duties to and do provide financial support for one
another. This term will include, but is not limited to, foster children and legal wards. The term does not include persons sharing the same general house when the living style is primarily that of a dormitory or commune.

E. “Parental leave” means leave to bond and care for a newborn child after birth or to bond and care for a child after placement for adoption or foster care, for a period of up to sixteen (16) weeks after the birth or placement.

F. “Pregnancy disability” means a pregnancy-related medical condition or miscarriage.

EG. “Service in the uniformed services” means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty, including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.

FH. “Severe” or “extraordinary” condition is defined as serious or extreme and/or life-threatening.

GI. “Sexual assault” has the same meaning as in RCW 70.125.030.

HJ. “Stalking” has the same meaning as in RCW 9A.46.110.

IK. “Uniformed services” means the armed forces, the army national guard, and the air national guard of any state, territory, commonwealth, possession, or district when engaged in active duty for training, inactive duty training, full-time national guard duty, or state active duty, the commissioned corps of the public health service, the coast guard, and any other category of persons designated by the President of the United States in time of war or national emergency.

JL. “Victim” means a person that domestic violence, sexual assault, or stalking has been committed against as defined in this Article.

13.2 Shared Leave Receipt

A. An employee may be eligible to receive shared leave if the Employer has determined the employee meets any of the following criteria:

1. The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature;

2. The employee has been called to service in the uniformed services;
3. A state of emergency has been declared anywhere within the United States by the federal or any state government and the employee has the needed skills to assist in responding to an emergency or its aftermath and volunteers their services to either a governmental agency or to a nonprofit organization engaged in humanitarian relief in the devastated area, and the governmental agency or nonprofit organization accepts the employee’s offer of volunteer services; or

4. The employee is a victim of domestic violence, sexual assault, or stalking; or

5. The employee needs the time for parental leave as defined in Subsection 13.1 E; or

6. The employee is sick or temporarily disabled because of pregnancy disability, as defined in Subsection 13.1 F.

B. The illness, injury, impairment, condition, call to service, emergency volunteer service, or consequence of domestic violence, sexual assault, or stalking, parental leave or pregnancy disability has caused, or is likely to cause, the employee to:

1. Go on leave without pay status; or
2. Terminate state employment.

C. The employee’s absence and the use of shared leave are justified.

D. The employee has depleted or will shortly deplete their:

1. Vacation leave, sick leave and personal holiday if the employee qualifies under Subsection 13.2 A.1;

2. Vacation leave and paid military leave allowed under RCW 38.40.060 if the employee qualifies under Subsection 13.2 A.2; or

3. Vacation leave or personal holiday if the employee qualifies under Subsections 13.2 A.3 or 13.2 A.4; or

4. Personal holiday and compensatory time, if the employee qualifies under Subsections 13.2 A.5 or A.6. The employee under this Subsection can retain in reserve up to forty (40) hours each of vacation leave and sick leave.

E. The employee has abided by the Employer’s policy regarding:

1. Sick leave use if the employee qualifies under Subsections 13.2 A.1, and 13.2 A.4, A.5 or A.6; or
2. Military leave if the employee qualifies under Subsection 13.2 A.2.

F. The employee has diligently pursued and been found to be ineligible for benefits under RCW 51.32 if the employee qualifies under Subsection 13.2 A.1.

13.3 Shared Leave Use

A. The Employer will determine the amount of leave, if any, which an employee may receive. However, an employee will not receive more than five hundred twenty-two (522) days of shared leave, except that, the Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature.

B. The Employer will require the employee to submit, prior to approval or disapproval:

1. A medical certificate from a licensed physician or health care practitioner verifying the employee’s required absence, the description of the medical problem, and expected date of return to work status for shared leave under Subsection 13.2 A.1;

2. A copy of the military orders verifying the employee’s required absence for shared leave under Subsection 13.2 A.2; or

3. Proof of acceptance of an employee’s offer to volunteer for either a governmental agency or a nonprofit organization during a declared state of emergency for shared leave under Subsection 13.2 A.3.;

4. Verification of childbirth or placement of adoption or foster care, when the employee is qualified under Subsection 13.2 A.5; or

5. Medical certification from a licensed physician or health care provider verifying the pregnancy disability when the employee is qualified under Subsection 13.2 A.6.

C. The Employer may require the employee to submit, prior to approval or disapproval, verification of the employee’s status as a victim of domestic violence, sexual assault or stalking for shared leave under Subsection 13.2 A.4. Such verification will be in accordance with the Domestic Violence Leave Act, RCW 49.76 and may be one or more of the following:

1. An employee’s own written statement;

2. A statement from an attorney or advocate, member of the clergy, or medical or other professional; and/or
3. A court order or police report documenting the employee is a victim of domestic violence, sexual assault or stalking.

