**RULE 3 – UNION SECURITY**

3.02 The Union agrees to indemnify, defend and hold the Employer harmless from any claims, demands, suits or other forms of liability that shall arise against the Employer for or on account of any check-off of dues or fees for the Union.

3.03 An employee may cancel their payroll deduction of dues/fees by written notice to the Union, consistent with the terms and conditions of each worker’s signed membership card and signed dues authorization. After the Employer receives the confirmation from the exclusive bargaining representative that the employee has revoked authorization for deductions, the Employer shall end the deduction no later than the second payroll after the receipt of the confirmation.

**RULE 4 – MANAGEMENT RIGHTS**

4.01 Subject to the specific terms and conditions of this Agreement, the Employer retains the right and duty to manage its business, including but not limited to the following: the right to adopt regulations regarding the appearance, dress, conduct of its employees, and to direct the work force consistent with work procedures as are necessary to maintain safety, efficiency, quality of service, and the confidence of the traveling public. The Union reserves the right to intercede on behalf of any employee who feels aggrieved because of the exercise of this right and to process a grievance in accordance with Rule 14, Grievance Procedure. The existence of this clause shall not preclude the resolution of any such grievance on its merits.
**RULE 5 – NON-DISCRIMINATION**

**5.01** The parties will not discriminate against any employee for activity, or lack thereof, on behalf of or membership in the Union. Neither the Employer nor the Union will discriminate against any employee or applicant for employment because of race, creed, sex, age, color, veteran status or national origin, in a manner which is in violation of applicable state or federal laws. This non-discriminatory policy shall be applicable to upgrading, demotions or transfer, layoff or termination, rates of pay or forms of compensation, recruitment or advertising, and selection for training, including apprenticeship.

**5.02** Where the masculine or feminine gender has been used in any job classification or in any provision in this Agreement it is used solely for the purposes of illustration and shall not in any way be used to designate the sex or the employee eligible for the position or the benefits of any other provisions.

**5.03** The Employer and the Union agree that harassment of any nature is strictly prohibited. Processing of sexual harassment complaints shall be in accordance with applicable Department of Transportation (DOT) policies and procedures.

**5.04** If an IBU bargaining unit employee asks for an accommodation or Washington State Ferries (WSF) determines an employee is not capable of performing the essential functions of the employee’s job, with or without reasonable accommodation, WSF shall evaluate open positions in the ferry system to determine if such a position could be performed by the employee.

**5.05** The employee will be allowed to transfer to an open position the employee can perform. WSF and the IBU shall meet to discuss any contractual barriers (i.e. seniority), to the employee’s transfer.

Any letter or Memorandum of Understanding (MOU) applicable to the parties shall be listed in the Appendix of this Agreement (Appendix “F”) as a letter or MOU that is in effect for the term of this Agreement or a term specifically less than the term of the Agreement. A letter or MOU not listed shall be null and void. Letters or MOUs added to the Agreement during its term shall specifically state the duration of the letter or memorandum of
understanding not to exceed the term of the Agreement. Also, it is expressly understood and agreed upon that no term or provision of this Agreement may be amended, modified, changed, or altered except by a written agreement executed by the parties. This clause does not constitute a waiver by either party of its duty to bargain pursuant to RCW 47.64.

**RULE 7 – CREW REQUIREMENTS**

**7.01** At a minimum, all vessels will be manned at the established certificate of Inspection (COI) as defined by the US Coast Guard (USCG). Notes:

1. When making repositioning movements from one (1) terminal to another, or transiting to refueling sites, or conducting sea trials, provided no passengers are on board, the deck crew may be reduced to:

   - 3 AB and 2 OS (Jumbo Mark II, Jumbo Mark I, Super); or

   - 2 AB and 1 OS (Issaquah, Evergreen State, Kwa-de Tabil, Olympic).

2. When making repositioning movements from one (1) berth to another at the same terminal, provided no passengers are on board, the deck manning may be reduced to 2 AB.

7.02 The Employer and the Union agree that every effort will be made to man the vessels of the Employer, while in service, with the standard complement of crew
personnel in accordance with the COI. Additionally, the Union recognizes that the Employer may, at its discretion, staff above the certificate of inspection minimum.

7.03 Except in cases of emergency and for movements within the vicinity of Eagle Harbor, when any vessel is not manned in accordance with the certificate of inspection by unlicensed personnel in the Deck Department, the wages of the position(s) shall be divided equally among the employees performing the work of the unfilled position(s). If a crew shortage occurs on a holiday, the holiday rate of pay shall apply.

7.04 The vessel shall notify dispatch of any shortage on the watch. Dispatch will fill the position(s) as soon as possible. The position(s) in the meantime will be offered to the most senior available qualified person(s) on board in the necessary classification(s). In the event the least senior employee is necessary to man the boat, they shall remain.

A. When, at the Employer’s discretion, the Employer elects to man a vessel at a higher level than required by the graduated COI passenger level, because the vessel normally operates with less than a level of three hundred (300) (three hundred [300] and/or four hundred and fifty [450] in SJI) passengers, and a vacancy occurs reducing the manning to the graduated manning level allowed by the Coast Guard, for example if WSF crews a vessel at four (4) AB’s & two (2) OS’s and that vessel regularly sails with less than three hundred (300) passengers WSF will not have to pay short crew if one (1) OS is absent.

Rule 7.04 Short Crew will not apply:

1. Should a vacancy occur, WSF may fill the position if resources allow and all other vacancies in the system that are required to be filled are filled.

2. For emergent situations, any qualified Ordinary Seaman on watch will be upgraded until such time as a replacement can be found. This upgrade only applies to situations as described above.

7.05 In the event vessels or facilities are added or if present units are re-engined the parties shall immediately meet to negotiate the appropriate wages, hours, terms and conditions of employment for any employee(s) assigned to the vessel or facility. In the event the parties fail to agree within three (3) working days, or any mutually agreed upon extension either party may invoke the provision of RCW 47.64 for final resolution of the matter.

7.06 Each season, one (1) member of each crew on all auto carrying vessels shall be designated by seniority as a working Able Seaman Bos’n and one (1) member of each crew on all auto carrying vessels shall be designated as the Quarter Master by seniority. A senior employee who rejects a Bos’n or Quarter Master position may not serve in the position for the rest of the season except in the absence of the
regular Bos’n or Quarter Master. In the absence of a regular Bos’n or Quarter Master of thirty (30) days or less the position will be filled by the most senior employee on a daily basis. A designated Bos’n or Quarter Master may not switch positions in case of an absence. If no crew members accept the positions the Master shall assign the Bos’n and Quarter Master position at their discretion. Should said employee accept employment out of the bargaining unit of more than one thousand eighty (1,080) compensated hours in a calendar year, the employee, upon returning to the bargaining unit, shall not be designated Able Seaman Bos’n during that calendar year, except on vessels with only two (2) AB’s. If the Bos’n or Quarter Master position becomes vacant due to a documented extended leave of thirty-one (31) days or more the Bos’n or Quarter Master position will be filled by one (1) of the crew members who were assigned an extended temporary or permanent AB position on that watch at the beginning of the season, for the remainder of the season. Any resulting AB vacancy shall be filled by an extended temporary bid. After the start of the season a crew member who comes onto a watch through an extended temporary bid, or who is bumped back to their permanent position is not eligible to claim the Bos’n or QM position, unless no other crew member wants the position.

7.07 The wage rates contained in this Agreement for Able Seaman apply to employees occupying Able Seaman positions aboard and holding U.S. Merchant Mariners documents endorsed as Able Seaman (eighteen [18] months minimum), and to employees occupying Ordinary Seaman positions with ten (10) years or more of service with WSF, and who cannot obtain AB endorsements due to physical reasons. Employees in the latter group shall provide the Employer with official evidence from the United States Coast Guard (USCG) of their inability, due to physical reasons, to secure the AB endorsements.

7.08 An Able Seaman with ten (10) or more years of service may change jobs without loss of pay if the employee becomes handicapped to the extent that the employee might otherwise lose the job, or if the employee is assigned to such other job by the Employer.

RULE 8 – HEALTH AND SAFETY

8.01 The health and safety of employees shall be reasonably protected. The Employer agrees that on all vessels where touring watches are in effect requiring the crew to sleep aboard between shifts the Employer shall furnish sheets, pillow slips, mattresses and blankets to insure sanitary and healthful conditions. The Employer agrees to establish linen lockers aboard each vessel. Linen lockers will be stocked and maintained with adequate mattresses, pillows, pillow slips, sheets and blankets as necessary to insure sanitary and healthful conditions. The Terminal Supervisor will be responsible for the assignment of linens and blankets to each vessel and crew. Soiled linens and blankets shall be returned by the employees who use them, in exchange for clean linens and blankets.
**8.02** The Employer shall furnish sleeping quarters when Deck Department employees are required to stay aboard vessels where touring watches are in effect, or when employees, including terminal relief employees, find it necessary to sleep aboard the vessel prior to returning to work. Other Terminal employees may be provided sleeping quarters on board the vessel, on a space available basis, and Rule 8.03 does not apply.

**8.03** When the Employer is unable to provide sufficient number(s) or adequate sleeping quarters, which are reasonably quiet, equipped to provide hot and cold running water, adequate heating, ventilation and lighting aboard the vessel, the Employer, subject to prior notification and approval by the duty officer or their designee, shall provide sleeping quarter(s) shore or reimburse the effected employee(s) actual expenses upon receipt.

authorizing free passage for such employee, spouse, and dependent members of their family, together with their motor vehicle, on all vessels of the Employer.

11.05 No passes of any kind shall be used for the purpose of commuting to or from employment other than employment with the WSF. Vehicle passes shall be used only on a space available basis. Nothing contained in this Section shall be construed as applying to any employee engaged in traveling to or from work with the Employer.

11.06 Vehicle ferry passes are intended to be used for vehicles that the employee and/or spouse have registered, leased or rented. The vehicle registration or lease/rental agreement shall be required to be shown when using passes if requested.

Vehicle passes will not be used to evade a ferry fare. A vehicle not registered, leased or rented by an employee and/or spouse shall be subject to verification by terminal staff. Any pass holder, who is uncooperative in the verification process, shall be subject to WSF Code of Conduct.

11.07 Any employee, employee’s spouse or the employee’s dependent(s) who knowingly violates WSF Pass Use Policies will be subject to a three (3) month suspension of all non-work pass privileges for a first offense, a one (1) year suspension of all non-work pass privileges for a second offense and permanent revocation of all pass privileges for a third offense. The Employer shall publish and provide to the employees and the Union a copy of the rules, regulations and policies concerning pass usage.

RULE 12 – VISITATION

12.02 It is not the intent of this Rule to circumvent the provisions of Rule 11.

RULE 13 – STRIKES, WORK STOPPAGES AND LOCKOUTS

13.01 Pursuant to RCW 47.64, there shall be no strike, lockouts or work stoppages at any time. Rather, any dispute arising between the parties will be resolved according to the provisions contained within the Labor Agreement and/or RCW 47.64.
**RULE 14 – GRIEVANCE PROCEDURE**

**14.01** The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Rule provides a formal process for problem resolution.

**14.02 Terms and Requirements**

A. **Grievance Definition**

A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Rule includes the term “grievants.”

B. **Filing a Grievance**

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or a description of the group of employees.

C. **Computation of Time**

The parties acknowledge that time limits are important to judicious processing and resolution of grievances. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing.

D. **Failure to Meet Timelines**

Failure by the Union to comply with the initial thirty (30) day deadline contained in Rule 14.03 A, below, will result in automatic withdrawal of the grievance. Failure by the Union to comply with other timelines contained in this Grievance Procedure may be submitted to the arbitrator for their determination. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. **Contents**

The written grievance should include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date the incident occurred;
3. The specific rule and/or section of the Agreement violated;
4. The specific remedy requested;
5. The name of the grievant or description of the group; and
6. The name and signature of the Union representative.

F. Modifications
No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal
A grievance may be withdrawn at any time.

I. Resubmission
If terminated, resolved or withdrawn, the same grievance cannot be resubmitted.

J. Consolidation
The Employer or the Union may consolidate grievances arising out of the same set of facts.

K. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

L. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

M. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the parties agree to use alternative methods, the time frames in this Rule are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

14.03 Filing and Processing
A. Filing
A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance or the date the grievant knew or should reasonably
have known of the occurrence. This thirty (30) day period may be used to attempt to informally resolve the dispute.

B. Processing

Step 1 – Director of Operations:
If the issue is not resolved informally, the Union may present a written grievance to the Director of Operations or designee with a copy to the WSDOT ferries division Labor Relations Office at laborrelations@wsdot.wa.gov within the thirty (30) day period described above. The Director of Operations or designee will meet or confer by telephone with the Union representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within twenty (20) days after the meeting.

Step 2 – Pre-Arbitration Review Meetings (PARM):
If the grievance is not resolved at Step 1, the Union may request a PARM by filing the written grievance including a copy of all previous responses and supporting documentation with the OFM State Human Resources Labor Relations Section (LRS) representative at labor.relations@ofm.wa.gov with a copy to the agency’s Human Resource Office within fifteen (15) days of the Step 1 decision. Within fifteen (15) days of the receipt of this information, the LRS representative or designee will discuss with the Union:

1. If a PARM will be scheduled with the LRS representative or designee, an Agency representative, and the Union’s staff representative to review and attempt to settle the dispute.

2. If the parties are unable to reach agreement to conduct a meeting, the LRS representative or designee will notify the Union in writing that no PARM will be scheduled.

Within fifteen (15) days of receipt of the request, a PARM will be scheduled. The meeting will be conducted at a mutually agreeable time. The LRS will notify the Union, in writing, of the results within ten (10) days of the conclusion of the PARM.

Step 3 – Arbitration:
If the grievance is not resolved at Step 2, or the LRS representative or designee notifies the Union in writing that no PARM will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the Federal Mediation and Conciliation Service (FMCS), or with the Public Employment Relations Commission (PERC) within fifteen (15) days of the Union’s receipt of the written notification of results of the pre-arbitration review meeting or receipt of the notice no PARM will be scheduled. Once the dispute has been referred to arbitration with either the FMCS or the PERC, the parties will mutually request that a
settlement conference be conducted by the PERC. If the PERC is unable or unwilling to conduct a settlement conference then the parties will mutually request that a mediator be appointed by the Regional Director of the FMCS.

C. Selecting an Arbitrator

If a grievance has been processed through Step 2 of the grievance procedure and the parties have not resolved such grievance the Union may select either the FMCS or the PERC to settle the dispute. If FMCS is selected, the parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the FMCS.

This will apply to the first five (5) grievances filed after July 1, 2019. The next five (5) grievances not resolved at Step 2, in which the Union seeks arbitration to settle the dispute, the Employer will select either the FMCS or PERC. This approach will continue with the Union selecting between FMCS or the PERC on the next five (5) consecutive grievances, followed by the Employer selecting on the next five (5) grievances, unresolved at Step 2 and the Union desires to proceed to arbitration. Grievances settled between the parties, prior to an arbitration award, will not count as one of the five (5) selections by either party.

The method described above will continue until July 1, 2018 at which time the alternating process will begin again with the Union selection of the first five (5) grievances followed by the Employer and continue until June 30, 2019.

D. Authority of the Arbitrator

1. The arbitrator will:

   a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;

   b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it; and

   c. Not have the authority to order the Employer to modify their staffing levels, unless the arbitrator finds that the Employer has violated the staffing levels required by this Agreement.

2. The arbitrator will hear evidence and arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process, at the discretion of the arbitrator. If the issue of arbitrability is argued prior to the first day of arbitration, it may be
argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant(s).

E. **Arbitration Costs**

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.

2. If the arbitration hearing is postponed or canceled at the request of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.

4. Each party is responsible for the costs of its representatives, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and the Union representative.

**14.04 Successor Clause**

Grievances filed during the term of the 2017-2019 Agreement will be processed to completion in accordance with the provisions of the 2017-2019 Agreement.

**14.05 Union Stewards**

The Union will designate Union Stewards by classification within each department (who shall be recognized by the Employer) and will forward the list to the Employer. The Union Steward is recognized as an authorized representative of the Union for settling grievances and disputes. Representatives of Management with authority to settle such matters will meet with the Union Steward and work for the resolution of such matters. A Union Steward who has participated in Step 1 of this procedure will be allowed to attend grievance meetings, without loss of wages or benefits, scheduled by the Employer.

Union Stewards will be allowed to investigate grievances during their normal work day provided no necessary and required work is interrupted by the Steward’s absence and the Steward’s supervisor has given the Steward prior approval to engage in such activity.
15.01 The Committee shall consist of no more than ten (10) members. Five (5) will be Union members of which three (3) shall be eligible to vote, and two (2) of these members will be Union Officials, and five (5) members will represent the Employer of which three (3) shall be eligible to vote. Additionally, there may be one (1) alternate designated by and on behalf of each Party. Alternate members may attend all meetings but may not act as Committee member except when replacing a standing member.

By mutual agreement, the Committee may invite other individuals (e.g. subject matter experts) to attend and participate in Committee meetings. Each Party may authorize not more than two (2) observers for any Committee meeting, provided that such observers are subject to compliance with all terms of this Rule. The Committee may also agree to exclude observers at any time. Meetings will be co-chaired alternately by a WSF designee and a Union Representative who shall be designated by the Regional Director of the Inlandboatmen’s Union of the Pacific. A recording secretary may be provided for purposes of preparing minutes of Committee meetings, but no verbatim recordings of the Committee meetings may be made.

15.02 Unless otherwise mutually agreed, each party may submit no more than two (2) issues to be placed on the agenda for each meeting. Unless waived by mutual agreement, agenda items are to be submitted to the Chair at least three (3) working days before the next scheduled meeting. The Chair will compile a complete agenda to be prepared and available to all members at least one (1) work day prior to each meeting. The agenda will include a brief description of each item to be discussed. Topics not on the agenda will not normally be discussed, but may be placed on the following meeting’s agenda. Emergency items may be added to the agenda by mutual consent. Discussion of agenda items will be alternated. Topics of each meeting will be recorded as they are discussed. Committee recommendations on any subject may be adopted by affirmative vote, upon the motion of any Committee member. Motions to adopt recommendations must include the verbatim text of the recommendation under consideration.

