PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and the Washington Federation of State Employees, AFSCME, Council 28, AFL-CIO, referred to as the “Union.” It is the intent of the parties to establish employment relations based on mutual respect, provide fair treatment to all employees, promote efficient and cost-effective service delivery to the customers and citizens of the State of Washington, improve the performance results of state government, recognize the value of employees and the work they perform, specify wages, hours, and other terms and conditions of employment, and provide methods for prompt resolution of differences. To that end, both parties are committed to the support and encouragement of diversity, equity and inclusion in a pro-equity anti-racism workplace environment. The Preamble is not subject to the grievance procedure in [Article 29](#), Grievance Procedure.

ARTICLE 1

UNION RECOGNITION

- 1.1** This Agreement covers the employees in the bargaining units described in Appendix A, titled “Bargaining Units Represented by the Washington Federation of State Employees,” but it does not cover any statutorily excluded positions or any positions excluded in Appendix A. The titles of the jobs listed in Appendix A are listed for descriptive purposes only. This does not mean that the jobs will continue to exist or be filled.
- 1.2** The Employer recognizes the Union as the exclusive bargaining representative for all employees in bargaining units described in Appendix A and Section 1.3, below.
- 1.3** If the Public Employment Relations Commission (PERC) certifies the Union as the exclusive representative for a bargaining unit in general government during the term of this Agreement, the terms of this Agreement will apply.

ARTICLE 2

NON-DISCRIMINATION

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, status as a breast/chestfeeding parent, marital status, race, color, creed, national origin, political affiliation, military status, status as an honorably discharged veteran, disabled veteran or Vietnam era veteran, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, genetic information, status as a victim of domestic violence, sexual assault or stalking, citizenship, immigration status or because of the participation or lack of participation in union activities. Bona fide occupational qualifications based on the above traits do not violate this Section.
- 2.2** Both parties agree that unlawful harassment will not be tolerated.
- 2.3** Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within twenty-eight (28) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.
- 2.4** Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.
- 2.5** **Diversity, Equity, and Inclusion**
The Employer, the Union and its members value, support and encourage diversity, equity and inclusion.

ARTICLE 3

BID SYSTEM

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

3.1 Applicability

- A. This Article applies only to staff employed at the Department of Veterans Affairs (DVA), and who work in positions that may require relief or coverage. This Article also applies to employees at an institution in the Department of Social and Health Services (DSHS), the Department of Children, Youth, and Families (DCYF), the School for the Blind (WSSB), Center for Deaf and Hard of Hearing Youth (CDHY), Washington State Lottery (LOT), ([Section 3.11](#) only), Department of Agriculture (WSDA), ([Section 3.12](#) only) and the Washington State Patrol (WSP) ([Section 3.13](#) only). For purposes of this Article, the Special Commitment Center (SCC) and the Secure Community Transition Facilities (SCTF) within the Department of Social and Health Services (DSHS) will be considered one (1) institution.
- B. This Article does not apply to the filling of non-permanent, on-call, project or, except at the WSSB and the CDHY, career seasonal positions.
- C. State Operated Living Alternatives (SOLA) with the Department of Social and Health Services. The parties recognize and agree that the foremost responsibility of the SOLA program is to support individuals based on their preference and need. With this principle in mind, the parties agree that Article 3, Bid System will apply to the SOLA program with the following limitations:
 - Employees may bid between SOLA homes located in the same county where their position is permanently assigned.
 - The Appointing Authority or Designee may reassign an employee within the first sixty (60) calendar days after the bid process placement into a position if a client expresses concerns working with that staff member. The concerns and any attempts to resolve the concerns will be documented and presented to the Director of State Operated Community Residential (SOCR). No reassignment will occur without the approval of the Director of SOCR. This type of reassignment will not be documented as or characterized as a disciplinary action. If an employee is reassigned, as described in this Subsection, the employee will not be prohibited from bidding to other locations.
 - Reassignment from a bid position under [Article 3.10](#), occurring within the first sixty (60) calendar days as described above, is not subject to the grievance procedure in [Article 29](#) when the reassignment is based on client need or choice.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

A. Bid Positions

Positions filled as a result of a bid.

B. Bid System

A process allowing employees with permanent status to submit bids to other positions within their employing institution and in the same job classification in which they currently hold permanent status, or to a lower classification in which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completion of one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid on part-time positions in the same job classification in which they currently hold permanent status or to a lower classification in which they have previously held status.

C. Position

A particular combination of shifts and days off, except for the DSHS and DVA. In DSHS and DVA, a position is defined as a particular combination of shift, days off and location. Within institutions at DSHS and DCYF, a “float” designation shall be considered a location for bid purposes when the institution has a float pool with permanent positions.

3.3 Components of a Bid

Bids will indicate the employee’s choice of shift, days off (and, for DSHS and DVA, location) and job classification. Employees will be responsible for the accuracy of their bids. Each bid will remain active for a period of six (6) months from the date submitted by the employee.

3.4 Submittal and Withdrawal of Bids

Any bids submitted after the date a vacancy is considered to have occurred will not be considered for that vacancy. Employees may withdraw their bids, in writing, at any time prior to the referral.

3.5 New Positions or Reallocated Positions

When a new position is established or a vacant position is reallocated, the Employer will post the position for seven (7) calendar days if the combination of shift and days off (and, for DSHS and DVA, location) does not currently exist. The agencies will use electronic and/or hard copy methods for notification, which shall include email notifications to eligible employees.

3.6 Vacancy

For purposes of this Article, a vacancy occurs when:

- A. An employee notifies management, in writing, that they intend to vacate their position; or

- B. Management notifies an employee, in writing, that the employee will be removed from their position.

3.7 Awarding a Bid

When a permanent vacancy occurs, the Employer will determine if any employee has submitted a bid for the shift and days off. Seniority will prevail provided the employee has the skills and abilities necessary to perform the duties of the position. An employee's bid request may be turned down if the employee has documented attendance or performance problems. The employee will begin working in the new position within forty-five (45) calendar days of being awarded the bid unless circumstances warrant otherwise.

3.8 Commitment Following an Award or Refusal of a Bid

- A. For all agencies except DSHS and DCYF, when an employee has been awarded a bid, or refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The six (6) month period will begin on the first day the employee is assigned the new shift and/or days off. All other active bids the employee has on file will be removed from the bid system.
- B. For DSHS and DCYF, when an employee has been awarded a bid, the employee will be prohibited from requesting other bids for a minimum of twelve (12) months. If an employee refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The time period will begin on the first day the employee is assigned the new shift, days off and/or location. All other active bids the employee has on file will be removed from the bid system.

- 3.9 Whenever there is need for a major change in residential settings such as elimination of positions or major changes to shifts or assignments, the Union and the Employer may agree to suspend the procedure described in [Sections 3.3](#) through [3.6](#) and [3.8](#) above and allow all employees to bid on positions, which will be filled in accordance with the procedures in [Section 3.7](#) of this Article.

3.10 Reassignment from a Bid Position

Nothing in this Article will preclude management from reassigning an employee from their bid position to another position on a different shift or to a position with different days off, provided the employee is notified, in writing, of the reason(s) for the reassignment. A copy of the notice will be sent to the Union.

3.11 Washington State Lottery

- A. Prior to a vacant District Sales Representative (DSR) position being open for recruitment, the Regional Sales Manager will have the opportunity to realign or reassign territories. Input from the DSRs within the region will be considered, and the Lottery will look for ways to incorporate changes with the least amount of negative impact to the DSRs. The Regional Sales Manager will determine the position to be open for recruitment, after considering input from the DSRs within the region.

- B. All DSRs statewide will be notified of vacancies within the bargaining unit. DSRs indicating an interest in a transfer to the vacant position will be considered utilizing the following criteria:
 - 1. Demonstrated service to retailers.
 - 2. Efficiency and effectiveness of performance.
 - 3. Seniority based on employee preference.
- C. If the employee is not selected after consideration of the first two (2) criteria listed above, the Regional Sales Manager will discuss with the employee the reason(s) for the decision.

3.12 Department of Agriculture – Grain Inspection Program

Bidding and assignment of permanent work shifts for bargaining unit employees will be performed annually, unless a shorter period of time is mutually agreed to between the parties, or at the addition or deletion of a work shift. Seniority criteria for awarding a bid will be based on uninterrupted service date, not including military time, and with due regard for needs of industry, the Employer and employees.

This Section does not apply to employees in an inspector in-training series.

3.13 Washington State Patrol – Fingerprint Technicians, Leads and Supervisors

Bidding and assignment of permanent work shifts for Fingerprint Technicians, Leads and Supervisors will be performed semi-annually in January and July. New shifts begin on the Sunday closest to January 1 or July 1 regardless of the month in which the Sunday occurs. Openings will be provided for a period of twenty-eight (28) calendar days prior to the beginning of a new schedule and eligible employees may bid on openings during this period. Fingerprint Technician 1s will be subject to training requirements and may be assigned to a shift to meet training needs during probationary periods.

ARTICLE 4 HIRING AND APPOINTMENTS

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

4.1 Filling Positions

The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.

- A. An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 34](#), Layoff and Recall, of this Agreement and are confined to each individual agency.

- B. The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with [WAC 357-46-080](#).
- C. A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the agency.
- D. A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the agency.
- E. A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum within the agency.
- F. When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
 - 1. The most senior candidate on the agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
 - 2. If there are no names on the internal layoff list, the agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the agency may consider up to ten (10) additional tied candidates. The agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.
 - 3. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
 - 4. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the agency may add up to three (3) affirmative action candidates to the names certified for the position.
 - 5. When recruiting for multiple positions, the agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

4.2 Recruitment and Application Process

Agencies will determine the recruitment process used to fill positions. When recruiting for a bargaining unit position, the recruitment announcement will be posted for a minimum of

seven (7) calendar days and will specify whether the position may be eligible for telework in accordance with agency policy. One (1) recruitment announcement may be used to fill multiple open positions. A recruitment announcement may also be used to fill positions in addition to those listed in the recruitment announcement if the recruitment announcement includes a statement indicating that intent at the initial time of posting. Once all the position(s) from the recruitment announcement are filled, the recruitment announcement may only be used to fill additional open positions for the next sixty (60) days. An agency may accept applications/recruit through the Department of Enterprise Services' online recruiting system, agency electronic process, and/or paper applications as indicated on the recruitment announcement. In addition, agencies may use their intranet to post positions. Agencies that use the Department of Enterprise Services' online recruiting system will accept and process agency-defined paper forms. Upon request, agencies will assist employees through the application process.

4.3 Movement – Permanent Employees

A. Within an Agency

1. Prior to certifying candidates for vacancies in accordance with [Section 4.1](#), an Appointing Authority will review all requests and may grant an administrative transfer, voluntary demotion or elevation within an agency as long as the permanent employee has the skills and abilities required to perform the duties of the position.
2. Employees desiring a transfer, voluntary demotion or elevation may initiate a request in writing to their agency human resources office, or for DSHS, to the appropriate Appointing Authority.
3. Appointing authorities will consider these individuals for an opening. Movement requests will be purged twice yearly on June 30 and December 31.
4. Candidates interviewed will be notified of the hiring decision.
5. This Subsection does not apply to those positions that have a required bid system established in accordance with [Article 3](#), Bid System, unless the position remains vacant after the completion of the bid process.
6. In addition, employees who are interested in a transfer, voluntary demotion or elevation within an agency may also apply in accordance with the processes outlined in [Section 4.2](#), above.

B. Outside the Agency

1. Prior to certifying candidates for vacancies in accordance with [Section 4.1](#), an Appointing Authority may grant an administrative transfer, voluntary demotion or elevation to a candidate from another agency as long as the permanent employee has the skills and abilities to perform the duties of a position.

2. Employees transferring, demoting or elevating from outside the agency will be required to serve a six (6) month review period. Agencies may extend the review period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months.
3. The Employer may separate an employee or an employee may voluntarily separate during the review period. Upon separation, and at the employee's request, the employee's name will be placed on the agency's layoff list. The employee will remain on the list until such time as their eligibility expires or they have been rehired.
4. An employee who is separated during their review period may request a review of the separation by the Director or Secretary of the agency or designee within twenty-one (21) calendar days from the effective date of the separation. Separation during the review period will not be subject to the grievance procedure in [Article 29](#), Grievance Procedure.

4.4 Permanent Status

An employee will attain permanent status in a job classification upon their successful completion of a probationary, trial service or transition review period.

4.5 Types of Appointment

A. Non-Permanent

1. The Employer may make non-permanent appointments to fill in for the absence of a permanent employee, during a workload peak, while recruitment is being conducted, or to reduce the possible effects of a layoff. Non-permanent appointments will not exceed twelve (12) months except when filling in for the absence of a permanent employee or to reduce the effects of a hiring freeze. A non-permanent appointee must have the skills and abilities required for the position.
2. A permanent employee who accepts a non-permanent appointment within their agency will have the right to return to their prior permanent position in the agency or to a position in the permanent classification they left at the completion of the non-permanent appointment; provided 1) the employee has not left the original non-permanent appointment, or 2) multiple non-permanent appointments have not exceeded a total of twelve (12) months, unless the original Appointing Authority agrees otherwise. Employees who are accepting a non-permanent appointment will be notified of their return rights within their appointment letter.

An employee with permanent status may accept a non-permanent appointment to another agency. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify their current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the agency and the duration of those return rights. At a

minimum, the agency must provide the employee access to the agency's internal layoff list.

3. The Employer may convert a non-permanent appointment into a permanent appointment if the Employer used a competitive process to fill the non-permanent appointment or if the non-permanent appointment was filled using a veteran placement program. In such circumstances the employee will serve a probationary or trial service period. The Employer must follow [Article 3](#), Bid System or appoint an internal layoff candidate, if one exists, before converting an employee from a non-permanent appointment to a permanent appointment.
4. Time spent in the non-permanent appointment will count towards the probationary or trial service period if the employee and the employee's position is converted from a non-permanent appointment to a permanent appointment in accordance with [Subsection 3](#) above.
5. Time spent in the non-permanent appointment may count towards the probationary or trial service period for the permanent position within the same job classification. When non-permanent time is not counted towards the probationary or trial service period, the reason(s) will be provided to the employee in writing.
6. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee. If an employee is terminated for misconduct and the misconduct for which the employee is terminated is documented in the personnel file, just cause will apply.
7. Employment Security Department
In addition to [Section 4.5 A.1](#) above, non-permanent appointments may be made during periods of economic downturn. Such appointments may exceed twelve (12) months. For the purposes of this Subsection:
 - a. An economic downturn begins when the average seasonally adjusted total unemployment (SATUR) equals or exceeds six and a half percent (6.5%) for the past three months and the SATUR is at least one hundred and ten percent (110%) of the average in either or both of the corresponding three (3) month periods in the two (2) prior calendar years.
 - b. The economic downturn ends when the SATUR falls below six and a half percent (6.5%) for the past three months; and the SATUR is less than one hundred and ten percent (110%) of the average in either or both of the corresponding three (3) month periods in the two (2) prior calendar years.
 - c. Non-permanent appointments in place when the economic downturn begins, and non-permanent appointments made

during the economic downturn, may be extended up to twelve (12) months after the economic downturn ends.

- d. When an economic downturn has begun as defined above and ESD determines this Subsection will need to be implemented, ESD will provide written notice to the Union.

B. On-Call Employment

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving notice to the employee. If an employee is terminated for misconduct and the misconduct for which the employee is terminated is documented in the personnel file, just cause will apply.

C. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will determine and document the training program, including a description and length of the program. The in-training plan must include:

- a. The title of the goal class of the in-training plan.
- b. The duties and responsibilities of the goal class.
- c. The job classes that will be used to reach the goal class.
- d. The skills and abilities that must be acquired by the employee while in-training to the goal class.

The training plan may include any of the following components:

- e. On-the job training;
- f. Classroom or field instruction;
- g. Courses conducted by an educational institution, vocational school, or professional training organization; or
- h. Written, oral and/or practical examinations(s).

Unless other staffing methods have been exhausted, positions with primary responsibility for supervision will not be designated as in-training positions.

2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service any employee who has completed the probationary period for an in-training appointment but does not

successfully complete the subsequent trial service period(s) required by the in-training program. Employees who are not successful may be separated at any time with one (1) working day's notice from the Employer. Within seven (7) days of the effective date of the separation, the employee may request a review of the separation by the Director or Secretary of the agency or designee.

3. An employee with permanent status who accepts an in-training appointment will serve a trial service period(s), depending on the requirements of the in-training program. The trial service period and in-training program will run concurrently. The Employer may revert an employee who does not successfully complete the trial service period(s) at any time with one (1) working day's notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to their in-training appointment, in accordance with [Subsections 4.6 \(B\)\(4\) and 4.6 \(B\)\(5\)](#) of this Article.
4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The trial service period and in-training program will run concurrently. The Employer will determine the length of the trial service period(s) to be served by an employee in an in-training appointment, however the cumulative total of the trial service periods for the entire in-training appointment will not exceed thirty-six (36) months. The appointment letter will inform the employee of how the trial service period(s) will be applied during the in-training appointment.
 - a. Within the Division of Vocational Rehabilitation at DSHS, the maximum trial service for Vocational Rehabilitation Counselors may be extended up to forty-eight (48) months with mutual agreement, and solely for the purpose of completing the educational requirements of the position. In the event the trial service period is extended for this purpose, the trial service period will be complete upon completion of the educational requirements or at forty-eight (48) months, whichever is earlier.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status in each classification upon successful completion of the concurrent training program and trial service period at each level.
6. If the entire in-training program—meaning all levels within the in-training appointment is designated as a trial service period, the employee will attain permanent status in the goal classification upon successful completion of the training requirements and concurrent trial service period for the entire in-training program. Every ninety (90) days of the trial service period, the Employer will provide a status report to the employee. The status report will

provide the employee with an update of progress towards completion of the training requirements, and if necessary, offer remedial opportunities to assist in the successful completion of the trial service period.

D. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.
2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

Employees with permanent project status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
 - b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.
3. The Employer may consider project employees with permanent project status who were appointed without a competitive process for transfer, voluntary demotion, or promotion to other project positions only. Project employees with permanent project status hired through a competitive process will be eligible under [Article 4.3](#) Movement – Permanent Employees, for transfer, voluntary demotion or promotion for project and non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.
 4. For employees hired into a project position prior to July 1, 2013, the Employer may convert a project appointment into a permanent appointment and the employee will serve a probationary or trial service period. For employees hired into a project position on or after July 1, 2013, the Employer may convert a project appointment into a permanent appointment if the Employer used a competitive process to fill the project appointment. In such circumstances, the employee will serve a probationary or trial service period.
 5. The layoff and recall rights of project employees will be in accordance with the provisions in [Article 34](#), Layoff and Recall.

- E. Seasonal Career/Cyclic Employment
1. The Employer may make seasonal career appointments that are cyclical in nature, recur at the same agency at approximately the same time each year, and are anticipated to last for a minimum of five (5) months but are less than twelve (12) months in duration during any consecutive twelve (12) month period.
 2. Upon completion of a six (6) or twelve (12) month probationary period (in accordance with [Subsection 4.6](#) A below) completed in consecutive seasons at the same agency, employees in seasonal career employment will assume the rights of employees with permanent status.
 3. The layoff and recall rights of seasonal career employees will be in accordance with the provisions in [Article 34](#), Layoff and Recall.
- F. The designation of a position as non-permanent, on-call, in-training or project, or the termination of a non-permanent, on-call, in-training or project appointment is not subject to the grievance procedure in [Article 29](#), Grievance Procedure.

4.6 Review Periods

- A. Probationary Period
1. Every part-time and full-time employee, following their initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months, except for employees in any job classification listed in Appendix R, Job Classifications – Twelve Month Probationary Period, will serve a twelve (12) month probationary period. Supervisors or their designees will meet with probationary employees throughout their probationary period to provide performance feedback and discuss additional training or resources. Agencies may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan.
 2. The Employer may separate a probationary employee at any time during the probationary period. The Employer will provide the employee five (5) working days' written notice prior to the effective date of the separation. However, if the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary up to five (5) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies or performance improvement plan issues result in an employee gaining permanent status. The separation of a probationary employee will not be subject to the grievance procedure in [Article 29](#), Grievance Procedure.
 3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or

shared leave, except for leave taken for military service or temporary reduction of work hours, consistent with [Article 34.6 E](#).