D. The Employer should consider other methods of accommodating the employee’s needs, such as modified duty, modified hours, flex time or special assignments in lieu of shared leave usage.

E. Leave transferred may be transferred from employees of one (1) community college district to an employee of the same community college district or, with the approval of the heads of both state agencies, higher education institutions, school district or educational service districts, to an employee of another state agency, higher education institution, school district or educational service district.

F. Vacation leave, sick leave, or all or part of a personal holiday transferred from a donating employee will be used solely for the purpose stated in this Article.

G. The receiving employee will be paid their regular rate of pay; therefore, the value of one (1) hour of shared leave may cover more or less than one (1) hour of the recipient’s salary.

H. Eight (8) hours a month of accrued and/or shared leave may be used to provide for the continuation of benefits as provided for by the Public Employee’s Benefit Board.

I. The Employer will respond in writing to shared leave requests within fourteen (14) calendar days of receipt of a properly completed request.

13.4 Leave Donation
An employee may donate vacation leave, sick leave, or personal holiday to another employee for purposes of the leave sharing program under the following conditions:

A. The Employer approves the employee’s request to donate a specified amount of vacation leave to an employee authorized to receive shared leave; and

1. The full-time employee’s request to donate leave will not cause their vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated; and

2. Employees may not donate excess vacation leave that they would not be able to take due to an approaching anniversary date; except when the request for vacation leave was denied and the vacation leave was deferred.
B. The Employer approves the employee’s request to donate a specified amount of sick leave to an employee authorized to receive shared leave. The employee’s request to donate leave will not cause their sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.

C. The Employer approves the employee’s request to donate all or part of their personal holiday to an employee authorized to receive shared leave.

1. That portion of a personal holiday that is accrued, donated as shared leave, and then returned during the same calendar year to the donating employee, may be taken by the donating employee.

2. An employee will be allowed to split the personal holiday only when donating a portion of the personal holiday to the shared leave program.

D. No employee may be intimidated, threatened, or coerced into donating leave for purposes of this program.

13.5 Shared Leave Administration

A. The calculation of the recipient’s leave value will be in accordance with applicable Office of Financial Management policies, regulations, and procedures. The leave received will be coded as shared leave and be maintained separately from all other leave balances.

1. All paid leave accrued must be used prior to using shared leave when the employee qualifies for shared leave under Subsection 13.2 A.1.

2. Accrued vacation leave and paid military leave allowed under RCW 38.40.060 must be used prior to using shared leave for employees qualified under Subsection 13.2 A.2.

3. All paid leave, except sick leave, must be used prior to using shared leave when the employee qualifies for shared leave under Subsection 13.2 A.3 and Subsection 13.2 A.4.

4. For shared leave qualified under Subsections 13.2 A.5 or A.6, the employee is required to deplete their personal holiday and all compensatory time. The employee is also required to deplete vacation leave and sick leave that is over forty (40) hours in each category.

B. An employee on leave transferred under these rules will continue to be classified as a state employee and will receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation leave or sick leave.
C. All salary and wage payments made to employees while on leave transferred under these rules will be made by the state agency, higher education institution, school district or educational service district employing the person receiving the leave.

D. Where Employers have approved the transfer of leave by an employee of one (1) state agency, higher education institution, school district or educational service district to an employee of another state agency, higher education institution, school district or educational service district, the state agencies, higher education institutions, school districts or educational service districts involved will arrange for the transfer of funds and credit for the appropriate value of leave in accordance with Office of Financial Management policies, regulations, and procedures.

E. Leave transferred under this Section will not be used in any calculation to determine a state agency’s, higher education institution’s, school district’s or educational service district’s allocation of full-time equivalent staff positions.

F. Shared leave no longer needed or will not be needed at a future time in connection with the original injury or illness or for any other qualifying condition by the recipient, as determined by the Employer, will be returned to the donor(s). Unused leave may not be returned until one of the following occurs:

1. The Employer receives a statement from the employee’s doctor verifying whether the employee’s injury or illness is resolved; or

2. The employee is released to full time employment, has not received additional medical treatment for their current conditions or any other qualifying condition for at least six (6) months, and the employee’s doctor has declined, in writing, the employee’s request for a statement indicating the employee’s condition has been resolved.

G. The remaining shared leave is to be divided on a pro rata basis among the donors and reinstated to the respective donors’ appropriate leave balances based upon each employee’s current salary rate at the time of the reversion. The shared leave returned will be prorated back based on the donor’s original donation.