15.03 WSF will be responsible for paying wages of participating IBU members on the JLRC. Employees will be paid eight (8) hours at the straight-time rate of pay. The Committee shall meet at reasonable times and places as mutually agreed, but shall make every effort to meet not less than once every three (3) months. Meetings will be limited to no more than four (4) hours in duration, unless otherwise agreed. Meetings will be held in state facilities or in other mutually agreed upon facilities which may be available at no cost to the parties. Every attempt will be made to adhere to the meeting schedule, realizing that some flexibility is necessary.

The Committee shall have no power to contravene any provision of the parties’ Labor Agreement, to enter into any agreements binding the parties, or to resolve
issues or disputes surrounding the implementation or interpretation of the parties’ Labor Agreement. Matters requiring contract modification shall not be implemented until a written agreement has been executed. The Committee shall forward written recommendations on modifications to the Labor Agreement to the IBU, PSR Regional Director and the WSF Director. Recommendations made by the Committee will be considered during contract negotiations. However, should the Committee reach mutual agreement on recommendations affecting contract provisions prior to July 1, 1997 the parties recognize that a letter of agreement must be negotiated and ratified. The Committee will convene its review at the earliest mutually agreed upon date following the adoption of this Rule.

15.04 It is recognized that none of the recommendations resulting from committee meetings, regardless of subject are binding. No specific grievances shall be discussed and no bargaining shall take place. However, topics that could lead to grievances, or which have been the subject of past grievances, may be discussed. The Chair shall recognize a motion from either party to table a topic for further study. Each topic on an agenda will be fully discussed and action reached before proceeding to another topic. Topics requiring further study may be tabled. Where mutually satisfactory decisions on recommendations are not reached, the topic shall be canceled, thereby reverting to its proper place in the parties’ other labor-management relations (e.g., grievance procedures, negotiations, etc.).

RULE 16 – EMERGENCY SERVICE

16.01 Maritime Emergency Service such as collisions, breakdown, stranding, rendering aid to another vessel, shall not be considered overtime. The additional hours shall be paid for only at the straight-time rate of pay. This provision shall relate only to the crew on watch at the time of the emergency.

16.02 For the purpose of this Agreement the term breakdown shall include the total time required to remedy the problem(s) on a daily basis which caused the breakdown up to the time when the affected crew members, individually or collectively, can be relieved at their assigned Terminal.

17.03 Penny Rounding Differences
Labor and management recognize that the statewide payroll system (HRMS) rounds payroll calculations to five decimal places. Therefore, manual calculations using rates in the Collective Bargaining Agreement may result in penny rounding differences. The parties accept these differences do not require further payroll adjustments that would cause the employee to pay back penny rounding differences or for management to add penny rounding differences to an employee’s pay.

17.04 The use of the following power tools entitles the user to two dollars ($2.00) per straight-time hour increments: spray painting equipment, jitterbugs, deck grinders and the Goff deck blasting and pneumatic, gas or electric power tools. The increment for overtime hours will be four dollars ($4.00) per hour. Payment under this provision shall not be made for hours in which another task rate such as one for handling toxic by-products is being paid.

18.03 Vacation and Compensatory Time Pre-Scheduling Process – Deck Employees Only. Shore Gang employee vacation requests shall comply with Appendix A, Rule 3.16.
A. Vacation pre-scheduling will commence no later than October 1st for the succeeding year, at which time each employee will be sent vacation request forms. Employees with five (5) or more years of service shall use the forty (40) hour block vacation request form to select a “minimum” of one hundred twenty (120) hours, in “segments” of forty (40) hours or two (2) “segments” of forty (40) hours and a maximum of five (5) single days, of available vacation leave during the time period of the first work period of January through the last work period of December, based on a three hundred sixty-five (365) day calendar from which employees pick consecutive forty (40) hour segments which may or may not coincide with
their days off. To qualify for single vacation day selections employees with:

1. One (1) to four (4) years of services must have been awarded a minimum of forty (40) hours of vacation during the selection process.

In the event an employee’s days off fall within the guaranteed vacation segment, then the employee’s vacation days off will move forward to ensure that the employee has fully used the required segment of vacation leave. At least two (2) weeks prior to the selected vacation block(s), all deck employees assigned to a watch may choose to schedule their forty (40) hour vacation segments to coincide with the assigned watch’s scheduled days off or scheduled Relief/On-call free days, or from Sunday to Saturday of the week selected. (On the vacation bid form employees will have a check box to indicate their preference.) All vacation requests must be in to the Employer by October 15th.

Employees with five (5) or more years of service who do not submit a vacation request form will be assigned one hundred twenty (120) hours of vacation in three (3) forty (40) hour blocks. Employees with less than five (5) years of service who do not submit a vacation request form will be assigned forty (40) hours in one (1) forty (40) hour block.

Awarded vacation slots may be exchanged by an employee for any open forty (40) hour block on the vacation calendar at least two (2) weeks prior to the start of the work period in which the time off is being requested and at least two (2) weeks’ prior to the start of the work period in which the time off is being returned.

**Vacation Scheduling Committee (VSC)**

B. Vacations shall be taken in accordance with the schedule prepared by the VSC, which shall meet annually to prepare a schedule for the next calendar year.

C. Vacations will be scheduled by date of hire seniority fleet-wide.

D. Vacation scheduling will begin by October 1st and will be completed by October 30th of each year. Following completion, results will be sent to the employee’s home and a copy to all terminals.

E. Compensation for the Vacation Scheduling Committee

The VSC shall consist of not less than three (3) representatives of the Union. In the event that more time is required to complete the scheduling process, WSF may approve additional hours for committee members. Each member of the Committee shall be paid, by the Employer, up to five (5) full days’ pay at the Employer’s straight-time rate when performing Committee duties. Travel time shall be paid on an hour-by-hour basis,
only if the travel occurs outside the eight (8) hour work shift. Mileage will be calculated based on MapQuest.

By October 30th, the VSC will post the employee’s initial vacation request results.

Employee challenges to the posted vacation schedule must be submitted to Bid Administrator within five (5) calendar days of the posting of the vacation schedules.

After this date all unused summer schedule forty (40) hour vacation segments will be closed. Unused non summer schedule forty (40) hour vacation segments will be open on a first-come, first-served basis, in a minimum of three (3) day increments. Requests for these slots will be in writing to the Bid Administrator at least two (2) weeks prior to the start of the work period in which the time off is being requested. This time frame will allow the requests to be entered into the dispatch system and included in the Version one (1) and two (2) of the open job assignments as described in Appendix A, Rule 5 of the current contract.

F. Single vacation day and Compensatory time off scheduling will occur as follows: Employees who qualify, using the single day vacation form provided, may indicate their selection(s) starting November 1st and return the form to the Employer no later than November 12th. In the event employee selections exceed the slots available for any particular day, seniority will prevail. Notification to employees of their selection(s) requests will be posted by November 30th.

G. During the calendar year the Employer will maintain the three hundred sixty-five (365) day calendar, as identified in Subsection18.03 A, above, which will indicate any remaining slots available for single vacation day and/or compensatory time usage. Employees who qualify may request specific available days off with seven (7) days advance notice to the Employer. In the event an employee request for a single day of vacation or compensatory day off, where no slots are available, the Employer may, at its sole discretion, grant the request. If denied, the employee may request a review of this decision by the Union. The decision to deny the vacation or compensatory day off request and/or the review of the denial will not be subject to the grievance procedure.

H. The Employer will provide fifty (50) segments of forty (40) hours per week starting with the first work period of the vacation calendar selection year in support of Subsection 18.03 B, above.

I. The Employer will provide ten (10) slots per day starting with the first work period of the single day and/or compensatory day three-hundred and sixty-five (365) day calendar in support of Subsection 18.03 F, above.
From October 1st through May 31st there shall be an additional two (2) slots per day for a total of twelve (12) slots per day. For the following days fifteen (15) slots will be available:

1. Mother’s Day
2. Memorial Day
3. July 4th
4. Labor Day
5. Thanksgiving and the following day
6. Christmas Eve and Christmas Day

J. Employee challenges to the posted single day vacation schedule shall be submitted in writing to the Bid Administrator no later than five (5) calendar days of such posting.

K. Terminal Department vacation and compensatory time off will be scheduled as according to Appendix B, Rule 3.01.

18.04 Vacation leave may be accumulated to a total of three hundred twenty (320) hours. If not taken by the employee’s anniversary date following the accrual of three hundred twenty (320) hours, the amount in excess of three hundred twenty (320) hours shall lapse.

18.05 Each employee’s anniversary date shall be twelve (12) months after entering service of the Employer.

18.06 Vacation leave is not available to the employee unless the employee has served six (6) continuous months of employment and not available until the employee has worked one thousand forty (1,040) hours.

18.07 A re-employed or reinstated employee must again serve six (6) months of continuous employment before the employee is entitled to use vacation leave.

18.08 Leave credits accumulated are canceled automatically on separation after periods of service of less than six (6) months.

18.09 All accumulated annual vacation leave is allowed when an employee leaves the Employer’s employment for any reason.

18.10 A. Vacation pay shall be computed on the basis of the straight-time rate in effect at the time the vacation is taken. An employee may request an annual statement showing the employee’s unused vacation leave.

B. Any employee must work a minimum of two (2) consecutive days as Bos’n or Quarter Master immediately preceding a vacation in order to qualify for the Bos’n or Quarter Master rate of pay for the vacation. If an
employee works Bos’n or Quarter Master for less than two (2) consecutive
days immediately preceding a vacation the AB rate of pay will apply.

18.11 Vacation credits as set out in Subsection 18.01 shall be prorated and credited on a
monthly basis.

18.12 Vacation accruals for part-time and on-call employees will be computed on a
percentage of two thousand eighty (2,080) straight-time or guaranteed time hours
compensated during the year. Each part-time and on-call employee may request to
have an audit of their vacation accruals within ninety (90) days of their
anniversary date. The audit will adjust vacation credits up or down based on the
percentage of two thousand eighty (2,080) hours for each employee. Any
adjustments will be made to the employees leave bank within thirty (30) days.

18.13 Once a vacation has been granted to an employee, it will be allowed regardless of
the vessel or terminal to which the employee is assigned and may not be changed
except with the employee’s days off or as provided for in Subsection 18.15,
below, unless the change is mutually agreed upon between the employee and their
management.

18.14 Employees on approved leave of absence during the vacation pre-scheduling
process will not be required to submit a vacation request for the following year.
However, upon their return from the approved leave the employee may request
vacation segments of forty (40) hours as identified and approved by the
Employer. Single vacation days or compensatory days usage are subject to
Subsection 18.03 F and G for Deck, Appendix B, Rule 3 for Terminal.

18.15 All awarded forty (40) hour block vacations shall be taken even if the employee
does not have adequate leave time. For medical reasons vacations may be
canceled on a case-by-case basis when mutually agreed upon by the Employer
and the Union. A maximum of fifteen (15) awarded single day vacation days per
year may be canceled by an employees’ request no later than close of business
Monday of week (2), prior to versions. Employees shall not be able to cancel the
first five (5) single vacation days awarded via Rule 18.03 F, if those days are
selected consistent with Rule 18.03 above. If an employee cancels vacation per
this Rule the unused vacation segment(s) shall be offered to the next person who
bid the vacation and did not receive it during the regular bid process.

If an employee uses leave without pay for a scheduled vacation, the following
year they shall not be eligible to use single day vacation days. Any request for
exception shall be reviewed by the Union and the Employer on a case-by-case
basis. The Employer shall grant any exception determined to be legitimate.

18.16 The Employer may grant an exception to Subsections 18.14 or 18.15 above.

18.17 Any scheduled vacations vacated due to leaves of absence, or retirements of
employees shall be offered to the next person who bid the vacation and did not
receive it during the regular bid process.
18.18 Use of sick leave in lieu of vacation, in the event an employee becomes ill, or incapacitated for a period of three (3) consecutive days or more while on vacation, the employee may use sick leave in lieu of vacation days for the period of such illness, injury or incapacity, commencing with the first day of such illness, injury or incapacity with a verifying doctor’s note.

18.19 One (1) Time Vacation Leave Deferral – An employee may, for any reason, make a one (1) time only vacation deferral while working under any Collective Bargaining Agreement between the Employer and the Union.

**RULE 19 – SENIORITY AND ASSIGNMENTS**

19.01 The Employer recognizes the principle of seniority in the administration of promotions, transfers, layoffs and recalls. The Employer shall dispatch Relief and on-call bargaining unit personnel to all open positions throughout the fleet by seniority. In the application of seniority under this Rule, if an employee has the necessary qualifications and ability to perform in accordance with the job requirements, seniority by classification shall prevail.

19.02 In reducing or increasing personnel in the respective departments, seniority shall govern. When layoffs or demotions become necessary, the last employee hired in a classification shall be first laid off, or demoted to a lesser classification for job retention. When employees are called back to service, the last laid off or demoted in a classification shall be the first restored to work in that classification.

19.03 **Elimination of Year Round Assignments**

When a year round assignment is eliminated the affected employee shall have the right to exercise their seniority by classification in selecting a new assignment of their choice. Any displaced employee will also have the right to exercise their seniority by classification in selecting a new assignment of their choice.

When a reduction in force occurs in the Terminal Department the affected employee is identified as the last person without a position in their classification at their assigned terminal. That affected employee can use classification seniority fleet wide to select a new assignment or the employee may use their department seniority to demote to a year round assignment in a lower classification in order to maintain a position at their assigned terminal. In this case they will continue to accrue seniority in the higher classification on condition the employee promote back to the higher classification when any position in that higher classification becomes available at the assigned terminal. If the employee fails to promote back, they will stop accruing seniority in the higher classification. Any employee who elects to go to part–time or on-call will do so under the terms defined in Rule 19.13.

19.04 **Establishing Seniority**

A. An employee’s hire date shall become the employee’s seniority date. For job bidding purposes, ABs shall use the date of their initial AB limited or
above (eighteen [18] months) endorsement of their U.S. Merchant Mariner’s Credential, or their date of hire with the Employer, whichever is later. *(The Union will only recognize MMC’s with a Lifeboatman Certification from a certified survival craft/lifeboatman course and does not recognize a Lifeboatman Certification limited to non-lifeboat equipped vessels per USCG Policy Letter 5.01.)*

B. Terminal Department seniority shall be established on the first day of employment in the Terminal Department to include on-call Terminal employees. Terminal Department classification seniority shall be established on the first day of a year round assignment in that classification.

C. It is agreed that the employee’s date of hire may be adjusted from time-to-time resulting from the employee’s non-availability to work. Provided the Employer substantiates the employees non-availability by certified U.S. Mail, and the employee does not respond or state they are available for assignments within fifteen (15) calendar days.

D. Employees filling year round positions on a temporary basis will not accrue seniority in that temporary assignment, but will continue to accrue seniority in their year round assignment and position.

E. **Department Seniority**

Seniority shall be established by classification(s) within the following departments: For seniority purposes, classification(s) of Terminal Department personnel shall fall into three (3) categories, Deck Department into two (2) categories, and Information Department into two (2) categories.

- **Deck:**
  1. Able Seamen
  2. OS, OS/Exempt

- **Terminal:**
  1. Ticket Seller, Relief
  2. Ticket Taker, Terminal Attendant, Terminal Monitor
  3. On-call

- **Information:**
  1. Web Information Agent
  2. Informational Agent

Any employee assigned to the Shore Gang shall retain their seniority in the classification and department they held prior to their Shore Gang assignment.
19.05 Seniority Roster
On February 1st, of each calendar year, the Employer shall furnish the Union with seniority rosters for each department showing the names of employees assigned to year round jobs, by department, classification, vessel watch or location. The Employer shall also post these rosters in places accessible to employees of that department. These rosters will be subject to correction at any time by either the Employer, employee or Union Representative, who shall substantiate the employees correct seniority date, provided that, if said correction is not brought to the attention of the Employer, in writing within sixty (60) calendar days of the publication of the incorrect date, then the Employer will not be required to make any retroactive wage or staffing adjustments resulting from any correction to an employee’s seniority date.

19.06 On-Call Employee Lists
The Employer shall prepare and maintain supplemental lists in order of dates of hire by department and classification of on-call employees. These lists shall be furnished within ten (10) days when requested by the Union.

19.07 Filling of Vacancies
A. When a year round vacancy occurs, or a temporary assignment or temporary promotion of thirty (30) days or more, within a department, assignment to such vacancy will be made in accordance with the provisions set forth in the appropriate Appendix to this Agreement (Appendix “A” for the Deck Department, Appendix “B” for the Terminal Department and Appendix “C” for the Information Department).

B. When a year round employee accepts a temporary promotion within the bargaining unit the employee may return to the employee’s former assignment at the completion of the temporary assignment.

C. When a year round employee accepts a temporary assignment outside of the bargaining unit and that assignment lasts less than twelve hundred (1,200) consecutive hours, that employee will return to their former year round assignment. In the event the assignment out of that bargaining unit lasts more than twelve hundred (1,200) consecutive hours, the employee may return to the least senior year round assignment in their classification or on-call at their choice. (Relief employees working outside the bargaining unit shall be covered by Appendix A, Rule 5.04.)

D. Year round employees selected for special projects will return to their year round assignment. On-call employees selected will return to the on-call pool at their home terminal.

Employees will still participate in year round bidding requirements.

In the meantime, the position they vacated will be put out to bid as a temporary position.
E. Any employee who accepts a year round position with the Employer outside of the bargaining unit must decide within thirty (30) calendar days of accepting the assignment whether or not they choose to retain their seniority in the bargaining unit covered by this Agreement. Employees who elect to retain their seniority will notify the Union and the Employer by certified letter, within thirty (30) days, whether they wish to retain their IBU bargaining unit seniority. As long as these conditions are complied with the employee will retain their seniority provided that the employee’s seniority will be frozen at the time they leave the bargaining unit and will not begin to accrue until such time that they return to a classification covered by this Agreement.

