PREAMBLE

The Articles and Rules contained herein constitute an Agreement between the State of Washington hereinafter referred to as the “Employer,” and the FERRY AGENTS, SUPERVISORS, AND PROJECT ADMINISTRATORS ASSOCIATION, an affiliate of the MARINE ENGINEERS’ BENEFICIAL ASSOCIATION (AFL-CIO), hereinafter referred to as the “Union,” governing wages, hours and other conditions of employment of employees as classified.

Washington State Department of Transportation (WSDOT) Ferries Division employees are State employees covered under their own separate [RCW 47.64](#), which provides for the negotiation of Collective Bargaining Agreements (CBA) and recognizes past practice. Issues of past practice shall be incorporated into the CBA during the term of the Agreement or shall have no application in the next Agreement. Accordingly, issues covering State employees other than under [RCW 47.64](#) are subject to negotiation as the issues will apply to [RCW 47.64](#) employees.

- B. Holiday worked, two (2) times the straight-time rate;
- C. Two and one-half (2½) times the pay rate as indicated in Subsection 17.02 C below;
- D. Working as indicated in Section 17.02 on a holiday; and
- E. Working overtime on a holiday, three (3) times the pay rate for each hour worked when called back to work on a scheduled day off.

17.02 When work is extended beyond the regular assigned work day, such time shall be paid at the overtime rate for actual time worked in the following increments: six (6) minutes, twelve (12) minutes, eighteen (18) minutes, twenty-four (24) minutes, thirty-six (36) minutes, and forty-eight (48) minutes for the first hour. For time worked in excess of one (1) hour, overtime will be paid in one (1) hour increments. Such extended work shifts shall not be scheduled on a daily or regular basis.

Employees required to work more than one (1) shift without a break shall be paid as follows:

- A. The first scheduled shift worked shall be paid at the straight-time rate;
- B. The second consecutive shift worked shall be at the overtime rate;
- C. The third consecutive shift worked (within a consecutive twenty-four (24) hour period) shall be at two and one-half (2½) times the straight-time rate, unless the employee has had a minimum of a six (6) hour break preceding the third shift excluding travel time. Sixteen (16) hours including uncompensated time off between worked shifts shall constitute the first and second shift.

An employee may opt to take compensatory time at a later date in lieu of receiving overtime pay on an hour for hour basis, subject to the conditions and limitations of [Section 23.02](#) and [Section 23.03](#) of this Agreement.

17.03 Employees called to work prior to commencing their regular scheduled shift shall receive the overtime rate of pay in increments of one (1) hour for early call-out work performed prior to the employee’s regularly scheduled shift, provided the employee completes their regularly scheduled shift. Early call-outs shall not be on a daily or regularly scheduled

basis. This Article does not apply to WSDOT Ferries Division Allowance for Training in Section 34.01 of this Agreement.

17.04 Overtime Unavailability

An employee may request not to work overtime. This request will be granted unless the extra work is a result of an extended service run requirement, no other qualified replacement is available, or a bona fide emergency exists that requires said employee to work overtime.

17.05 Call Back

Employees called back to work after completing a scheduled shift and released prior to starting their next scheduled shift shall be paid at the overtime rate with a minimum of eight (8) hours with the exception of drug/alcohol testing. For drug/alcohol testing, the employee will be reimbursed actual time worked with a minimum of five (5) hours call-out at the overtime rate. Should the employee be scheduled to return to work the following day and they do not receive a minimum of eight (8) hours off (inclusive of travel time), they will be relieved the following day without loss of pay. If the Employer is unable to relieve the employee, they will continue to be compensated hour for hour at the overtime rate until they are relieved or at the completion of their next shift.

17.06 Work-Related Phone Calls

Time spent on work-related telephone calls received during the employee's non-work time and subsequent related employee-initiated calls will be considered time worked and will be paid at the overtime rate in increments of six (6) minutes, twelve (12) minutes, eighteen (18) minutes, twenty-four (24) minutes, thirty-six (36) minutes, and forty-eight (48) minutes for the first hour. For time worked in excess of one (1) hour, overtime will be paid in one (1) hour increments.