4. An employee who is appointed to a different position prior to completing their initial probationary period may be required to serve a new probationary period. The length of a new probationary period will be in accordance with [Subsection 4.6 A](#), unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.
5. With approval of the Employer, an employee who accepts a non-permanent appointment to a higher level position in the same job series while serving an initial probationary period, may resume their probationary period and receive credit for time already served in probationary status if they return to the same position they vacated.
6. If the Employer converts the status of a non-permanent appointment to a permanent appointment within the same job classification, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in the non-permanent appointment toward completion of the probationary period within the same job classification as defined in [Subsection 4.6 A](#). When non-permanent time is not counted towards the probationary period, the reason(s) will be provided to the employee in writing. If the employee and the employee's position is converted from a non-permanent appointment to a permanent appointment, time spent in the non-permanent appointment will count towards the probationary or trial service period.

B. Trial Service Period

1. Employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. Agencies may extend the trial service period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan.

Employees in an in-training appointment will follow the provisions outlined in [Subsection 4.5 C](#).

2. Any employee serving a trial service period will have their trial service period extended, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service or temporary reduction of work hours, consistent with [Article 34.6 E](#).

3. An employee who is appointed to a different position prior to completing their trial service period will serve a new trial service period. The length of the new trial service period will be in accordance with [Subsection 4.6 B](#), unless adjusted by the Appointing Authority for time already served in trial service status. In no case, however, will the total trial service period be less than six (6) consecutive months.
4. An employee serving a trial service period may voluntarily revert to their former permanent position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. An employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification.
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position. If possible, the reversion option will be within a reasonable commuting distance for the employee.

5. With five (5) working days' written notice by the Employer, an employee who does not satisfactorily complete their trial service period will be reverted to a funded permanent position in the same agency, that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification.
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the employee being reverted must have the skills and abilities required for the vacant position. If possible, the reversion option will be within a reasonable commuting distance for the employee.

If the Employer fails to provide five (5) working days' notice, the reversion will stand and the employee will be entitled to payment of the difference in the salary for up to five (5) working days, which the employee would have worked at the higher level if notice had been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status in the higher classification.

6. An employee who has no reversion options or does not revert to the highest classification in which they previously attained permanent status may request that their name be placed on the agency's internal layoff list for positions in job classifications where they had previously attained permanent status.
7. An employee who is separated during their trial service period may request a review of the separation by the Director or Secretary of the agency or designee within twenty-one (21) calendar days from the effective date of the separation. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in [Article 29](#), Grievance Procedure.

4.7 Redeployment

In emergencies there may be mandated conditions that are outside of the Employer's control requiring immediate redeployment of the workforce. Employees with the necessary skills, abilities, or licensure may be re-deployed outside their agency to another state agency at the direction of their employer, to support staffing shortages. For the purpose of this Subsection, an emergency is an event or set of circumstances which demands immediate action to preserve public health, protect life, protect public property or to provide relief to any overtaken by such occurrences; or reaches such a dimension or degree of destructiveness as to warrant the Governor proclaiming a state of emergency pursuant to [RCW 43.06.010](#).

- A. Agencies will identify when emergency staffing is needed, any emergent workforce shortages and the number of employees and skills required to fill those shortages. Other agencies may identify employees that can be redeployed to help fill the identified shortages. The technical details required for effective redeployment, including training, equipment needs, work assignments, and payroll/benefit reimbursement, will be determined on a case-by-case basis between the two (2) agencies.
- B. The lending agency will notify the Union when they are redeploying an employee. The notification to the Union will include at a minimum which employee/s will be redeployed to an agency in need, the employee's current job class, the type of work and scope that will be performed for the receiving agency, and the anticipated duration.
- C. The Employer will seek volunteers for redeployment prior to requiring employees to redeploy. The Employer will make every effort to assign employees to their current geographic region when redeployed to another agency and no redeployment will exceed three (3) months unless there is mutual agreement to extend for a longer period.
- D. Employees may be redeployed into a non-permanent appointment outside their agency. Non-permanent appointments for this purpose will not exceed three (3) months. A non-permanent appointee must have the skills, abilities, or licensure

required to perform the work. Employees who are redeployed to other agencies will remain in their current assigned positions and will not have their pay reduced when performing duties for another agency. Employees performing the full scope of duties of a higher-level classification while working for another agency will be compensated according to the compensation provisions of their CBA. The redeployed employee will comply with all safety and health practices and standards established by the receiving agency. The receiving agency will determine and provide the required safety devices, personal protective equipment and apparel needed. The receiving agency will provide employees with orientation and/or training to perform their jobs effectively and safely.

- E. Employees who are redeployed into a non-permanent position will have return rights and will be notified, in writing, of their return rights to their exact same position and work schedule they previously held at the time of redeployment.
- F. Employees who are in a nonpermanent appointment at the time of redeployment to another state agency will have their nonpermanent appointment extended at their lending agency for the time period in which the employee was redeployed, but in accordance with the provisions of this Agreement.
- G. Employees within a trial service period who are redeployed to another agency will have the time worked for the receiving agency applied toward their trial service. This does not preclude their Employer from extending their trial service period for other reasons, in accordance with this Agreement.
- H. Travel time and mileage costs incurred by the employee during their redeployment with the receiving agency will be paid by the receiving agency in accordance with the [SAAM](#).
- I. Employees who are redeployed to other agencies will be notified in advance if a background check is required by the receiving agency. Employees have the right to decline the redeployment if a background check is required.
- J. The Union agrees that the work performed by the employee for the receiving agency is only temporary to meet the emergent business needs and will not impact whether the work belongs to a particular bargaining unit.

4.8 Paid Internships and/or Staff Development Opportunities

- A. In addition to the provisions set forth in [Article 4.5](#) A1, the Employer may make non-permanent appointments for paid internships and/or staff development opportunities. Non-permanent appointments made for paid internships may not be converted to permanent appointments and may supplement, but not supplant, permanent positions. Any conversion of a non-permanent appointment made for staff development must be handled in accordance with [Article 4.5](#) A 3. Non-permanent positions established for paid internships are dependent on available funding.

- B. Employees hired into non-permanent appointments for paid internships and/or staff development opportunities will be assigned to a supervisor. The supervisor is responsible for ensuring the employee receives training for the specific position and assigned job duties.

ARTICLE 5

PERFORMANCE EVALUATION

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

5.1 Objective

- A. The Employer will evaluate employee work performance. The performance evaluation process will include performance goals and expectations that reflect the organization's objectives.
- B. The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements.
- C. To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and the supervisor will occur throughout the evaluation period. Performance problems will be brought to the attention of the employee to give the employee the opportunity to receive any needed additional training and/or to correct the problem before it is mentioned in an evaluation. Such discussions will be documented in the supervisor's file.

5.2 Evaluation Process

- A. Employee work performance will be evaluated prior to the completion of their probationary and trial service periods and at least annually thereafter. Within the Department of Social and Health Services (Behavioral Health Administration and Developmental Disabilities Administration only) and the Department of Veterans Affairs, where shift charges are used, an immediate supervisor, prior to preparing the employee's evaluation will solicit input from the employee's current shift charge. This input will be considered by the supervisor for inclusion in the evaluation. Immediate supervisors will meet with employees to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations as well as notification of any modifications made during the review period.
- B. The supervisor will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation. The discussion may include such topics as:
 - 1. Reviewing the employee's performance;

2. Identifying ways the employee may improve their performance;
 3. Updating the employee's position description, if necessary;
 4. Identifying performance goals and expectations for the next appraisal period; and
 5. Identifying employee training and development needs.
- C. The performance evaluation process will include, but not be limited to, a performance evaluation on forms used by the Employer, the employee's written signature or electronic acknowledgment of the forms, and any comments by the employee. The evaluation, including employee comments, will be considered by the reviewer. Once completed and signed/acknowledged by the reviewer, a copy will be provided to the employee (with reviewer comments, if any), who may provide responsive comments to be attached to the evaluation. The completed and signed/acknowledged performance evaluation form, including the employee's comments, will be maintained in the employee's personnel file.
- D. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure.
- E. If an employee has been fully exonerated of misconduct in a disciplinary grievance by the Employer or an arbitrator or the Employer determines that allegations of misconduct are false, then references to the misconduct in the performance evaluation will be removed. If the Employer fails to remove the applicable portions of the performance evaluation, the failure to remove those references is subject to the grievance procedure. However, the Employer may retain this information in a legal defense file and it will only be used or released when required by a regulatory agency (acting in their regulatory capacity), in the defense of an appeal, legal action or as otherwise required by law.

ARTICLE 6

Employees who are scheduled to work an average of forty (40) hours per workweek.
- B. Law Enforcement Employees
Employees who work in positions that meet the law enforcement criteria of [Section 7](#) (k) of the Fair Labor Standards Act (FLSA).

- C. Overtime-Eligible Position
An overtime-eligible position is one that is assigned duties and responsibilities that meet the criteria for overtime coverage under federal and state law.
- D. Overtime-Exempt Position

- E. Part-time Employees
Employees who are scheduled to work less than forty (40) hours per workweek.
- F. Shift Employees
Overtime-eligible employees who work in positions that normally require shift coverage for more than one (1) work shift, excluding: Department of Children, Youth, and Families – Juvenile Rehabilitation (DCYF-JR) shift workers as of July 1, 2005 who are paid overtime after forty (40) hours in a workweek and employees who work at the Military Department – Washington Youth Academy.
- G. Workday
One (1) of seven (7) consecutive, twenty-four (24) hour periods in a workweek.
- H. Work Schedules

- I. Work Shift
The hours an employee is scheduled to work each workday in a workweek.
- J. Workweek
 - 1. A regularly re-occurring period of one hundred and sixty-eight (168) hours consisting of seven (7) consecutive twenty-four (24) hour periods. Workweeks will normally begin at 12:00 a.m. on Sunday and end at 12:00 midnight the following Saturday or as otherwise designated by the Appointing Authority or designee. If there is a change in their workweek, employees will be given prior written notification by the Appointing Authority or designee.
 - 2. For the Department of Veterans Affairs, and DSHS workweeks will normally consist of forty (40) hours in a seven (7) day workweek, which will normally consist of five (5) workdays followed by two (2) consecutive days off or eighty (80) hours in a fourteen (14) day work period.

6.2 Determination

Per federal and state law, the Employer will determine whether a position is overtime-eligible or overtime-exempt. In addition, the Employer will determine if an overtime-eligible position is a law-enforcement position, with or without an extended work period, or a shift position. When the Employer determines that an overtime-eligible position is

overtime-exempt, the employee will be notified in writing of the determination. The notice will include an attached United States Department of Labor fact sheet of the Fair Labor Standards Act (FLSA) guidelines.

6.3 Overtime-Eligible Employees (Excluding Law Enforcement Employees)

A. Regular Work Schedules

The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, with starting and ending times as determined by the requirements of the position and the Employer. The regular work schedule will normally include two (2) consecutive scheduled days off. The Employer may adjust the regular work schedule with prior notice to the employee. If the Employer extends an employee's daily work schedule by more than two (2) hours on any given day, the Employer will not adjust another workday or the employee's workweek to avoid the payment of overtime or accrual of compensatory time. This provision will not apply:

1. When an employee requests to adjust their hours within the workweek and works no more than forty (40) hours within that workweek; or
2. To those job classifications that have an inherent need for flexibility to adjust their daily work schedules within the regular workweek to accomplish assigned job duties and responsibilities. When adjusting an employee's work schedule, the Employer will consider an employee's preference as long as the agency can meet business and customer service needs and without causing an additional cost to the agency. These classifications are listed in Appendix B.

B. Alternate Work Schedules

Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees by the Employer in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws. Employees may request alternative work schedules and such requests will be approved by the Employer, except as provided below, subject to business and customer service needs. The Employer may disapprove requests if there are performance or attendance concerns. Previously approved alternate work schedules may be rescinded by the Employer if business and customer service needs are no longer being met, or if performance or attendance concerns occur. The Employer will consider employees' personal and family needs.

C. Daily Work Shift Changes

The Employer may adjust an overtime-eligible shift employee's daily start and/or end time(s) by two (2) hours.

D. Temporary Schedule Changes

Overtime-eligible employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. With the

exception of the job classifications listed in Appendix B, overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. Washington Conservation Corps Crew Supervisors 1 and 2 in the Department of Ecology will also receive three (3) calendar days' written notice of any temporary schedule change unless mutually agreed to otherwise. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

E. Permanent Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change, which will include the reason for the schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change.

F. Emergency Schedule Changes

The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies, for highway snow, ice or avalanche removal, fire duty, grain inspection, or extraordinary unforeseen operational needs.

G. Employee-Requested Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the Employer's approval, provided the Employer's business and customer service needs are met and no overtime expense is incurred.

H. An overtime-eligible employee, including an employee on standby status, will be compensated for all time worked, other than de minimis time, for receiving or responding to work related calls, unless otherwise provided for in this Agreement.

6.4 Overtime-Eligible Law Enforcement Employee Work Schedules

A. The regular work schedule for full-time overtime-eligible law enforcement employees, not receiving assignment pay for an extended work period, will not be more than one hundred and sixty (160) hours in a twenty-eight (28) day period. The Employer may adjust the work schedule with prior notice to the employee.

B. Park Rangers Not Residing in Park Housing

If the Employer requires a ranger not living in Park housing to work on a scheduled day off, the ranger will be notified of the assignment prior to the ranger's scheduled quitting time on the second work day preceding the scheduled day off. A lack of such notice will constitute callback in accordance with [Article 42.17 B](#).

6.5 Overtime-Eligible Unpaid Meal Periods

The Employer and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements of [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of

thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. Employees working three (3) or more hours longer than a normal workday will be allowed an additional thirty (30) minute unpaid meal period. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined except as provided for in Sub[section 6.7A](#).

6.6 Overtime-Eligible Paid Meal Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods for employees on straight shifts do not require relief from duty.

6.7 Overtime-Eligible Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed one (1) rest period of fifteen (15) minutes for each one-half (1/2) shift of three (3) or more hours worked at or near the middle of each one-half (1/2) shift of three (3) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one-half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined except as provided for in [Section 6.7A](#).

A. Breaks and lunch periods for employees of DES Consolidated Mail Inserting Section working the swing shift in the Inserting Section of the DES Consolidated Mail.

1. Employees will have two (2) thirty (30) minute breaks per workday rather than one (1) thirty (30) minute break and two (2) fifteen (15) minute rest periods. For the purposes of administering the terms of Sections 6.5 and 6.7, the first thirty (30) minute break shall be considered the break and the second thirty (30) minute period shall be considered the rest period.
2. These thirty (30) minute breaks will occur at or as near as possible to 3:00 p.m and 6:00 p.m.

6.8 Positive Time Reporting – Overtime-Eligible Employees

Overtime-eligible employees will accurately report time worked in accordance with a positive time reporting process as determined by each agency.

6.9 Overtime-Exempt Employees

Overtime-exempt employees are not covered by federal or state overtime laws. Compensation is based on the premise that overtime-exempt employees are expected to work as many hours as necessary to provide the public services for which they were hired. These employees are accountable for their work product, and for meeting the objectives of the agency for which they work. The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards that must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer.
- C. The salary paid to overtime-exempt employees is full compensation for all hours worked, except:
 - 1. Psychologists, Psychology Associates, Forensic Evaluators and Psychiatric Social Workers working at the Department of Social and Health Services (DSHS) are expected to work as many hours as necessary to accomplish their assignment or fulfill their core responsibilities. However, because DSHS has a unique situation that requires Psychologists, Psychology Associates, Forensic Evaluators and Psychiatric Social Workers to work hours over and above those necessary to accomplish their assignment and fulfill their core responsibilities, Psychologists, Psychology Associates, Forensic Evaluators and Psychiatric Social Workers will receive additional straight time pay at their regular rate of pay for working these "extra duty" hours. "Extra Duty" is defined as work hours assigned by management that are hours over and above those necessary to accomplish the Psychologists', Psychology Associates', Forensic Evaluators' and Psychiatric Social Workers' regular assignment and fulfill their core responsibility. "Extra duty" hours typically include covering hours/shifts not regularly assigned to any other Psychologist, Psychology Associates, Forensic Evaluator or Psychiatric Social Worker. When seeking to fill the extra duty hours, the Employer retains the right to assign any Psychologist, Psychology Associate, Forensic Evaluator or Psychiatric Social Worker who has the appropriate skills and abilities required for the extra duty. Management will ask for volunteers for the extra duty, but retains the right to select any Psychologist, Psychology Associate, Forensic Evaluator or Psychiatric Social Worker for the extra duty regardless of whether there are volunteers or not and

retains the right to restrict the number of extra duty assignments that any one employee works.

- D. Overtime-exempt employees' salary includes straight time for holidays. An overtime-exempt employee whose Employer requires him or her to work on a holiday will be paid at an additional rate of one and one-half (1 1/2) times the employee's salary for the time worked.
- E. Employees will consult with their supervisors to adjust their work hours to accommodate the appropriate balance between extended work time and offsetting time off. Where such flexibility does not occur or does not achieve the appropriate balance, and with approval of their Appointing Authority or designee, overtime-exempt employees' will accrue exchange time for extraordinary or excessive hours worked. Such approval will not be arbitrarily withheld. Exchange time may be accrued at straight time to a maximum of eighty (80) hours. When an employee accrues forty (40) hours of exchange time, the employee and the Employer will develop a plan for the employee to use the accrued exchange time in the next ninety (90) days. Exchange time can be used in lieu of sick leave and vacation leave. Exchange time has no cash value and cannot be transferred between agencies.
- F. If they give notification and receive the Employer's concurrence, overtime-exempt employees may alter their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.
- G. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

6.10 Military Department – Emergency Management Division

The Employer may send an employee home to rest prior to returning for the night shift to cover an emergency or declared disaster. When this occurs, the rest period will be considered time worked through the end of the employee's scheduled work shift. No employee will be required to work more than six (6) consecutive days in a seven (7) day period unless the state Emergency Operations Center is at Level 1, Full Activation.

6.11 Department of Transportation – Maintenance Bargaining Unit – Winter Shift and Contingency Schedules

The Employer will establish yearly winter shift and contingency schedules as needed. Within reasonable staff and program considerations, the Employer will accommodate employee shift preference based on Department of Transportation continuous service. It is recognized that in assigning shifts and days off, a balance of experience, skills and abilities may be required.

6.12 Department of Fish and Wildlife – Construction and Maintenance

- A. Normal unpaid commute time for employees residing at temporary residences and traveling to temporary work sites, will be thirty (30) minutes. Commute time over thirty (30) minutes will be considered to be work time. This work time will be taken from the end of the work shift to travel back to the temporary residence.

B Subsection A, above, will not apply when:

1. An employee (driver only) begins their mandatory pre-trip safety checks on vehicles requiring the use of a Commercial Driver's License (CDL). This does not apply to department pickups or other non-CDL vehicles used for transportation to and from work sites; and
2. When the nearest temporary residence is beyond thirty (30) minutes from the temporary work site, all travel from the temporary residence to the work site and the return to the temporary residence will be considered work time.

6.13 Department of Agriculture – Grain Inspection Program

To provide inspection and weighing services for grain being loaded onto export vessels, the Employer may establish and staff both emergency and overtime shifts using key position staffing, with a minimum of three (3) permanent employees licensed to perform key duties, any combination of inspectors, protein operators, and grain sampler-weighers. The minimum of three (3) permanent employees does not apply to the Aberdeen facility. The Aberdeen facility will be staffed with a minimum of two (2) permanent employees. The remaining positions on such shifts may be staffed with non-permanent employees.