F. Any employee who has accepted a year round position with the Washington State Department of Transportation-Ferries Division in another bargaining unit shall notify the Union and the Employer by certified letter, within thirty (30) days, whether they wish to retain their IBU bargaining unit seniority.

G. If the employee chooses to retain their seniority, their choice shall be stated in writing to the Washington State Ferry System and Union. The employee’s seniority shall be retained and frozen as of the date they left the bargaining unit, and will not begin to accrue seniority until such time that they return to a classification covered by this Agreement.

H. Any employee who has established seniority and is elected or appointed to any full-time office in a Union or who is transferred to a position in management shall retain seniority status throughout either term or terms in office or for the duration of employment with management, and may thereafter exercise their seniority by classification in selecting a new assignment of their choice. Any displaced employee will also have the right to exercise their seniority by classification in selecting a new assignment of their choice.

19.08 Inter-Department Transfer
An employee who holds a year round assignment may request a transfer from their department to another department provided that the employee meets the minimum qualifications and is qualified to perform the job duties for which they are requesting a transfer to and provided further that no year round employee in that department is laid off. When transferring from one department to another department, the employee’s seniority will be frozen in the vacated department. Mileage and travel pay will not be paid to any employee who accepts an inter-department transfer. Employees transferring into the deck department will have their successful bid held in abeyance until successfully completing orientation. Employees transferring into the terminal department will receive on the job training and will attend and complete the next scheduled terminal orientation.
A. Inter-department transfers by year round employees from other departments, provided that no other part-time/on-call employee within the Terminal Department with and earlier hire date has requested the year round position.

B. Year round Terminal Employees wishing to transfer to year round Deck Department positions may bid year round during the permanent bid process. Bid forms are available from the Deck Bid Administrator. Any year round successful bid of Terminal to Deck employee will be held in abeyance until the transferred employee has successfully passed deck orientation. These year round terminal transfers do not count against the ten (10) transfers indicated in Rule 19.09.

19.09 Current part-time and on-call employees will be given preferential placement when transferring to a position in another department covered under this Agreement as long as they successfully satisfy all physical standards and testing as well as complete all orientation and/or training of the department to which they have applied. A maximum number of ten (10) transfers will be allowed during each hiring season. WSF seniority will be the determining factor for granting allowable transfers.

Should the transferred employee fail to successfully complete the new department’s orientation they shall be placed back into the last available on call position in their original department.

Employees who transfer departments do not have departmental return rights except in the cases of layoff. 19.10 Intra-Department Transfers
Year round employees may request an intra-department temporary transfer to a different run, vessel, shift, watch or terminal. If the transfer is granted, the employee will be allowed to return to their former assignment upon completion of the temporary assignment. If a transfer request is granted it will be granted based upon the most senior employee’s written request on file. Mileage and travel pay will not be paid to any employee who accepts an intra-department transfer. If requested by an applicant, the Employer will provide, in writing, the reason or reasons for not being selected.

In the event an employee requests a demotion, due to personal reasons, the employee shall be entitled to their original seniority date established in the lower classification and shall utilize their full Departmental seniority in selecting an assignment. Employees requesting a reduction in classification shall forfeit seniority accrued in the higher classification. Employees who request a demotion after disciplinary actions (Loudermill) have been scheduled shall take the least senior position in the lower classification.

19.15 Retirees may be offered an assignment when WSF has a need for additional employees during the Summer Season, provided they meet the minimum requirements. They will have no seniority and may work any position in their department for which they are qualified. All existing part-time and on-call employees will be assigned prior to offering an assignment to retirees.

For the 2019-2021 biennium, the Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected medical premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board (PEBB). The projected medical premium is the weighted average across all plans, across all tiers.

Eligible, enrolled subscribers who register for the Smart Health Program and complete the Well-Being Assessment will be eligible to receive a twenty-five dollar ($25.00) gift certificate each calendar year. 3. Hourly employees’ annual base salary shall be the base hourly rate multiplied by two thousand eighty-eight (2,088).

4. Base salary excludes overtime, shift differential and all other premiums or payments.

C. A medical FSA will be established for all employees eligible under this Section who do not otherwise have one. An employee who is eligible for Employer FSA funds may decline this benefit but cannot receive cash in lieu of this benefit.

D. The provisions of the State’s salary reduction plan will apply. In the event that a federal tax that takes into account contributions to a FSA is imposed on PEBB health plans, this provision will automatically terminate. The parties agree to meet and negotiate over the termination of this benefit.

iv. Within ten (10) days of the conclusion of the hearing referred to in paragraph three (iii) above, the Arbitrator shall inform the parties in writing of their decision. The decision shall not alter or amend the terms and conditions of the Collective Bargaining Agreement. The Arbitrator will also include in their decision any analysis or reasoning on which the decision is based. Additionally, if the Arbitrator finds the schedule not reasonably consistent with health or safety standards, the arbitrator will provide the parties guidance as to the changes necessary to bring the schedule into compliance. The decision of the arbitrator shall be final and binding upon the Union, the Employer and the grievant(s).

1.02 The Union and the Employer may agree to establish touring watches on vessels where the running schedules make such watches more practical. 1.05 Filling of Vacancies
A. Bid Periods- Permanent/Summer
1. There will be six (6) bid periods each year. A bid form will be made available to all eligible IBU employees for each bid period. One (1) bid period will be for summer schedule (Summer Schedule Bid Period); these assignments will only be for the summer schedule. (See Paragraph 4 for further information about the Summer Schedule Bid Period). The remaining five (5) bid periods (Permanent Bid Period) will be for permanent assignments and seasons’ these five (5) bid periods will take place between August and March. The remaining four (4) bid periods will only take place if the Employer has knowledge of at least one (1) permanent vacancy five (5) calendar days prior to the scheduled bid period’s opening date.

2. The Permanent Bid Form will be used to fill any known permanent vacancies and all resulting permanent vacancies. A bid form will only be valid for a specific bid period. Interdepartmental transfers will only be considered if the senior qualified deck bidder is not a year round deck employee. In that case the hire date will become the deciding factor in awarding the position. The position will be awarded to either the senior qualified deck bidder (on-call) or the interdepartmental transfer, whichever one of these two (2) employees has the most senior WSF hire date.

4. The Summer Schedule Bid Period will begin with a lateral route bid (Part One [1]) for Anacortes and any other necessary routes. Following the lateral route bids, will be (Part Two [2]) of the Summer Schedule Bid Period, which will include Summer Assignments, vacancies created by an employee moving to a Summer Assignment, and any permanent vacancies created since the last bid period. All assignments awarded with the Summer Schedule Bid Period are only for the summer schedule. Any vacancies remaining after the summer bids have been processed will be filled by the crew on the watch with the vacancy rotating up, based on endorsement and seniority. Any remaining vacancies will be filled by Dispatch.

B. Filling Temporary Vacancies of More Than Thirty (30) Days
A temporary position in the deck department exists whenever an employee in a permanent position has been absent, for any reason, for thirty-one (31) consecutive days. Bid vacation is not an absence. The vacant position will then be bid out in the next extended temporary bid. The position will be re-bid prior to each season unless the employee who held the permanent position has completed all return to work requirements.

Except as provided for in this Rule, employees who accept a temporary intra-department assignment will remain on that assignment until the temporary assignment ends.

1. Temporary assignments, either lateral transfer or upgrade, will be filled by classification seniority using the temporary vacancy bid form.

2. Periodically extra Extended Temporary Bid Forms will be sent to the Dayroom of each vessel. It is up to the employee to keep a form for future bidding.

Extended Temporary positions will be filled with the use of an Extended Temporary Bid Form. The Extended Temporary Bid Form will list all IBU deck positions. The Extended Temporary Bid Form will only be valid for one (1) bid posting. The Extended
Temporary Bid Form will be used to fill the original extended temporary vacancy and the vacancies that result from filling the original vacancy. With this process there is no way to know exactly which positions may open due to the domino effect. It is up to the employee to number, by preference, each and every position that they would like to work as an extended temporary assignment.

In order for a bid form to be considered valid it must be completely filled out, including the bid posting number, and received by the closing day and time. Withdrawal or changes to a bid form must be in writing and received before the closing day and time.

Extended Temporary positions will be announced by notices in crew dayrooms, and via email. Employees wishing to receive email notification through their WSF email address should contact the bid administrator.

Extended temporaries in the Deck Department will open by 9:00 am on the last Friday of the work period, close at 5:00 pm on the first Thursday of the following work period, results will be announced by 5:00 pm on the first Friday of the work period, and assignments will begin the first Sunday of the next work period.

Example: open by 9:00 am, Friday 2/7/03, close at 5:00 pm, Thursday, 2/13/03, results announced by 5:00 pm, Friday, 2/14/03, assignments begin the week of Sunday, 2/23/03.

Any deviation to the transfer day will need to be mutually agreed upon by Dispatch and the employee. The successful bidders are responsible for contacting Dispatch before Sunday to coordinate the transfer to their extended temporary assignment. There will be no phone calling to offer an assignment; the senior bidders will be assigned the extended temporary positions.

Written confirmation will be sent to the successful bidders via email to their WSF email address in the form of job bids awards, and written notification will also be sent to the Dayroom of each vessel. Due to the nature of extended temporary positions the assignment could end at any time.

Employees must be available and physically able to perform a job fourteen (14) days after it has been opened.

All eligible IBU employees will be allowed to bid for all Extended Temporary IBU deck vacancies in which they have the appropriate endorsement. However, no employee will be moved from their permanent position to fill an extended temporary position unless they bid for and is actually assigned an extended temporary
position. All positions will be awarded by seniority within the appropriate classification.

An employee assigned to an Extended Temporary must complete the Extended Temporary assignment. The exceptions are if the employee is awarded a permanent position or the employee is awarded a new lateral or upgraded extended temporary position according to Appendix A, Rule 1.05 B.

3. Extended temporary positions that have not been filled by the bid process above shall be offered to the most senior employees in the On-call Pool. In the event that no one accepts the position(s), the least senior employee(s) will be assigned, without the right of refusal, within thirty-five (35) miles of their home terminal. Assigned employees shall be paid at the permanent rate of pay for the position.

All extended temporary assignments end at the conclusion of a season. Upon completion of temporary assignments, employees will be returned to their permanent assignment. Mileage and travel time will not be paid to any employee who accepts an inter-department transfer. If requested by the employee, the Employer will provide, in writing, the reason(s) for not being selected for a temporary assignment.

C. Filling Temporary Vacancies for Thirty (30) Days or Less.
Temporary vacancies of thirty (30) days or less will be filled in the following manner: after an employee has been dispatched to the watch, the actual vacancy which is the position of the absent employee, will be filled by either the permanent crew member or the employee dispatched to the crew, whichever one has the most seniority in the vacated classification. For instance, if an AB position is vacant, then the AB dates of the OS crew members and the employee dispatched would be compared and the one with the most seniority in the AB classification would fill the position. If the OS fills the AB position, then the OS position will be filled by either the OS crew member or the employee with the most senior OS date, etc. No permanent crew member on the watch will be downgraded from their permanent position with this process. An on-call who selected an AB job per their seniority, on straight time, during the version process or daily dispatch, will be considered part of the permanent crew.

D. Port Townsend Spring Shoulder Schedule
The Port Townsend Spring Shoulder Schedule will be filled by Dispatch with either AB Relief or on-call Deck employees, when the Spring Shoulder Schedule is thirty (30) days or less. If more than thirty (30) days, it will be filled in accordance with Summer Bid Period. The Summer Schedule Bid Period will include the Port Townsend Fall Shoulder.
E. **Employee Availability**

1. Employees must be available and physically able to perform a job thirty (30) days after it closes in order to be considered an eligible bidder. Similarly, an employee on approved leave of absence or sick leave may bid on job postings within thirty (30) days of their documented expected date of return to work.

2. Consistent with this Agreement, any permanently assigned employee who fails a drug/alcohol test will relinquish their permanent assignment. When the employee is certified to return to work, the employee will be placed on the on-call list by seniority until the next bid period.

3. Any permanently assigned employee who is medically unfit for duty will be eligible to return to their permanent assignment subject to fit for duty requirements. In the event that the employee is unfit for duty for more than six (6) months, the Employer retains the right to evaluate the status of the employee and to determine to bid the position as a permanent assignment. In the event the employee is certified to return to duty, the employee will be returned to their previous assignment as soon as practicable.

4. Employee’s unfit for duty for more than three hundred sixty-five (365) days. When an employee is absent for three hundred sixty-six (366) days the Employer will bid the position as a permanent assignment. In the event the employee is certified to return to duty, the employee will be returned to their previous assignment as soon as practicable. An employee returning from an absence of more than three hundred and sixty-five (365) calendar days will be reinstated to their former position which includes their shift, classification, and days off unless otherwise provided for by contract bidding requirements which occurred during the employee’s absence which would indicate and qualify the employee for a different shift.

1.06 Employees required to work in a higher classification will be paid at the pay equal to the higher classification for the period equal to the time in which the employee worked in the higher classification, unless more than four (4) hours is worked in a higher classification, then payment will be for eight (8) hours at the higher rate. Designated relief AB’s responding to an assignment shall receive no less than the AB Relief rate of pay.

Mileage shall be paid in accordance with Appendix A, Rule 5.07.A. When dispatched to Friday Harbor, Reliefs will receive a one hundred dollar ($100.00) stipend pay for each day assigned; connected touring watches will be defined as one (1) day for the
purpose of this Rule. Friday Harbor and/or inter-island home ported employees will not receive any stipend pay.

5.04 A designated relief employee shall forfeit their relief position and return to on-call status if such employee accepts any work assignment of less than forty-five (45) calendar days outside of the bargaining unit, except in the instance of a bona-fide emergency bump up or for attending Mate’s training. An employee who loses relief status in this way cannot bid on a relief position until the second optional bid cycle after they return to the bargaining unit.

5.05 Dispatcher’s Inquiry. Before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “are you available for work today?” If the employee says “no” due to illness or any other reason they must immediately inform the dispatcher. The dispatcher will enter this information in the dispatch log as an employee request for a day off using the appropriate leave.

When dispatch is in assignment mode, before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “I am in assignment mode, are you available for work today?” If the employee says “no” due to illness they must immediately inform the dispatcher that they are ill. The dispatcher will enter this information as a sick day for this employee in the dispatch log.

5.06 All deck employees may bid for open Relief positions. All pertinent bidding rules apply.

5.07 Regular Relief Free Days
A. Prior to the start of the fall and summer seasons, immediately following the Seasonal Bid, Regular Relief employees shall bid on two (2) consecutive Free Days during each work period.

Relief deck employees shall fill out a Free Day Bid Form and return it to the Bid Administrator. Free days will be assigned on a seniority basis.

B. If a Relief vacates their assignment at any time during the season, the Relief that wins the bid for that position shall assume the same free days as the ones held by the Relief that vacated the assignment. The parties agree that a Relief cannot bid to another Relief position in order to change free days.

C. If an additional Relief position is created by mutual agreement between WSF and IBU at any time during the season, then WSF may select the free days for that position based on business needs.

D. When bidding the temporary assignments associated with Subsections A and B above, the free days assigned to that job shall be listed as part of the temporary bid notification by the Bid Administrator.
5.08 **Relief Initial Selection Process**

A. Prior to each work period, available job assignments will be e-mailed to the Reliefs WSF email address and to the Union prior to Dispatch calling Reliefs by seniority. Touring watches shall not be broken up for selection purposes.

1. Version One (1) will be emailed two (2) Saturdays prior to each work period with a supplemental version emailed on Tuesday before the commencement of the selections of assignments for the upcoming work period.

2. Assignment selections will commence no later than Tuesday of the week prior to the work period and will be completed by Saturday.

3. Final selections shall be emailed to all Reliefs and the Union, prior to the start of the work period or when the initial selection process has been completed.

B. **Selection**

Job selections will start with the most senior Relief, working down the Relief list by seniority until all jobs are taken or everyone has been offered the available choices. After each Relief has selected jobs Dispatch will email their selections to the WSF email address of all Reliefs before continuing the dispatch process.

C. Reliefs that have selected seventy-six (76) to eighty-five (85) hours of work have fulfilled their obligation to work in that work period and have now established days off. Reliefs will not be offered additional jobs until all Reliefs have met the seventy-six (76) hour threshold.

For the purpose of achieving seventy-six (76) hours, seven (7) hour days will be calculated as eight (8) hours worked. If management suspects abuse of the seventy-six (76) hour rule, management may review this issue with individual employees.

D. Reliefs who have selected between seventy-six (76) and seventy-nine (79) hours have the right to refuse additional jobs. Overtime incurred in the application of this Rule is not in violation of the overtime list in Rule 10, Overtime.

E. **Unfilled Assignments**

1. If a Relief does not select an available job and jobs are unfilled after initial selection, Reliefs shall be dispatched from the bottom of the seniority list upward to fill any remaining jobs.

2. The least senior Relief will choose a remaining job. If multiple jobs exist the next Relief on the list will choose one (1) of the remaining jobs. This practice will continue moving from the
bottom of the seniority list in an upward direction until all jobs are filled.

3. Reliefs who were assigned a job, may choose to call dispatch daily to request a reassignment. At the request of these Reliefs, Dispatch shall offer reassignment by seniority, for any day the relief is available to work, provided it does not alter previously selected jobs.

If a Relief chooses to switch an assigned day to any other day, the overtime rate of pay will not apply for the selected shift. Dispatch shall offer the open position to the Relief requesting reassignment before offering the open position to On Call Employees. Before offering the open position to Reliefs as Extra Hours and before offering the open position on overtime from the Overtime Availability List. Dispatch will offer reassignment by seniority for the day that was assigned if there is less than twelve (12) hours prior to the start of both assignments. Reassigned days shall not alter any previously selected jobs.

F. Once all Relief employees have been contacted per the above process, Dispatch will contact, in seniority order, all AB and OS on-call employees and offer them all unfilled job assignments, per seniority. This process will continue until all known jobs have been filled or all on-call employees have been offered the available work.