17.07 An employee may refuse call back assignments on scheduled days off or scheduled vacation, and shall not be disciplined for refusing said assignments. For drug/alcohol testing, the Employer may require an employee to report if no other qualified employees are available to perform the necessary collection.

17.08 Employees called back to work on their scheduled assigned days off will receive a minimum of eight (8) hours pay at the overtime rate. In addition, they will receive four (4) hours of pay at their straight-time rate of pay regardless of the length of the overtime shift or hours actually worked.

17.09 When overtime is needed at a terminal, the Supervisors that are seasonally assigned to that terminal will be given first preference when dispatching the overtime. If the overtime shift is not accepted by the seasonally assigned Supervisor, the overtime will then be offered to the Relief Supervisors by availability. If the overtime is still not accepted, the overtime will then be offered to the On-Call Supervisors by availability. Once a Supervisor has accepted an overtime shift for the week, the next available overtime shift shall be dispatched to the next Supervisor as described above. The intent is to spread out the overtime as equitably as possible. When the above process has been exhausted, the overtime shift will be dispatched by seniority system wide.

17.10 If an employee is called back to work during a scheduled vacation, they will be paid at the overtime rate if the shift falls on a scheduled day off. If the shift falls on a regular scheduled day, they will be compensated at the straight-time rate of pay and not use their vacation day.

17.11 Overtime shall be paid to each employee required to work an extended work day as a result of a time changeover from Pacific Daylight Savings Time to Pacific Standard Time.

17.12 Overtime Pyramiding Prohibited

Whenever two (2) or more overtime or premium rates may appear applicable to the same hours worked by an employee, there shall be no pyramiding or adding together of such overtime or premium rates, and only the highest applicable rate shall apply.

ARTICLE 18

RELIEFS AND HOME TERMINALS

18.01 Relief [Terminal Operations](#) Supervisors will be the primary, but not the sole means, to fill vacancies due to weekly vacations, single day vacations, compensatory time use, sick leave, a Supervisor participating in training, or a supervisor away on administrative assignment. The Employer's Director of Marine Operations and the Union's Executive Director will meet as requested by either party, to review the number of Extra Relief Terminal [Operations](#) Supervisors needed seasonally who will work full-time or close to full-time. The Employer will determine the number of reliefs, in accordance with its management rights, as set forth in [Section 4.01](#) of this CBA.

18.02 Terminal [Operations](#) Supervisors Working Multiple Terminals

Terminal [Operations](#) Supervisors' working multiple terminals will be assigned a home terminal within that terminal group. Travel time and mileage will be paid in accordance with [Section 33.01](#) and as set forth in Schedule A for travel outside their home terminal.

18.03 Relief [Terminal Operations](#) Supervisor Assigned Terminal

Relief [Terminal Operations](#) Supervisors shall be assigned to the terminal closest to their home as their home terminal. Mileage shall be paid in accordance with Schedule A when assigned to work at a terminal other than the employee's home terminal.

18.04 Pay for Relief [Terminal Operations](#) Supervisors

Pay will be compensated for Relief [Terminal Operations](#) Supervisors who are required to have expertise and knowledge of each terminal, and are assigned throughout the system as needed, according to Appendix A. This includes but is not limited to:

- A. Familiarization with each terminal;
- B. Familiarization with the staff/operations of each terminal;

- C. Familiarization with terminal alternative operational plans in the event of service disruptions; and
- D. Familiarization with emergency action plans for each terminal.

ARTICLE 19

BIDDING PERMANENT AND TEMPORARY POSITIONS

19.01 Shift Changes Requiring Re-Bidding

Terminal Operations Supervisors assignments shall be bid by seniority system-wide. Should the hours change by more than two (2) hours in any one (1) day, or the days off change in any assignment, or if the home terminal changes, this would constitute a shift change, and a system-wide re-bid shall take place within ten (10) days and will become effective within fourteen (14) days thereafter. However, it is recognized that there are seasonal changes, when the company has the ability to establish those shifts that would have seasonal changes, effective with this Agreement, and those seasonal changes would not constitute a shift change.