6.14 Department of Transportation – Commercial Driver's License (CDL)

Required Positions

- A. The Employer will not require an employee utilizing their CDL to work more than fifteen (15) consecutive hours without providing a rest period of at least eight (8) consecutive hours.
- B. Employees utilizing their CDL to work fifteen (15) consecutive hours will be required to take an eight (8) consecutive hour rest period before resuming the next duty period. The employee will suffer no loss of regular straight time hourly earnings for any time missed during that rest period that otherwise would have been part of their regularly scheduled shift. Employees will not be eligible for any other work assignment, including an overtime assignment or work shift, during the required (8) hour rest period.

6.15 Shift Exchange —Military Department – Youth Challenge Academy

Overtime-eligible employees employed at the Youth Academy who have the same job classification will be allowed to exchange full shifts for positions in which they are qualified in accordance with the following:

- A. Request for shift exchanges will be submitted seven (7) calendar days in advance of the exchange, when practical.
- B. The requested shift exchange is voluntary, and is agreed to in writing by both employees, and approved in writing by the supervisor(s) for exchanges of no more than one (1) week. Requests for consecutive shift exchanges in excess of one (1) workweek will be submitted to the appropriate Appointing Authority or designee for approval. If such request is denied, the employee will be provided the reason(s) in writing for the denial.

- C. Requested shift exchanges will be considered on a case-by-case basis.
- D. Shift exchanges must occur within the same pay period. Shift exchanges will not result in the payment of overtime. Each employee will be considered to have worked their regular schedule.
- E. For shift exchanges that occur on an employee's designated holiday, the employee who is regularly scheduled to work on that holiday will receive the holiday compensation, regardless of who physically worked on that day.
- F. The failure of an employee, who has exchanged shifts, to work the agreed upon shift without appropriate cause may be a basis for disciplinary action.

The shift exchange system will not be used to circumvent the bid system by significantly altering an employee's workweek or supervisory chain of command.

6.16 Department of Ecology – Spill Response Team

Employees working on the spill response team who work sixteen (16) hours in a twenty-four (24) hour period will be required to take eight (8) hours off for rest before resuming the next duty period. The employee will suffer no loss of regular straight-time hourly earnings for any time missed up to six (6) hours during that rest period that otherwise would have been part of their regularly scheduled shift. Employees will not be eligible for any other work assignment, including an overtime assignment or work shift, that begins during the required eight (8) hour rest period.

6.17 Shift Exchange—Department of Social and Health Services (DSHS) and Department of Children, Youth and Families (DCYF) and Department of Veterans Affairs (DVA)

- A. Requests for shift exchanges will be submitted seven (7) calendar days in advance of the exchange, when practical.
- B. The requested shift exchange is voluntary, and is agreed to in writing by both employees, and approved in writing by the supervisor(s) for exchanges of no more than one (1) workweek. Requests for consecutive shift exchanges in excess of one (1) workweek will be submitted to the appropriate Appointing Authority or designee for approval. If such request is denied, the employee will be provided the reason(s) in writing for the denial.
- C. Requested shift exchanges will be considered on a case-by-case basis.
- D. Shift exchanges must occur within the same pay period. Shift exchanges will not result in the payment of overtime. Each employee will be considered to have worked their regular schedule.

- E. For shift exchanges that occur on an employee's designated holiday, the employee who is regularly scheduled to work on that holiday will receive the holiday compensation, regardless of who physically worked on that day.
- F. An employee will not receive shift premium pay under [Article 42.19](#), Shift Premium, solely as a result of a shift exchange. Each employee will be considered to have worked their regular scheduled work shift for purposes of shift premium pay.
- G. The failure of an employee, who has exchanged shifts, to work the agreed upon shift without appropriate cause may be a basis for disciplinary action or suspension of the ability to exchange shifts in the future.
- H. Mental Health Technicians and Forensic Care Associates may exchange shifts as long as the employees qualify to work in positions for which the employees are requesting shift exchange. Licensed Practical Nurses and Psychiatric Security Nurses may exchange shifts as long as the employees qualify to work in positions for which the employees are requesting shift exchange.

DOT will also provide the employee written notice that the schedule change is in accordance with [Subsection 6.3 F](#), Emergency Schedule Changes. - B. Shift extensions, early starts and occasions when lunch periods require overtime will be first offered to available employee(s) having the ability to perform the work and the lowest amount of overtime hours, who are on shift at the facility where the overtime occurs. The Employer will maintain an overtime tracking sheet which will be updated weekly and reset the first Wednesday of each quarter. For shift extensions in offices with multiple sites, employees having the lowest amount of overtime hours at any other site(s) serviced by that grain inspection office will be offered the opportunity to work the extension if they can complete their regular shift and travel to the extending site by the time the extension begins. If there still is not enough staff, employees on site may be required to work. Employees with less than forty (40) hours accumulated overtime in a month at the start of the shift may be required to work and will complete the shift or extension. - F. An employee working within the Grain Program with less than forty (40) hours accumulated overtime in a month may be excused from an involuntary overtime assignment once per month; provided the excused overtime assignment does not interrupt service delivery and employees possessing the required skills and abilities of the excused position(s) are available.

Each superintendent or equivalent and employees will confer and mutually determine, for normal areas of responsibility, the employees on a specific rotation list(s). The Employer and employees will share the responsibility for keeping the list(s) current.
- B. Overtime will be offered first to all bargaining unit employees on the rotation list, then to any qualified employee. Documented attempts to contact an employee constitutes an offer. When involuntary overtime is required, it will be assigned to employees on duty in inverse order of seniority, provided the employee has the skills and abilities required of the positions. The inverse order will be re-established when the list has been exhausted, i.e. the on-duty employee with the greatest seniority has worked their required overtime. The

updated inverse order list for involuntary overtime shall be provided at least once each day and posted on each facility's on-line portal or an easily accessible location.

If a CSRT employee works beyond their regularly scheduled shift and is required to testify in court during the employee's next regularly scheduled shift, the employee will be required to appear in court. At the conclusion of their testimony the employee will work with their supervisor to organize a rest period if the employee deems it necessary.

An authorized purpose is sick leave used in accordance with the terms and conditions of this Agreement, Agency Policy and [RCW 49.46.210](#). The Employer will not discriminate or retaliate against an employee for the use of paid sick leave.

ARTICLE 15

FAMILY AND MEDICAL LEAVE, PARENTAL LEAVE, PREGNANCY DISABILITY LEAVE, AND PAID FAMILY AND MEDICAL LEAVE

With the exception of [Section 15.4](#), definitions used in this Article will be in accordance with the federal Family and Medical Leave Act of 1993 (FMLA). The Employer and the employees will comply with existing and any adopted federal FMLA regulations and/or interpretations.

15.1 Federal Family and Medical Leave Act of 1993 (FMLA)

- A. Consistent with the FMLA and any amendments thereto, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of Family Medical Leave (FML) in a twelve (12) month period for one or more of the following reasons one (1) through four (4):
1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child.
 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work.
 3. FML to care for a spouse, son, daughter, parent, who suffers from a serious health condition that requires on-site care or supervision by the employee.
 4. FML for a qualifying exigency when the employee's spouse, child of any age or parent is on active duty or called to active duty status of the Armed Forces, Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
 5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member. Eligible employees may take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service

member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During a single twelve (12) month period during which Military Caregiver leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member or veteran begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FML leave.

- B. Entitlement to FML for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off or shared leave.
- D. The FML entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins FML. Each time an employee takes FML during the twelve (12) month period, the leave will be subtracted from the twelve (12) workweeks of available leave.
- E. The Employer will continue the employee's existing Employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by FML. The employee will be required to pay their share of health insurance, life insurance and disability insurance premiums.
- F. The Employer has the authority to designate absences that meet the criteria of the FML. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a FML qualifying event will run concurrently with, not in addition to, the use of the FML for that event. An employee, who meets the eligibility requirements listed in [Section 15.1](#), may request FML run concurrently with absences due to work-related illness or injury covered by workers' compensation, at any time during the absence. Any employee using paid leave for a FML qualifying event must follow the notice and certification requirements relating to FML usage in addition to any notice and certification requirements relating to paid leave.
- G. The Employer may require certification from the employee's, family members, or the covered service member's health care provider for the purpose of qualifying for FML.

- H. The Employer will use forms designated by the United States Department of Labor in the administration of the FMLA.
- I. Personal medical leave or serious health condition leave or serious injury or illness leave covered by FML may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- J. Upon returning to work after the employee's own FML qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider.
- K. The employee will provide the Employer with not less than thirty (30) days' notice before FML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.

15.2 Parental Leave

- A. Parental leave will be granted to the employee for the purpose of bonding with their newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by FML, during the first year after the child's birth or placement. Leave beyond the period covered by FML may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at the agency director step of the grievance procedure in [Article 29](#), Grievance Procedure.
- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, exchange time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FML leave for baby bonding purposes.

15.3 Pregnancy Disability Leave

- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under the FMLA.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, exchange time, shared leave and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

15.4 Washington Paid Family and Medical Leave Program

- A. The parties recognize that the Washington State Paid Family and Medical Leave (PFML) program ([RCW 50A](#)) is in effect and eligibility for and approval for leave for purposes as described under that program shall be in accordance [RCW 50A](#).
- B. The employee will provide the Employer with not less than thirty (30) days' notice before PFML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- C. The employee may use sick leave, personal holiday compensatory time, vacation leave, personal leave day or bereavement leave as a supplemental benefit while receiving a partial wage replacement for paid family and/or medical leave under the Washington State Paid Family and Medical Leave Insurance Program, [Title 50A RCW](#). The employer may require verification that the employee has been approved to receive benefits for paid family and/or medical leave under [Title 50A RCW](#) before approving leave as a supplemental benefit.

 - 2. The unlawful use, possession, delivery, dispensation, distribution, manufacture or sale of alcohol or drugs, including cannabis, in state vehicles, on agency premises or on official business is prohibited.

- C. Notification of Prescription, Medical Cannabis and Over-the-Counter Medications
Employees taking physician-prescribed or over-the-counter medications, including medical cannabis, must, if there is a substantial likelihood that such medication will affect job safety, notify their supervisor or other designated official of the fact that they are taking a medication and the side effects of the medication.
- D. Drug and Alcohol Testing – Safety-Sensitive Functions
1. Employees required to have a Commercial Driver’s License (CDL) or to be licensed by the United States Coast Guard, are subject to pre-employment, post-accident, random and reasonable suspicion testing in accordance with the U.S. Department of Transportation rules, Coast Guard Regulations (46 CFR Part 16) or the Federal Omnibus Transportation Employee Testing Act of 1991. The testing shall be conducted in accordance with agency policy.
 2. In addition, employees who perform other safety-sensitive functions are subject to pre-employment, post-accident, post-firearm shooting incidents, and reasonable suspicion testing, conducted according to agency policy. For purposes of this Article, employees who perform other safety-sensitive functions are those issued firearms and those licensed health care professionals who administer or dispense medications as a part of their job duties.
 3. Post-accident drug and alcohol testing may be conducted when a work-related incident has occurred involving death, serious bodily injury or significant property/environmental damage, or the potential for death, serious injury, or significant property/environmental damage, and when the employee’s action(s) or inaction(s) either contributed to the incident or cannot be completely discounted as a contributing factor.
- E. Reasonable Suspicion Testing – All Employees Performing Safety-Sensitive Functions, and all Department of Transportation, and Washington State Patrol Employees
1. Reasonable suspicion testing for alcohol, cannabis or controlled substances may be directed by the Employer for any employee performing safety-sensitive functions or any employee of the Department of Transportation or Washington State Patrol when there is reason to suspect that alcohol, cannabis or controlled substance use may be adversely affecting the employee’s job performance or that the employee may present a danger to the physical safety of the employee or another.
 2. Specific objective grounds must be stated in writing that support the reasonable suspicion. Examples of specific objective grounds may include, but are not limited to:
 - a. Physical symptoms consistent with controlled substance, cannabis and/or alcohol use;

- b. Evidence or observation of controlled substance, cannabis or alcohol use, possession, sale, or delivery; or
- c. The occurrence of an accident(s) where a trained manager, supervisor or lead worker suspects controlled substance, cannabis and/or alcohol use may have been a factor.

3. Referral

Referral for testing will be made on the basis of specific objective grounds documented by a manager, supervisor or lead worker who has attended the training on detecting the signs/symptoms of being affected by controlled substances, cannabis and/or alcohol and verified in person or over the phone by another trained manager, supervisor or lead worker.

4. Testing

When reasonable suspicion exists, employees must submit to alcohol, cannabis and/or controlled substance testing when required by the Employer. A refusal to test is considered the same as a positive test. When an employee is referred for testing, they will be removed immediately from duty and transportation to the collection site will be provided. The cost of reasonable suspicion testing, including the employee's salary will be paid by the Employer.

F. Drug and Alcohol Testing – General

For all employees tested in accordance with [Section 22.1](#) D and E above:

- 1. Testing will be conducted in such a way to ensure maximum accuracy and reliability by using the techniques, chain of custody procedures, equipment and laboratory facilities, which have been approved by the U.S. Department of Health and Human Services. Employees in the same agency as the employee being tested will not do collection and processing of samples, excluding law enforcement officers using a breath-testing device. An employee notified of a positive controlled substance and/or cannabis test result may request an independent test of their split sample at the employee's expense. If the test result is negative, the Employer will reimburse the employee for the cost of the split sample test.
- 2. An employee who has a positive test for alcohol, cannabis, and/or a positive controlled substance may be subject to disciplinary action, up to and including dismissal, based on the incident that prompted the testing, including a violation of agency drug and alcohol free workplace policies.

G. Training

Training will be made available to managers, supervisors, shop stewards, and lead workers. The training will include:

- 1. The elements of the Employer's Drug and Alcohol Free Workplace Program;

2. The effects of drugs and alcohol in the workplace;
3. Behavioral symptoms of being affected by controlled substances, cannabis and/or alcohol; and
4. Rehabilitation services available.

22.2 All Employees – Voluntary Request for Assistance

- A. An employee who requests assistance for a drug or alcohol problem will be afforded an opportunity during the thirty (30) days following such request to seek assistance from the Employee Assistance Program or other agency-recognized assistance program. If the assistance is requested prior to the employee providing a sample pursuant to testing, the employee will not be subject to discharge, unless other circumstances warrant such action.
- B. Assessment and Treatment
The employee will be relieved from duty and placed on sick leave, vacation leave, or leave without pay pending completion of any initial chemical dependency assessment and successful completion of any in-patient chemical dependency rehabilitation certified by the Department of Health, Health Services Quality Assurance Division. If the assessment results in a recommendation for an out-patient treatment program, the employee will enter into a return to work agreement before being allowed to return to work. An employee will be discharged if they refuse to participate in or successfully complete any state certified program.
- C. Return to Work
Upon returning to work after entering an out-patient program or successfully completing an in-patient rehabilitation program, the employee will be subject to random testing for a period of one (1) year. If the employee tests positive for drugs/alcohol during this period they will be discharged.
- D. Release of Information
Employees participating in such treatment will agree to provide the Employer with a release of medical information sufficient to ensure the employee's compliance with the requirements of the rehabilitation program.

ARTICLE 23 TRAVEL

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

- 23.1** Employees required to travel in order to perform their duties will be reimbursed for any authorized travel expenses (e.g., mileage and/or per diem), in accordance with the regulations established by the Office of Financial Management (OFM) and agency policy.

- 23.2** During the course of conducting official state business, if an employee believes use of their personal vehicle may present a potential threat to the employee's safety, they will discuss appropriate alternatives with their supervisor.
- 23.3** An employee will not be reimbursed for mileage if they choose to use their personal vehicle when a state vehicle is available unless approved in advance by their Appointing Authority or designee.
- 23.4** Employees will be provided an opportunity to request a travel advance in accordance with agency policy if assigned to travel for work purposes.
- 23.5** Unless emergent or mutually agreed to otherwise, employees who are not assigned travel as an essential function will be provided no less than seven (7) calendar days' notice for any travel that requires an overnight stay.

ARTICLE 24

MEALS

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

Department of Social and Health Services – Institutions Bargaining Unit; Department of Children, Youth, and Families – Juvenile Rehabilitation Bargaining Units; School for the Blind; Center for Deaf and Hard of Hearing Youth; Department of Transportation; Utilities and Transportation Commission; Department of Veterans Affairs – Homes only; Military Department and the Washington State Patrol

- 24.1** Except as provided in [Section 24.2](#), meals will be provided in accordance with agency or institution practices.
- 24.2** Employees purchasing meals in an Employer operated dining hall who are required to return to duty without benefit of finishing the meal will be reimbursed the purchase price of the meal or provided a replacement meal, if available.
- 24.3 Washington State Patrol – Crime Scene Response Team**
Any crime scene response team member in travel status as a result of being called to scene is eligible for reimbursement according to [Subsection 10.90.10](#) of the State Administrative and Accounting Manual regardless of meeting the 11-hour rule laid out in Subsection 10.40.50.b.1.

ARTICLE 25

COMMUTE TRIP REDUCTION AND PARKING

- 25.1** The Employer will continue to encourage but not require employees covered by this Agreement to use alternate means of transportation to commute to and from work in order to reduce traffic congestion, improve air quality and reduce the need for parking.
- 25.2** Agencies will provide commute trip reduction incentives consistent with agency policies and within available resources.

25.3 During the term of this Agreement, agency-administered parking rates charged to employees who work at facilities located off the Capitol Campus will not be increased from the facility parking rates in existence as of July 31, 2010.

25.4 The Department of Enterprise Services will manage parking on the Capitol Campus in accordance with [RCW 46.08.172](#).

25.5 All Employees with King, Pierce or Snohomish County Duty Stations

A. All benefit eligible bargaining unit employees assigned to an official duty station in King, Pierce or Snohomish Counties will receive a card for travel on public transportation known as a “One Regional Card for All”, otherwise known as an ORCA card.

Specifically, travel for the 2025-27 contract will be fare-free access to the following services:

1. Unlimited rides on bus services provided by Community Transit, Everett Transit, King County Metro Transit, Kitsap Transit, Pierce Transit and Sound Transit;
2. Unlimited rail service on Sound Transit, Link light rail and Sounder commuter rail;
3. Unlimited Seattle Streetcar trips;
4. Unlimited King County Water Taxi trips;
5. Unlimited trips with Kitsap Transit foot (Port Orchard-Bremerton and Annapolis-Bremerton routes) and fast (Bremerton-Seattle and Kingston-Seattle route) ferry services; and
6. Paratransit services from Kitsap Transit and King County Metro

25.6 Van Pool Subsidy

A van pool subsidy will be available in the state where a public transit vanpool provider offers a van pool service. Some rural areas may lack a provider. Lack of provider in a region does not disqualify a rider from claiming a van pool benefit. If a rider identifies a van pool that meets a transit agency’s ridership requirements, the transit agency has discretion for providing a van pool service that exceeds its traditional service area.

All full-time, part-time, temporary, or non-permanent employees who are benefit eligible and work for an agency that has completed an agreement with WSDOT will be eligible to receive the full subsidy van pool benefit.

ARTICLE 26

HOUSING

26.1 The Employer will continue to follow agency policies and practices regarding Employer-provided housing.

26.2 Parks and Recreation Commission

A. Employees housed on-site will be allowed to live in a residence in another park in accordance with agency policy.

B. Employees will have the option to accept Employer provided housing or maintain a personal residence.

ARTICLE 27

DISCIPLINE

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

27.1 The Employer will not discipline any permanent employee without just cause.

27.2 Discipline includes oral and written reprimands, reductions in base pay, suspensions, demotions, and discharges. Oral reprimands will be identified as such.

27.3 When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

27.4 The Employer has the authority to determine the method of conducting investigations. The Employer will notify an employee that they are a subject or witness in an investigation prior to being interviewed. The Employer will make reasonable efforts to complete investigations conducted by the Employer in a timely manner. Upon request by the employee, if an investigation lasts longer than sixty (60) days from the date the employee was notified of the investigation, and every thirty (30) days thereafter, the Employer will provide a written explanation to the employee and the designated Union representative of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate timeframe for completion. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a written notification that the investigation is completed and that no discipline will be imposed. A traditional element of just cause requires discipline to be imposed in a timely manner in light of the need for thorough investigations.

27.5 Investigatory Interviews

A. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available.