G. Cancellation of Relief Assignments
When a Relief has a job cancelled, the Relief shall be assigned only to jobs that appear in the Deck Schedule as an AM or PM shift or additional work that falls outside of the deck schedule (i.e. sea trials, annuals, boat moves) between the hours of midnight to midnight. Reliefs shall not be assigned to Graveyard shifts, or any shift that interferes with previously scheduled work or the Relief’s Free Days. In no instance can a new assignment conflict with the Twelve (12) Hour Rule.

H. OS Reliefs do not have the right to promote per Rule 19.01 and Appendix A, Rule 1.05.C except as follows:

OS Reliefs who make their job selections through this process will be considered part of the regular crew and will be able to utilize their AB seniority for the purpose of promotion as outlined in Rule 19.01 and Appendix A, Rule 1.05.C, except when an open multi-day AB job assignment starts prior to the arrival of the OS relief to the crew. In that situation, the OS relief will not have the right to promote to the AB assignment.

I. Bumping Not Allowed
Once Reliefs have selected their shifts they cannot bump another Relief out of their selection and cannot relinquish their pre-selected shifts for a
different opening. Relief employees previously assigned to other job assignments will be offered, in seniority order, open positions on annuals, boat moves, and/or sea trials, created in AOSS more than twenty-four (24) hours in advance of the assignment.

5.09 Regular Relief Initial Dispatch Rules
A. During the initial selection processes as detailed in Rule 5.08, above, Reliefs will be called in seniority order between 0800 and 1900 hours, or anytime that a Relief is on duty. If a Relief is at work they will be called on the ship’s telephone or the ship’s radio in order to make contact with the Relief.

B. After each Relief has made a selection, within thirty (30) minutes the dispatcher shall send the next Relief the most current version, along with an update of what each previous Relief selected to the employees WSF email address and call the Relief informing them the updated list has been sent. The Relief will then have thirty (30) minutes to select from open assignments; if the Relief does not return the call within thirty (30) minutes, the dispatcher may move on to the next Relief. However, a Relief working on the Seattle-Bremerton route, the Anacortes-San Juan-Sidney route or who is in transit to or from work will have one (1) hour to return the call. Relief’s that are at work will be afforded reasonable time to fulfill job selections based on route and workload.

C. When the Relief Deck employee, who has not returned the phone call to dispatch in the timeframe listed above, does make contact with dispatch the Relief will be offered all remaining jobs that are still remaining in the initial selection process.

D. Failure to return a phone call in the timelines listed will not jeopardize a Relief’s claim to guaranteed time unless the Relief is the least senior Relief for the day of the job assignment.

5.10 Day-to-Day Relief Dispatch
A. If insufficient work is available or a Relief has selected less than seventy-six (76) to eighty-five (85) hours, day-to-day dispatching of incoming assignments will be offered by seniority to Reliefs available on that day.

B. When called, a Relief may turn down the job offer, as long as there is a less senior Relief available for that job assignment. The least senior Relief must take the job assignment.

C. Reliefs who have selected less than seventy-six (76) hours in a work period may be offered any assignment that totals seventy-six (76) to eighty-five (85) hours worked.
D. When an assignment is offered where the total hours worked would exceed eighty-five (85) hours it may be rejected without penalty. However, Reliefs may elect to accept offered assignments that exceed the eighty-five (85) hour threshold.

E. Any Relief who has not reached seventy-six (76) hours is subject to assignment up to eighty-five (85) hours.

F. Job assignments that are received by WSF Dispatch that are less than three (3) hours from the time of the job, are not subject to the time lines above. Calls made to the Relief will be in seniority order to find the first available Relief who will be available to work at the start of the work shift.

G. When calling Reliefs on their free day(s) off, Dispatch will state, “this is your free day, would you like to know all jobs available?” If the Relief says “yes,” then Dispatch will proceed reading all available jobs. At this point the Relief either chooses a job or takes their free day(s). Once a Relief has chosen to take their free day(s) they will be entered in AOSS as free days and Dispatch will not need to call again for any open jobs.

H. If a Relief is called on their free day(s) and Dispatch is in assignment mode (last available by seniority), they may ask to hear all jobs available without the risk of being assigned if no job is taken.

5.11 Refusals and Violations
A. A refusal will be given on days when an employee is required to be available for work, work is offered and employee does not return a phone call. Bypass pay shall not apply when an employee has a refusal for any days of which an attempt to offer work as defined in Appendix A 5.08 A had been made. This process shall apply to free days however no refusal will be recorded on a Free Day.

1. First Call – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, the Employer shall move on down the list. If the employee does not return the call it shall be refusal number one (1).

2. Second and third Calls – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, for any additional calls, dispatch will place a call to the relief employee for work available during daily dispatch. Should the Relief deck employees not pick up the call placed by the dispatcher, a message will be left for the employee. Dispatch need not observe the fifteen (15) to thirty (30) minute timeframe for the remainder of the current day. After the third call there will be no further obligation to call the employee that day.
B. Four (4) refusals in a work period shall constitute a violation. If an employee accepts any job on a day in which they were previously marked as having a refusal, the refusal shall not be counted. A Relief Deck employee can only accrue one (1) refusal on any given day.

1. First Violation
   An employee that has one (1) violation must choose from all available jobs when called in order to fill their obligation of seventy-six (76) to eighty (80) hours or they shall be assigned for the work period following the violation.

2. Second Violation
   An employee that has a second violation shall be assigned for the rest of the current season. Violations will reset the next season for an employee that has no additional violations in the current season.

3. Third Violation
   The employer shall assign the employee for the remainder of the current season and the next season. Violations will be reset after the employee has not had any violations for one (1) season.

4. Fourth Violation
   The employee shall be placed into on-call status for the remainder of the current season. An employee who loses their relief position cannot return to a relief position until the start of the third season after the fourth violation.

5.12 Expedited Dispute Resolution Process:
The parties expressly agree and understand that, for purposes of disputes concerning the administration of the DDSP, the dispute resolution procedure contained herein is the sole and exclusive negotiated dispute resolution system available to represented employees.

A. In the event of such a dispute, the parties agree upon the following process:

1. Within fifteen (15) days of the alleged violation of the DDSP, the IBU will notify WSF, in writing, of the violation. The notice shall include the name of each affected employee, the date(s) and nature of the violation, the section of the DDSP believed to have been violated, and the relief requested. The notice may be delivered by mail, fax, or in person. Time periods specified herein shall run from the date of actual receipt. All notices shall be to a Port Captain.

2. Within five (5) working days of receipt of the notice referred to above, the Port Captains will schedule a meeting with an IBU representative to discuss the dispute. The meeting will be
scheduled as expeditiously as possible, but in no event more than ten (10) working days from receipt of the notice. In the alternative, WSF may inform the IBU in writing that the relief requested in the notice will be granted in full.

3. If a meeting is held pursuant to Subsection 2 above, it shall be between a Union and a WSF representative with full authority to settle the dispute. If the matter is settled at the meeting, the representatives will reduce the settlement to writing and sign and date the writing. No specific format or requirements are prescribed and any writing mutually understood by the representatives shall be deemed adequate.

4. If the representatives do not settle the matter, a second meeting shall be scheduled with the Independent Arbitrator. The meeting shall be scheduled as expeditiously as possible, but in no event more than fifteen (15) days from the date of the WSF – IBU meeting, unless the Independent Arbitrator approves scheduling at a later time.

5. At the meeting with the Independent Arbitrator, WSF and IBU will each send one (1) representative, not a lawyer. Additional individuals may attend the meeting with the prior approval of the Independent Arbitrator. The representatives shall each have the opportunity to present information concerning the dispute to the Independent Arbitrator, orally and/or in writing. No witnesses will be called. The Independent Arbitrator shall have sole and unfettered discretion to consider any evidence that is presented by the representatives, as well as to limit the length or volume of information presented. The Independent Arbitrator shall have the authority to question the representatives and ask for further information, and to control the conduct of the meeting in any fashion.

6. Within ten (10) days of the conclusion of the meeting referred to in Subsection 5, above, the Independent Arbitrator shall inform the parties in writing of their decision. The decision shall not alter or amend the terms of the DDSP. The Independent Arbitrator shall have no authority to make any ruling based upon authority outside of the DDSP. Typically, the parties contemplate that the decision of the Independent Arbitrator will consist of a statement as to whether any relief is to be granted and, if so, what relief and to whom it shall be granted. The Independent Arbitrator may also include in their decision any analysis or reasoning they feel appropriate for the benefit of the parties.
**RULE 6 – TRAVEL AND MILEAGE PAY**

*This Rule has been modified by an MOU dated September 18, 2020.*

**6.01** All travel time shall be paid at the employee’s regular straight-time rate of pay.

**6.02** No travel time or mileage pay shall be paid to part-time or on-call employees, when an on-call deck or part-time deck employee is assigned to a temporary assignment and that assignment includes travel to another location which would entitle a year round non-relief employee to travel time and mileage, the on-call or part-time deck employee shall be entitled to such travel time and mileage.

On-call or part-time employees who work two (2) or more consecutive shifts on a traveling watch, ie: SSR, NSR or other watch assigned to more than one (1) route or terminal, will receive the same travel time and mileage as the regular crew.

**6.03** Distances and travel times between terminals shall be as set forth in “Schedule A and Schedule D” attached hereto and made a part hereof. Travel time to Friday Harbor from Anacortes will be paid at two (2) hours thirty (30) each way, at one (1) hour from Orcas to Friday Harbor each way. Orcas to Anacortes will be paid at one (1) hour and thirty (30) minutes each way. This paragraph does not apply to Reliefs.

Mileage for relief employees after completing a shift and no service on the route for the remainder of the operational day is available, or there is not a vessel for fifty (50) minutes, may use point to point travel per Schedule A or D for their mileage allotment to their homeport.

**6.04** The mileage rate for employees who furnish their own transportation shall be that allowed by the Office of Financial Management for use of private automobiles.

**6.05** Travel and mileage pay will not be paid to any employee who accepts an inter-department or intra-department transfer, either to a temporary or permanent position.

**6.06** Employees shall be paid mileage and travel time, both ways, for the distance between the terminal nearest their home or their regular relieving terminal and the temporary relieving terminal whichever is less, in accordance with Schedule A or D, in the following circumstances:

A. When vessels are temporarily assigned to repair yard or berth or to other than their regular routes and the regularly assigned employees are retained with the vessel.

B. When employees are, at the Employer’s initiative, taken off their vessel or away from their terminal and temporarily assigned to a vessel on a different route or to a different terminal.
C. Relief employees, after completing a shift at other than their relieving terminal, may use Schedule A or D, as appropriate, for their mileage allotment to their home port.

6.07 Employees designated by the Employer as relief personnel shall be assigned home terminals as close as possible to the employee’s residence. Such employees shall be paid mileage, in accordance with Schedule A for the distance between the home terminal and the terminal to which assigned. When relief employees are assigned to a touring watch mileage shall only be paid as one (1) round trip.

6.08 Employees shall be relieved at the same terminal where they began their duties, and such terminal shall be designated by the Employer. When it becomes necessary for a crew to deadhead from their original terminal to another terminal in order to begin and complete their tour, they shall be paid for travel time and mileage in accordance with Schedule A or D.

6.09 Employees assigned to more than one (1) route or terminal shall be assigned a regular relieving terminal and, when working away from the regular relieving terminal, will be paid mileage and travel time in accordance with Schedule A or D, for the distance between the regular relieving terminal or the terminal nearest their home and the other assigned terminal, whichever is less.

**RULE 7 – PART-TIME AND ON-CALL DECK EMPLOYEES**

*This Rule has been modified by an MOU dated September 18, 2020.

7.01 Part-time employees may be assigned and required to work any shifts described in the Agreement and its Appendices as well as shifts of lesser duration. An employee reporting to a shift shall be paid not less than four (4) hours straight-time pay for each shift worked.

A. Part-time watches shall be bid as permanent jobs according to Appendix A, Rule 1.05. (Appendix A, Rule 1.04 excludes part-time watches from bumps in the event of shift changes.)

B. Employees can bid into or out of full-time or part-time watches as extended temps per Appendix A, Rule 1.05 B.

C. Employees on part-time watches that are interested in working extra hours on their days off shall fill out an availability sheet each season as to whether they want to be called to work extra hours on their days off.

D. Employees on part-time watches may be called and offered extra work on their days off subject to Appendix A, Rule 7.03, with the exception that in Appendix A, Rule 7.03 E, the number of refusals does not apply, and Rule F. 1, 2, & 3 do not apply. All other language in this Rule applies.

E. After Reliefs and on-calls have been offered the work and jobs remain unfilled, an employee(s) on a part-time watch who elects to be available
for work on their days off will be called by dispatch and offered the additional work, per the Deck Dispatch by Seniority System (DDSS). They will be offered work by seniority at the time they are called.

F. Part-time employees shall be offered available work prior to the assigning on-call employees.

7.02 Part-time and on-call employees may be employed subject to the following conditions:

A. The maximum number of part-time positions throughout the system to be included on the supplemental lists under Rule 19.06 shall be ten (10) for Vessel Department.

B. All hours worked in excess of an assigned watch or eighty (80) hours in any two (2) week work schedule shall be paid at the overtime rate, provided that employees who are working in positions which are affected by other overtime provisions in the Agreement or its Appendices shall be paid overtime as provided for in such provisions.

C. A free day is a pre-scheduled single calendar day assigned on a seniority basis. Free days will be assigned for each seasonal bidding period. It is the parties’ intention to maintain the current practice in this regard.

7.03 On-Call Deck Employees

A. IBU Deck on-call employees will be assigned two (2) consecutive free days per week that will be repeated every week on the same days. Prior to the start of the summer and fall seasons free days will be bid by seniority. Free day choices will be:

(Sun/Mon) (Mon/Tues) (Tues/Wed) (Wed/Thurs) (Thurs/Fri) (Fri/Sat)

No more than seventeen percent (17%) of the number of on-call employees shall be assigned to any consecutive free days. An employee, who chooses to observe all free days for the season shall notify WSF on a form provided by WSF at the beginning of the season. By exercising this option, Dispatch will not be required to call the employee to work on their free days.

B. Seniority. WSF will dispatch on-call employees by seniority, except in cases of emergency, where year round positions must be filled in order for WSF to maintain COI or contract manning requirements.

C. Deck Dispatch by Seniority Process

On-Call AB and OS employees will be offered all available jobs via the Version 1 job selection process as described in Appendix A, Rule 5.08 F.

D. Daily Dispatch. All AB jobs will be offered first then all OS jobs will be offered to the on-call employee. If an on-call employee accepts an OS job,
but subsequently becomes eligible (by seniority) for an available AB job, WSF will call the employee back and offer the employee the AB job if the start times for both the OS and AB jobs are more than four (4) hours away. Prior to the work cycle for on-calls, Dispatch will email to the employees WSF email address all Open Relief assignments (Version One [1]), for both AB and OS/OSE jobs to the on-call employees.

To facilitate the filling of jobs Dispatch must leave a message detailing the classifications of jobs and the days of work they are calling for if the employee does not answer.

E. Dispatcher’s Inquiry. Before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “are you available for work today?” If the employee says “no” due to illness they must immediately inform the dispatcher that they are ill. The dispatcher will enter this information as a sick day for this employee in the dispatch log.

If an on-call is called on their free day(s) and Dispatch is in assignment mode (last available by seniority), they may ask to hear all jobs available without the risk of being assigned if no job is taken.

When dispatch is in assignment mode, before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “I am in assignment mode, are you available for work today?” If the employee says “no” due to illness they must immediately inform the dispatcher that they are ill. The dispatcher will enter this information as a sick day for this employee in the dispatch log.

F. Acceptance/Refusal of Work. Employees shall inform dispatch via email as to the method for Dispatch to contact them for work. WSF Dispatch must give on-call Deck employees a minimum of fifteen (15) minutes to respond to a page, text, voice mail or voice message left on a cell/mobile phone, or message or answering machine before marking that employee as failing to respond, which shall constitute a refusal of offered work, unless that employee accepts a shift later that day. If the employee is working onboard a vessel, the Employer will contact the vessel via radio and the captain will direct the employee to contact dispatch within thirty (30) minutes. If the employee does not return the phone call within thirty (30) minutes the employee shall be considered unavailable and that constitutes a refusal of offered work. This process shall apply to free days however no refusal will be recorded on a Free Day.

1. First Call – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, the Employer shall move on down the list. If the employee does not return the call it shall be refusal number one (1).
2. Second and third Calls – Should the on-call employees not pick up the call placed by the dispatcher, a message will be left for the employee. Dispatch need not observe the fifteen (15) to thirty (30) minute timeframe for the remainder of the current day unless the employee is on watch. After the third call there will be no further obligation to call the employee that day.

Employees may not refuse more than two (2) times within a work cycle during the summer schedule, and not refuse more than three (3) times within a work cycle during the remainder of the year; no refusals will be on consecutive days or in conjunction with employee’s free days, except as otherwise noted in Appendix A Rule 7.03 G.1. WSF Dispatch has the right to move down the seniority list to find available employees if the Dispatcher determines that a reasonable risk exists that a position could go unfilled. When dispatch cannot fill positions by calling on-call employees and making offers, they will then have the right to assign an on-call employee to vacancies within their thirty-five (35) mile zone by assigning the least senior employee contacted. The employee will not have the right to refuse the assignment.