19.02 Supervisor Assignments Open for Bid at least Every Four Years

The Supervisor assignments shall be open for bid by Supervisor seniority every four (4) years effective no later than July 1, 2001 or four (4) years after the previous change.

19.03 Vacancies Requiring Bidding

Temporary or year round openings of thirty (30) days or more that may occur will be posted and filled by the most senior Supervisor requesting that assignment. This does not include administrative assignments working outside the terminal groups.

19.04 On-Call Terminal Operations Supervisor Pool

The Employer will determine the number of Supervisors in the On-Call pool. Supervisors in the On-Call pool will be offered temporary assignments based on their Supervisor seniority as defined in Article 38, Dispatch Rules. On-Call Supervisors will be offered seasonal and temporary year around openings by their supervisory seniority. Should the most-senior On-Call Supervisor refuse the assignment, the position will be offered to the next most senior, and so forth until the list is exhausted. After the list is exhausted, the opening will then be assigned to the ~~least~~^{most} senior On-Call Supervisor. Should the ~~least~~^{most} senior On-Call Supervisor again refuse the assignment, they shall lose all seniority as a Supervisor and will be dropped from the Supervisor's list.

ARTICLE 20

SENIORITY AND ASSIGNMENTS

20.01 The Employer recognizes the principle of seniority in the administration of transfers, layoffs and recalls. In the application of seniority under this Article, if an employee has the necessary qualifications and ability to perform in accordance with the job requirements, seniority by classification shall prevail.

20.02 In reducing or increasing personnel in the respective departments, seniority shall govern. When layoffs or demotions become necessary, the last employee hired in a classification shall be first laid off or demoted to a lesser classification for job retention. When employees are called back to service, the last laid off or demoted in a classification shall be the first restored to work in that classification.

20.03 Elimination of Year Round Assignments

When a year round assignment is eliminated, the affected employee shall have the right to exercise their seniority by classification in selecting a new assignment of their choice. Any displaced employee will also have the right to exercise their seniority by classification in selecting a new assignment of their choice.

20.04 Establishing Seniority

A supervisor's seniority date is established by the selection committee and the Employer.

20.05 A seniority roster will be maintained by the Employer and be made available when requested by any supervisor.

20.06 Any employee who has established seniority and is elected or appointed to any full-time office in a Union shall continue to accrue seniority status in this Agreement or the IBU Agreement, as applicable throughout their term or terms in office, and may thereafter, exercise their seniority by classification in selecting a new assignment of their choice. Any employee, who has established seniority and who is transferred to a position in management, may continue to accrue seniority status in the Agreement as applicable for the duration of employment with management, provided they pay a monthly maintenance fee determined by the Union. If the employee elects not to pay the monthly maintenance fee, their seniority shall be frozen. Any displaced employee will also have the right to exercise their seniority by classification in selecting a new assignment of their choice.

20.07 Inter-Department Transfer

An employee who holds a year round assignment may request a transfer from their Department to another Department, provided that the employee meets the minimum qualifications and is qualified to perform the job duties for which they are requesting a transfer to, and provided further that no year round employee in that Department is laid off. When transferring from one Department to another Department, the employee may continue to accrue seniority status in the Agreement as applicable for the duration of employment with the Employer, provided they pay a monthly maintenance fee determined by the Union. If the employee elects not to pay the monthly maintenance fee, the employee's seniority will be frozen in the vacated Department. Mileage and travel pay will not be paid to any employee who accepts an Inter-Department Transfer.

20.08 Termination of Bargaining Unit Seniority

Except as otherwise provided for in this Agreement, seniority shall terminate for an employee who retires, quits, is discharged for cause, is unavailable for work, or who is on continuous lay-off for more than three hundred sixty-five (365) days.

20.09 Demotion

In the event an employee requests a demotion, due to personal reasons, the employee shall be entitled to their original seniority date established in the lower classification of the IBU Agreement. Employees requesting a reduction in classification shall forfeit seniority accrued in the higher classification.