Employees seeking representation are responsible for contacting their representative.

B. Department of Social and Health Services

An employee who is being interviewed as part of an administrative investigation will be notified in writing prior to the interview if the investigator would like to audio record the interview. The written notification will contain a consent form that the employee will bring to the interview. If an employee does not consent to the recording, the investigator will not discuss the issue of audio recording with the employee. Interviews will be conducted in a professional manner and investigative methods will be consistent with law. No threats or promises will be made to induce an answer.

- C. The role of the union representative in regard to Employer-initiated investigations is to provide assistance and counsel to the employee and not interfere with the Employer's right to conduct the investigation. Every effort will be made to cooperate in the investigation. The Union representative may call for a recess during the interview to consult with the employee for representational purposes.
- D. Employees who are the subject of an investigatory interview will be informed of the general nature of the allegation(s) before the employee is asked to respond to questions concerning the allegation(s).
- E. If an investigator requests that an employee sign a statement, the employee may review the statement and submit corrections, if any. The employee will sign the statement to acknowledge its accuracy when no corrections are necessary or when the investigator revises the statement to accept the employee's corrections.
- F. In accordance with [Subsection 31.6 A](#), adverse material or information related to alleged misconduct that is determined to be false and all such information in situations where the employee has been fully exonerated of wrongdoing will be removed from the employee's personnel file.

27.6 Alternate Assignments

An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternate assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified in writing.

27.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee and the Union staff representative in writing of the reasons for the contemplated discipline, an explanation of the evidence, copies of written documents relied upon to take the action and the opportunity to view other evidence, if any. This information

will be sent to the Union on the same day it is provided to the employee. The employee will be provided an opportunity to respond either at a meeting scheduled by the Employer, or in writing if the employee prefers. A pre-disciplinary meeting with the Employer will be considered time worked. Excluding oral and written reprimands, the Union will be provided copies of disciplinary actions.

- 27.8** The Employer will provide an employee with fifteen (15) calendar days' written notice prior to the effective date of a demotion or reduction in pay. If the Employer fails to provide the required notice, the demotion will stand and the employee will be entitled to payment of the difference in the salary for up to fifteen (15) calendar days, which the employee would have worked at the higher level if notice had been given.
- 27.9** The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 29](#), Grievance Procedure. Oral reprimands, however, may be processed only through the agency head step of the grievance procedure.

ARTICLE 28

PRIVACY AND OFF-DUTY CONDUCT

- 28.1** Employees have the right to confidentiality related to individual performance, personal information and personnel issues to the extent provided/allowed by law. The Employer and the Union will take appropriate steps to maintain such confidentiality.
- 28.2** When documents or information in an employee's personnel, payroll, supervisor or training file are the subject of a public disclosure request, the Employer will provide the employee with a copy of the request at least seven (7) calendar days in advance of the intended release date. The Employer will redact the employee's social security number on any document subject to a public disclosure request prior to its release.
- 28.3** The off-duty activities of an employee will not be grounds for disciplinary action unless said activities are a conflict of interest as set forth in [RCW 42.52](#), or are detrimental to the employee's work performance or the program of the agency.
- 28.4** **Reporting of Off-Duty Conduct**
Employees will report any court-imposed sanctions or conditions that affect their ability to perform assigned duties to their Appointing Authority within twenty-four (24) hours or prior to their next scheduled work shift, whichever occurs first. Employees, excluding those in the Washington State Patrol (WSP), will report any arrests that affect their ability to perform assigned duties to their Appointing Authority within forty-eight (48) hours or prior to returning to work, whichever occurs first. Employees in WSP will continue to abide by WSP regulations relating to off-duty conduct.
- 28.5** Employees will notify the Employer prior to engaging in any off-duty employment. Employees may engage in off-duty employment that will not interfere with the performance of their duties or result in a conflict of interest.

ARTICLE 29

GRIEVANCE PROCEDURE

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

29.1 The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Article provides a formal process for problem resolution.

29.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed in accordance with [Section 29.3](#) by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees. The Union may add an employee to a group grievance who was not included in the original filing if it does so prior to the Step 3 meeting and if the employee is similarly situated to the other grievants. If the Union makes an information request in order to identify additional employees to include in a group grievance and the Employer is unable to respond before the Step 3 meeting, the meeting will be postponed.

C. Computation of Time

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date upon which the incident occurred;

3. The specific article and section of the Agreement violated;
4. The steps taken to informally resolve the grievance and the individuals involved in the attempted resolution;
5. The specific remedy requested;
6. The name of the grievant; and
7. The name and signature of the Union representative.

Failure by the Union to provide a copy of a grievance or the request for the next step with the Human Resources Office or to describe the steps taken to informally resolve the grievance at the time of filing will not be the basis for invalidating the grievance.

F. Modifications

No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved or withdrawn, a grievance cannot be resubmitted.

J. Pay

Release time will be provided to grievants and union stewards in accordance with [Article 36](#), Employee Rights and [Article 39](#), Union Activities.

K. Group Grievances

No more than five (5) grievants and two (2) union steward and/or staff representative, unless agreed otherwise, will be permitted to attend a single grievance meeting.

L. Consolidation

The Employer may consolidate grievances arising out of the same set of facts.

M. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

- N. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.
- O. Grievance Files
Written grievances and responses will be maintained separately from the personnel files of the employees.
- P. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- Q. Steward Mentoring
With the agreement of the Employer, additional Union stewards will be allowed to observe a management scheduled grievance meeting for the purpose of mentoring and training. The Employer will approve compensatory time, exchange time, vacation leave or leave without pay for the union steward to attend the meeting.

29.3 Filing and Processing

- A. Filing
1. A non-disciplinary grievance (excluding a non-disciplinary separation grievance or a grievance related to an oral or written reprimand) must be filed within twenty-eight (28) days of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence. All other disciplinary grievances, non-disciplinary separation grievances, disability separation grievances or grievances related to layoff must be filed within twenty-eight (28) days of the effective date of the discipline, non-disciplinary separation, disability separation or layoff. This twenty-eight (28) day period will be used to attempt to informally resolve the dispute.
 2. The preferred method of filing a written grievance is by email. The parties acknowledge in some instances access to email is an issue, therefore, grievances may be filed via hard copy.
- B. Processing
Step 1 – is no longer used
Step 2 –Appointing Authority or Designee:
If the issue is not resolved informally, the Union may present a written grievance to the Appointing Authority or designee with a copy to the Human Resources Office within the twenty-eight (28) day period described above. The Appointing Authority or designee will meet or confer by telephone with a union steward and/or staff

representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting.

Step 3 – Agency Head or Designee:

Except for the Department of Social and Health Services (DSHS), the Department of Children, Youth, and Families (DCYF), Department of Transportation (DOT), and Office of the Attorney General (AGO), if the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing it with the agency head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. For the DSHS, DCYF, DOT and AGO, if the grievance is not resolved at Step 2 the Union may move it to Step 3 by filing it with the agency's Labor Relations Office in Olympia, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. The agency head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal, and will respond in writing to the Union within fifteen (15) days after the meeting.

[Note: If the agency head is the only Appointing Authority for the agency, Step 3 will be bypassed.]

Step 4 – Mediation or Pre-Arbitration Review Meetings:

1. Disciplinary, Non-disciplinary Separation and Disability Separation Grievances

If the grievance is not resolved at Step 3, the Union may choose to file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with [WAC 391-55-020](#), with a copy to the OFM State Human Resources Labor Relations & Compensation Policy Section (LR&CP) at labor.relations@ofm.wa.gov and the agency's Human Resources Office within thirty (30) days of receipt of the Step 3 decision.

2. Disciplinary, Non-disciplinary Separation and Disability Separation Grievances Not Moved to Mediation and Non-Disciplinary Grievances (Including Written Reprimands)

If the grievance is not resolved at Step 3, the Union may request a pre-arbitration review meeting by filing the written grievance including a copy of all previous responses and supporting documentation with the LRS at labor.relations@ofm.wa.gov with a copy to the agency's Human Resource Office within thirty (30) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of all the required information, the LRS will discuss with the Union:

- a. If a pre-arbitration review meeting will be scheduled with the LRS, an agency representative, and the Union's staff representative to review and attempt to settle the dispute.

- b. If the parties are unable to reach agreement to conduct a meeting, the LRS will notify the Union in writing that no pre-arbitration review meeting will be scheduled.

Within thirty (30) days of receipt of the request, a pre-arbitration review meeting will be scheduled. The meeting will be conducted at a mutually agreeable time.

The proceedings of any mediation or pre-arbitration review meeting will not be reported or recorded in any manner, except for agreements that may be reached by the parties during the course of the mediation or meeting. Statements made by or to the mediator, or by or to any party or other participant in the mediation or meeting, may not later be introduced as evidence, may not be made known to an arbitrator or hearings examiner at a hearing, or may not be construed for any purpose as an admission against interest, unless they are independently admissible.

Step 5 – Arbitration:

If the grievance is not resolved at Step 4, or the LRS notifies the Union in writing that no pre-arbitration review meeting will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the American Arbitration Association (AAA) within thirty (30) days of the mediation session, pre-arbitration review meeting or receipt of the notice no pre-arbitration review meeting will be scheduled.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the AAA, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;
 - d. Not have the authority to order the Employer to modify their staffing levels or to direct staff to work overtime.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties,

through written briefs, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or cancelled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its staff representatives, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and the union steward.
5. If, after the arbitrator issues their award, either party files a motion with the arbitrator for reconsideration, the moving party will bear the expenses and fees of the arbitrator.

29.4 Successor Clause

Grievances filed during the term of this Agreement will be processed to completion in accordance with the provisions during the same term of this Agreement.

ARTICLE 30
EMPLOYEE ASSISTANCE PROGRAM

- 30.1** The Employee Assistance Program within the Department of Enterprise Services is responsible for the Employee Assistance Program established in accordance with [RCW 41.04.700](#) through 730. Individual employees' participation in the Employee Assistance Program and all individually identifiable information gathered in the process of conducting the program will be held in strict confidence; except that the Employer may be

provided with the following information about employees referred by the Employer due to poor job performance:

- A. Whether or not the referred employee made an appointment;
- B. The date and time the employee arrived and departed;
- C. Whether the employee agreed to follow the advice of counselors; and
- D. Whether further appointments were scheduled.

- 30.2** Participation or non-participation by any employee in the Employee Assistance Program will not be a factor in any decision affecting an employee's job security, promotional opportunities, disciplinary action, or other employment rights. However, nothing relieves employees from the responsibility of performing their jobs in an acceptable manner.

ARTICLE 31

PERSONNEL FILES

- 31.1** There will be one (1) official personnel file maintained by the Employer for each employee. The location of personnel files will be determined by the employing agency. All references to "supervisory file" in this Agreement refer to the file kept by the employee's first-line supervisor. Additional employee files may include attendance files, payroll files and medical files.
- 31.2** An employee may examine their own personnel file, supervisory file, attendance file, payroll file, and medical file(s). The Employer will provide access to the file as soon as possible but not more than fourteen (14) calendar days from the date of a request. Review of these files will be in the presence of an Employer representative during business hours, unless otherwise arranged. An employee will not be required to take leave to review these files. Written authorization from the employee is required before any representative of the employee will be granted access to these files. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the files that they consider objectionable. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or their representative.
- 31.3** A copy of any material to be placed in an employee's personnel file that might lead to disciplinary action will be provided to the employee. An employee may have documents relevant to their work performance placed in their personnel file.
- 31.4** Medical files will be kept separate and confidential in accordance with state and federal law.
- 31.5 Supervisory Files**
Supervisory files will be purged of the previous year's job performance information following completion of the annual performance evaluation, unless circumstances warrant otherwise. Upon request by the employee, the supervisor will share why the materials were not purged. The confidentiality and security of supervisory files will be maintained to the extent allowed or required by law.

31.6 Removal of Documents

- A. Adverse material or information related to alleged misconduct that is determined to be false and all such information in situations where the employee has been fully exonerated of wrongdoing will be removed from employee files. However, the Employer may retain this information in a legal defense file and it will only be used or released when required by a regulatory agency (acting in their regulatory capacity), in the defense of an appeal or legal action, or as otherwise required by law.
- B. Written reprimands will be removed from an employee's personnel file after three (3) years if:
 - 1. Circumstances do not warrant a longer retention period; and
 - 2. There has been no subsequent discipline; and
 - 3. The employee submits a written request for its removal.

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

32.1 Reasonable Accommodation

- A. The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
- B. An employee who believes that they have a disability and require a reasonable accommodation to perform the essential functions of their position may request such an accommodation by submitting a request to the Employer. The Employer will acknowledge receipt of the request for reasonable accommodation or disability separation. The Employer will begin processing a reasonable accommodation request within thirty (30) calendar days.
- C. Employees requesting accommodation must cooperate with the Employer in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion from a physician or licensed mental health professional of the agency's choice and at Employer expense. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations. The Employer will conduct a diligent review and search for possible accommodations within the agency. Medical information disclosed to the Employer will be kept confidential. Upon request, an employee will be provided a copy of their reasonable accommodation information that is maintained by the Employer.
- D. The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. The Employer will attempt to accommodate the employee in their current position prior to looking at accommodations in alternative vacant positions.

32.2 Disability Separation

- A. An employee with permanent status may be separated from service when the agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the agency based on an employee's written request for disability separation or after

obtaining a written statement from a physician or licensed mental health professional.

- B. The agency may separate an employee after providing at least fourteen (14) calendar days' written notice when the agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position. ARTICLE 33

SENIORITY

*The provisions of this Article do not apply to the Department of Corrections, see addendum A.

33.1 Definition

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on-call employees will be based on actual hours worked but shall not exceed that of a full time (2,088 hours annually) employee. Actual hours worked includes all overtime hours and all paid holiday and leave hours, excluding compensatory time. For purposes of calculating actual hours worked for part-time and on-call employees, forty (40) hours will equal seven (7) days of seniority. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:
 - 1. Military leave or United States Public Health Service;
 - 2. Compensable work-related injury or illness leave;
 - 3. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;

4. Educational leave, contingent upon successful completion of the coursework;
5. Leave for service as a volunteer with humanitarian and disaster relief organizations;
6. Reducing the effects of layoff, and/or
7. Leave for Union employment in accordance with [Sections 39.8](#) and [39.10](#), of [Article 39](#), Union Activities.
8. Leave authorized by a governor's proclamation directly related to health and safety.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with [Section 34.6](#), of [Article 34](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within three (3) years of their separation date will not be considered to have a break in service.

- B. For employees whose positions are assigned to an academic and/or vocational education program or facility that follows the customary public school practice of a less than twelve (12) month school year, the Employer will place the employee on leave without pay for all or part of the time the program or facility is closed for customary school vacations and will not adjust the employee's seniority date.
- C. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse or surviving state registered domestic partner as defined by [RCWs 26.60.020](#) and [26.60.030](#), as provided in [RCW 41.06.133](#).

33.2 Ties

If two (2) or more employees have the same unbroken state service date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification,
 1. For positions impacted by the implementation of the IT Professional Structure on July 1, 2019, total continuous time spent in a previously abolished IT classification will be counted if the position number was the same on June 30, 2019 and July 1, 2019.
- B. Longest continuous time with the agency, and
- C. By lot.

33.3 Seniority List

The Employer will prepare and post a seniority list. The list will be updated annually and will contain each permanent and non-permanent employee's name, job classification and seniority date. Employees will have fourteen (14) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting.

- B. Employment in a class with a lower salary range,
- C. Reduction in the work year, or

34.4 Voluntary Layoff, Leave without Pay or Reduction in Hours

- A. Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted a leave without pay and/or reduction in hours based upon staffing needs.

- B. Appointing authorities will allow an employee in the same job classification and location where layoffs will occur to volunteer to be laid off provided that the employee is in a position requiring the same skills and abilities, as defined in [Section 34.8](#), as a position subject to layoff. Any volunteer for layoff shall have no formal or informal options. In those situations where an employee has volunteered to be laid off, the Employer will designate the separation of employment as a layoff for lack of work and/or lack of funds.
- C. If the Appointing Authority accepts the employee's voluntary request for layoff, the employee will submit a non-revocable letter stating they are accepting a voluntary layoff from state service.
- D. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the layoff lists for the job classifications in which they held permanent status, regardless of a break in service.

34.5 Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions for which they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

34.6 Temporary Reduction of Work Hours or Layoff – Employer Option

- A. The Employer may temporarily reduce the work hours of an employee to no less than twenty (20) per week due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours. The notice will specify the nature and anticipated duration of the temporary reduction.
- B. The Employer may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of seven (7) calendar days of a temporary layoff. The notice will specify the nature and anticipated duration of the temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance if the layoff was due to the lack of funds.
 - 2. Bump to any other position, or
 - 3. Be placed on the layoff list.
- D. A temporary reduction of work hours or layoff being implemented as a result of lack of work, shortage of material or equipment, or other unexpected or unusual

reason will be in accordance with seniority, as defined in [Article 33](#), Seniority, among the group of employees with the required skills and abilities as defined in [Section 34.8](#), in the job classification at the location where the temporary reduction in hours or layoff will occur.

- E. A temporary reduction of work hours or layoff will not affect an employee's holiday compensation, periodic increment date or length of review period, and the employee will continue to accrue vacation and sick leave credit at their normal rate.

34.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/ organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix C, Layoff Units.

34.8 Skills and Abilities

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions or, bona fide occupational qualifications approved by the Human Rights Commission that have been identified at least three (3) months prior to the layoff. In no case will the skills and abilities required in layoff be more restrictive than those required when filling positions. For employees who held permanent status in IT classes that were abolished, an employee's work history and completed IT Assessment Form will also be considered in determining skills and abilities.

34.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 33](#), Seniority, among the group of employees with the required skills and abilities, as defined in [Section 34.8](#), above.

- C. If a job classification in which an employee has previously held status has been abolished or revised, a crosswalk to the class series will be used to identify any layoff option(s). The employee must have the skills and abilities of any identified position. For employees who held permanent status in IT classes that were abolished a completed IT Assessment form will be used to identify available layoff options within the IT professional structure.
- D. Employees who are laid off may request to have their name placed on the layoff lists for the job classifications in which they have held permanent status, regardless of a break in service.
- E. If the Employer elects to implement all the stages of a layoff on a single effective date, and an employee accepts their formal option and then subsequently declines the option prior to the effective date of the layoff, the Employer will amend the formal option of any employee who is affected by this declination.
- F. For employees in the IT Professional Structure, layoff options within the layoff unit will be determined as follows:

- C. Appointment from a Layoff List
 - 1. Employees who are appointed from a layoff list to a position with the same salary range as that of the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, plus any across the board adjustments, including salary survey adjustments and job classification range adjustments, that occurred during the time they were laid off.

- E. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as their eligibility expires or they have been rehired to a different position for which they have the skills and abilities.

 - 1. An employee occupying a position reallocated to a class with the same or lower salary range of the same assigned salary schedule must be paid an amount equal to their previous base salary.
 - 2. An employee occupying a position reallocated to a class with a higher salary range of the same assigned salary schedule must have their base salary adjusted to the same step in the new range as held in the previous range. In unique circumstances, (e.g., minimum wage adjustments) the employer may determine a different salary placement other than step for step. Upon request of the Union, the Employer will bargain the salary effect(s).
 - 3. Upon request of the Union, the Employer will bargain the salary effect(s) of the newly proposed classification when an employee occupying a position is reallocated to a new class that is assigned to a range in a different salary schedule as the previous job class.
- C. The Employer will allocate or reallocate positions, including newly created positions, to the appropriate classification within the classification plan based upon the duties assigned and performed. Salary placement for new employees will be established per [Section 42.8](#) - Establishing Salaries for new employees and new classifications. An individual employee who believes that their position is improperly classified may request a review according to the following procedure:

- B. The supervisor will then send the completed form(s) to the local Human Resources Office. The Human Resources Office will respond to the employee and/or the employee's immediate supervisor in writing within sixty (60) calendar days of receipt of the properly completed form(s). If an allocation determination is not made within the sixty (60) calendar days the employee will be provided with a status report. 2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher-level duties for at least six (6) months, the Employer must give the employee the opportunity to compete for the position if they possess the required skills and abilities. The Employer may choose to promote the employee without competition as long as the employee possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 34](#), Layoff and Recall, will apply. If the employee is appointed to the position, they must serve a trial service period.