Dispatch is made on the basis of three (3) time periods with applicable rules that are associated with each as per the following table:

<table>
<thead>
<tr>
<th>Hours before dispatch</th>
<th>Dispatch and employee responsibilities</th>
</tr>
</thead>
<tbody>
<tr>
<td>Four plus (4+) hours</td>
<td>When dispatch calls the employee between 7:00 am and 7:00 pm the employee is given fifteen (15) minutes to respond. The employee is informed of all jobs available and may select their choice. Refusal to respond within fifteen (15) minutes or refusal to work is a marked refusal. Employees not granted fifteen (15) minutes might qualify for Bypass. Phone logs determine the facts of Bypass. Employees calling back after fifteen (15) minutes shall be informed of all remaining jobs. An employee taking a job this day nullifies a prior marked refusal.</td>
</tr>
<tr>
<td>Less than four (4) hours but greater than two (2) hours or after 7:00 pm</td>
<td>Dispatch proceeds down the seniority list-calling employees informing them of all jobs available until an employee takes the assignment. There is no marked refusal and bypass does not apply. To provide additional opportunity for dispatch to fill afternoon assignments for the following day, dispatch will be allowed to continue calling between 7:00 pm and 8:30 pm and employees have fifteen (15) minutes to respond, and bypass does not apply. After 8:30 pm only am shifts for the following day will be dispatched.</td>

(2) hours or two (2) hours prior to the closing of Dispatch  

list to find available employees if the Dispatcher determines that a reasonable risk exists that a position could go unfilled. When dispatch cannot fill positions by calling on-call employees and making offers, they will then have the right to assign an on-call employee(s) to vacancies within their zone by assigning the least senior employee contacted. The employee will not have the right to refuse the assignment.

An Employee whose shift ends between 0200 and 0700 may call dispatch when starting the shift or before the Dispatch office closes for next day job assignments. Dispatch shall not call such employees until eight (8) hours after the shift ends unless directed otherwise by the employee.

G. An employee who refuses work outside a thirty-five (35) mile radius as described in Schedule A of the contract from the employee’s designated home terminal shall not be considered unavailable. Except that an employee home ported at the Clinton Terminal will not be called for any morning watch commencing at Bremerton or Bainbridge. Any employee who lives on the east side of Puget Sound may opt out of morning watches that commence on the west side and are being dispatched after 1900 hours the night before by notifying the employer at the beginning of each work period. Should the employer be unable to staff a vacancy they will assign as according to Rule 6.

1. Refusals shall not be made on consecutive days or allowed to be combined with an employee’s free days, except with the following conditions: twice in a season (summer, fall, winter, and spring), an on-call may elect to combine their refusals with their free days. Administration of this section is done on a periodic audit basis, which would indicate the need for sanction.

2. Disciplinary actions associated with documented refusals: The parties adopt the following sanction system regarding violations by on-call employees of the working requirements of the on-call Rules. The following sanctions are agreed to be a just cause system without need for considerations for mitigating circumstances. The sanctions are implemented when the following disciplinary refusals occur.

3. Violation of more than the “allowable” marked refusals in a work cycle results in the following sanctions:
   a. First violation = verbal warning
   b. Second violation within six (6) months = written warning and loss of employee’s right to refuse any jobs for a period
of eight (8) weeks that will cease from the date of the rule violation.

c. Third violation within six (6) months = employee enter into a one (1) year continuation of work agreement and must take the next available permanent position if applicable. The continuation of work agreement satisfies the suspension aspect of progressive discipline.

d. Fourth violation within one (1) year = a sustained fourth violation would be just cause for termination.

H. WSF will dispatch the on-call employees by seniority after all Regular Relief Deck employees have made their selections and/or have been assigned for their seventy-six (76) to eighty (80) hours in the work period.

Work offered consists of a documented call from WSF Dispatch. If the assignment includes all or part of the employee’s free day(s) the employee may either reject the assignment or may waive their free day(s) and accept the assignment. If the employee rejects the assignment WSF will not penalize the employee except in the case of an emergency. If the employee accepts all or part of the assignment Rule 10.07 will have no application on free day(s); simply waiving free day(s) does not entitle an on-call Deck employee to overtime.

1. If an on-call Deck employee rejects any assignment, or accepts only a fragment of a multiple day assignment, due to a conflict with a free day, then WSF will be entitled to offer the rejected assignment, or the unassigned fragment to another employee;

2. If an on-call Deck employee accepts an assignment of five (5) days or more in duration, then that employee will assume the day(s) off of the relieved employee in lieu of the relieving employee’s free day(s);

3. If an on-call Deck employee accepts any single day, touring watch, or multiple day assignment (including any scheduled time off occurring with a multiple day assignment of the relieved employee), that begins on, ends on, or includes all or a part of a free day, then that employee will have waived their affected free day(s);

4. If an on-call Deck employee is asked to take an assignment within the range of two (2) days (excluding touring watches) up through four (4) days in duration (including any scheduled time off occurring with a multiple day assignment of the relieved employee) that begins on, ends on, or includes all or a part of a free day, then that employee will have waived their affected free day(s);
day of the relieving on-call employee then the relieving on-call employee will have the following options:

a. Accept the entire assignment;

b. Reject the entire assignment; or

c. Accept a fragment of that assignment that precedes the relieved employee’s scheduled time off or the relieving employee’s free days, whichever event occurs first.
APPENDIX B
TERMINAL DEPARTMENT

The following rules are in addition to Rule 1 through Rule 36 and apply to the Terminal Personnel only; when there are conflicting Rules resulting from the general contract or Appendix B, the Rules in this Appendix shall be the applicable Rule governing Terminal Employees.

RULE 1 – HOURS OF EMPLOYMENT, OVERTIME, AND ASSIGNMENT

1.01 Except as provided herein, the principle of the eight (8) hour day is hereby established. For all practical purposes, eight (8) consecutive hours shall constitute one (1) work day. Forty (40) hours shall constitute a work week, and eighty (80) hours shall constitute a two (2) week work schedule. The following work schedules shall be observed:

A. Five (5) consecutive eight (8) hour days followed by two (2) consecutive days off;

B. Four (4) consecutive ten (10) hour days followed by three (3) consecutive days off.

C. No work schedule shall have less than eight (8) hours off between scheduled shifts unless otherwise noted in Appendix B.

D. By mutual agreement, additional work schedules with a minimum of two (2) consecutive days off and totaling forty (40) hours per week may be observed.

1.02 Overtime
Overtime for year round employees shall be paid whenever the employee performs work in excess of the scheduled shifts as specified above.

An employee who wishes to be called for overtime on their regularly scheduled day(s) off will submit their name to be posted on an Overtime Availability List in the Terminal Supervisor’s office and/or break room. An employee that wishes to be called for overtime on regular days off that are in conjunction with their vacation will submit their request on the employee’s overtime availability form. Employees will be called by Terminal seniority for any shift in any classification for which the employee is qualified, when overtime is available, starting with the most senior employee. Employees shall only be dispatched for a seller position if a working fund is available from the supervisor. Prior to calling employees from the Overtime Availability List, shift(s) shall be offered at the straight time rate of pay to on-call or part-time employees within the terminal group. Employees who wish to be called only for work in the employee’s current classification of work shall indicate such on the Overtime Availability List. Once an employee has accepted an overtime opportunity, their name will be checked off the Overtime Availability List and they are not eligible to be offered other overtime until all
other eligible employees have been offered the overtime opportunity. At the beginning of each season, the Supervisor will begin the dispatch starting with the most senior employee on the Overtime Availability List in accordance with the process set forth above. Whenever an employee begins an assignment at a terminal, the Overtime Availability List will be updated per their Terminal Department seniority date, and the rotation of the Overtime Availability List will continue where it left off. If the Overtime Availability List is exhausted, the sister dock’s overtime list will be utilized per Terminal Department seniority. Refusing overtime at a sister dock will not result in the employee’s name being checked off their home terminal’s overtime list. Any additional overtime needs not covered by sister docks will be offered system wide to any on-call and part-time employees on straight time, then system wide as overtime per their terminal seniority date.

1.03 Part-time and on-call employees shall be allowed to work up to ten (10) consecutive hours per day. Employees reporting to a shift shall be paid not less than four (4) hours and hour for hour thereafter not to exceed ten (10) hours. Overtime shall be paid whenever the employee works more than ten (10) hours per day or forty (40) hours per one (1) week work schedule.

Part-time and on-call employees who have less than thirty-eight (38) hours of straight time in a work week, shall be called prior to calling the Overtime Availability List.

1.04 Terminal Shift Change
A. In the event that forty (40) hour shifts change or new temporary shifts are established for seasonal and construction purposes, all year round employees at the affected terminal shall select available shifts according to seniority in their classification at the affected terminal. For the purposes of this Rule a shift change means when any shift changes by one (1) hour or more and/or the days off change, then all forty (40) hour shifts will open up for selection by classification seniority at that terminal in the affected classification. Any remaining forty (40) hour shifts left over, after all year round employees in that classification at the affected terminal have selected their shift(s), will be bid out system-wide consistent with Appendix B, Rule 1. On holidays, shifts may change up to one (1) hour without constituting a shift change. Year round forty (40) hour shifts will not be open for bid at schedule change unless there has been a change in the shifts as provided in this Rule.

B. Part-time shifts shall not change mid-season. On a holiday, a part-time shift can be changed to meet the demand, with no loss of hours without constituting a shift change.

1.05 Bids
Year round, temporary, part time and on-call shifts shall be administered as follows:
A. The Summer Seasonal Bid posting shall open no later than 9:00 am on the first Monday of May and close fifteen (15) calendar days later at 5:00 pm. Results will be announced no later than 5:00 pm on the following Friday. Discrepancies to bid results may be challenged for three (3) calendar days following each posting of bid results. Assignments shall take effect with the start of the Summer Sailing Schedule.

B. The Fall Seasonal posting shall open no later than 9:00 am on the first Monday of August and close ten (10) calendar days later at 5:00 pm. Assignments shall take effect with the start of the Fall Sailing Schedule.

C. The Winter Seasonal posting shall open no later than 9:00 am on the first Monday of November and close ten (10) calendar days later at 5:00 pm. Assignments shall take effect with the start of the Winter Sailing Schedule.

D. The Spring Seasonal posting shall open no later than 9:00 am on the first Monday of February and close ten (10) calendar days later at 5:00 pm. Results will be announced no later than 5:00 pm on the following Friday. Discrepancies to bid results may be challenged for three (3) calendar days following each posting of bid results. Assignments shall take effect with the start of the Spring Sailing Schedule.

E. Bids must be sent out to known e-mails. Bid binders at each dock will be available at each Terminal for each bid posting. The bid information sent out for each bid must include:

1. The current bid packet to include the posting number, the WSF Terminal Department bid sheet and instructions.

2. All the open (forty [40] hour, part-time and on-call) shifts listed by Classification, location and key number for the current bid.

3. The most current seniority list.

4. The most current system wide schedules broken down by Terminal, including all weekly dispatch hours.

F. All posted shifts(s), including any additional temporary shifts that become available during the applicable bid period will be filled using the domino bid process.

H. All bid sheets must be sent to the Terminal Bid Administrator via fax or as an attachment in an e-mail, and must be legible. All bid sheets must be completely filled out. Any incomplete or invalid bids will not be processed and no exceptions will be made. If the employee wishes to have their bid sheet removed or revised, they must submit the request via a fax or e-mail to the Terminal Bid Administrator no later than 5:00 pm on the closing day of the bid.

1.06 Bump bids/ Fleet returns
Bumps resulting from an elimination of year round assignment(s) (consistent with Rule 19.03), seasonal temporary jobs being eliminated, or an employee returning to the fleet either from a medical leave, special project, another bargaining unit, union business or leave of absence, the following rules will be adhered to:

A. Year round and temporary employees that are bumped or displaced will have bumping rights. All employees that have less seniority than the returning employee must submit a bid sheet in case they are bumped. Any employee that is bumped back to on-call, may choose to stay at their current terminal or the terminal closest to their home.

B. Year round employees will return to their year round assignment. Only the least senior Seller will have bumping rights in the Traffic Attendants Classification, and only the least senior Traffic Attendant will be assigned to the on-call list as described in Appendix B 1.06 A.

1. Any employee transferred from another department, and holds the least senior Traffic shift, cannot be bumped.

2. Incomplete bid forms may result in an employee being assigned to an on-call position at a Terminal as close to the employees home as possible.

C. Year round employees that want the opportunity to remain on a temporary shift must complete a Terminal Department bid sheet for the temporary bid in addition to the permanent bump bid.

D. A year round employee working a temporary shift, that is bumped from their temporary shift, will be placed back into their year round shift.
E. **On-call Fleet Return**
   An on-call employee on the Fleet Return List will be allowed to take any on-call assignment at any terminal of their choosing per their seniority upon their return to work.

### 1.07 Filing of Vacancies Year Round Positions
Bids will be processed in the following order at each seasonal change:

A. System wide lateral transfers in the Terminal Department by year round employees by classification seniority.

B. System wide by year round Terminal Department employees requesting promotion to a higher classification by seniority.

C. Inter-department transfers by year round employees from other departments, provided that no part-time/on-call employee within the Terminal Department with an earlier hire date has requested the year round position.

D. Any on-call employee within the Terminal Department wishing to promote themselves to a year round position, indicated on a permanent bid sheet.

E. Assign the most senior part-time/on-call employee within the Terminal Department to the year round position, provided that no employee shall be compelled to accept an assignment more than twenty-five (25) miles or more than forty-five (45) minutes of travel time, from their home terminal.

F. An employee on leave may submit a permanent bid sheet if they are awarded a year round assignment, and will have that assignment filled as a temporary assignment until the employee returns. If the employee is listed under the fleet return on the latest bid results they may still submit a permanent bid. The employee will have the assignment listed as the assignment they will return to. The Terminal Bid Administrator will continue processing the bids until all year round assignments are filled.

### 1.08 Filling of Temporary Terminal Positions
**Vacancies of More Than Thirty (30) Days**
Except as provided for in this Rule, employees who accept a temporary intra-department assignment will remain on that assignment until the temporary assignment ends.

A. Temporary assignments, either lateral transfer or upgrade, will be filled by classification seniority using the temporary bid sheet and the process described in Appendix B 1.05 E, F, G, and H.

B. Temporary assignments that become vacant outside of the seasonal bids in the Terminal Department, will open by 9:00 am on the first Monday of the

C. Written confirmation will be sent to employees via e-mail in the form of job bid awards, and written notification will also be sent to each Terminal. Due to the nature of temporary positions the assignment could end at any time.

D. Terminal employees will be allowed to bid for all Temporary IBU terminal vacancies. However, no employee will be moved from their permanent position to fill a temporary position unless they bid for and are actually assigned a temporary position. All positions will be awarded by seniority within the appropriate classification.

E. Temporary positions that have not been filled by the bid process above shall be offered to the most senior part-time/on-call employees. In the event that no one accepts the position(s), the least senior employee(s) will be assigned, without the right of refusal, within twenty-five (25) miles or forty-five (45) minutes of their home terminal. Assigned employees shall be paid at the permanent rate of pay for the position.

F. All temporary assignments end at the conclusion of a season. Upon completion of temporary assignments, employees will be returned to their permanent assignment or back to on-call, whichever is applicable.

G. Employees absent for more than three hundred sixty-five (365) days. When an employee is absent for three hundred sixty-six (366) days the Employer will bid the position as a permanent assignment. In the event the employee returns, the employee will be returned to their previous assignment as soon as practicable. This will include all break-in training. On the first day of the month, from October until May, an employee shall have one (1) opportunity per month, to change from “not being available” to “available” on their free days that month. From June until September they will be locked in and may only change their option of taking their free days once per season, or if they start a new assignment. Only on the weeks of New Years, 4th of July, Thanksgiving and Christmas, pre-scheduled free days for all on-call will be adjusted so they are available on the holidays.

3. Within three (3) calendar days after each schedule change, on-call employees shall enter their assignment choices on the “Schedule of
Availability Letter” and give the completed letter to their respective Terminal Supervisors.

4. The “Schedule of Availability Letter” must indicate if they want to: waive their free days, and be upgraded by Hours or Classification. This “Schedule of Availability Letter” can be updated once (1) every sailing schedule or following the start of a new assignment.

5. Upgrades will be granted according to the “Schedule of Availability Letter” as follows:

   a. Hour Upgrades - the on-call employee will be given the option to upgrade to any shift with more hours than what they were assigned on the weekly schedule, provided it does not result in overtime. If a shift comes up with the same number of hours, but in a higher classification, the upgrade will not be offered.

   b. Classification Upgrades - the on-call employee will be given the option to upgrade to any shift in a higher classification which could result in fewer hours worked than the shift they were assigned on the weekly schedule. If a shift comes up in that classification, but has more hours the upgrade will not be offered.

6. If passing on a shift or upgraded shift, the employee will not be offered another shift or upgrade until all on-calls have been offered a shift for that day.

C. On-call assignments shall be limited to one (1) of the single terminals or one (1) of the terminal groups listed herein:

1. Southworth/Vashon/Point Defiance/Fauntleroy/Bremerton
2. Kingston/Port Townsend/Bainbridge
3. Coupeville/Clinton/Anacortes
4. Mukilteo/Edmonds/Colman

All part-time and on-call employees will be subject to the following rules related to terminal groupings:

- Employees will bid and/or be assigned a home terminal based on the key number from the system wide schedules.
- Employees will be paid travel time and mileage when working away from their home terminal.
- All work will be assigned by seniority at their home terminal first; then, employees will be dispatched within their terminal grouping by seniority. When working at a sister terminal, the part-time/on-
call employee’s seniority does not supersede the seniority of the employees assigned to the sister terminal.

Terminal groups shall be subject to change after notice to and consultation with the Union.

**RULE 8 – TERMINAL LEAD POSITION**

If a supervisor chooses to appoint a terminal employee to interface with the Operations Center and to perform other special, assigned, non-supervisory duties in the supervisor’s absence, that employee shall be paid the same percent premium that an AB-Bos’n is paid over the AB rate.
APPENDIX C
INFORMATION DEPARTMENT

The following Rules are in addition to Rule 1 through Rule 36 and apply to the Information Personnel only.

RULE 1 – HOURS OF EMPLOYMENT, OVERTIME, AND ASSIGNMENT

1.01 The principle of the eight (8) hour day is hereby established. For all practical purposes, ten (10) consecutive hours shall constitute one (1) work day. Forty (40) hours shall constitute a work week, and eighty (80) hours shall constitute a two (2) week work schedule. The following work schedules shall be observed:

A. Five (5) consecutive eight (8) hour days followed by two (2) consecutive days off; or

B. Four (4) consecutive ten (10) hour days followed by three (3) consecutive days off.

C. No work schedule shall have less than eight (8) hours off between scheduled shifts unless otherwise noted in Rule 1.06 (B)(1)(b) and Rule 1.06 (B)(2)(a).