H. Unused shared leave may not be cashed out but will be returned to the donors per Subsection 13.5 F, above.

I. An employee who uses leave that is transferred under this Section will not be required to repay the value of the leave that they used.
13.6—If an employee later has a need to use shared leave due to the same condition listed in their previously approved request, the Employer must approve a new shared leave request for the employee.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE STATE OF WASHINGTON COMMUNITY COLLEGE COALITION
AND
THE WASHINGTON FEDERATION OF STATE EMPLOYEES
COMMUNITY COLLEGE COALITION

Article 41, Dues/Fees Deduction and Status Reports

This Memorandum of Understanding (MOU) is entered into by and between the State of Washington Community College Coalition and the Washington Federation of State Community College Coalition, hereinafter referred to as the Union, modifying Article 41, Dues/Fees Deduction and Status Reports, of the parties’ 2017-2019 Collective Bargaining Agreement, as follows:

41.1 Union Dues/Fees

A. When an employee provides written authorization to the Employer, the Union has the right to have deducted from the employee’s salary, an amount equal to the fees or dues required to be a member of the Union. The Employer will provide payments for all said deductions to the Union at the Union’s official headquarters each pay period.

B. Forty-five (45) calendar days prior to any change in dues and/or fees, the Union will provide notice to each college/district and the State Board for Community and Technical Colleges, with a copy to the Office of Financial Management, Labor Relations, of the percentage and maximum dues and/or fees to be deducted from the employee’s salary.

41.2 Notification to Employees

The Employer will inform, in writing, new, transferred, promoted, or demoted employees prior to appointment into positions included in the bargaining unit(s) of the Union’s exclusive recognition and the union security provision representation status. Upon appointment to a bargaining unit position, the Employer will furnish the employees appointed into bargaining unit positions with the Union payroll deduction authorization form for dues/fees provided by the Union. The Employer will inform employees, in writing, when they are leaving a position included in a bargaining unit.

41.3 Union Security

All employees covered by this Agreement will, as a condition of employment, either become members of the Union and pay membership dues or, as non-members, pay a fee as described in A, B, and C, below, no later than the 30th day...
following the effective date of this Agreement or the beginning of their employment.

A. Employees who choose not to become union members must pay to the Union, no later than the 30th day following the beginning of employment, an agency shop fee equal to the amount required to be a member in good standing of the Union.

B. An employee who does not join the Union based on bona fide religious tenets, or teachings of a church or religious body of which they are a member, will make payments to the Union that are equal to its membership dues, less monthly union insurance premiums, if any. These payments will be used for purposes within the program of the Union that are in harmony with the employee’s conscience. Such employees will not be members of the Union, but are entitled to all of the representational rights of union members.

C. The Union will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of the full membership fee that is related to expenditures for collective bargaining, contract administration and the pursuit of matters affecting wages, hours and other conditions of employment, rather than the full membership fee.

D. If an employee fails to meet the union security provisions outlined above, the Union may notify the Employer. If the Union notifies the Employer, the Union will inform the employee that their employment may be terminated. Once the Employer is notified and has verified an employee’s failure to meet the union security provisions, the Employer may terminate the employee.

41.42 Union Dues Deduction

A. Upon written authorization from an employee covered by this Agreement, the Employer agrees to deduct an amount equal to the membership dues, agency shop fee, non-association fee, or representation fee from the salary of employees who request such deduction in writing within thirty (30) days two (2) pay periods of the receipt of a properly completed request submitted to the appropriate college/district payroll office. Such request will be made on a Union payroll deduction authorization card. The Employer will provide payments for all said deductions to the Union at the Union’s Official Headquarters each pay period.

B. Forty-five (45) calendar days prior to any change in dues, the Union will provide notice to each college/district and the State Board for Community and Technical Colleges, with a copy to the Office of Financial Management, Labor Relations, of the percentage and maximum dues to be deducted from the employee’s salary.
41.53 Dues/Fees Cancellation
Revocation of Membership
An employee may cancel revoke their membership and authorize cancellation of their payroll deduction of dues/fees by the employee providing written notice to the Employer and the Union. The Union will subsequently provide written notice to the Employer of the revocation of membership and dues cancellation. After receipt of the confirmation from the Union, every effort will be made to make the cancellation effective as soon as possible on the first payroll, but and not later than the second payroll, after payroll’s receipt of the notice. Revocation does not alter a position’s status as part of the bargaining units covered by this Agreement. However, the cancellation may cause the employee to be terminated, subject to Section 41.3, above.