ARTICLE 21

EMPLOYMENT STATUS OF EMPLOYEES ON LEAVES (PAID OR UNPAID)

21.01 Employment Status

An employee retains employment rights when working, when the employee is on a contract provided leave, such as: Approved Sick Leave, Vacation, Holiday, Jury Duty, involved in Authorized Court Proceedings, Military Reserve Leave, Family Medical Leave (FMLA), Washington State Paid Family and Medical Leave (PFML) or other specific CBA provided leave, or when the employee is on a Leave of Absence (paid or unpaid) approved in writing in advance of taking the leave. Employees on unpaid leave of absence are not entitled to Employer paid medical benefits, unless eligible under FMLA or PFML.

An employee taking a leave, which is not pre-approved, is absent without an approved leave and subject to discipline up to and including termination of employment. Employees on leave of absence due to positive chemical test shall not be eligible for Employer paid medical benefits.

21.02 Termination of Employment

An employee absent from work for three (3) consecutive days who is not on an approved leave forfeits their employment rights, their seniority rights, and may be terminated from employment with the WSDOT Ferries Division. Before this occurs, the employee shall be informed via a Loudermill meeting notice and be given an opportunity to attend the meeting. Notice by registered letter to the employee's payroll address shall be deemed adequate, whether or not the employee signs for the letter. It is the employee's responsibility to maintain the correct address in Payroll.

21.03 Leave Time Defined and Approved in Advance

Request for extended leave due to medical reasons shall be handled in accordance with the federal Family Medical Leave Act and/or the Washington State Paid Family and Medical Leave Program. In the case of all other requests for extended leaves, the employee shall obtain managerial written approval in advance of taking the leave on appropriate leave forms provided by the WSDOT Ferries Division. Leave forms for absences due to illness/injury or other unforeseen events shall be completed by the employee as soon as possible. Medical certification for absences of five (5) days or more for absences due to medical reasons is required. Medical certification may also be required, when good cause exists to believe the employee is abusing sick leave, for absences less than five (5) days. Sick leave for less than five (5) days shall be requested on the payroll timesheet. Absences over thirty (30) days must be on the appropriate WSDOT Ferries Division form. For medical leaves over thirty (30) days, the employee must also submit a Certificate of Health Care Provider on the appropriate WSDOT Ferries Division form. WSDOT Ferries Division shall provide employees with a Request for Extended Leave Form with an explanatory

cover letter normally no later than thirty (30) days after their first day of absence. The completed Request for Extended Leave Form should be submitted to WSDOT Ferries Division as soon as possible after receipt. On all leaves, the employee must indicate a start date for the leave and an ending date for the leave. The terms of all leaves of absence shall be reduced to writing and may be extended up to the maximum time allowed for the specific leave. An employee must obtain written managerial approved extensions before the end date of the leave, except in cases of emergency. Extensions must be applied for a minimum of seven (7) days before the end of the leave. Extensions to leaves beyond the maximum times allowed will be non-precedent setting and will be at the discretion of the Employer.

21.04 Return from Leave

Employees who have been on an approved leave of absence shall return to work on the date specified on the leave. An employee on Leave of Absence (paid or unpaid) who fails to report to work at the end of such leave, or fails to obtain a written extension before the leave expiration date and does not report to work, is absent without an approved leave, unless the failure was unavoidable due to injury or illness, which must be documented in writing and certified by a physician as soon as possible in order to be considered for return to work.

21.05 No Accrual

An employee on a leave of absence or by reason of an industrial injury/illness will continue to accrue seniority only for the purposes of layoff and recall during such leave. There shall be no accrual of any benefits during the period of their leaves including increased vacation accrual associated with longer seniority.

21.06 Reinstatement for Authorized Leaves Less than Forty-Six (46) Days

An employee returning to full duty from an authorized leave of absence for less than forty-six (46) days will be reinstated to their former position, which includes their shift, classification, and days off, unless otherwise provided for by contract bidding requirements which occurred during the employee's absence which would indicate and qualify the employee for a different shift. When an employee is absent from work for a period of more than five (5) days, but less than forty-six (46) days for medical reasons, WSDOT Ferries Division shall require only a fit-for-duty slip from the employee's doctor supporting the employee's fitness to return to duty. The fit-for-duty slip should be sent to WSDOT Ferries Division as soon as possible after the period of absence, but must be received and processed by WSDOT Ferries Division Human Resources before the employee may return to work, and the Employer shall ensure that the employee is returned to work as soon as practicable.