D. On Outreach days, shifts and hours will be offered by Seniority. Actual hours worked, not to exceed ten (10) hours, will be paid to employees.

1.02 Overtime for year round employees shall be paid whenever the employee performs work in excess of the scheduled shifts as specified above.

An employee who wishes to be called for overtime on their regularly scheduled day off will submit their name to their supervisor to be placed on an overtime availability list. Employees will be called by seniority when overtime is available starting with the most senior employee. Once an employee has been dispatched for an overtime opportunity, their name will be checked off for that pay period. At the beginning of the each pay period, the supervisor will begin the dispatch starting with the most senior employee on the overtime availability list in accordance with the process set forth above.

1.03 Part-time and on-call employees shall be allowed to work ten (10) consecutive hours per day. Employees reporting to a shift shall be paid not less than four (4) hours and hour-for-hour thereafter not to exceed ten (10) hours. Overtime shall be paid whenever the employee works more than ten (10) hours per day or forty (40) hours per work week.

1.04 Shift Change. In the event that full-time year round shifts change or new full-time year round shifts are established for seasonal purposes, full-time, year round employees shall choose shifts according to seniority in their classification. For the purposes of this Rule a shift change means when any shift changes by more than
one (1) hour and/or the days off change, then all shifts will open up for bid in the Information Department.

**1.05 Filling of Vacancies Year Round Positions**

The Employer will post year round vacancies within ten (10) days of the opening, for a period of ten (10) days, identifying them by classification. The vacancy will be filled within ten (10) days after closing, unless the employee agrees to extend the number of days before taking the assignment. With this posting period, all interested employees must submit their request, in writing, with the vacancy/vacancies, and all subsequently created vacancies, being filled from these requests, and any requests on file, in the following order:

A. System wide lateral transfers in the Information Department by classification seniority.

B. System wide by year round Information Department employees requesting promotion to a higher classification by seniority.

C. Inter-department transfers by year round employees from other departments, provided that no part-time/on-call employee within the Information Department with an earlier hire date has requested the year round position.

D. Assign the most senior part-time/on-call employee within the Information Department to the year round position.

**1.06 Filling of Temporary Positions**

A. Thirty (30) days or more - Temporary positions of thirty (30) days or more will be offered to part-time/on-call employees, by seniority. These temporary positions are filled for the whole term.

B. Temporary Positions - Less than thirty (30) days - Job openings of thirty (30) days or less will be filled in the following manner:

1. **Weekly Assignments**
   a. Part-time/on-call employees will be offered schedules for known vacancies on a weekly basis based on their seniority and availability. The schedule will be posted in a location that can be viewed by all employees. This schedule and any changes will be provided for all affected employees and it will be the responsibility of each employee to read and make note of their assignments.

2. **Daily Assignments**
   a. Daily vacancies will be offered to Part-time and on-call employees, by seniority, when the number of hours of the vacancy is greater than their daily hours and will be restricted to one (1) reassignment per day. In the event all part-time and on-call employees refuse the offer, the
employee with the least date of hire will be assigned the shift. Failure of the employee to respond to a call within fifteen (15) minutes will allow the shift to go to the next senior employee in line.

3. Acceptance/Refusal of Work
   a. Employees shall inform the Employer via email as to the method for the Employer to contact them for work. The Employer must give on-call Information employees a minimum of fifteen (15) minutes to respond to a text, voice mail or voice message left on a message or answering machine before marking that employee as failing to respond, which shall constitute a refusal of offered work, unless that employee accepts work later that day.

   b. First Call – If the employee does not respond within fifteen (15) minutes of the first call, the Employer shall move on down the list. If the employee does not return the call it shall be refusal number one (1).

   c. Second and/or Additional Calls – Should the on-call employees not pick up the call placed by the Employer, a message will be left for the employee. The Employer need not observe the fifteen (15) minute timeframe for the remainder of the current day.

   d. Employees may not refuse more than two (2) times within a work week and no refusals will be on consecutive days. The Employer has the right to move down the seniority list to find available employees. When the Employer cannot fill positions by calling on-call employees and making offers, they will then have the right to assign an on-call employee to a vacancy. The employee will not have the right to refuse the assignment.

   e. When the Employer calls the employee between 7:00 am and 7:00 pm the employee is given fifteen (15) minutes to respond. The employee is informed of all jobs available and may select their choice. Employees not granted fifteen (15) minutes might qualify for bypass. Phone logs determine the facts of Bypass.

When the Employer has an Information Department open shift to fill for a morning job (any job before noon [1200 hours] and the Employer is calling after 7:00 pm, the Employer will proceed down the list in order of seniority and will not have to wait the fifteen (15) minutes for a response before moving to the next available employee.
1.07 Scheduling of Vacations
All vacation requests must be submitted six (6) weeks prior to the requested time off. Holiday time off will be scheduled by seniority in the department and “first-come, first-served” for other vacations. No more than two (2) vacations may be scheduled at any one (1) time, with the exception of holidays, when the Employer may schedule up to three (3) vacations.

A. Variance - employees may submit a vacation request with less than six (6) weeks’ notice two (2) times during the Summer schedule and three (3) times during Spring and Fall schedules. All such requests may be granted at the Employer’s discretion based on business necessity.

B. All schedules will be prepared and released no less than six (6) weeks in advance. If the schedule is not received six (6) weeks in advance, employees will have one (1) week following the release of the schedule to submit a vacation request for dates during the first six (6) weeks of the schedule and have the request deemed timely (and not in Variance) even if less than six (6) weeks’ notice is given by the employee.

C. Nothing in this Rule shall be deemed to limit the authority of the Department Manager or their designee to authorize time off under unusual circumstances, even where the request for time off does not fall within the criteria set forth above.

RULE 2 – WORKING CONDITIONS

*This Rule has been modified by an MOU dated September 18, 2020.

2.01 Information Department employees shall be assigned for payroll purposes to one (1) of the classifications listed in Rule 17 and shall be paid at the specified rate for such classification for work performed therein. Employees required to work in a higher classification will be paid at that rate of pay for the period equal to the time in which the employee worked in the higher classification; if more than four (4) hours is worked in a higher classification, payment for the entire shift will be at the higher rate of pay.

A. Personnel covering vacations, days off, etc., who relieve Customer Service Agents shall be assigned to the highest classification worked and shall be paid at that rate for all work performed.

2.02 Except in cases of emergencies, the Employer shall give six (6) weeks’ notice before instituting shift changes for Information Department.

2.03 As an employee safety issue, the Employer will offer parking privileges within the 2901 Building to employees in the Information Department who work before 5:00 am or after 9:00 pm in that building. Employees shall abide by the WSF Parking Policy, which requires an employee to obtain a parking permit in order to park in WSF Parking Areas. Employees may apply for Carpool Parking.
**RULE 3 – TRAVEL AND MILEAGE PAY**

3.01 All travel time shall be paid at the employee’s regular straight-time rate of pay.

3.02 No travel time or mileage pay shall be paid to part-time or on-call employees, except that when an on-call or part-time Information Department employee is assigned to a temporary assignment and that assignment includes travel to another location which is away from their normal work station in the Information Department or regular work station.

3.03 Distances and travel times between terminals shall be as set forth in “Schedule A” attached hereto and made a part hereof.

3.04 The mileage rate for employees who furnish their own transportation shall be that allowed by the Office of Financial Management for use of private automobiles.

3.05 Travel and mileage pay will not be paid to any employee who accepts an inter-department or intra-department transfer, either to a temporary or permanent position.

3.06 Employees shall be paid mileage and travel time, both ways, for the distance between regular work station and the temporary workstation whichever is less, in accordance with Schedule A.

3.07 If the Employer requires an employee to use a private car for travel between terminals, travel pay, if any, and mileage will be paid in accordance with Schedule A.

**RULE 4 – PART-TIME AND ON-CALL EMPLOYEES**

4.01 Part-time employees may be assigned and required to work any shifts described in the Agreement and its Appendices as well as shifts of lesser duration. An employee reporting to a shift shall be paid not less than four (4) hours straight-time pay for each shift worked.

4.02 Part-time and on-call employees may be employed subject to the following conditions:

A. The maximum number of part-time positions in the Information Department shall be discussed with the Union. Part-time employees will not be used to reduce the number of full-time employees in the Information Department. The Employer and the Union shall meet and discuss a reduction of full time employees below six (6).

B. The employment of part-time employees shall be allowed in the Information Department. The Employment of on-call employees shall be allowed in the Information Department.

D. Annual leave. Part-time and on-call employees shall accumulate annual leave on a pro rata basis, and may request a vacation of not less than five (5) consecutive days, when mutually agreed to by both the employee and the Employer. Leave may not be taken until the employee has worked one thousand forty (1,040) hours.

**RULE 5 – WEB INFORMATION AGENT SENIORITY**

5.01 Seniority will be based on the successful completion of probation. Recently trained Web Information Agents will serve a one thousand forty (1,040) hour probation period per Rule 31.02. If management determines during that time that the trainee cannot perform the job functions successfully, trainee can return to the Information Agent classification with their original seniority date. Employees who do not complete training or pass probation period will be offered resources in order to improve their skills. These resources are available for the employee to use on their own time. Employees will be offered training at a mutually agreed upon time upon completing improvement requirements with documentation of completion.

Web Information Agent positions will be bid by seniority for each schedule change. (Fall, Winter, Spring, Summer)

A person who bids for, and is awarded, a Web Information Agent position may not demote to Information Agent unless there is a reduction in force, or they voluntarily demote to an open Information Agent position. A Web Information Agent who elects to not bid for a Web Information Agent job must bid into open Information Agent positions (if they chose not to take a position they cannot later bump a less senior Web Information Agent who took the job.) Once an employee takes a Web Information Agent position, Web Information Agent seniority applies.

If management determines additional agents are needed, Web Information Agent training will be made available, by seniority, to employees in the Information Department who have proven they have the necessary skills as an Information Agent. These skills include, but are not limited to, good ferry system knowledge, proven computer skills, writing and organizational skills, and reliability.

Employees who pass the training requirements for a Web Information Agent and complete their probationary period will be given a Web Information Agent seniority date.
APPENDIX D

RULE 1 – GENERAL

1.01 In hiring employees for work in classifications covered by this Agreement, the provisions of this Appendix shall apply.

On a monthly basis from September to February and as need thereafter, the Union will provide to Washington State Ferries (WSF) a list of potential applicants who will be considered for employment by WSF. If the Union fails to provide the applicant list in a timely manner, or if the list is exhausted, the Employer shall obtain applicants from any source.

The parties acknowledge and adopt the principle of affirmative action in hiring, as set forth in the adopted and approved affirmative action plan for the Washington State Department of Transportation as applied to the Washington State Ferry System.

It is understood that an applicant must be qualified to perform the essential duties of the position applied for, with or without accommodation, or they will not be hired.

1.02 The WSF will notify the Union of applicants who are hired and their seniority date.

1.03 For informational purposes, the WSF will provide the Union the method used by the Employer to place a new hire on the seniority list.

1.04 The Union may continue its participation in the orientation program as previously agreed.

WSF and the IBU agree to the installation of interior cameras in tollbooths under the conditions set forth below. Exterior cameras will be installed in all areas necessary as determined by WSF as long as they are not recording inside employee personal areas.

1. WSF and the IBU agree to the installation of overt cameras within the interior space of WSF tollbooths. The placement of the interior camera will be above the EFS device giving view of the entire working countertop, inclusive of the selling window, to approximately eighteen inches (18”) behind countertop. It will not be used to record in any other interior spaces, such as the area in the back of the booth.

2. Cameras inside tollbooths will be used to record and monitor sales transactions in conjunction with the Electronic Fare System and exterior cameras to provide complete coverage of sales transactions.

3. The recording of transactions is to be used as a deterrent to theft and to provide information regarding whether theft has occurred.

4. Recordings will only be used in disciplinary cases involving theft. Recordings may be used as a tool to enhance performance, but not as a tool to discipline for reasons other than theft.

5. Suspected theft of sales transactions will not be cause for discipline unless supported by video surveillance.

6. Sellers will not be disciplined for events beyond their control e.g.: Vehicle refuses or fails to stop at tollbooth.

7. Sellers may view events of their sales during regular work hours in order to substantiate procedures.

8. The Union may view recordings on a random basis to ensure the terms of this agreement are complied with.

9. A Fleet Advisory will be sent informing all employees of their responsibility for egress/and ingress to WSF facilities.
10. A copy of this letter of understanding will be sent along with each employees bid package for fall bids.

This agreement only applies to those areas that are monitored by video surveillance connected to the EFS system. Theft outside of the EFS surveillance system is not contained in this letter of understanding.

LABOR-MANAGEMENT AGREEMENT BETWEEN WASHINGTON STATE FERRIES SYSTEM AND INLANDBOATMEN’S UNION OF THE PACIFIC, (MARINE DIVISION OF THE INTERNATIONAL LONGSHORE AND WAREHOUSE UNION)

RCW 49.12.187, as amended by SSB 6054, Laws of 2003 c. 401, sec. 3, provides that the employer and exclusive bargaining representative may agree to vary and supersede the meal and rest period regulations and policies adopted by the Department of Labor and Industries in WAC 296-126-092 and administrative guidelines under the Industrial Welfare Act. Pursuant to SSB 6054, this labor-management agreement reaffirms the parties’ prior agreement to vary from and supersede the requirements of WAC 296-126-092.

In exchange for the ability to work a straight shift, the IBU and WSF have agreed to a paid meal period and rest periods that vary from and supersede the meal and rest periods required by WAC 296-126-092. These agreed to meal and rest periods do not require a relief from duty and may occur intermittently. This Agreement does not circumvent nor contradict any provision of the Collective Bargaining Agreement.

Terminal employees at the docks and Information employees at WSF, who work eight (8) hours shifts, shall be allowed (during their eight [8] hour day) a one half-hour (thirty [30] minute) meal break. Employees recognize that they must be flexible when taking meal breaks and might be subject to return to duty during emergencies or other unforeseen circumstances including late arriving and late departing boats. Employees, with management acknowledgement, would also have the flexibility to move their half-hour lunch break if it fell during a time of backed-up traffic needing coordination to assure the vessels would run on schedule. These same employees shall also be given two fifteen (15) minute breaks during the eight-hour day. These breaks would be flexible.

Employees who work a ten (10) hour day shall be given one thirty (30) minute meal break, two fifteen (15) minute breaks and one ten (10) minute break. Employees working more than four (4) hours but less than five (5) hours shall receive one rest period of fifteen (15) minutes, but not a meal period.

This provision is effective upon the Governor’s signing of SSB 6054.

3. The reimbursement will not be given to relief or on-call employees.

Temporary Layoff Opportunities Through the ESD SharedWork Program to
Address Budget Issues

Section 1 – Scope of application and employee considerations
The parties agree that to address the serious budget shortfall facing Washington State, the employer will use the process set out below to furlough bargaining unit employees.

Furloughed employees who participate in the ESD SharedWork Program up through July 25, 2020, may qualify to receive additional unemployment assistance for each week they are in temporary layoff status and are receiving unemployment compensation. To assist employees who are subject to the temporary layoffs outlined in this MOU, the employer agrees to work with the Employment Security Department to arrange for educational guidance and assistance with the application process for the SharedWork program and assistance with applying for unemployment benefits for which they may be eligible. During the term of this MOU some employee performance measures may require consideration for an adjustment proportionate to the number of work days spent in temporary layoff status.

Section 2 - Voluntary furlough option
Effective immediately, the Washington State Department of Transportation, Ferries Division (WSF/DOT) will apply for participation in the SharedWork program and begin soliciting volunteers for temporary layoffs for a minimum of one day per week for all eligible employees. Employee requests for voluntary furloughs will be contingent upon agency approval.

Section 3 - Employer-directed furloughs through July 25, 2020
The employer will designate one day per week to furlough eligible positions beginning no later than June 28, 2020 and continuing through July 25, 2020. This initial requirement for each eligible employee to be furloughed one day per week will cease on July 25, 2020.

Section 4 - Employer-directed furloughs from August 1, 2020 through December 31, 2020
Beginning August 1, 2020, WSF/DOT may designate ongoing furloughs of 1 day per month, however, adjustments may be made based on budget outlook and other budget factors as they become known, and will satisfy bargaining obligations where applicable.
Section 5
In administering the assignment of Employer-directed furloughs the employer will strive to identify the largest employee pool possible in order to spread the burden of salary reductions over the widest population while also taking into consideration the operational and service delivery requirements of the agencies.

The parties agree that - should additional furloughs beyond the days set out above be required - the state shall provide notice of its intent to do so and will satisfy its bargaining obligations. In addition to the provisions outlined above, the parties agree to continued discussions on or after July 1, 2020 to identify options to address budget issues during the next biennium.

2. **Limitation on Flexing Shifts.**
   A. For shifts of ten (10) hours, working hours may flex up or down one half (1/2) hour or less in order to permit relieving of crew members at port of embarkation without incurring overtime, subject to committee process in Subsection 3.

3. **Committee Process**
   A. Before the Employer changes any printed running or crew schedules, the Inlandboatmen’s Union and the Masters, Mates and Pilots (Unions) shall jointly be consulted to arrange crew schedules reasonably consistent with the health and safety of Deck Hands, Masters, Mates and Pilots, and with properly and conveniently serving the customer, and to provide shifts for Deck Hands, Masters, Mates and Pilots as provided above. The Unions will each name two (2) employees to a committee whose sole purpose will be to examine proposed changes to crew schedules and recommend improvements therein to the Employer. The said committee will meet as is necessary to meet crew schedule changes. Union members will be paid for eight (8) hours at their regular straight-time rate of pay for each committee meeting. Committee meetings will be scheduled to allow time for travel within the eight (8) hour shift. Mileage will be paid as is appropriate. If management extends the committee meeting time, then travel time will be paid as appropriate.

   B. Should the Employer and the Unions not reach agreement over the proposed crew deck schedules, the Unions may elect to jointly file a grievance and proceed to expedited arbitration based on whether the schedule(s) are reasonably consistent with the health and safety of Deck Hands, Masters, Mates and Pilots.