B. Reallocation to a Class with an Equal Salary Range Maximum

1. If the employee has the skills and abilities required of the position, the employee will remain in the position and retain their existing appointment status.

A. Reallocation to a Class with a Higher Salary Range Maximum

Upon appointment to the higher class, the employee's base salary will be increased to a step of the range for the new class that is nearest to five percent (5%) higher

than the amount of the pre-promotional step. At the time of the reallocation, the agency head or designee may authorize an increase of the base salary up to a total of ten percent (10%). The base salary will not exceed the top of the range.

B. Reallocation to a Class with an Equal Salary Range Maximum

The employee retains their previous base salary.

C. Reallocation to a Class with a Lower Salary Range Maximum

The employee will be paid an amount equal to their current salary, provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will continue to be compensated at the salary they were receiving prior to the reallocation downward, until such time as the employee vacates the position or their salary falls within the new salary range.

42.10 Salary Adjustments

- A. The Employer may increase an employee's step within the salary range to address issues related to recruitment, retention or other business needs. Such an increase may not result in a salary greater than Step M of the range.

- B. Within resources available for these purposes, the employer, at its sole discretion, may authorize additional pay to support the recruitment or retention of the incumbent or candidate for a specific position. At the employer's discretion, up to a fifteen percent (15%) premium may be added to the employee's base salary. An employee may not receive more than fifteen percent (15%) of his/her annual base salary over a twelve (12) month period under the provisions of this Section.

In advance of authorizing a lump sum recruitment or retention payment, employers must establish express conditions in writing for the payment. The conditions must include a specified period of employment or continued employment. Any lump sum payment under this Section must only be made after services have been rendered in accordance with conditions established by the employer and become part of the employee's annual compensation for work performed prior to receipt of any funds.

Any additional pay granted under Subsection B is a premium that is not part of base salary. The premium is to be used only as long as the circumstances it is based on are in effect.

42.11 Demotion

An employee who demotes to another position with a lower salary range will be placed in the new range at a salary equal to their previous base salary. If the previous base salary exceeds the new range, the employee's base salary will be set equal to the new range maximum.

42.12 Transfer

A transfer is defined as an employee-initiated move of an employee from a position to another position within or between agencies in the same class (regardless of assigned range), or a different class with the same salary range. Overtime-eligible employees will be notified prior to their scheduled quitting time either to return to work after departing the worksite or to change the starting time of their next scheduled work shift.

1. Lack of notice for such work will be considered callback and will result in a penalty of three (3) hours of pay at the basic salary in addition to all other compensation due. This penalty will apply to each call.
2. The Employer may cancel a callback notification to work extra hours at any time, but cancellation will not waive the penalty cited in this Section.

These provisions will not apply to the mid-shift interval in a split shift and an employee called back while in standby status.

B. Work on Scheduled Days Off or Holidays

The Employer may assign employees to work on a day off or holiday. Overtime-eligible employees will be notified of such assignments at least prior to the employees' normal quitting times on their second workday preceding the day off or holiday (except Sunday, when it is within the assigned work shift).

- D. In cases where shift premium hours are regularly scheduled over a year, agencies may pay shift premium at a monthly rate that is equal for all months of the year. Monthly rates will be calculated by dividing twelve (12) into the amount of shift premium an employee would earn in a year if the hourly rules in [Subsection 42.18 \(B\)\(1\)](#) were applied.
- E. When an employee is compensated for working overtime during hours for which shift premium is authorized in this Section, the overtime rate will be calculated using the “regular rate.”

- B. If the employee receiving the relocation payment terminates or causes termination of their employment with the state within one (1) year of the date of employment, the state will be entitled to reimbursement for the moving costs which have been paid and may withhold such sum as necessary from any amounts due to the employee. ARTICLE 46

PRESUMPTION OF RESIGNATION

46.1 Unauthorized Absence

When an employee has been absent without authorized leave and has failed to contact the Employer for a period of three (3) consecutive days, the employee is presumed to have resigned from their position. The Employer will make reasonable attempts to contact the employee to determine the cause of the absence.

- 51.3** This Agreement supersedes specific provisions of agency policies with which it conflicts.
- 51.4** During the negotiations of the Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining. Therefore, each party voluntarily and unqualifiedly waives the right and will not be obligated to bargain collectively, during the term of this Agreement, with respect to any subject or matter referred to or covered in this Agreement.

APPENDIX G

TELEWORK

Teleworking is a business practice that benefits the state of Washington, employees, the economy and the environment. Telework is a tool for reducing commute trips, pollutants, energy consumption and our carbon footprint. Telework may result in economic, organizational and employee benefits such as increased productivity and morale, reduced use of sick leave, reduced parking needs and office space. Telework contributes to work life balance.

Definition

Telework is the practice of using mobile technology to perform required job functions from home, a state satellite location or another management approved location.

Position Eligibility

The Employer reserves the right to determine if a position's duties are eligible for telework and the frequency of teleworking. The Employer may revise or rescind a position's eligibility for telework due to changing business conditions or customer service needs. The Employer may require an employee to attend meetings in person or come to the office/field on an approved telework day in accordance with their telework agreement. The Employer may not require employees to submit additional documentation tracking their work solely because they telework.

Telework Requests and Agreements

An employee may submit a written request to their Employer for approval to telework in accordance with agency policy and the Employer will provide a written response. The Employer will consider an employee's request to telework in relation to the objectives of [Executive Order 16-07](#) and the agency's policies and operating, business, and customer needs. The Employer will document and maintain approved telework requests via the Agency telework agreement. Employees may appeal a denied request through their Appointing Authority. A telework agreement shall not change an employee's duty station. Employees living in a county with a cost-of-living adjustment shall not receive the adjustment unless their duty station is located in that county. Approved telework plans shall terminate upon transfer to a new division or work unit. Transferring employees wishing to continue telework must submit a new request. The telework agreement, and any modifications, must be kept on file at the primary worksite and in the employee's official personnel file.

Changes to Existing Telework Agreements

The Employer reserves the right to reduce, modify or eliminate an employee telework agreement based on business needs or if there are documented performance and/or attendance concerns, to include not complying with the terms of a telework agreement. Except for instances where the elimination of a telework agreement is for documented performance and/or attendance issues, the Employer will address modifications to a telework agreement with the employee a minimum of ten (10) calendar days prior to making those modifications. The employer is not responsible for costs, damages or losses resulting from cessation of participation in a telework agreement.

Eligibility, denial, modification or elimination of a telework agreement is not considered a schedule change and is not grievable under Article 29 of the Collective Bargaining Agreement.

APPENDIX P

SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE:

This range is used for classes having a prevailing pay range that is shorter than Washington’s standard ranges. An “E” range is a standard range with the first four (4) steps removed. Thus, the first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“D” RANGE:

This range is a single rate per hour equivalent to the State's minimum wage. It is payable to employees who have dog handler assignments, and only while they are off duty, but are still required to care for the dog in their charge (usually at home). Work time to be paid at "D" range includes but is not limited to time required for daily feeding, exercising, grooming, and emergency health care of the dog, and care and cleaning of the kennel.

“G” RANGE:

This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six (6) steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“GS1” RANGE:

This range applies to the following specific job classes:

Physician 2, Physician 3, periodic increases are made at the same intervals as through standard ranges.

“I” RANGE:

This range is five (5) ranges higher than the range approved for Lottery District Sales Representative and it may be applied only to those classifications. Use of this range is limited to sales incentive programs which: (a) may not exceed thirteen (13) weeks for any program; (b) may not exceed four (4) programs in any consecutive twelve (12) months; (c) require achievement of specific goals which are set for each program by the lottery, such goals to be in excess of normal performance standards for the class. At its discretion, Lottery may designate the fourth (4th) quarter incentive program in any fiscal year to compensate employees for the achievement of annual goals. This provision may not be applied to any quarter other than the fourth (4th).

Lottery is authorized to compensate individual employees on the “I” range for not more than three (3) months as a result of any one (1) sales incentive program, with the number of months as stipulated in the incentive program announcement. Within these limits, movement of any employee to and from the “I” range will be at the discretion of the Lottery, and shall be from and to the same step, subject to change by the employee’s periodic increment date.

“J” RANGE:

This range is a single rate per hour equivalent to Range 69, Step L. Use is limited to Lottery employees who volunteer and are selected for lottery drawing duty as one (1) of the following: (a) The Lottery Drawing Official (LDO); (b) the Lottery Security Official (LSO); or (c) the Headquarters Drawing Official (HDO), as described under Lottery procedures.

Employees performing these functions during their normal working shift will not be eligible for “J” range compensation. Employees performing these functions outside of their shift will be compensated by the “J” rate on an hourly basis with a two (2)-hour minimum per drawing period.

“N1” RANGE:

This range applies to nurses represented by the Washington Federation of State Employees and is used for classes requiring licensure as a registered nurse and having a prevailing pay range which is longer than Washington’s standard ranges. An “N1” range is a standard range, Steps A through K, with ten (10) added Steps, L through U. Periodic increases through Step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.

“IT” RANGE:

This range applies to the job classifications assigned to the Information Technology Professional structure. Employees within an IT job family and job level will be assigned to one (1) range on the IT salary schedule. Periodic increases through the steps of a range are made at the same intervals as through standard ranges. Each range on the IT salary schedule is independent and not related to the other ranges within the schedule.

The priority list will be posted in a place visible to employees.

5. Rotational Wildfire Suppression or Other Emergency Duty Standby

When performing wildfire suppression or other emergency duties separate rotational standby schedules may be established for the incident command system positions. If established, the rotational schedules will be posted in region and division offices and updated weekly. Actual rotation will not begin or continue except as authorized by the Employer. The Employer will make cellular phones or similar communication devices available to employees if on rotational standby for deployment.

6. Compensation for Reacting to Potential Wildfire Suppression or Other Emergency Duties

When an employee is reacting to wildfire suppression or other emergency duties, they will be paid in accordance with Section 42.33 and 42.34.

7. Union Access During Deployments

The Union will have access to emergency duty locations (the actual site of the wildfire or other emergency) where WFSE members are present. A Union representative who visits the emergency duty location will notify the on-site DNR agency representative upon their arrival for safety purposes, and the provisions of Section 39.1 B will still apply.

8. Regular Days Off or Rest and Recuperation Days Miscellaneous Leave

- A. If the length of the wildfire suppression or other emergency duty deployment, regardless of duty station location(s), is:
1. At least ten (10) but less than fourteen (14) consecutive days, employees will receive one (1) calendar day off; if the day falls on a regularly scheduled workday, the employee will be compensated for their regularly scheduled work shift as paid rest and recuperation miscellaneous leave and is considered time worked for calculation of the overtime rate; if the day falls on a regularly scheduled day off, the employee will be compensated as paid rest and recuperation miscellaneous leave which is not considered time worked for calculation of the overtime rate; or
 2. At least fourteen (14) consecutive days, employees will receive three (3) consecutive calendar days off; if a day(s) falls on a regularly scheduled workday(s), the employee will be compensated for their regularly scheduled work shift(s) as paid rest and recuperation miscellaneous leave and is considered time worked for calculation of the overtime rate; if a day(s) falls on a regularly scheduled day off, the employee will be compensated as paid rest and recuperation miscellaneous leave for one (1) day only which is not considered time worked for calculation of the overtime rate; and any additional day(s) that falls on a regularly scheduled day off, the employee will not receive paid rest and recuperation miscellaneous leave for that day(s).
- B. If an employee is unable to take their consecutive regular days off or be scheduled for the consecutive rest and recuperation days during deployment and can continue to work safely, the consecutive days off or rest and recuperation days will occur consecutively beginning on the first calendar day after returning from deployment.
- C. Up to forty-eight (48) hours of travel to and up to forty-eight (48) hours of travel from an emergency duty incident are excluded in calculating the consecutive days of deployment referred to above in Subsection 8 A.
- D. During the rest and recuperation miscellaneous leave, the employee will be paid at the employee's straight time hourly rate equivalent to their scheduled work shift.
- E. Deployment beyond fourteen (14) consecutive days requires mutual agreement of the employee's Appointing Authority, the DNR Wildfire Division Manager, and the employee. Approval to extend wildfire or other emergency duty deployment beyond fourteen (14) consecutive calendar days shall include a provision for scheduling the regular day(s) off and/or rest and recuperation day(s) miscellaneous leave if not already taken at the earliest opportunity consistent with safety and scheduling considerations.

9. Normal Rest Periods

When an employee is deployed under the incident command system to wildfire suppression or other emergency duty, it is normally appropriate to grant a reasonable rest period after twelve (12) hours of duty. Except when precluded by extraordinary circumstances, a rest period is eight (8) or more continuous duty/travel-free hours.

10. Fit for Duty

As in all other instances, employees while deployed to wildfire suppression or other emergency duty under the incident command system are responsible within their means to be physically able to resume their duties at the start of each work shift.

11. Wildfire Suppression Base Camp

- A. DNR employees are not required to remain in a wildfire suppression base camp during off-duty hours.
- B. When a wild fire suppression base camp is established for overnight operation and one-way travel to the nearest community does not unreasonably exceed one (1) hour, the Employer will, except when precluded by extraordinary circumstances, provide for round trip transportation to the nearest community for employees who are off duty.

12. Laundry Services at Emergency Duty Locations

After five (5) consecutive calendar days at an emergency duty location employees deployed to emergency duty under the incident command system will be entitled to laundry services until released from emergency duty. If contracted laundry services are not provided, employees will be reimbursed for laundry costs incurred pursuant to Office of Financial Management, State Administrative and Accounting Manual, Subsection 10.60.10.

13. Return to Normal Duties

- A. Upon return to normal duties following release from extended emergency duty under the incident command system, the Employer will provide work for an employee during regular scheduled hours if there is work that the employee can perform safely and productively. If in the immediate supervisor's judgment, there is not work that the employee can safely and productively perform, the immediate supervisor will direct the employee to go off duty and will notify the employee when scheduled to return to duty. If an employee is directed to rest at the duty station, the directed rest time at the duty station is duty time.
- B. If an employee returning from extended emergency duty under the incident command system is directed to go off duty or desires to go off duty, the employee may request to be allowed to delay the start of their normal schedule of regular hours and to make up regular shift hours during the remainder of the workday or during the remainder of the workweek without incurring overtime. The Employer will within reason approve such employee requests. The Union acknowledges there may be circumstances that preclude approving a request. When regular hours are made up during the remainder of the workday or during the remainder of the

workweek, the regular hours are paid at the straight time rate. If an employee returning from extended emergency duty under the incident command system requests to use accrued vacation leave, the Employer will within reason approve the employee request.

14. Meals at Emergency Duty Locations

- A. Employees working in wildfire suppression or other emergency duty are entitled to meals in accordance with agency guidelines.
 - DNR will provide up to three (3) meals a day (breakfast, lunch, and/or dinner).
 - If a required meal is not provided, employees will receive per diem for the meal. diem.
- B. In emergency situations, on short notice, when an employee is required to report for duty three (3) or more hours prior to their normal work shift, the employee is entitled to a nutritious meal.
- C. Meal delivery requirements may be flexible to facilitate a hot or a better quality meal at a camp or restaurant (in lieu of a cold lunch) at the option of a majority of the employees involved.
- D. The Employer understands the physical aspects for all employees during wildfire suppression or other emergency duty efforts and agrees to provide meals that meet or exceed the minimum nutritional requirements.
- E. Upon request by an employee, who has been issued a red-card and deployed by the Employer to an emergency duty location, the Employer will issue three (3) MREs (Meals Ready-to-Eat) to the employee.

15. Sleeping Bags at Emergency Duty Locations

At a wildfire, each employee who remains at the site overnight will be provided a sleeping bag and a sleeping pad of good quality.

16. Inclement Weather Facilities at Emergency Duty Locations

At a wildfire emergency duty location during inclement weather, reasonably warm and dry facilities will be provided as soon as possible for eating and sleeping.

17. Shower Facilities at Emergency Duty Locations

At an overnight wildfire emergency duty location, shower facilities including soap will be made available as soon as possible when practicable.

18. Air Quality

DNR commits to further discussions with the union regarding firefighter respiratory health.

19. Work Capacity Testing

The physical fitness levels for wildland fire assignments will be as designated in the National Interagency Incident Management System Wildland Fire Qualification System Guide published by the National Wildfire Coordinating Group (PMS 310-1).

For a wildland fire assignment not included in the National Interagency Incident Management System Wildland Fire Qualification System Guide, the Employer agrees to include the Union in a study of the tasks comprising the assignment and the appropriateness of a physical fitness level designation. The study will include the application of the definitions of arduous, moderate, and light physical fitness levels provided in the National Interagency Incident Management System Wildland Fire Qualification System Guide.

Physical fitness levels of employees who are subject to being assigned wildland fire duties will be evaluated using the applicable Work Capacity Test, i.e. arduous, moderate, or light, developed by the USDA Forest Service Missoula Technology and Development Center to evaluate a worker's capacity to meet National Wildfire Coordinating Group physical fitness standards.

The Employer and Union agree to meet and discuss in a Union-Management Committee meeting alternatives to the Work Capacity Test

APPENDIX X
PRESCRIBED FIRE OPERATIONS
DEPARTMENT OF NATURAL RESOURCES (DNR)

1. Application of this Appendix

The provisions of this Appendix apply to DNR employees only when performing prescribed fire operations as defined by DNR Policy.

2. Mobilization Dispatch Authority

The Employer retains sole authority to mobilize employees to prescribed fire operations, even when dispatched to inter-agency prescribed fire operations.

3. Union Access During Prescribed Fire

The Union will have access to prescribed fire operation locations where WFSE bargaining unit members are present. A Union representative who visits the location will notify the on-site DNR agency representative upon their arrival for safety purposes, and the provisions of Article 39 will still apply.

4. Regular Days Off or Rest and Recuperation Days Miscellaneous Leave

A. Regular days off or rest and recuperation days miscellaneous leave for prescribed fire operations will follow the following provisions.

1. At least ten (10) but less than fourteen (14) consecutive days, employees will receive one (1) calendar day off; if the day falls on a regularly scheduled workday, the employee will be compensated for their regularly scheduled work shift as paid rest and recuperation miscellaneous leave and is considered time worked for calculation of the overtime rate; and if the day falls on a regularly scheduled day off, the employee will be compensated as paid rest and recuperation miscellaneous leave which is not considered time worked for calculation of the overtime rate; or
2. At least fourteen (14) consecutive days, employees will receive three (3) consecutive calendar days off; if a day(s) falls on a regularly scheduled workday(s), the employee will be compensated for their regularly scheduled work shift(s) as paid rest and recuperation miscellaneous leave and is considered time worked for calculation of the overtime rate; if a day(s) falls on a regularly scheduled day off, the employee will be compensated as paid rest and recuperation miscellaneous leave for one (1) day only which is not considered time worked for calculation of the overtime rate; and any additional day(s) that falls on a regularly scheduled day off, the employee will not receive paid rest and recuperation miscellaneous leave for that day(s).

B. If an employee is unable to take their consecutive regular days off or be scheduled for the consecutive rest and recuperation days during a prescribed fire and can continue to work safely, the consecutive days off or rest and recuperation days will

occur consecutively beginning on the first calendar day after returning from the prescribed fire.

- C. Up to forty-eight (48) hours of travel to and up to forty-eight (48) hours of travel from a prescribed fire are excluded in calculating the consecutive days of deployment referred to above in [Subsection 4A](#).
- D. During the rest and recuperation miscellaneous leave, the employee will be paid at the employee's straight time hourly rate equivalent to their scheduled work shift.
- E. Deployment beyond fourteen (14) consecutive days requires mutual agreement of the employee's Appointing Authority, the Prescribe Fire Division Manager, and the employee. Approval to extend a prescribed fire beyond fourteen (14) consecutive calendar days shall include a provision for scheduling the regular day(s) off and/or rest and recuperation day(s) miscellaneous leave if not already taken at the earliest opportunity consistent with safety and scheduling considerations.