21.07 Reinstatement for Leaves Beyond Forty-Five (45) Days

When an employee is absent from work for a period of more than forty-five (45) days, the WSDOT Ferries Division shall require the employee to have their doctor complete/sign the Job Analysis Form which includes certification that the employee meets the essential job functions before the employee may return to work.

A completed/signed Job Analysis Form will be accepted by the WSDOT Ferries Division so long as the form was completed/signed within two (2) months of the employee's anticipated return date.

The employee shall submit the completed/signed Job Analysis Form to the WSDOT Ferries Division Human Resources in person, by fax, or by mail.

If the employee is ready to return to work as expected, the employee shall be returned to work within twenty-four (24) hours after the WSDOT Ferries Division Human Resources receives the completed/signed Job Analysis Form, excluding weekends and holidays. For example, if the WSDOT Ferries Division receives the completed/signed Job Analysis Form, which includes certification that the employee meets the essential job functions, at noon on a Friday, the employee would be entitled to return to work by noon on the following Monday. The WSDOT Ferries Division's failure to return an employee to work within twenty-four (24) hours shall be subject to the parties' grievance procedure.

If an employee is ready to return to work sooner than expected, the WSDOT Ferries Division shall ensure that the employee is returned to work as soon as practicable. The WSDOT Ferries Division's failure to return the employee to work as soon as practicable shall be subject to the parties' grievance procedure.

21.08 Notice to Replacement Employee

An employee hired to replace an employee on leave of absence shall be so advised.

21.09 Timely Return from Layoff

An employee will lose their seniority if they have been laid off and are recalled to work but fail to report for work within fifteen (15) working days from the date of receiving notification of such vacancy by registered mail at their last known address. To protect their seniority, it is the employee's responsibility to keep the WSDOT Ferries Division Human Resources Office informed of their current address and telephone number on forms provided by the WSDOT Ferries Division.

21.10 Personal Leave of Absence

An employee, who has completed one (1) year of continuous employment, may request in writing a personal leave of absence up to ninety (90) calendar days without pay. If granted by the Employer, such leave of absence shall not affect accumulation of seniority. Such leave may not be taken more than once every four (4) years. Leave without pay shall only be taken pursuant to this Section and cannot be substituted for sick leave, vacation, or comp time.

21.11 Non-Occupational Medical Condition

An employee, who has completed one (1) year of continuous employment, may request a leave of absence due to a non-occupational medical condition that prevents them from performing the essential job functions. Such leave shall be granted to the employee upon presentation of a certificate on the appropriate WSDOT Ferries Division form, from a licensed physician, confirming the employee's continued inability to perform the essential job functions. An employee absent for more than twelve (12) consecutive months, not broken by more than sixty (60) days of work, may be subject to termination. After the year, the employee's seniority is frozen and the seniority date adjusted if the employee returns to work. There will be no impact to an employee's seniority date if the leave has been authorized by a governor's proclamation directly related to health and safety. In no event

shall the employee be extended leave beyond eighteen (18) months of total leave. Employees with ten (10) years of service after one (1) year of a non-occupational medical leave shall be assigned to layoff status, which shall continue for two (2) years within which the employee shall be given first right of return to an open position after the employee proves their capability to perform as established by a positive Essential Job Functions (EJF), as provided in this Section.

21.12 Occupational Injury/Illness

An employee, who suffers an occupational injury/illness, may request a leave of absence for the period of incapacitation for which the employee is receiving Worker's Compensation benefits. Such leave shall continue to be granted only upon the employee's presentation of a certificate from a licensed physician, on the appropriate WSDOT Ferries Division form, confirming the employee's inability to work. Such leave of absence shall not exceed one (1) year. Employees absent for more than twelve (12) consecutive months, not broken by more than sixty (60) days of work, may be subject to termination. But in no event shall the employee be extended leave beyond eighteen (18) months of total leave, unless otherwise required by law. Employees with five (5) years of service after one (1) year of an occupational injury/illness leave shall be assigned to layoff status, which shall continue for three (3) years within which the employee shall be given first right of return to an open position after the employee proves their capability to perform as established by a positive EJF, as provided in this Section.