   C. In the event of such a dispute, the parties agree upon the following process:

      i. The Unions and the Employer shall select an Arbitrator deemed qualified to serve as an arbitrator by the Federal
Mediation and Conciliation Service (FMCS). The Unions and the Employer shall meet and each will submit a list of eleven (11) arbitrators using the strike method until an arbitrator has been selected.

ii. Within five (5) working days of receipt of a grievance being filed as referenced above, the parties shall schedule a meeting with the arbitrator selected. The meeting will be scheduled as expeditiously as possible, but in no event more than fifteen (15) working days from the receipt of the grievance unless otherwise mutually agreed to.

iii. At the arbitration hearing, the Arbitrator shall have sole and unfettered discretion to consider any evidence that is presented by the parties, as well as to limit the length or volume of information presented. The Arbitrator shall have the authority to question the representatives and their witnesses, and ask for further information, and to control the conduct of the hearing in any fashion.

iv. Within ten (10) days of the conclusion of the hearing referred to in paragraph three (iii) above, the Arbitrator shall inform the parties in writing of their decision. The decision shall not alter or amend the terms and conditions of the Collective Bargaining Agreement. The Arbitrator will also include in their decision any analysis or reasoning on which the decision is based. Additionally, if the Arbitrator finds the schedule not reasonably consistent with health or safety standards, the arbitrator will provide the parties guidance as to the changes necessary to bring the schedule into compliance. The decision of the arbitrator shall be final and binding upon the Union, the Employer and the grievant(s).

1.02 The Union and the Employer may agree to establish touring watches on vessels where the running schedules make such watches more practical. When touring watches are established, the employees involved shall be paid at straight-time pay for not to exceed five (5) consecutive tours, followed by not less than two (2) consecutive tours off duty. This Rule does not apply to designated relief personnel.

1.03 Employees designated as relief personnel may be employed continuously for up to twenty (20) days or one-hundred sixty (160) hours within any two (2), two (2) week work schedule period without the overtime provisions being invoked. All work in excess of the regular daily assignment shall be paid at the overtime rate. The Employer will furnish the Union the name of the employees designated as relief personnel. There shall be regular relief personnel to provide relief coverage for the permanent positions within the system.
**1.04 Vessel Shift Changes.** When any vessel watch schedule is changed by three (3) hours or more and/or the employees’ day off assigned to said vessel are changed by at least one (1) day, or the vessel’s home terminal is changed, the employees’ whose watch has changed by three (3) hours or more, whose days off has changed by (1) or more days, whose home terminal has changed, shall have the right to exercise their seniority by classification in selecting a new assignment of their choice. Any displaced employee will also have the right to exercise their seniority by classification in selecting a new assignment of their choice. A displaced employee that does not select a new assignment shall be placed into the on-call pool.

When the vessel shift changes outlined above occur, employees affected may choose the assignment of their choice by classification seniority (AB to AB and OS to OS) excluding Shore Gang and part-time watches.

Any permanent vacancies that exist prior to the vessel shift change bid dates will be bid in a separate Optional bid open to all IBU employees.

**1.05 Filling of Vacancies**

A.  **Bid Periods - Permanent/Summer**

1. There will be six (6) bid periods each year. A bid form will be made available to all eligible IBU employees for each bid period. One (1) bid period will be for summer schedule (Summer Schedule Bid Period); these assignments will only be for the summer schedule. (See Paragraph 4 for further information about the Summer Schedule Bid Period). The remaining five (5) bid periods (Permanent Bid Period) will be for permanent assignments and seasons’ these five (5) bid periods will take place between August and March. Each summer dates for all six (6) bid periods will be determined and sent to all IBU employees. Summer and fall bid periods will always take place. The remaining four (4) bid periods will only take place if the Employer has knowledge of at least one (1) permanent vacancy five (5) calendar days prior to the scheduled bid period’s opening date.

2. The Permanent Bid Form will be used to fill any known permanent vacancies and all resulting permanent vacancies. A bid form will only be valid for a specific bid period. Incomplete bid forms will not be processed. Bids will be open for ten (10) calendar days and will close at 5:00 pm on the closing date and must be submitted in accordance with the instructions on the bid form. Bid results and the transfer date will be posted eight (8) calendar days after the closing date. All transfers will start with the beginning of a two (2) week work period. The Union will be sent copies of all bid notices and bid results.

3. All deck employees will be allowed to bid for all IBU deck positions in which they have the appropriate endorsement. However, no
employee will be moved from their permanent position unless they bid for and is actually awarded another position. All positions will be awarded by seniority with the appropriate classification. Interdepartmental transfers will only be considered if the senior qualified deck bidder is not a year round deck employee. In that case the hire date will become the deciding factor in awarding the position. The position will be awarded to either the senior qualified deck bidder (on-call) or the interdepartmental transfer, whichever one of these two (2) employees has the most senior WSF hire date.

4. The Summer Schedule Bid Period will begin with a lateral route bid (Part One [1]) for Anacortes and any other necessary routes. Following the lateral route bids, will be (Part Two [2]) of the Summer Schedule Bid Period, which will include Summer Assignments, vacancies created by an employee moving to a Summer Assignment, and any permanent vacancies created since the last bid period. All assignments awarded with the Summer Schedule Bid Period are only for the summer schedule. Any vacancies remaining after the summer bids have been processed will be filled by the crew on the watch with the vacancy rotating up, based on endorsement and seniority. Any remaining vacancies will be filled by Dispatch.

B. Filling Temporary Vacancies of More Than Thirty (30) Days
A temporary position in the deck department exists whenever an employee in a permanent position has been absent, for any reason, for thirty-one (31) consecutive days. Bid vacation is not an absence. The vacant position will then be bid out in the next extended temporary bid. The position will be re-bid prior to each season unless the employee who held the permanent position has completed all return to work requirements.

Except as provided for in this Rule, employees who accept a temporary intra-department assignment will remain on that assignment until the temporary assignment ends.

1. Temporary assignments, either lateral transfer or upgrade, will be filled by classification seniority using the temporary vacancy bid form.

2. Periodically extra Extended Temporary Bid Forms will be sent to the Dayroom of each vessel. It is up to the employee to keep a form for future bidding.

Extended Temporary positions will be filled with the use of an Extended Temporary Bid Form. The Extended Temporary Bid Form will list all IBU deck positions. The Extended Temporary Bid Form will only be valid for one (1) bid posting. The Extended Temporary
Bid Form will be used to fill the original extended temporary vacancy and the vacancies that result from filling the original vacancy. With this process there is no way to know exactly which positions may open due to the domino effect. It is up to the employee to number, by preference, each and every position that they would like to work as an extended temporary assignment.

In order for a bid form to be considered valid it must be completely filled out, including the bid posting number, and received by the closing day and time. Withdrawal or changes to a bid form must be in writing and received before the closing day and time.

Extended Temporary positions will be announced by notices in crew dayrooms, and via email. Employees wishing to receive email notification through their WSF email address should contact the bid administrator.

Extended temporaries in the Deck Department will open by 9:00 am on the last Friday of the work period, close at 5:00 pm on the first Thursday of the following work period, results will be announced by 5:00 pm on the first Friday of the work period, and assignments will begin the first Sunday of the next work period.

Example: open by 9:00 am, Friday 2/7/03, close at 5:00 pm, Thursday, 2/13/03, results announced by 5:00 pm, Friday, 2/14/03, assignments begin the week of Sunday, 2/23/03.

Any deviation to the transfer day will need to be mutually agreed upon by Dispatch and the employee. The successful bidders are responsible for contacting Dispatch before Sunday to coordinate the transfer to their extended temporary assignment. There will be no phone calling to offer an assignment; the senior bidders will be assigned the extended temporary positions.

Written confirmation will be sent to the successful bidders via e-mail to their WSF email address in the form of job bids awards, and written notification will also be sent to the Dayroom of each vessel. Due to the nature of extended temporary positions the assignment could end at any time.

Employees must be available and physically able to perform a job fourteen (14) days after it has been opened.

All eligible IBU employees will be allowed to bid for all Extended Temporary IBU deck vacancies in which they have the appropriate endorsement. However, no employee will be moved from their permanent position to fill an extended temporary position unless
they bid for and is actually assigned an extended temporary position. All positions will be awarded by seniority within the appropriate classification.

An employee assigned to an Extended Temporary must complete the Extended Temporary assignment. The exceptions are if the employee is awarded a permanent position or the employee is awarded a new lateral or upgraded extended temporary position according to Appendix A, Rule 1.05 B.

3. Extended temporary positions that have not been filled by the bid process above shall be offered to the most senior employees in the On-call Pool. In the event that no one accepts the position(s), the least senior employee(s) will be assigned, without the right of refusal, within thirty-five (35) miles of their home terminal. Assigned employees shall be paid at the permanent rate of pay for the position.

All extended temporary assignments end at the conclusion of a season. Upon completion of temporary assignments, employees will be returned to their permanent assignment. Mileage and travel time will not be paid to any employee who accepts an inter-department transfer. If requested by the employee, the Employer will provide, in writing, the reason(s) for not being selected for a temporary assignment.

C. Filling Temporary Vacancies for Thirty (30) Days or Less.
Temporary vacancies of thirty (30) days or less will be filled in the following manner: after an employee has been dispatched Dispatch has assigned an on-call employee to the watch, the actual vacancy which is the position of the absent employee, will be filled by either the permanent crew member or the on-call employee dispatched to the crew, whichever one has the most seniority in the vacated classification. For instance, if an AB position is vacant, then the AB dates of the OS crew members and the on-call employee dispatched would be compared and the one with the most seniority in the AB classification would fill the position. If the OS fills the AB position, then the OS position will be filled by either the OS crew member or the on-call employee with the most senior OS date, etc. No permanent crew member on the watch will be downgraded from their permanent position with this process. An on-call who selected an AB job per their seniority, on straight time, during the version process or daily dispatch, will be considered part of the permanent crew.

D. Port Townsend Spring Shoulder Schedule
The Port Townsend Spring Shoulder Schedule will be filled by Dispatch with either AB Relief or on-call Deck employees, when the Spring Shoulder Schedule is thirty (30) days or less. If more than thirty (30) days, it will be
filled in accordance with Summer Bid Period. The Summer Schedule Bid Period will include the Port Townsend Fall Shoulder.

E. **Employee Availability**

1. Employees must be available and physically able to perform a job thirty (30) days after it closes in order to be considered an eligible bidder. Similarly, an employee on approved leave of absence or sick leave may bid on job postings within thirty (30) days of their documented expected date of return to work.

2. Consistent with this Agreement, any permanently assigned employee who fails a drug/alcohol test will relinquish their permanent assignment. When the employee is certified to return to work, the employee will be placed on the on-call list by seniority until the next bid period.

3. Any permanently assigned employee who is medically unfit for duty will be eligible to return to their permanent assignment subject to fit for duty requirements. In the event that the employee is unfit for duty for more than six (6) months, the Employer retains the right to evaluate the status of the employee and to determine to bid the position as a permanent assignment. In the event the employee is certified to return to duty, the employee will be returned to their previous assignment as soon as practicable.

4. Employee’s unfit for duty for more than three hundred sixty-five (365) days. When an employee is absent for three hundred sixty-six (366) days the Employer will bid the position as a permanent assignment. In the event the employee is certified to return to duty, the employee will be returned to their previous assignment as soon as practicable. An employee returning from an absence of more than three hundred and sixty-five (365) calendar days will be reinstated to their former position which includes their shift, classification, and days off unless otherwise provided for by contract bidding requirements which occurred during the employee’s absence which would indicate and qualify the employee for a different shift.

1.06 Employees required to work in a higher classification will be paid at the pay equal to the higher classification for the period equal to the time in which the employee worked in the higher classification, unless more than four (4) hours is worked in a higher classification, then payment will be for eight (8) hours at the higher rate. Designated relief AB’s responding to an assignment shall receive no less than the Able-bodied Seaman AB Relief rate of pay.

C. Reliefs that have selected seventy-six (76) to eighty-five (85) hours of work have fulfilled their obligation to work in that work period and have now established days off. Reliefs will not be offered additional jobs until all Reliefs have met the seventy-six (76) hour threshold.

   For the purpose of achieving seventy-six (76) hours, seven (7) hour days will be calculated as eight (8) hours worked. If management suspects abuse of the seventy-six (76) hour rule, management may review this issue with individual employees.

D. Reliefs who have selected between seventy-six (76) and seventy-nine (79) hours have the right to refuse additional jobs. Overtime incurred in the application of this Rule is not in violation of the overtime list in Rule 10, Overtime.

E. **Unfilled Assignments**

   1. If a Relief does not select an available job and jobs are unfilled after initial selection, Reliefs shall be dispatched from the bottom of the seniority list upward to fill any remaining jobs.

   2. The least senior Relief will choose a remaining job. If multiple jobs exist on the list, the next Relief on the list will choose one (1) of the remaining jobs. This practice will continue moving from the bottom of the seniority list in an upward direction until all jobs are filled.

   3. Reliefs who were assigned a job by Subsections E 1 and 2 above, may choose to call dispatch daily to request a reassignment. At the request of these Reliefs, Dispatch shall offer reassignment by seniority, for any day the relief is available to work, provided it does not alter previously selected jobs.

   If a Relief chooses to switch an assigned day to any other day, the overtime rate of pay will not apply for the selected shift, for the day.
that was assigned if there is a minimum of twelve (12) hours prior to the start of at least one of the assignments. Dispatch shall offer the open position to the Relief requesting reassignment before offering the open position to On Call Employees. Before offering the open position to Reliefs as Extra Hours and before offering the open position on overtime from the Overtime Availability List. Dispatch will offer reassignment by seniority for the day that was assigned if there is less than twelve (12) hours prior to the start of both assignments. Reassigned days shall not alter any previously selected jobs.

F. Once all Relief employees have been contacted per the above process, Dispatch will contact, in seniority order, all AB and OS on-call employees and offer them all unfilled job assignments, per seniority. This process will continue until all known jobs have been filled or all on-call employees have been offered the available work.

G. Cancellation of Relief Assignments
When a Relief has a job cancelled, the Relief shall be assigned only to jobs that appear in the Deck Schedule as an AM or PM shift or additional work that falls outside of the deck schedule (i.e. sea trials, annuals, boat moves) between the hours of midnight to midnight. Reliefs shall not be assigned to Graveyard shifts, or any shift that interferes with previously scheduled work or the Relief’s Free Days. In no instance can a new assignment conflict with the Twelve (12) Hour Rule.

H. OS Reliefs do not have the right to promote per Rule 19.01 and Appendix A, Rule 1.05.C except as follows:

OS Reliefs who make their job selections through this process will be considered part of the regular crew and will be able to utilize their AB seniority for the purpose of promotion as outlined in Rule 19.01 and Appendix A, Rule 1.05.C, except when an open multi-day AB job assignment starts prior to the arrival of the OS relief to the crew. In that situation, the OS relief will not have the right to promote to the AB assignment.

I. Bumping Not Allowed
Once Reliefs have selected their shifts they cannot bump another Relief out of their selection and cannot relinquish their pre-selected shifts for a different opening. Relief employees previously assigned to other job assignments will be offered, in seniority order, open positions on annuals, boat moves, and/or sea trials, created in AOSS more than twenty-four (24) hours in advance of the assignment.

5.09 Regular Relief Initial Dispatch Rules

A. During the initial selection processes as detailed in Rule 5.08, above, Reliefs will be called in seniority order between 0800 and 1900 hours, or anytime that a Relief is on duty. If a Relief is at work they will be called on the ship’s telephone or the ship’s radio in order to make contact with the Relief.

B. After each Relief has made a selection, within thirty (30) minutes the dispatcher shall send the next Relief the most current version, along with an update of what each previous Relief selected via to the employees WSF email address and call the Relief informing them the updated list has been sent. The Relief will then have thirty (30) minutes to select from open assignments; if the Relief does not return the call within thirty (30) minutes, the dispatcher may move on to the next Relief. However, a Relief working on the Seattle-Bremerton route, the Anacortes-San Juan-Sidney route or who is in transit to or from work will have one (1) hour to return the call. Relief’s that are at work will be afforded reasonable time to fulfill job selections based on route and workload.

C. When the Relief Deck employee, who has not returned the phone call to dispatch in the timeframe listed above, does make contact with dispatch the Relief will be offered all remaining jobs that are still remaining in the initial selection process.

D. Failure to return a phone call in the timelines listed will not jeopardize a Relief’s claim to guaranteed time unless the Relief is the least senior Relief for the day of the job assignment.

5.10 Day-to-Day Relief Dispatch

A. If insufficient work is available or a Relief has selected less than seventy-six (76) to eighty-five (85) hours, day-to-day dispatching of incoming assignments will be offered by seniority to Reliefs available on that day.

B. When called, a Relief may turn down the job offer, as long as there is a less senior Relief available for that job assignment. The least senior Relief must take the job assignment.

C. Reliefs who have selected less than seventy-six (76) hours in a work period may be offered any assignment that totals seventy-six (76) to eighty-five (85) hours worked.

D. When an assignment is offered where the total hours worked would exceed eighty-five (85) hours it may be rejected without penalty. However, Reliefs may elect to accept offered assignments that exceed the eighty-five (85) hour threshold.
E. Any Relief who has not reached seventy-six (76) hours is subject to assignment up to eighty-five (85) hours.

F. Job assignments that are received by WSF Dispatch that are less than three (3) hours from the time of the job, are not subject to the time lines above. Calls made to the Relief will be in seniority order to find the first available Relief who will be available to work at the start of the work shift.

G. When calling Reliefs on their free day(s) off, Dispatch will state, “this is your free day, would you like to know all jobs available?” If the Relief says “yes,” then Dispatch will proceed reading all available jobs. At this point the Relief either chooses a job or takes their free day(s). Once a Relief has chosen to take their free day(s) they will be entered in AOSS as free days and Dispatch will not need to call again for any open jobs.

H. If a Relief is called on their free day(s) and Dispatch is in assignment mode (last available by seniority), they may ask to hear all jobs available without the risk of being assigned if no job is taken.