5. Normal Rest Periods

When an employee is performing prescribed fire operations, it is normally appropriate to grant a reasonable rest period after twelve (12) hours of duty. Except when precluded by extraordinary circumstances, a rest period is eight (8) or more continuous duty/travel-free hours.

6. Fit for Duty

As in all other instances, employees while mobilized to prescribed fire operations are responsible within their means to be physically able to resume their duties at the start of each work shift.

7. Return to Normal Duties

- A. Upon return to normal duties following release from an extended prescribed fire, the Employer will provide work for an employee during regular scheduled hours if there is work that the employee can perform safely and productively. If, in the immediate supervisor's judgment, there is not work that the employee can safely and productively perform, the immediate supervisor will direct the employee to go off duty and will notify the employee when scheduled to return to duty. If an employee is directed to rest at the duty station, the directed rest time at the duty station is duty time.
- B. If an employee returning from an extended prescribed fire is directed to go off duty or desires to go off duty, the employee may request to be allowed to delay the start of their normal schedule of regular hours and to make up regular shift hours during the remainder of the workday or during the remainder of the workweek without incurring overtime. The Employer will within reason approve such employee requests. The Union acknowledges there may be circumstances that preclude approving a request. When regular hours are made up during the remainder of the workday or during the remainder of the workweek, the regular hours are paid at the

straight time rate. If an employee returning from an extended prescribed fire requests to use accrued vacation leave, the Employer will within reason approve the employee request.

8. Meals and Lodging for Prescribed Fire Operations

Employees working in prescribed fire operations are entitled to per diem for meals and lodging in accordance with agency guidelines.

9. Air Quality

DNR commits to further discussions with the Union regarding firefighter respiratory health.

10. Work Capacity Testing

The physical fitness levels for prescribe fire assignments will be as designated in the National Interagency Incident Management System Wildland Fire Qualification System Guide published by the National Wildfire Coordinating Group (PMS 310-1).

For a prescribed fire assignment not included in the National Interagency Incident Management System Wildland Fire Qualification System Guide, the Employer agrees to include the Union in a study of the tasks comprising the assignment and the appropriateness of a physical fitness level designation. The study will include the application of the definitions of arduous, moderate, and light physical fitness levels provided in the National Interagency Incident Management System Wildland Fire Qualification System Guide.

Physical fitness levels of employees who are subject to being assigned prescribed fire duties will be evaluated using the applicable Work Capacity Test, i.e., arduous, moderate, or light, developed by the USDA Forest Service Missoula Technology and Development Center to evaluate a worker's capacity to meet National Wildfire Coordinating Group physical fitness standards.

The Employer and Union agree to meet and discuss in a Labor-Management Committee meeting alternatives to the Work Capacity Test.

Medical Flexible Spending Arrangement Work Group

Since the 2019-2021 PEBB healthcare agreement between the Coalition of Unions and the State of Washington, the parties have agreed to a benefit involving a Medical Flexible Spending Arrangement (FSA). Due to unknown reasons, a majority of eligible employees did not use some or all of this benefit.

The parties agree to use the already scheduled quarterly series of meetings between Health Care Authority (HCA), Office of Financial Management (OFM) and Union staff representatives to review data and discuss possible options and solutions to increase represented employees' awareness and utilization of the FSA benefit. The parties will focus their efforts on the following items:

1. Creating an introductory paragraph explaining the FSA benefit for represented employees for use in HCA communications. This communication shall include all the participatory unions' logos and/or names provided by the unions as well as HCA/PEBB branding.
2. Exploring the option of sharing a list of all eligible employees who did not use the three hundred dollar (\$300) benefit for the previous calendar year.
3. Creating a timely and targeted communication for those employees who have not yet accessed their FSA benefit.
4. Reviewing existing communications provided to new employees about the FSA benefit.
5. Assisting the Coalition of Unions with providing information to their members about the FSA benefit.
6. Ensuring that any information shared protects employees' personally identifiable information and protected health information.

7. Exploring options to provide access to this information for non-English speakers, for example, a flyer in multiple languages with notification of these benefits.

Hospital Staffing Committee

As a result of the parties meeting to discuss the changes to the Second Engrossed Substitute Senate (2ESSB) Bill 5236 and its affect upon the Hospital Staffing Committee at facilities within the Department of Social and Health Services (DSHS), Behavioral Health Administration (BHA): Eastern State Hospital (ESH), Child Study and Treatment Center (CSTC) and Western State Hospital (WSH), including union represented participants on the committee to include members of the Washington Federation of State Employees (WFSE) such as Licensed Practical Nurses and unlicensed assistive nursing personnel that are non-supervisory or nonmanagerial. The Employer and Union strongly support the proposition that adequate staffing and an appropriately trained staff are necessary to meet the needs of our patients and provide quality care. Both the Employer and Union will work to ensure that state hospitals as defined in [RCW 72.23.010](#) and [020](#) are staffed according to best practices in providing a safe and healthy environment for patients and staff.

The Employer and Union agree to establish a process to promote evidence-based staffing at each DSHS/BHA State hospital in compliance with [RCW 70.41.420](#) and will continue to meet the requirements of [RCW 70.41.420](#).

Accordingly, the parties have agreed to the following:

1. **Establishment of Hospital Staffing Committees at all State Hospitals**

- One (1) at ESH
- One (1) at CSTC
- One (1) at WSH (Civil and Gage)

2. **Composition of the Hospital Staffing Committees**

- A. Fifty percent (50%) of the total members of each Hospital Staffing committee shall be selected and represented by the unions and fifty percent (50%) of the total members shall be selected by the hospital administration. The Unions will appoint their member(s) for the committees. Each committee shall be co-chaired by one (1) Management Representative, one (1) Union local member.
- B. Committee seat allotment for each facility shall be as follows:
- ESH- Twelve (12) total seats with six (6) identified as management seats and six (6) identified as union seats.

CSTC- Eight (8) total seats with four (4) identified as management seats and four (4) identified as union seats.

WSH- Sixteen (16) total seats with eight (8) identified as management seats and eight (8) identified as union seats.

C. Participation in the Hospital Staffing Committees by employees shall be scheduled work times and compensated at the appropriate rate of pay. Hospital Staffing Committee members shall be granted one-half (1/2) hour pre-meet time just prior to the Hospital Staffing Committee meeting. Hospital Staffing Committee members shall be relieved of all other work duties during the pre-meeting and committee meetings. If an individual is off duty (aka: not scheduled to clock in until later that day) when the committee meets, then their schedule will be modified to accommodate their attendance at the committee meetings.

D. Committee Representation: The union will provide the names of the committee members for each location identified above within ten (10) days of signing this MOU.

EMPLOYEE SAFETY WORK GROUP

Due to continued safety challenges specifically related to employee assaults from clients/patients/residents, the Employer and the Union agree to form a joint employee safety work group. Membership will consist of DCYF, DSHS and DVA management from headquarters and the facilities, OFM/LRS as appropriate, and WFSE leadership and representatives selected by WFSE. The purpose of the workgroup is to analyze available data, identify specific challenges at individual facilities related to client/patient/resident assaults, and collaborate on strategies and solutions to address the identified challenges.

The parties agree:

1. Workgroup membership is limited to five (5) Employer representatives and five (5) employee representatives from each agency. Additional paid staff from the Employer and Union may also attend.
2. Release time during normal work hours to prepare for and participate in the workgroup meetings will be considered time worked. Employee representatives will be allowed reasonable time, as determined by the Employer, to travel to and from meetings conducted during their normal work hours. Time spent traveling during the employee's non-work hours in order to attend the meetings will not be considered time worked. An employee representative may be authorized by their supervisor to adjust their work schedule, take leave without pay, compensatory time, exchange time, or vacation leave to travel to and from the meeting.
- 3 The parties agree that the workgroup will continue through October 31, 2025, unless extended by the parties through mutual agreement.
4. The workgroup will meet at mutually agreed-upon times, every three (3) months for a minimum of two (2) hours. The location and determination of venue (in person, virtual or both) will be determined at the time of scheduling.

5. Any recommendations resulting from this workgroup remain subject to the provisions of [Article 38](#), Mandatory Subject, of the parties' Collective Bargaining Agreement.

This MOU expires October 31, 2025.

ADDENDUM A
DEPARTMENT OF CORRECTIONS

SECTION 1
SUPPLEMENTAL DOC ARTICLE 3
BID SYSTEM

3.1 Applicability

- A. This Article applies only to staff employed at a correctional facility in the Department of Corrections (DOC) who work in positions that may require relief or coverage.
- B. This Article does not apply to the filling of non-permanent, on-call, or project positions.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. Bid Positions
Positions filled as a result of a bid.
- B. Bid System
A process allowing employees with permanent status to submit bids to other positions within their employing institution and in the same job classification in which they currently hold permanent status, or to a lower classification in which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completion of one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid on part-time positions in the same job classification in which they currently hold permanent status or to a lower classification in which they have previously held status.
- C. Position
In DOC, a position is defined as a particular combination of shift, days off and location.

3.3 Components of a Bid

DOC employees will bid by position number. Employees will be responsible for the accuracy of their bids. Each bid will remain active for a period of six (6) months from the date submitted by the employee.

3.4 Submittal and Withdrawal of Bids

Any bids submitted after the date a vacancy is considered to have occurred will not be considered for that vacancy. Employees may withdraw their bids, in writing, at any time prior to the referral.

3.5 New Positions or Reallocated Positions

When a new position is established or a vacant position is reallocated, the Employer will post the position for seven (7) calendar days if the combination of shift and days off and

location does not currently exist. The agency will use electronic and/or hard copy methods for notification, which shall include email notifications to eligible employees.

3.6 Vacancy

For purposes of this Article, a vacancy occurs when:

- A. An employee notifies management, in writing, that they intend to vacate their position; or
- B. Management notifies an employee, in writing, that the employee will be removed from their position.

3.7 Awarding a Bid

When a permanent vacancy occurs, the Employer will determine if any employee has submitted a bid for the shift and days off. Seniority will prevail provided the employee has the skills and abilities necessary to perform the duties of the position. An employee's bid request may be turned down if the employee has documented attendance or performance problems. The employee will begin working in the new position within forty-five (45) calendar days of being awarded the bid unless circumstances warrant otherwise.

3.8 Commitment Following an Award or Refusal of a Bid

- A. When an employee has been awarded a bid, or refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The six (6) month period will begin on the first day the employee is assigned the new shift and/or days off. All other active bids the employee has on file will be removed from the bid system.

3.9 Whenever there is need for a major change in residential settings such as elimination of positions or major changes to shifts or assignments, the Union and the Employer may agree to suspend the procedure described in [Sections 3.3](#) through [3.6](#) and [3.8](#) above and allow all employees to bid on positions, which will be filled in accordance with the procedures in [Section 3.7](#) of this Article.

3.10 Reassignment from a Bid Position

Nothing in this Article will preclude management from reassigning an employee from their bid position to another position on a different shift or to a position with different days off, provided the employee is notified, in writing, of the reason(s) for the reassignment. A copy of the notice will be sent to the Union.

SECTION 2 SUPPLEMENTAL DOC ARTICLE 4 HIRING AND APPOINTMENTS

4.1 Filling Positions

The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties

of the specific position within a job classification. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.

- A. The agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 34](#), Layoff and Recall, of this Agreement and are confined to the Department of Corrections (DOC).
- B. The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with [WAC 357-46-080](#).
- C. A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the agency.
- D. A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the agency.
- E. A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum within the agency.
- F. When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
 - 1. The most senior candidate on the agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
 - 2. If there are no names on the internal layoff list, the agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the agency may consider up to ten (10) additional tied candidates. The agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.
 - 3. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.

4. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the agency may add up to three (3) affirmative action candidates to the names certified for the position.
5. When recruiting for multiple positions, the agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

4.2 Recruitment and Application Process

Agencies will determine the recruitment process used to fill positions. When recruiting for a bargaining unit position, the recruitment announcement will be posted for a minimum of seven (7) calendar days. One (1) recruitment announcement may be used to fill multiple open positions. A recruitment announcement may also be used to fill positions in addition to those listed in the recruitment announcement if the recruitment announcement includes a statement indicating that intent at the initial time of posting. Once all the position(s) from the recruitment announcement are filled, the recruitment announcement may only be used to fill additional open positions for the next sixty (60) days. An agency may accept applications/recruit through the Department of Enterprise Services' online recruiting system, agency electronic process, and/or paper applications as indicated on the recruitment announcement. In addition, agencies may use their intranet to post positions. Agencies that use the Department of Enterprise Services' online recruiting system will accept and process agency-defined paper forms. Upon request, agencies will assist employees through the application process.

4.3 Movement – Permanent Employees

A. Within an Agency

1. Prior to certifying candidates for vacancies in accordance with [Section 4.1](#), an Appointing Authority may grant an administrative transfer, voluntary demotion or elevation within an agency as long as the permanent employee has the skills and abilities required to perform the duties of the position.
2. Employees desiring a transfer, voluntary demotion or elevation may initiate a request in writing to their agency human resources office.
3. Appointing authorities will consider these individuals for an opening. Movement requests will be purged twice yearly on June 30 and December 31.
4. Candidates interviewed will be notified of the hiring decision.
5. This Subsection does not apply to those positions that have a required bid system established in accordance with Supplemental DOC [Article 3](#), Bid System, unless the position remains vacant after the completion of the bid process.

6. In addition, employees who are interested in a transfer, voluntary demotion or elevation within an agency may also apply in accordance with the processes outlined in [Section 4.2](#), above.

B. Outside the Agency

1. Prior to certifying candidates for vacancies in accordance with [Section 4.1](#), an Appointing Authority may grant an administrative transfer, voluntary demotion or elevation to a candidate from another agency as long as the permanent employee has the skills and abilities to perform the duties of a position.
2. Employees transferring, demoting or elevating from outside the agency will be required to serve a six (6) month review period. Agencies may extend the review period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months.
3. The Employer may separate an employee or an employee may voluntarily separate during the review period. Upon separation, and at the employee's request, the employee's name will be placed on the agency's layoff list. The employee will remain on the list until such time as their eligibility expires or they have been rehired.
4. An employee who is separated during their review period may request a review of the separation by the Director or Secretary of the agency or designee within twenty-one (21) calendar days from the effective date of the separation. Separation during the review period will not be subject to the grievance procedure in Supplemental DOC [Article 29](#), Grievance Procedure.

4.4 Permanent Status

An employee will attain permanent status in a job classification upon their successful completion of a probationary, trial service or transition review period.

4.5 Types of Appointment

A. Non-Permanent

1. The Employer may make non-permanent appointments to fill in for the absence of a permanent employee, during a workload peak, while recruitment is being conducted, or to reduce the possible effects of a layoff. Non-permanent appointments will not exceed twelve (12) months except when filling in for the absence of a permanent employee or to reduce the effects of a hiring freeze. A non-permanent appointee must have the skills and abilities required for the position.
2. A permanent employee who accepts a non-permanent appointment within their agency will have the right to return to their prior permanent position in the agency or to a position in the permanent classification they left at the

completion of the non-permanent appointment; provided 1) the employee has not left the original non-permanent appointment, or 2) multiple non-permanent appointments have not exceeded a total of twelve (12) months, unless the original Appointing Authority agrees otherwise. Employees who are accepting a non-permanent appointment will be notified of their return rights within their appointment letter.

An employee with permanent status may accept a non-permanent appointment to another agency. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify their current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the agency and the duration of those return rights. At a minimum, the agency must provide the employee access to the agency's internal layoff list.

3. The Employer may convert a non-permanent appointment into a permanent appointment if the Employer used a competitive process to fill the non-permanent appointment or if the non-permanent appointment was filled using a veteran placement program. In such circumstances the employee will serve a probationary or trial service period. The Employer must follow Supplemental DOC [Article 3](#), Bid System or appoint an internal layoff candidate, if one exists, before converting an employee from a non-permanent appointment to a permanent appointment.
4. Time spent in the non-permanent appointment will count towards the probationary or trial service period if the employee and the employee's position is converted from a non-permanent appointment to a permanent appointment in accordance with Subsection 3 above.
5. Time spent in the non-permanent appointment may count towards the probationary or trial service period for the permanent position within the same job classification. When non-permanent time is not counted towards the probationary or trial service period, the reason(s) will be provided to the employee in writing.
6. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee. If an employee is terminated for misconduct and the misconduct for which the employee is terminated is documented in the personnel file, just cause will apply.

B. On-Call Employment

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving notice to the employee. If an employee is terminated for misconduct and the misconduct for

which the employee is terminated is documented in the personnel file, just cause will apply.

C. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will determine and document the training program, including a description and length of the program. The in-training plan must include:

- a. The title of the goal class of the in-training plan.
- b. The duties and responsibilities of the goal class.
- c. The job classes that will be used to reach the goal class.
- d. The skills and abilities that must be acquired by the employee while in-training to the goal class.

The training plan may include any of the following components:

- e. On-the job training;
- f. Classroom or field instruction;
- g. Courses conducted by an educational institution, vocational school, or professional training organization; or
- h. Written, oral and/or practical examinations(s).

Unless other staffing methods have been exhausted, positions with primary responsibility for supervision will not be designated as in-training positions.

2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service period(s) required by the in-training program. Employees who are not successful may be separated at any time with one (1) working day's notice from the Employer. Within seven (7) days of the effective date of the separation, the employee may request a review of the separation by the Director or Secretary of the agency or designee.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period(s), depending on the requirements of the in-training program. The trial service period and in-training program will run concurrently. The Employer may revert an employee who does not

successfully complete the trial service period(s) at any time with one (1) working day's notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to their in-training appointment, in accordance with [Subsections 4.6](#) (B)(4) and [4.6](#) (B)(5) of this Article.

4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The trial service period and in-training program will run concurrently. The Employer will determine the length of the trial service period(s) to be served by an employee in an in-training appointment, however the cumulative total of the trial service periods for the entire in-training appointment will not exceed thirty-six (36) months. The appointment letter will inform the employee of how the trial service period(s) will be applied during the in-training appointment.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status in each classification upon successful completion of the concurrent training program and trial service period at each level.
6. If the entire in-training program—meaning all levels within the in-training appointment is designated as a trial service period, the employee will attain permanent status in the goal classification upon successful completion of the training requirements and concurrent trial service period for the entire in-training program. Every ninety (90) days of the trial service period, the Employer will provide a status report to the employee. The status report will provide the employee with an update of progress towards completion of the training requirements, and if necessary, offer remedial opportunities to assist in the successful completion of the trial service period.

D. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.
2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

Employees with permanent project status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
 - b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.
- 3. The Employer may consider project employees with permanent project status who were appointed without a competitive process for transfer, voluntary demotion, or promotion to other project positions only. Project employees with permanent project status hired through a competitive process will be eligible under [Article 4.3](#) Movement – Permanent Employees, for transfer, voluntary demotion or promotion for project and non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.
- 4. For employees hired into a project position prior to July 1, 2013, the Employer may convert a project appointment into a permanent appointment and the employee will serve a probationary or trial service period. For employees hired into a project position on or after July 1, 2013, the Employer may convert a project appointment into a permanent appointment if the Employer used a competitive process to fill the project appointment. In such circumstances, the employee will serve a probationary or trial service period.
- 5. The layoff and recall rights of project employees will be in accordance with the provisions in [Article 34](#), Layoff and Recall.
- E. The designation of a position as non-permanent, on-call, in-training or project, or the termination of a non-permanent, on-call, in-training or project appointment is not subject to the grievance procedure in Supplemental DOC [Article 29](#), Grievance Procedure.

4.6 Review Periods

A. Probationary Period

- 1. Every part-time and full-time employee, following their initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months, except for employees in any job classification listed in Supplemental DOC Appendix R, Job Classifications – Twelve Month Probationary Period, will serve a twelve (12) month probationary period. The agency may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan.