21.13 WSDOT Ferries Division reserves the right to require any employee to be assessed by a physician regarding the employee's ability to perform the essential job functions. Employees shall not file a grievance through the grievance procedure nor shall the Union process any grievance. Additionally, neither shall the Union process any grievance nor file a legal action in any legal forum whatsoever regarding the application of this Article.

21.14 As provided for in [WAC 82-56-010](#), leave without pay will be granted for holidays of faith and conscience for up to two (2) days per calendar year provided the employee's absence will not impose an undue hardship on the Employer as defined by [WAC 82-56-020](#) or the employee is not necessary to maintain public safety.

21.15 Washington State Paid Family and Medical Leave (PFML) Program

- A. The parties recognize that the Washington State Paid Family and Medical Leave (PFML) Program ([RCW 50A](#)) is in effect and eligibility for and approval for leave for purposes as described under that Program shall be in accordance [RCW 50A](#).
- B. The employee will provide the Employer with not less than thirty (30) days' notice before PFML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- C. Employees may designate vacation leave, compensatory time, or sick leave as a supplemental benefit under the PFML, [RCW 50A](#). The Employer may require verification that the employee has been approved to receive benefits for paid family

and/or medical leave under [RCW 50A](#) before approving vacation leave as a supplemental benefit.

- D. The Employer will deduct premium amounts from the wages of each employee in accordance with [RCW 50A.10.030](#). The Employer will not pay any portion of the employee’s share of the premium for family leave or medical leave benefits, or both.

ARTICLE 38 DISPATCH RULES

38.01 Relief and On-Call Terminal Operations Supervisors

~~The Employer will provide, via email, all available forty (40) hour block vacancies, for the next month, by the 12th day of the current month. Relief Supervisors will select, by seniority, monthly assignments of forty (40) hour shifts from all open forty (40) hour block vacancies. The selection will be made no later than the 15th day of the current month. If no selection is made by the Relief Supervisor, the Employer will assign the monthly schedule. Once the selection is made, it cannot be changed without the mutual agreement between the Employer and the employee. If another forty (40) hour block becomes available after the initial selection is made and before noon on the day of the posting, the new forty (40) hour block will be offered to all Relief Supervisors by seniority. The Relief Supervisors' responses are due by 2 pm the day of the posting. The intent is to have the Relief Supervisor provide consistency at the same terminal for the entire week, knowing this might not always be possible. All Relief Supervisors will be scheduled forty (40) hours before any activated On-Call Supervisors.~~

Relief Terminal Operations Supervisors dispatching will be as follows:

- A. Each week prior to posting the relief schedule, by Tuesday at 2:00 p.m., relief Terminal Operations Supervisors will select, by seniority, forty (40) hour blocks as provided by the Regional Terminal Operations Manager(s). The forty (40) hour blocks may be from awarded forty (40) hour vacations, protected leave absences, or made up of single days from the GSDV calendar, sick leave requests, compensatory time requests, and any other shifts not yet covered.
- B. By seniority, Relief Terminal Operations Supervisors will be called to select their schedule for the following week. If the employee does not call back within thirty (30) minutes, they will be assigned one of the remaining forty (40) hour blocks.

- C. Once the Sunday work week begins, the days to which the relief are scheduled cannot be changed without the mutual agreement between the Employer and the affected relief Terminal Operations Supervisor.
- D. All relief Terminal Operations Supervisors will be scheduled forty (40) hours before On-Call Terminal Operations Supervisors.
- E. Once all forty (40) hour blocks are fulfilled by relief Terminal Operations Supervisors, any other shifts not yet covered will be assigned to On-Call Terminal Operations Supervisors, with a work schedule up to forty (40) hours.