41.64 Voluntary Deduction
A. The Employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union. The Employer agrees to remit electronically any deductions made pursuant to this provision to the Union together with an electronic report showing:

1. Employee name;
2. Unique employee system identification number; and
3. Amount deducted

B. The parties agree this Section satisfies the Employer’s obligations and provides for the deduction authorized under RCW 41.04.230(1) and (6).

II. Impacts:

A. Employees transitioned due to the IT Professional Structure may submit new bid and/or transfer requests in accordance with Articles 3 and 4 of the GG CBA and 4 and 43 of the HE/CCC CBA. The timeframe for submission of new bid requests will expire August 1, 2019.
B. For the purposes of breaking ties in seniority for those employees impacted by the implementation of the new IT Professional Structure, Article 33.2A of the GG CBA and Article 39.2A of the HE/CCC CBA will not apply.

C. The following conditions of employment will not change because a position is being transitioned into the new IT Professional Structure:

i. The determination of a position as overtime-eligible or overtime-exempt;

ii. Required licensure and/or certifications;

iii. The designation of a position as “required personnel” or “emergency employee”;

iv. The grievance procedure, as outlined in Article 29 of the GG CBA and Article 30 of the HE/CCC CBA;

v. The designation of a position as needing inherent flexibility as currently listed in Appendix B of the GG CBA;

vi. The eligibility for and/or receipt of existing assignment pays;

vii. Status as a non-permanent, on-call, in-training, project, seasonal/cyclic, trial service, transition review or probationary employee;

viii. Non-permanent, on-call, in-training, project, seasonal/cyclic, trial service, transition review or probationary period.

D. Consistent with Article 38, Mandatory Subjects of the GG CBA and Article 37 of the HE/CCC CBA, the Employer will provide notice of any proposed change resulting in bargaining unit work leaving the bargaining unit.

III. Work History

A. The parties will convene a workgroup comprised of agency and union representatives no later than January 14, 2019. The workgroup will develop an IT Assessment Form and the procedures that will be used for completion of the form. The purpose of the form is to allow an employee in an IT classification the ability to objectively capture their work history, skills and abilities for the IT positions worked prior to June 30, 2019. In the event of a layoff, reversion, or other relevant employment action, the IT Assessment Form can be submitted along with any other relevant information to determine impacted employee option/s or comparability within the IT Professional Structure.
B. GG Article 34, Layoff and Recall, and HE/CCC Article 35, Layoff and Recall, of the parties’ 2017-2019 CBA’s are modified as shown in Attachments 3 and 4 to this MOU.

IV. Compensation

A. The parties agree that the chart in Attachment 1 to this MOU reflects the IT Professional Structure, its job families and levels, and the assigned salary ranges effective July 1, 2019 prior to the application of any negotiated increases. The chart in Attachment 2 to this MOU reflects the steps within those ranges effective July 1, 2019 prior to the application of any negotiated increases.

B. In recognition of the unique scale of the IT Professional Structure, the parties agree to vary from the CBA for salary assignment. Employees reallocated into the IT Professional Structure on July 1, 2019 will have their initial salary determined as follows:

   i. In those cases where the employee’s current salary exceeds the maximum amount of the salary range for the new position, the employee will continue to be compensated at the salary he or she was receiving prior to the reallocation downward, until such time as the employee vacates the position or their salary falls within the new salary range.

   ii. All other employees will have their salary in effect as of June 30, 2019 increased by 2.5% (two and one-half percent). Effective July 1, 2019 these employees will transition to the assigned range and step on the IT salary schedule for their family and level that is nearest to, but no less than, their adjusted salary, except that no employee will be placed higher than Step M on the new salary schedule.

   iii. The new IT Professional Structure salary schedule will then be adjusted to reflect any negotiated general wage increase effective July 1, 2019.

C. Employees in the IT Professional Structure will receive periodic increases in accordance with Article 42.8 of the GG CBA and 43.4 of the HE/CCC CBA.

D. Question #16 of the Step M Q&A applies to positions transitioned due to the implementation of the IT Professional Structure.

   16. If a classification is moved to a new pay range as a result of collective bargaining will time spent at Step L of the previous range count towards the six-year requirement to move to step M of the new range?
Yes. If a classification is moved to a new pay range as a result of collective bargaining, time spent at step L of the previous range will count towards the six-year requirement to move to step M of the new range.

E. Positions at the Entry, Journey, and Senior/Specialist level in the IT Professional Structure that are designated as a supervisor will receive a five percent (5%) supervisory pay differential in addition to the base salary.

F. This agreement does not preclude either party from negotiating additional increases during the negotiation of the 2019-2021 GG and HE/CCC master agreements and is not precedent setting. Subject to legislative approval, this agreement will take effect July 1, 2019.