2. The Employer may separate a probationary employee at any time during the probationary period. The Employer will provide the employee five (5) working days' written notice prior to the effective date of the separation. However, if the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary up to five (5) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies or performance improvement plan issues result in an employee gaining permanent status. The separation of a probationary employee will not be subject to the grievance procedure in Supplemental DOC [Article 29](#), Grievance Procedure.
3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service or temporary reduction of work hours, consistent with [Article 34.6 E](#).
4. An employee who is appointed to a different position prior to completing their initial probationary period may be required to serve a new probationary period. The length of a new probationary period will be in accordance with [Subsection 4.6 A](#), unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.
5. With approval of the Employer, an employee who accepts a non-permanent appointment to a higher level position in the same job series while serving an initial probationary period, may resume their probationary period and receive credit for time already served in probationary status if they return to the same position they vacated.
6. If the Employer converts the status of a non-permanent appointment to a permanent appointment within the same job classification, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in the non-permanent appointment toward completion of the probationary period within the same job classification as defined in [Subsection 4.6 A](#). When non-permanent time is not counted towards the probationary period, the reason(s) will be provided to the employee in writing. If the employee and the employee's position is converted from a non-permanent appointment to a permanent appointment, time spent in the non-permanent appointment will count towards the probationary or trial service period.

B. Trial Service Period

1. Employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of

six (6) consecutive months. Agencies may extend the trial service period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan.

Employees in an in-training appointment will follow the provisions outlined in [Subsection 4.5 C](#).

2. Any employee serving a trial service period will have their trial service period extended, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service or temporary reduction of work hours, consistent with [Article 34.6 E](#).
3. An employee who is appointed to a different position prior to completing their trial service period will serve a new trial service period. The length of the new trial service period will be in accordance with [Subsection 4.6 B](#), unless adjusted by the Appointing Authority for time already served in trial service status. In no case, however, will the total trial service period be less than six (6) consecutive months.
4. An employee serving a trial service period may voluntarily revert to their former permanent position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. An employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification.
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position. If possible, the reversion option will be within a reasonable commuting distance for the employee.

5. With five (5) working days' written notice by the Employer, an employee who does not satisfactorily complete their trial service period will be reverted to a funded permanent position in the same agency, that is:

- a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification.
- b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the employee being reverted must have the skills and abilities required for the vacant position. If possible, the reversion option will be within a reasonable commuting distance for the employee.

If the Employer fails to provide five (5) working days' notice, the reversion will stand and the employee will be entitled to payment of the difference in the salary for up to five (5) working days, which the employee would have worked at the higher level if notice had been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status in the higher classification.

6. An employee who has no reversion options or does not revert to the highest classification in which they previously attained permanent status may request that their name be placed on the agency's internal layoff list for positions in job classifications where they had previously attained permanent status.
7. An employee who is separated during their trial service period may request a review of the separation by the Director or Secretary of the agency or designee within twenty-one (21) calendar days from the effective date of the separation. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in Supplemental DOC [Article 29](#), Grievance Procedure.

4.7 Internal Movement Within Department of Corrections Only

- A. Prior to certifying candidates in accordance with Section 4.1, the agency will post vacancies for internal transfer candidates for three (3) business days prior to posting externally. An employee's transfer request will be granted to another position within the bargaining unit provided:
 1. The employee holds permanent status in the job classification;
 2. The employee has demonstrated or been assessed to have the position specific skills, abilities and qualifications necessary to perform the duties of the position;
 3. There are no disciplinary action(s) in their personnel file for the past twelve (12) months;

4. There is no pending disciplinary action or the employee is not under investigation into alleged misconduct;
 5. The employee has not been granted previous internal movement within the past two (2) years;
 6. There are no repeated performance issues being addressed, as documented in the employee's supervisory file;
 7. The appointment will not create a violation of agency policy;
 8. It meets the needs of the work unit.
 9. When posting the vacancy for internal transfer, the posting may include language advising the prospective transfer employee of specific needs and competencies of the position which, if not met, may result in denial of transfer.
- B. Transfer requests under this Section must be made in writing and submitted to the local Human Resources Office. If two (2) or more employees request a transfer to the same position and they meet the above criteria, the senior employee will be appointed. If an employee is offered a transfer and refuses the offer, the employee will not be allowed to request another transfer for twelve (12) months.
- C. If an employee requests a transfer and does not meet the criteria listed above, the employee may compete for the position.
- D. The offering of a formal layoff option in accordance with [Article 34](#), Layoff and Recall, a trial service reversion option or demotion option, prior to granting a transfer request under this Section, is not a violation of this Section, provided notice is given to the union prior to such actions occurring.
- E. This Section is not subject to the grievance procedure in accordance with [Article 29](#), Grievance Procedure. If an employee requests a transfer and it is denied, the employee may request a review by the Department of Corrections Secretary or designee (Deputy/Assistant Secretary) within twenty-one (21) days from the date the employee was notified in writing that they would not be transferred to the vacant position. SUPPLEMENTAL DOC ARTICLE 5
PERFORMANCE EVALUATION

5.1 Objective

- A. The Employer will evaluate employee work performance. The performance evaluation process will include performance goals and expectations that reflect the organization's objectives.
- B. The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements.
- C. To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and the supervisor will occur throughout the evaluation period. Performance problems will be brought to the attention of the employee to give the employee the opportunity to receive any needed additional training and/or to correct the problem before it is mentioned in an evaluation. Such discussions will be documented in the supervisor's file.

5.2 Evaluation Process

- A. Employee work performance will be evaluated prior to the completion of their probationary and trial service periods and at least annually thereafter. The annual evaluation will be completed during the sixty (60) day period following the employee's anniversary date. Timeframes may be extended subject to the employee's availability. The evaluation will be considered completed on the date it is signed by the evaluating supervisor. Immediate supervisors will meet with employees to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations as well as notification of any modifications made during the review period.
- B. The supervisor will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation. The discussion may include such topics as:
 - 1. Reviewing the employee's performance;
 - 2. Identifying ways the employee may improve their performance;
 - 3. Updating the employee's position description, if necessary;
 - 4. Identifying performance goals and expectations for the next appraisal period; and

5. Identifying employee training and development needs.
- C. The performance evaluation process will include, but not be limited to, a performance evaluation on forms used by the Employer, the employee's written signature or electronic acknowledgment of the forms, and any comments by the employee. The evaluation, including employee comments, will be considered by the reviewer. Once completed and signed/acknowledged by the reviewer, a copy will be provided to the employee (with reviewer comments, if any), who may provide responsive comments to be attached to the evaluation. The completed and signed/acknowledged performance evaluation form, including the employee's comments, will be maintained in the employee's personnel file.
- D. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure.
- E. If an employee has been fully exonerated of misconduct in a disciplinary grievance by the Employer or an arbitrator or the Employer determines that allegations of misconduct are false, then references to the misconduct in the performance evaluation will be removed. If the Employer fails to remove the applicable portions of the performance evaluation, the failure to remove those references is subject to the grievance procedure. However, the Employer may retain this information in a legal defense file and it will only be used or released when required by a regulatory agency (acting in their regulatory capacity), in the defense of an appeal, legal action or as otherwise required by law.

- C. Overtime-Exempt Position

- D. Part-time Employees
Employees who are scheduled to work less than forty (40) hours per workweek.

- E. Shift Employees
Overtime-eligible employees who work in positions that normally require shift coverage for more than one (1) work shift.
- F. Workday
One (1) of seven (7) consecutive, twenty-four (24) hour periods in a workweek.
- G. Work Schedules
Workweeks and work shifts of different numbers of hours may be established by the Employer in order to meet business and customer service needs, as long as the work schedules meet federal and state laws.
- H. Work Shift
The hours an employee is scheduled to work each workday in a workweek.
- I. Workweek
 - 1. A regularly re-occurring period of one hundred and sixty-eight (168) hours consisting of seven (7) consecutive twenty-four (24) hour periods. Workweeks will normally begin at 12:00 a.m. on Sunday and end at 12:00 midnight the following Saturday or as otherwise designated by the Appointing Authority or designee. If there is a change in their workweek, employees will be given prior written notification by the Appointing Authority or designee.

6.2 Determination

Per federal and state law, the Employer will determine whether a position is overtime-eligible or overtime-exempt. In addition, the Employer will determine if an overtime-eligible position is a law-enforcement position, with or without an extended work period, or a shift position. When the Employer determines that an overtime-eligible position is overtime-exempt, the employee will be notified in writing of the determination. The notice will include an attached United States Department of Labor fact sheet of the Fair Labor Standards Act (FLSA) guidelines.

6.3 Overtime-Eligible Employees

- A. Regular Work Schedules
The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, with starting and ending times as determined by the requirements of the position and the Employer. The regular work schedule will normally include two (2) consecutive scheduled days off. The Employer may adjust the regular work schedule with prior notice to the employee. If the Employer extends an employee's daily work schedule by more than two (2) hours on any given day, the Employer will not adjust another workday or the employee's workweek to avoid the payment of overtime or accrual of compensatory time. This provision will not apply:

1. When an employee requests to adjust their hours within the workweek and works no more than forty (40) hours within that workweek; or
2. To those job classifications that have an inherent need for flexibility to adjust their daily work schedules within the regular workweek to accomplish assigned job duties and responsibilities. When adjusting an employee's work schedule, the Employer will consider an employee's preference as long as the agency can meet business and customer service needs and without causing an additional cost to the agency. These classifications are listed in [Appendix B](#).

B. Alternate Work Schedules

Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees by the Employer in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws. Employees may request alternative work schedules and such requests will be approved by the Employer, except as provided below, subject to business and customer service needs. The Employer may disapprove requests if there are performance or attendance concerns. Previously approved alternate work schedules may be rescinded by the Employer if business and customer service needs are no longer being met, or if performance or attendance concerns occur. The Employer will consider employees' personal and family needs.

C. Daily Work Shift Changes

The Employer may adjust an overtime-eligible shift employee's daily start and/or end time(s) by two (2) hours.

D. Temporary Schedule Changes

Overtime-eligible employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. With the exception of the job classifications listed in [Appendix B](#), overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

E. Permanent Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change, which will include the reason for the schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change.

F. Emergency Schedule Changes

The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies, for highway snow, ice or avalanche removal, fire duty, grain inspection, or extraordinary unforeseen operational needs.

G. Employee-Requested Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the Employer's approval, provided the Employer's business and customer service needs are met and no overtime expense is incurred.

H. An overtime-eligible employee, including an employee on standby status, will be compensated for all time worked, other than de minimis time, for receiving or responding to work related calls, unless otherwise provided for in this Agreement.

6.4 Overtime-Eligible Unpaid Meal Periods

The Employer and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements of [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. Employees working three (3) or more hours longer than a normal workday will be allowed an additional thirty (30) minute unpaid meal period. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

6.5 Overtime-Eligible Paid Meal Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods for employees on straight shifts do not require relief from duty.

6.6 Overtime-Eligible Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed one (1) rest period of fifteen (15) minutes for each one-half (1/2) shift of three (3) or more hours worked at or near the middle of each one-half (1/2) shift of three (3) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one-half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

6.7 Positive Time Reporting – Overtime-Eligible Employees

Overtime-eligible employees will accurately report time worked in accordance with a positive time reporting process as determined by each agency.

6.8 Overtime-Exempt Employees

Overtime-exempt employees are not covered by federal or state overtime laws. Compensation is based on the premise that overtime-exempt employees are expected to work as many hours as necessary to provide the public services for which they were hired. These employees are accountable for their work product, and for meeting the objectives of the agency for which they work. The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards that must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer.
- C. The salary paid to overtime-exempt employees is full compensation for all hours worked.
- D. Overtime-exempt employees' salary includes straight time for holidays. An overtime-exempt employee whose Employer requires him or her to work on a holiday will be paid at an additional rate of one and one-half (1 1/2) times the employee's salary for the time worked.
- E. Employees will consult with their supervisors to adjust their work hours to accommodate the appropriate balance between extended work time and offsetting time off. Where such flexibility does not occur or does not achieve the appropriate balance, and with approval of their Appointing Authority or designee, overtime-exempt employees' will accrue exchange time for extraordinary or excessive hours worked. Such approval will not be arbitrarily withheld. Exchange time may be accrued at straight time to a maximum of eighty (80) hours. When an employee accrues forty (40) hours of exchange time, the employee and the Employer will develop a plan for the employee to use the accrued exchange time in the next ninety (90) days. Exchange time can be used in lieu of sick leave and vacation leave. Exchange time has no cash value and cannot be transferred between agencies.
- F. If they give notification and receive the Employer's concurrence, overtime-exempt employees may alter their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.

- G. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

6.9 Shift Exchange –

Overtime-eligible employees employed at Re-entry Center who have the same job classification will be allowed to exchange full shifts within their facility for positions in which they are qualified in accordance with the following:

- A. Request for shift exchanges will be submitted seven (7) calendar days in advance of the exchange, when practical.
- B. The requested shift exchange is voluntary, and is agreed to in writing by both employees, and approved in writing by the supervisor(s) for exchanges of no more than one (1) week. Requests for consecutive shift exchanges in excess of one (1) workweek will be submitted to the appropriate Appointing Authority or designee for approval. If such request is denied, the employee will be provided the reason(s) in writing for the denial.
- C. Requested shift exchanges will be considered on a case-by-case basis.
- D. Shift exchanges must occur within the same pay period. Shift exchanges will not result in the payment of overtime. Each employee will be considered to have worked their regular schedule.
- E. For shift exchanges that occur on an employee's designated holiday, the employee who is regularly scheduled to work on that holiday will receive the holiday compensation, regardless of who physically worked on that day.
- F. The failure of an employee, who has exchanged shifts, to work the agreed upon shift without appropriate cause may be a basis for disciplinary action.

The shift exchange system will not be used to circumvent the bid system by significantly altering an employee's workweek or supervisory chain of command.

Except as provided in [Section 7.6](#), in the event there are not enough employees volunteering to work, the supervisor may require employees to work overtime. Such requests must be submitted no later than February 1. The Employer will compile and post a vacation leave schedule. Employees on this schedule will have priority and will be granted vacation leave at the times specified, if possible.
- B. Employees will be granted no more than four (4) segments during the annual vacation scheduling process. In the event that two (2) or more employees request the same vacation period and the supervisor must limit the number of people who may take vacation leave at one time due to business needs and work requirements, preference will be determined by seniority for up to four (4) segments of vacation. A “segment” is three (3) or more contiguous days of vacation leave.
- C. In addition to vacation leave approved in [Subsection 11.5 B](#) above, employees may request vacation leave at any time on a first come, first served basis. Approval of supplemental requests will take into consideration the annual vacation leave schedule, which will take precedence, as well as operational needs.

- B. An employee may also accumulate vacation leave days in excess of the statutory limit (currently two hundred-eighty (280) hours) as long as the employee uses the excess balance prior to their anniversary date. An employee will be discharged if they refuse to participate in or successfully complete any state certified program.

C. Return to Work

For any employee subject to [Subsection 21.1](#) D and E, above, upon returning to work after entering an out-patient program or successfully completing an in-patient rehabilitation program, the employee will be subject to random testing for a period of one (1) year. - 27.2** Discipline includes oral and written reprimands, reductions in pay, suspensions, demotions, and discharges. Oral reprimands will be identified as such.
- 27.3** When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.
- 27.4** Investigation Process
- A. The Employer has the authority to determine the method of conducting investigations, subject to the just cause standards.
 - B. At the time an Appointing Authority assigns an investigator, an employee who is the subject of the investigation will be informed of the nature of the alleged misconduct unless it would compromise the integrity of the investigation.
 - C. Upon request, if an investigation lasts longer than sixty (60) days from the date the employee was notified of the investigation, and every thirty (30) days thereafter, the Appointing Authority/designee will provide a written explanation to the employee and the designated Union representative of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate timeframe for completion. At the conclusion of any investigation where the

Employer elects not to take disciplinary action, the employee will be provided with a notification that the investigation is completed and that no discipline will be imposed. A traditional element of just cause requires discipline to be imposed in a timely manner in light of the need for thorough investigations.

- D. A traditional element of just cause requires discipline to be imposed in a timely manner balancing the need for thorough investigations. Except for conditions outlined below, investigations will be completed no later than six (6) calendar months from the date an employee is notified they are the subject of an investigation. However, the Employer may extend the investigation to a maximum of twelve (12) calendar months provided the Employer gives written notice to the Union and the employee explaining the reason for the extension.

The time limits provided in this Section shall not apply when one (1) of the following occurs:

1. The employee and/or the Union is unavailable or incapacitated;
 2. The Union or employee waives the timelines in writing;
 3. The investigation is conducted by an outside law enforcement agency;
 4. The investigation involves a criminal matter; or
 5. The investigation requires coordination with another outside agency or entity.
 6. The complexity of the investigation does not allow for completion within 12 months as determined by the Employer.
- E. At the conclusion of the investigation, an employee who is the subject of an investigation will be informed of the findings in writing and receive, at the employee's request, one (1) free copy of the investigation through Public Disclosure unless a copy is provided in accordance with [Section 27.7](#). The copy will be redacted as required by applicable law.

27.5 Investigatory Interviews

- A. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the union representative in an interview is to provide assistance and counsel the employee. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.

- B. All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the incident which is subject to the investigation. Nothing in this Section shall prohibit the Employer from questioning the employee about information which is discovered during the course of the interview.
- C. Employees have a duty to cooperate with a department investigation and to answer all relevant and material questions, provided, employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington State and this Collective Bargaining Agreement. Employees will answer all questions fully and honestly.
- D. Pursuant to an order by the Employer to answer and after providing the employee with their Garrity rights, employees that refuse to answer any questions may be subject to discipline, up to and including termination of employment.
- E. If an investigator requests that an employee sign a statement, the employee may review the statement and submit corrections, if any. The employee will sign the statement to acknowledge its accuracy when no corrections are necessary or when the investigator revises the statement to accept the employee's corrections. Employees who are the subject of an investigatory interview will be informed of the general nature of the allegation(s) before the employee is asked to respond to questions concerning the allegation(s).
- F. In accordance with [Subsection 31.6 A](#), adverse material or information related to alleged misconduct that is determined to be false and all such information in situations where the employee has been fully exonerated of wrongdoing will be removed from the employee's personnel file.

27.6 Alternative Assignments

An employee accused of misconduct will not be removed from their existing work assignment unless there is a safety/security concern, including a concern due to any allegation that involves a conflict between staff. An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. Unless prohibited by law, an employee will be returned to their work assignment as soon as the Appointing Authority determines the safety/security concern no longer exists, even if the investigation is still ongoing.

Any employee assigned to home as a result of an investigation, and who would otherwise be available to work, will be placed and maintained on paid leave for the duration of the home assignment.

This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified in writing.

27.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee of the reasons for the contemplated discipline, to include potential policy violations. The Employer will provide a copy of the pre-disciplinary notice and the investigation to the employee and the Union. This information will be sent to the Union on the same day it is provided to the employee. The employee will be provided an opportunity to respond either at a meeting scheduled by the Employer, or in writing if the employee prefers.

A pre-disciplinary meeting with the Employer will be considered time worked. The employee may have a union representative at the pre-disciplinary meeting. If the union representative of their choosing is not reasonably available, the employee will select another representative who is available. At the conclusion of the pre-disciplinary meeting, the Appointing Authority will inform the employee of the anticipated timeframe in which a decision is expected to be issued. If that timeframe will be longer, the Appointing Authority/designee will notify the employee and the Union. Excluding oral and written reprimands, the Union will be provided copies of disciplinary actions.

27.8 The Employer will provide an employee with fifteen (15) calendar days' written notice prior to the effective date of a reduction in pay.

27.9 The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in Supplemental DOC [Article 29](#), Grievance Procedure. Oral reprimands, however, may be processed only through the agency head step of the grievance procedure.

27.10 An employee will be allowed to view resolution requests filed by an incarcerated/supervised individual, which allege staff misconduct pertaining to the employee. If the employee requests, the employee will be notified of the eventual outcome of the alleged staff misconduct resolution request.