38.02 Process for Dispatch of On-Call Supervisors

- A. Weekly On-Call Dispatch
On-Call Supervisors will be dispatched in order of supervisor seniority. Except for incidents of same day coverage requirements, each On-Call Supervisor will be offered work up to forty (40) hours in a calendar week before offering work to the next supervisor on the list.
- ~~B. No Obligation to Dispatch if Results in Overtime
There is no obligation to dispatch any Supervisor in the On-Call pool to any classification for any amount of time that would require the payment of the overtime rate of pay.~~

38.03 On-Call Pool Placement

Upon initial acceptance into the On-Call pool, individuals shall be placed below current On-Call Supervisors.

Upon return from seasonal assignment, individuals shall retain their original order of rotation.

ARTICLE 39 GRIEVANCE PROCEDURE

39.01 The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Article provides a formal process for problem resolution.

39.02 Terms and Requirements

- A. Grievance Definition
A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or a description of the group of employees.

C. Computation of Time

The parties acknowledge that time limits are important to judicious processing and resolution of grievances. Days are calendar days and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday, or holiday. Transmittal of grievances, appeals, and responses will be in writing.

D. Failure to Meet Timelines

Failure by the Union to comply with the initial thirty (30) day deadline contained in [Section 39.03](#) A, below, will result in automatic withdrawal of the grievance. Failure by the Union to comply with other timelines contained in this Grievance Procedure may be submitted to the arbitrator for their determination. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance should include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date the incident occurred;
3. The specific Article and/or Section of the Agreement violated;
4. The specific remedy requested;
5. The name of the grievant or description of the group; and
6. The name and signature of the Union representative.

F. Modifications

No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

- I. Resubmission
If terminated, resolved, or withdrawn, the same grievance cannot be resubmitted.
- J. Consolidation
The Employer or the Union may consolidate grievances arising out of the same set of facts.
- K. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- L. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.
- M. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees associated with alternative methods will be shared equally by the parties.

39.03 Filing and Processing

- A. Filing
A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance or the date the grievant knew or should reasonably have known of the occurrence. This thirty (30) day period may be used to attempt to informally resolve the dispute.
- B. Processing
Step 1 – Terminal Manager:
If the issue is not resolved informally, the Union may present a written grievance to the Terminal Manager or designee with a copy to the WSF Labor Relations Office within the thirty (30) day period described above. The Terminal Manager or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance and will respond in writing to the Union within ten (10) days after the meeting.

Step 2 – Director of Operations:
If the grievance is not resolved at Step 1, the Union may request a Step 2 meeting by filing it with the Director of Operations or designee, with a copy to the WSF Labor Relations Office, within fifteen (15) days of the Union’s receipt of the Step 1 decision. The Director of Operations or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal and will respond in writing to the Union within ten (10) days after the meeting.

Step 3 – Pre-Arbitration Review Meeting:

If the grievance is not resolved at Step 2, the Union may request a pre-arbitration review meeting by filing the written grievance including a copy of all previous responses and supporting documentation with the Office of Financial Management State Human Resources Labor Relations Section (OFM/SHR/LRS) at labor.relations@ofm.wa.gov with a copy to the agency’s Human Resource Office within fifteen (15) days of the Step 2 decision. Within fifteen (15) days of the receipt of all the required information, the OFM/SHR/LRS representative or designee will discuss with the Union:

1. If a pre-arbitration review meeting is scheduled, the OFM/SHR/LRS representative or designee, an agency representative, and the Union’s staff representative will attempt to settle the dispute.
2. If the parties are unable to reach agreement to conduct a meeting, the OFM/SHR/LRS representative or designee will notify the Union in writing that no pre-arbitration review meeting will be scheduled.

Within fifteen (15) days of receipt of the request, a pre-arbitration review meeting will be scheduled. The meeting will be conducted at a mutually agreeable time. The OFM/SHR/LRS will notify the Union, in writing, of the results within ten (10) days of the conclusion of the pre-arbitration review meeting.