5.11 Refusals and Violations

A. A refusal will be given on days when an employee is required to be available for work, work is offered and employee does not return a phone call. Bypass pay shall not apply when an employee has a refusal for any days of which an attempt to offer work as defined in Appendix A 5.08 A had been made. This process shall apply to free days however no refusal will be recorded on a Free Day.

1. First Call – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, the Employer shall move on down the list. If the employee does not return the call it shall be refusal number one (1).

2. Second and or Additional third Calls – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, for any additional calls, dispatch will place a call to the relief employee for work available during daily dispatch. Should the Relief deck employees not pick up the call placed by the dispatcher, a message will be left for the employee. Dispatch need not observe the fifteen (15) to thirty (30) minute timeframe for the remainder of the current day. After the third call there will be no further obligation to call the employee that day.

B. Four (4) refusals in a work period shall constitute a violation. If an employee accepts any job on a day in which they were previously marked as having a refusal, the refusal shall not be counted. A Relief Deck employee can only accrue one (1) refusal on any given day.
1. **First Violation**
An employee that has one (1) violation must choose from all available jobs when called in order to fill their obligation of seventy-six (76) to eighty (80) hours or they shall be assigned for the work period following the violation.

2. **Second Violation**
An employee that has a second violation shall be assigned for the rest of the current season. Violations will reset the next season for an employee that has no additional violations in the current season.

3. **Third Violation**
The employer shall assign the employee for the remainder of the current season and the next season. Violations will be reset after the employee has not had any violations for one (1) season.

4. **Fourth Violation**
The employee shall be placed into on-call status for the remainder of the current season. An employee who loses their relief position cannot return to a relief position until the start of the third season after the fourth violation.

5.12 **Expedited Dispute Resolution Process:**
The parties expressly agree and understand that, for purposes of disputes concerning the administration of the DDSP, the dispute resolution procedure contained herein is the sole and exclusive negotiated dispute resolution system available to represented employees.

A. In the event of such a dispute, the parties agree upon the following process:

1. Within fifteen (15) days of the alleged violation of the DDSP, the IBU will notify WSF, in writing, of the violation. The notice shall include the name of each affected employee, the date(s) and nature of the violation, the section of the DDSP believed to have been violated, and the relief requested. The notice may be delivered by mail, fax, or in person. Time periods specified herein shall run from the date of actual receipt. All notices shall be to a Port Captain.

2. Within five (5) working days of receipt of the notice referred to above, the Port Captains will schedule a meeting with an IBU representative to discuss the dispute. The meeting will be scheduled as expeditiously as possible, but in no event more than ten (10) working days from receipt of the notice. In the alternative, WSF may inform the IBU in writing that the relief requested in the notice will be granted in full.
3. If a meeting is held pursuant to Subsection 2 above, it shall be between a Union and a WSF representative with full authority to settle the dispute. If the matter is settled at the meeting, the representatives will reduce the settlement to writing and sign and date the writing. No specific format or requirements are prescribed and any writing mutually understood by the representatives shall be deemed adequate.

4. If the representatives do not settle the matter, a second meeting shall be scheduled with the Independent Arbitrator. The meeting shall be scheduled as expeditiously as possible, but in no event more than fifteen (15) days from the date of the WSF – IBU meeting, unless the Independent Arbitrator approves scheduling at a later time.

5. At the meeting with the Independent Arbitrator, WSF and IBU will each send one (1) representative, not a lawyer. Additional individuals may attend the meeting with the prior approval of the Independent Arbitrator. The representatives shall each have the opportunity to present information concerning the dispute to the Independent Arbitrator, orally and/or in writing. No witnesses will be called. The Independent Arbitrator shall have sole and unfettered discretion to consider any evidence that is presented by the representatives, as well as to limit the length or volume of information presented. The Independent Arbitrator shall have the authority to question the representatives and ask for further information, and to control the conduct of the meeting in any fashion.

Within ten (10) days of the conclusion of the meeting referred to in Subsection 5, above, the Independent Arbitrator shall inform the parties in writing of their decision. The decision shall not alter or amend the terms of the DDSP. The Independent Arbitrator shall have no authority to make any ruling based upon authority outside of the DDSP. Typically, the parties contemplate that the decision of the Independent Arbitrator will consist of a statement as to whether any relief is to be granted and, if so, what relief and to whom it shall be granted. The Independent Arbitrator may also include in their decision any analysis or reasoning they feel appropriate for the benefit of the parties.

Rule 7 – Part-time and On-call Deck Employees

APPENDIX A
DECK DEPARTMENT PERSONNEL

7.01 Part-time employees may be assigned and required to work any shifts described in the Agreement and its Appendices as well as shifts of lesser duration. An employee reporting to a shift shall be paid not less than four (4) hours straight-time pay for each shift worked.

A. Part-time watches shall be bid as permanent jobs according to Appendix A, Rule 1.05. (Appendix A, Rule 1.04 excludes part-time watches from bumps in the event of shift changes.)

B. Employees can bid into or out of full-time or part-time watches as extended temps per Appendix A, Rule 1.05 B.

C. Employees on part-time watches that are interested in working extra hours on their days off shall fill out an availability sheet each season as to whether they want to be called to work extra hours on their days off.

D. Employees on part-time watches may be called and offered extra work on their days off subject to Appendix A, Rule 7.03, with the exception that in Appendix A, Rule 7.03 E, the number of refusals does not apply, and Rule F. 1, 2, & 3 do not apply. All other language in this Rule applies.

E. After Reliefs and on-calls have been offered the work and jobs remain unfilled, an employee(s) on a part-time watch who elects to be available for work on their days off will be called by dispatch and offered the additional work, per the Deck Dispatch by Seniority System (DDSS). They will be offered work by seniority at the time they are called.

F. Part-time employees shall be offered available work prior to the assigning on-call employees.

7.02 Part-time and on-call employees may be employed subject to the following conditions:

A. The maximum number of part-time positions throughout the system to be included on the supplemental lists under Rule 19.06 shall be ten (10) for Vessel Department.

B. All hours worked in excess of an assigned watch or eighty (80) hours in any two (2) week work schedule shall be paid at the overtime rate, provided that employees who are working in positions which are affected by other overtime provisions in the Agreement or its Appendices shall be paid overtime as provided for in such provisions.
C. **WSF and the IBU will meet to evaluate staffing needs, in establishing the number of free days to allocate to each work day. If agreement is not reached in one (1) day, WSF has the right to assign free days. A free day is a pre-scheduled single calendar day assigned on a seniority basis. Free days will be assigned for each seasonal bidding period. It is the parties’ intention to maintain the current practice in this regard.**

### 7.03 On-Call Deck Employees

A. IBU Deck on-call employees will be assigned two (2) consecutive free days per week that will be repeated every week on the same days. **Prior to the start of the summer and fall seasons free days will be bid by seniority. Free day choices will be:**

- (Sun/Mon)
- (Mon/Tues)
- (Tues/Wed)
- (Wed/Thurs)
- (Thurs/Fri)
- (Fri/Sat)

**No more than seventeen percent (17%) of the number of on-call employees shall be assigned to any consecutive free days.** An employee, who chooses to observe all free days for the season shall notify WSF on a form provided by WSF at the beginning of the season. By exercising this option, Dispatch will not be required to call the employee to work on their free days.

B. **Seniority. WSF will dispatch on-call employees by seniority, except in cases of emergency, where year round positions must be filled in order for WSF to maintain COI or contract manning requirements.**

C. **Deck Dispatch by Seniority Process**

On-Call AB and OS employees will be offered all available jobs via the Version 1 job selection process as described in Appendix A, Rule 5.08 F.

D. **Daily Dispatch. All AB jobs will be offered first then all OS jobs will be offered to the on-call employee. If an on-call employee accepts an OS job, but subsequently becomes eligible (by seniority) for an available AB job, WSF will call the employee back and offer the employee the AB job if the start times for both the OS and AB jobs are more than four (4) hours away.**

Prior to the work cycle for on-calls, Dispatch will email to the employees WSF email address all Open Relief assignments (Version One [1]), for both AB and OS/OSE jobs to the on-call employees. **Those employees that do not have an e-mail address, may receive the Open Relief Requests aboard the vessel.**

**To facilitate the filling of jobs Dispatch must leave a message detailing the classifications of jobs and the days of work they are calling for if the employee does not answer.**
E. Dispatcher’s Inquiry. Before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “are you available for work today?” If the employee says “no” due to illness they must immediately inform the dispatcher that they are ill. The dispatcher will enter this information as a sick day for this employee in the dispatch log.

*If an on-call is called on their free day(s) and Dispatch is in assignment mode (last available by seniority), they may ask to hear all jobs available without the risk of being assigned if no job is taken.*

When dispatch is in assignment mode, before offering any job assignment the dispatcher’s first statement to an employee for job assignments will be, “I am in assignment mode, are you available for work today?” If the employee says “no” due to illness they must immediately inform the dispatcher that they are ill. The dispatcher will enter this information as a sick day for this employee in the dispatch log.

F. Acceptance/Refusal of Work. Employees shall inform dispatch via email as to the method for Dispatch to contact them for work. WSF Dispatch must give on-call Deck employees a minimum of fifteen (15) minutes to respond to a page, text, voice mail or voice message left on a cell/mobile phone, or message or answering machine before marking that employee as failing to respond, which shall constitute a refusal of offered work, unless that employee accepts a shift later that day. If the employee is working onboard a vessel, the Employer will contact the vessel via radio and the captain will direct the employee to contact dispatch within thirty (30) minutes. If the employee does not return the phone call within thirty (30) minutes the employee shall be considered unavailable and that constitutes a refusal of offered work. *This process shall apply to free days however no refusal will be recorded on a Free Day.*

1. First Call – If the employee does not respond within fifteen (15) to thirty (30) minutes of the first call, the Employer shall move on down the list. If the employee does not return the call it shall be refusal number one (1).

2. Second and/or Additional and third Calls – Should the on-call employees not pick up the call placed by the dispatcher, a message will be left for the employee. Dispatch need not observe the fifteen (15) to thirty (30) minute timeframe for the remainder of the current day unless the employee is on watch. *After the third call there will be no further obligation to call the employee that day.*

Employees may not refuse more than two (2) times within a work cycle during the summer schedule, and not refuse more than three (3) times within a work cycle during the remainder of the year; no refusals will be on consecutive days or in conjunction with employee’s free days, except as
otherwise noted in [Appendix A Rule 7.03 G.1](#). WSF Dispatch has the right to move down the seniority list to find available employees if the Dispatcher determines that a reasonable risk exists that a position could go unfilled. When dispatch cannot fill positions by calling on-call employees and making offers, they will then have the right to assign an on-call employee to vacancies within their thirty-five (35) mile zone by assigning the least senior employee contacted. The employee will not have the right to refuse the assignment.

Dispatch is made on the basis of three (3) time periods with applicable rules that are associated with each as per the following table:

<table>
<thead>
<tr>
<th>Hours before dispatch</th>
<th>Dispatch and employee responsibilities</th>
</tr>
</thead>
<tbody>
<tr>
<td>Four plus (4+) hours</td>
<td>When dispatch calls the employee between 7:00 am and 7:00 pm the employee is given fifteen (15) minutes to respond. The employee is informed of all jobs available and may select their choice. Refusal to respond within fifteen (15) minutes or refusal to work is a marked refusal. Employees not granted fifteen (15) minutes might qualify for Bypass. Phone logs determine the facts of Bypass. Employees calling back after fifteen (15) minutes shall be informed of all remaining jobs. An employee taking a job this day nullifies a prior marked refusal.</td>
</tr>
<tr>
<td>Less than four (4) hours but greater than two (2) hours or after 7:00 pm</td>
<td>Dispatch proceeds down the seniority list-calling employees informing them of all jobs available until an employee takes the assignment. There is no marked refusal and bypass does not apply. To provide additional opportunity for dispatch to fill afternoon assignments for the following day, dispatch will be allowed to continue calling between 7:00 pm and 8:30 pm and employees have fifteen (15) minutes to respond, and bypass does not apply. After 8:30 pm only am shifts for the following day will be dispatched.</td>

Appendix A – Deck Department Personnel

Rule 7 – Part-time and On-call Deck Employees

| Less than two (2) hours or two (2) hours prior to the closing of Dispatch | WSF Dispatch has the right to move down the seniority list to find available employees if the Dispatcher determines that a reasonable risk exists that a position could go unfilled. When dispatch cannot fill positions by calling on-call employees and making offers, they will then have the right to assign an on-call employee(s) to vacancies within their zone by assigning the least senior employee contacted. The employee will not have the right to refuse the assignment. |

An Employee whose shift ends between 0200 and 0700 may call dispatch when starting the shift or before the Dispatch office closes for next day job assignments. Dispatch shall not call such employees until eight (8) hours after the shift ends unless directed otherwise by the employee.

G. An employee who refuses work outside a thirty-five (35) mile radius as described in Schedule A of the contract from the employee’s designated home terminal shall not be considered unavailable. Except that an employee home ported at the Clinton Terminal will not be called for any morning watch commencing at Bremerton or Bainbridge. Any employee who lives on the east side of Puget Sound may opt out of morning watches that commence on the west side and are being dispatched after 1900 hours the night before by notifying the employer at the beginning of each work period. Should the employer be unable to staff a vacancy they will assign as according to Rule 6.

1. Refusals shall not be made on consecutive days or allowed to be combined with an employee’s free days, except with the following conditions: twice in a season (summer, fall, winter, and spring), an on-call may elect to combine their refusals with their free days. Administration of this section is done on a periodic audit basis, which would indicate the need for sanction.

2. Disciplinary actions associated with documented refusals: The parties adopt the following sanction system regarding violations by on-call employees of the working requirements of the on-call Rules. The following sanctions are agreed to be a just cause system without need for considerations for mitigating circumstances. The sanctions are implemented when the following disciplinary refusals occur.

3. Violation of more than the “allowable” marked refusals in a work cycle results in the following sanctions:

   a. First violation = verbal warning
Appendix A – Deck Department Personnel
Rule 7 – Part-time and On-call Deck Employees

b. Second violation within six (6) months = written warning and loss of employee’s right to refuse any jobs for a period of eight (8) weeks that will cease from the date of the rule violation.

c. Third violation within six (6) months = employee enter into a one (1) year continuation of work agreement and must take the next available permanent position if applicable. The continuation of work agreement satisfies the suspension aspect of progressive discipline.

d. Fourth violation within one (1) year = a sustained fourth violation would be just cause for termination.

H. WSF will dispatch the on-call employees by seniority after all Regular Relief Deck employees have made their selections and/or have been assigned for their seventy-six (76) to eighty (80) hours in the work period.

Work offered consists of a documented call from WSF Dispatch. If the assignment includes all or part of the employee’s free day(s) the employee may either reject the assignment or may waive their free day(s) and accept the assignment. If the employee rejects the assignment WSF will not penalize the employee except in the case of an emergency. If the employee accepts all or part of the assignment Rule 10.07 will have no application on free day(s); simply waiving free day(s) does not entitle an on-call Deck employee to overtime.

1. If an on-call Deck employee rejects any assignment, or accepts only a fragment of a multiple day assignment, due to a conflict with a free day, then WSF will be entitled to offer the rejected assignment, or the unassigned fragment to another employee;

2. If an on-call Deck employee accepts an assignment of five (5) days or more in duration, then that employee will assume the day(s) off of the relieved employee in lieu of the relieving employee’s free day(s);

3. If an on-call Deck employee accepts any single day, touring watch, or multiple day assignment (including any scheduled time off occurring with a multiple day assignment of the relieved employee), that begins on, ends on, or includes all or a part of a free day, then that employee will have waived their affected free day(s);

4. If an on-call Deck employee is asked to take an assignment within the range of two (2) days (excluding touring watches) up through four (4) days in duration (including any scheduled time off occurring with a multiple day assignment of the relieved employee) that begins
on, ends on, or includes all or a part of a free day of the relieving on-call employee then the relieving on-call employee will have the following options:

a. Accept the entire assignment;

b. Reject the entire assignment; or

c. Accept a fragment of that assignment that precedes the relieved employee’s scheduled time off or the relieving employee’s free days, whichever event occurs first.

**APPENDIX B**

**TERMINAL DEPARTMENT**

The following rules are in addition to Rule 1 through Rule 36 and apply to the Terminal Personnel only; when there are conflicting Rules resulting from the general contract or Appendix B, the Rules in this Appendix shall be the applicable Rule governing Terminal Employees.

**RULE 3 – TERMINAL VACATIONS**

**3.01 Year Round Employee Pre-Selection Process**

The Employer will determine the number of vacation slots at each individual terminal to be open for vacation selection by employees assigned to that terminal in order to allow terminal employees to reasonably utilize their accrued vacation leave. Vacation selections will be done by company WSF seniority (date of hire). Vacation pre-scheduling will commence on the first Monday of the fall sailing schedule for the succeeding year. If employees are not available or they choose to, they may submit vacation picks prior to the first Monday of the fall sailing schedule by preference sheet. Year round employees with one (1) to eight (8) years of employment with the Employer must select a “minimum” of eighty (80) hours for the next calendar year that will be selected on the forty (40) hour vacation calendar. All year round employees with nine (9) plus years of employment with the Employer must select a “minimum” of one hundred twenty (120) hours for the next calendar year that will be selected on the forty (40) hour vacation calendar. If the required number of vacation weeks are not selected, the employee will be assigned vacation per WSF seniority. The forty (40) hour blocks will coincide with their days off. Relief employee’s vacation days will be determined by the prior work week. If they worked eight (8) hour days they will be entitled up to nine (9) consecutive days off. If they worked ten (10) hour days they will be entitled up to ten (10) consecutive days off. Year round terminal employees will select vacation at the terminal where the employee holds a year round shift when the vacation pre-selection process begins. (Note: Rule 18.13 applies to this Section). WSF shall ensure employees are able to take all vacation and comp time they were awarded during the forty (40) hour vacation calendar selection period. All forty (40) hour block vacation requests must be done sixty (60) days from commencement of the fall sailing schedule. Vacation will be scheduled by date of hire seniority.