SECTION 14
SUPPLEMENTAL DOC ARTICLE 29
GRIEVANCE PROCEDURE

29.1 The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Article provides a formal process for problem resolution.

29.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed in accordance with [Section 29.3](#) by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees. The Union may add an employee to a group grievance who was not included in the original filing if it does so prior to the Step 3 meeting and if the employee is similarly situated to the other grievants. If the Union makes an information request in order to identify additional employees to include in a group grievance and the Employer is unable to respond before the Step 3 meeting, the meeting will be postponed.

C. Computation of Time

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date upon which the incident occurred;
3. The specific Article and section of the Agreement violated;
4. The steps taken to informally resolve the grievance and the individuals involved in the attempted resolution;
5. The specific remedy requested;
6. The name of the grievant; and
7. The name and signature of the Union representative.

Failure by the Union to provide a copy of a grievance or the request for the next step with the Human Resources Office or to describe the steps taken to informally resolve the grievance at the time of filing will not be the basis for invalidating the grievance.

F. Modifications

No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved or withdrawn, a grievance cannot be resubmitted.

J. Pay

Release time will be provided to grievants and Union stewards in accordance with Article 36, Employee Rights and Article 39, Union Activities.

K. Group Grievances

No more than five (5) grievants and two (2) union stewards and/or staff representatives, unless agreed otherwise, will be permitted to attend a single grievance meeting.

L. Consolidation

The Employer and the Union may agree to consolidate grievances arising out of the same set of facts.

M. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

N. Discipline

Disciplinary grievances will be initiated at the level at which the disputed action was taken.

O. Grievance Files

Written grievances and responses will be maintained separately from the personnel files of the employees.

P. Alternative Resolution Methods

Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

Q. Steward Mentoring

With the agreement of the Employer, additional union stewards will be allowed to observe a Management scheduled grievance meeting for the purpose of mentoring and training. The Employer will approve compensatory time, exchange time, vacation leave or leave without pay for the union steward to attend the meeting.

29.3 Filing and Processing

A. Filing

1. A non-disciplinary grievance or a grievance related to an oral or written reprimand must be filed within twenty-eight (28) days of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence. All other disciplinary grievances, disability separation grievances or grievances related to layoff must be filed within twenty-eight (28) days of the effective date of the discipline, disability separation or layoff. This twenty-eight (28) day period will be used to attempt to informally resolve the dispute.
2. The preferred method of filing a written grievance is by email. The parties acknowledge in some instances access to email is an issue, therefore, grievances may be filed via hard copy.

B. Processing

Step 1 – is no longer used

Step 2 –Appointing Authority or Designee:

If the issue is not resolved informally, the Union may present a written grievance to the Appointing Authority or designee with a copy to the Human Resources Office within the twenty-eight (28) day period described above. The Appointing Authority or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting.

Step 3 – Agency Head or Designee:

If the grievance is not resolved at Step 2 the Union may move it to Step 3 by filing it with the agency's Labor Relations Office in Olympia, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. The agency head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal, and will respond in writing to the Union within fifteen (15) days after the meeting.

[Note: If the agency head is the only Appointing Authority for the agency, Step 3 will be bypassed.]

Step 4 – Mediation or Pre-Arbitration Review Meetings:

1. Disciplinary and Disability Separation Grievances (Excluding Written Reprimands)

If the grievance is not resolved at Step 3, the Union may choose to file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with [WAC 391-55-020](#), with a copy to the OFM State Human Resources Labor Relations & Compensation Section (LR&CP) at labor.relations@ofm.wa.gov and the agency's Human Resources Office within thirty (30) days of receipt of the Step 3 decision.

2. Disciplinary and Disability Separation Grievances Not Moved to Mediation and Non-Disciplinary Grievances (Including Written Reprimands)

If the grievance is not resolved at Step 3, the Union may request a pre-arbitration review meeting by filing the written grievance including a copy of all previous responses and supporting documentation with the LRS at labor.relations@ofm.wa.gov with a copy to the agency's Human Resource Office within thirty (30) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of all the required information, the LRS will discuss with the Union:

- a. If a pre-arbitration review meeting will be scheduled with the LRS, an agency representative, and the Union's staff representative to review and attempt to settle the dispute.
- b. If the parties are unable to reach agreement to conduct a meeting, the LRS will notify the Union in writing that no pre-arbitration review meeting will be scheduled.

Within thirty (30) days of receipt of the request, a pre-arbitration review meeting will be scheduled. The meeting will be conducted at a mutually agreeable time.

The proceedings of any mediation or pre-arbitration review meeting will not be reported or recorded in any manner, except for agreements that may be reached by the parties during the course of the mediation or meeting. Statements made by or to the mediator, or by or to any party or other participant in the mediation or meeting, may not later be introduced as evidence, may not be made known to an arbitrator or hearings examiner at a hearing, or may not be construed for any purpose as an admission against interest, unless they are independently admissible.

Step 5 – Arbitration:

If the grievance is not resolved at Step 4, or the LRS notifies the Union in writing that no pre-arbitration review meeting will be scheduled, the Union may file a request for arbitration.

Disciplinary Grievances for Corrections and Custody Officers, Community Corrections Officers and Corrections Specialists.

For grievances challenging a disciplinary action taken against corrections and custody officers, community corrections officers and corrections specialists, the demand to arbitrate must be filed with the Public Employment Relations Commission (PERC) in accordance with the arbitration process established by [RCW 41.58.070](#).

All Other Grievances

1. For all other grievances, the demand to arbitrate the dispute must be filed with the American Arbitration Association (AAA) within thirty (30) days of the mediation session, pre-arbitration review meeting or receipt of the notice no pre-arbitration review meeting will be scheduled.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the AAA, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement;
 - d. Not have the authority to order the Employer to modify their staffing levels or to direct staff to work overtime.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, through written briefs, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the

decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or cancelled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its staff representatives, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and the union steward.
5. If, after the arbitrator issues their award, either party files a motion with the arbitrator for reconsideration, the moving party will bear the expenses and fees of the arbitrator.

29.4 Successor Clause

Grievances filed during the term of this Agreement will be processed to completion in accordance with the provisions during the same term of this Agreement.

- A. The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
- B. An employee who believes that they suffer a disability and require a reasonable accommodation to perform the essential functions of their position may request

such an accommodation by submitting a request to the Employer. The Employer will acknowledge receipt of the request for reasonable accommodation or disability separation. The Employer will begin processing a reasonable accommodation request within thirty (30) calendar days.

- C. Employees requesting accommodation must cooperate with the Employer in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion from a physician or licensed mental health professional of the agency's choice and at Employer expense. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations. The Employer will conduct a diligent review and search for possible accommodations within the agency. Medical information disclosed to the Employer will be kept confidential. Upon request, an employee will be provided a copy of their reasonable accommodation information that is maintained by the Employer.
- D. The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. The Employer will attempt to accommodate the employee in their current position prior to looking at accommodations in alternative vacant positions.
- E. Pregnancy Accommodation for Custody Employees: If a pregnant employee in a custody position requests accommodation with written certification from a licensed medical professional and is granted temporary reassignment to a non-custody position, the pregnant employee will maintain their current rate of salary during their pregnancy.

32.2 Disability Separation

- A. An employee with permanent status may be separated from service when the agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional.
- B. The agency may separate an employee after providing at least fourteen (14) calendar days' written notice when the agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position. The agency may immediately separate an employee that requests separation due to disability.
- C. An employee separated due to disability will be placed in the General Government Transition Pool Program if they submit a written request to the agency's Human

Resources Office for reemployment in accordance with [WAC 357-46-090 through -105](#) and have met the reemployment requirements of [WAC 357-19-475](#).

- D. Disability separation is not a disciplinary action. An employee who has been separated because of a disability may grieve their disability separation in accordance with Supplemental DOC [Article 29](#), Grievance Procedure, unless the separation was at the employee's request.

SECTION 16

SUPPLEMENTAL DOC ARTICLE 33

SENIORITY

33.1 Overtime, Bid System, and Vacation Selection Seniority

This subsection defines seniority solely for the purposes of Supplemental DOC [Article 3](#) Bid System, Supplemental DOC [Article 7](#) Overtime, and Supplemental DOC [Article 11](#) Vacation Leave

- A. Seniority for full-time employees appointed to a position in a WFSE DOC bargaining unit on or before June 30, 2023 will be defined as the employee's length of unbroken state service.
- B. Seniority for full-time employees appointed to a position in a WFSE DOC bargaining unit on or after July 1, 2023 will be defined as the employee's length of unbroken state service less any time spent in state service appointments outside of WFSE DOC bargaining units. Employees appointed from other bargaining unit positions within the DOC will have their seniority credited for time served in other DOC bargaining units.
- C. If an employee is permanently assigned to a position in the WFSE bargaining unit and accepts a non-permanent appointment outside of the bargaining unit, the employee's seniority will not be affected.
- D. Seniority for part-time or on-call employees will be based on actual hours worked but shall not exceed that of a full time (two thousand eighty-eight [2088] hours annually) employee. Actual hours worked includes all overtime hours and all paid holiday and leave hours, excluding compensatory time. For purposes of calculating actual hours worked for part-time and on-call employees, forty (40) hours will equal seven (7) days of seniority.
- E. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:

1. Military leave or United States Public Health Service;
2. Compensable work-related injury or illness leave;
3. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
4. Educational leave, contingent upon successful completion of the coursework;
5. Leave for service as a volunteer with humanitarian and disaster relief organizations;
6. Reducing the effects of layoff, and/or
7. Leave for Union employment in accordance with [Sections 39.8](#) and [39.10](#), of [Article 39](#), Union Activities.
8. Leave authorized by a governor's proclamation directly related to health and safety.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with Section 34.6, of Article 34, Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within three (3) years of their separation date will not be considered to have a break in service.

- F. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse or surviving state registered domestic partner as defined by [RCWs 26.60.020](#) and [26.60.030](#), as provided in [RCW 41.06.133](#).

33.2 Ties

If two (2) or more employees have the same seniority date under [Subsection 33.1](#), ties will be broken in the following order:

- A. Longest continuous time within their current job classification,
- B. Longest continuous time with the agency, and
- C. By lot.

33.3 Seniority List

The Employer will prepare and post a seniority list on the DOC intranet. The list will be updated annually and will contain each permanent and non-permanent employee's name, job classification and seniority date. Employees will have fourteen (14) calendar days in

which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting. Notice of the posting will be emailed to employees on the list at the time of posting.

SECTION 17
SUPPLEMENTAL DOC ARTICLE 34

- A. Separation from service with the Employer,
- B. Employment in a class with a lower salary range,
- C. Reduction in the work year, or
- D. Reduction in the number of work hours.

34.2 The Employer will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article.

34.4 Voluntary Layoff, Leave without Pay or Reduction in Hours

- A. Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted a leave without pay and/or reduction in hours based upon staffing needs.

- B. Appointing authorities will allow an employee in the same job classification and location where layoffs will occur to volunteer to be laid off provided that the employee is in a position requiring the same skills and abilities, as defined in [Section 34.8](#), as a position subject to layoff. Any volunteer for layoff shall have no formal or informal options. In those situations where an employee has volunteered to be laid off, the Employer will designate the separation of employment as a layoff for lack of work and/or lack of funds.
- C. If the Appointing Authority accepts the employee's voluntary request for layoff, the employee will submit a non-revocable letter stating they are accepting a voluntary layoff from state service.
- D. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the layoff lists for the job classifications in which they held permanent status, regardless of a break in service.

34.5 Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions for which they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

34.6 Temporary Reduction of Work Hours or Layoff – Employer Option

- A. The Employer may temporarily reduce the work hours of an employee to no less than twenty (20) per week due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours. The notice will specify the nature and anticipated duration of the temporary reduction.
- B. The Employer may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of seven (7) calendar days of a temporary layoff. The notice will specify the nature and anticipated duration of the temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance if the layoff was due to the lack of funds.
 - 2. Bump to any other position, or
 - 3. Be placed on the layoff list.

- D. A temporary reduction of work hours or layoff being implemented as a result of lack of work, shortage of material or equipment, or other unexpected or unusual reason will be in accordance with seniority, as defined in Supplemental DOC [Article 33](#), Seniority, among the group of employees with the required skills and abilities as defined in [Section 34.8](#), in the job classification at the location where the temporary reduction in hours or layoff will occur.
- E. A temporary reduction of work hours or layoff will not affect an employee's holiday compensation, periodic increment date or length of review period, and the employee will continue to accrue vacation and sick leave credit at their normal rate.

34.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/ organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for the agency covered by this Agreement addendum are described in Supplemental DOC Appendix C, Layoff Units.

34.8 Skills and Abilities

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions or, bona fide occupational qualifications approved by the Human Rights Commission that have been identified at least three (3) months prior to the layoff. In no case will the skills and abilities required in layoff be more restrictive than those required when filling positions.

34.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in Supplemental DOC [Article 33](#), Seniority, among the group of employees with the required skills and abilities, as defined in [Section 34.8](#), above.

Employees being laid off will be provided the following options to comparable positions within the layoff unit, in descending order, as follows:

1. A funded vacant position for which the employee has the skills and abilities, within their current job classification.
2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within their current permanent job classification.
3. A funded vacant or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position, within a job classification in which the employee has held permanent status or, at the employee's written request, to a lower classification within their current job classification series

even if the employee has not held permanent status in the lower job classification.

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions. Part-time employees only have formal options to part-time positions. Full-time employees only have formal options to full-time positions.

- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a crosswalk to the class series will be used to identify any layoff option(s). The employee must have the skills and abilities of any identified position.
- D. Employees who are laid off may request to have their name placed on the layoff lists for the job classifications in which they have held permanent status, regardless of a break in service.
- E. If the Employer elects to implement all the stages of a layoff on a single effective date, and an employee accepts their formal option and then subsequently declines the option prior to the effective date of the layoff, the Employer will amend the formal option of any employee who is affected by this declination.

34.10 Informal Options

- A. An employee being laid off may be offered a funded vacant position to job classifications or job family and level they have not held permanent status within their layoff unit, provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status.

An employee being laid off who has no formal option or their formal option would cause a bump or an unreasonable commute, as defined in Supplemental DOC [Section 36.3](#), Duty Station, may be offered a funded vacant position to job classifications or the job family and level they have held permanent status, provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status.

The discussion will not serve to delay the onset of a layoff or a temporary reduction of work hours unless the Employer elects to do so. The parties will continue to communicate through all phases of the layoff or the temporary reduction of work hours to ensure continued compliance with the Agreement.

34.12 Notification to Employees With Permanent Status

- A. Except for temporary reduction in work hours and temporary layoffs as provided in [Section 34.6](#), employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. Except for temporary reduction in work hours and temporary layoffs as provided in [Section 34.6](#), if the Employer chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid their salary for the days they would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any formal option provided to them. Except for cyclical or seasonal employees, if the seventh (7) calendar day does not fall on a regularly scheduled work day for the employee, the next regularly scheduled work day is considered the seventh (7) day for purposes of accepting or declining any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Employer to the employee.
- D. The day that notification is given constitutes the first day of notice.

The Employer will assign newly hired employees to the appropriate range and step of the appropriate State Salary Schedules as described in [Section 42.4](#), above.

The Appointing Authority may approve an increase beyond this minimum requirement, not to exceed the maximum of the salary range.
- C. Geographic Adjustments
The Appointing Authority may authorize more than the step increases specified in [Subsections 42.9](#) A and B, when an employee's promotion requires a change of residence to another geographic area to be within a reasonable commuting distance of the new place of work. Such an increase may not result in a salary greater than the range maximum.

42.7 Salary Adjustments

The Employer may increase an employee's step within the salary range to address issues related to recruitment, retention or other business needs. Such an increase may not result in a salary greater than Step M of the range.

42.8 Demotion

An employee who voluntarily demotes to another position with a lower salary range will be placed in the new range at a salary equal to their previous base salary. If the previous base salary exceeds the new range, the employee's base salary will be set equal to the new range maximum.

42.9 Transfer

A transfer is defined as an employee-initiated move of an employee from a position to another position within or between agencies in the same class (regardless of assigned range), or a different class with the same salary range. Transferred employees will retain

their current base salary. If the previous base salary exceeds the new range, the employee's base salary will be set to the new range maximum.

42.10 Reassignment

Reassignment is defined as an agency-initiated move of an employee within the agency from one position to another in the same class or a different class with the same salary range maximum. Upon reassignment, an employee retains their current base salary.

Upon elevation, an employee's salary will be determined in the same manner that is provided for promotion in [Section 42.9](#).

42.13 Part-Time Employment

Monthly compensation for part-time employment will be pro-rated based on the ratio of hours worked to hours required for full-time employment. In the alternative, part-time employees may be paid the appropriate hourly rate for all hours worked.

42.14 Callback

A. Work Preceding or Following a Scheduled Work Shift

Overtime-eligible employees will be notified prior to their scheduled quitting time either to return to work after departing the worksite or to change the starting time of their next scheduled work shift.

1. Lack of notice for such work will be considered callback and will result in a penalty of three (3) hours of pay at the basic salary in addition to all other compensation due. This penalty will apply to each call.
2. The Employer may cancel a callback notification to work extra hours at any time, but cancellation will not waive the penalty cited in this Section.

These provisions will not apply to the mid-shift interval in a split shift and an employee called back while in standby status.

B. Work on Scheduled Days Off or Holidays

The Employer may assign employees to work on a day off or holiday. Overtime-eligible employees will be notified of such assignments at least prior to the

employees' normal quitting times on their second workday preceding the day off or holiday (except Sunday, when it is within the assigned work shift).

1. If the Employer does not give such notice, affected employees will receive a penalty payment of three (3) hours pay at the basic salary in addition to all other compensation due them.
2. The Employer may cancel work assigned on a day off or holiday. However, if the Employer does not notify affected employees of such cancellation at least prior to their normal quitting times on their second workday preceding the day off or holiday work assignment, affected employees will receive a penalty payment of three (3) hours pay at the basic salary.

These provisions will apply to employees on paid leave status.

- C. When an overtime-eligible employee volunteers to work on a scheduled day off, the employee is not entitled to callback under [Subsection 42.18 B](#).

 2. Regularly scheduled day shift employees are entitled to shift premium when the employee's regular or temporary scheduled work includes hours after 6:00 pm and before 6:00 am where no overtime, schedule change pay, or callback compensation is received. Shift premium for day shift employees is paid only for hours worked after 6:00 pm and before 6:00 am.

- C. Part-time and on-call employees will be entitled to basic shift premium under the following circumstances:
 - 1. For all assigned hours of work after 6:00 p.m. and before 6:00 a.m.
 - 2. For assigned full evening or night shifts, as defined above in [Subsection 42.19 A.](#)
- D. In cases where shift premium hours are regularly scheduled over a year, agencies may pay shift premium at a monthly rate that is equal for all months of the year. Monthly rates will be calculated by dividing twelve (12) into the amount of shift premium an employee would earn in a year if the hourly rules in [Subsection 42.19 \(B\)\(1\)](#) were applied.
- E. When an employee is compensated for working overtime during hours for which shift premium is authorized in this Section, the overtime rate will be calculated using the “regular rate”.
- F. Employees eligible for shift premium for their regularly scheduled shifts will receive the same proportion of shift premium for respective periods of authorized paid leave and for holidays not worked which fall within their regularly scheduled shift.

- B. Standby status will not be concurrent with work time.
- C. When the nature of a work assignment confines an employee during off-duty hours and that confinement is a normal condition of work in the employee's position, standby compensation is not required merely because the employee is confined.
- D. Overtime-eligible employees on standby status will be compensated at a rate of seven percent (7%) of their hourly base salary for time spent in standby status.

- E. Overtime-exempt employees will be compensated twenty-five dollars (\$25.00) for each day or portion thereof spent in standby status. A day is defined as a twenty-four (24) hour period beginning on the first hour an employee is assigned standby status.

Termination as a result of layoff or disability separation will not require the employee to repay the relocation compensation.

However, the agency and employee can agree to an amount that is more than the five percent (5%).

The Employer determines which positions qualify for the premium. Classes approved for assignment pay are identified in Appendix N.
- B. Special Pay Ranges
Special pay ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units.