Step 4 – Arbitration:

If the grievance is not resolved at Step 3, or the OFM/SHR/LRS representative or designee notifies the Union in writing that no pre-arbitration review meeting will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the Federal Mediation and Conciliation Service (FMCS) within fifteen (15) days of the Union’s receipt of the written notification of results of the pre-arbitration review meeting or receipt of the notice that no pre-arbitration review meeting will be scheduled. However, by mutual agreement, the parties may instead refer the dispute to the Public Employment Relations Commission (PERC) for final resolution.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the FMCS.

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;

- c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement; and
 - d. Not have the authority to order the Employer to modify its staffing levels.
 2. The arbitrator will hear evidence and arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process, at the discretion of the arbitrator. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing, by telephone, or via web conferencing, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
 3. The decision of the arbitrator will be final and binding upon the Union, the Employer, and the grievant(s).
- E. Arbitration Costs
 1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
 2. If the arbitration hearing is postponed or cancelled at the request of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
 3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript, and a copy.
 4. Each party is responsible for the costs of its representatives, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant, and the Union representative.

39.04 Successor Clause

Grievances filed during the term of this Agreement will be processed to completion in accordance with the provisions of this Agreement.

ARTICLE 40 SAVINGS

40.01 If any Article of this Agreement or any Addendum thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article should be restrained by such tribunal, the remainder of this Agreement and Addenda shall not be affected thereby, and the parties shall enter in immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such Article or Addendum.

ARTICLE 41 MANDATORY SUBJECTS

41.01 The Employer will satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The Employer will notify the Union of these changes and the Union may request discussions about and/or negotiations on the impact of these changes on employee's working conditions within a notice period. The Union will notify the Office of Financial Management State Human Resources Labor Relations Section (LRS) at labor.relations@ofm.wa.gov, with a copy to the Employer, of any demands to bargain. In the event the Union does not request discussions and/or negotiations within the notice period, the Employer may implement the changes without further discussions and/or negotiations. The timeframe for filing a demand to bargain will begin after the Employer has provided written notice to the Union. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer will notify the Union as soon as possible.

41.02 Negotiations

- A. The parties will agree to the location and time for the discussions and/or negotiations. The Employer and the Union recognize the importance of scheduling these discussions and/or negotiations in an expeditious manner and will schedule negotiations as soon as possible.
- B. Each party is responsible for choosing its own representatives for these activities. The Union will provide the Employer with the names of its employee representatives at least fourteen (14) calendar days in advance of the meeting date unless the meeting is scheduled sooner, in which case the Union will notify the Employer as soon as possible.

ARTICLE 42 TIME, LEAVE, AND ATTENDANCE

42.01 All employees will accurately report time worked, leave taken, and other attendance requirements in accordance with a time reporting process and system(s) as determined by the Employer.

TENTATIVE AGREEMENT ONLY.

This tentative agreement will only become final if it is first determined to be financially feasible by OFM and subsequently funded by the Legislature in the 2025-2027 budget.

Penny Rounding Differences

The Employer and the Union recognize that the statewide payroll system (HRMS) rounds payroll calculations to five decimal places. Therefore, manual calculation using rates listed in the CBA may result in penny rounding differences. The parties accept that these differences, which shall be defined as differences of no more than one dollar (\$1.00) per pay period, do not require further payroll adjustments that would cause the employee to pay back penny rounding differences or for Management to add penny rounding differences to an employee's pay.

AND
PEBB COALITION OF UNIONS**

Medical Flexible Spending Arrangement Work Group

Since the 2019-2021 PEBB healthcare agreement between the Coalition of Unions and the State of Washington, the parties have agreed to a benefit involving a Medical Flexible Spending Arrangement (FSA). Due to unknown reasons, a majority of eligible employees did not use some or all of this benefit.

The parties agree to use the already scheduled quarterly series of meetings between Health Care Authority (HCA), Office of Financial Management (OFM), and Union staff representatives to review data and discuss possible options and solutions to increase represented employees' awareness and utilization of the FSA benefit. The parties will focus their efforts on the following items:

1. Creating an introductory paragraph explaining the FSA benefit for represented employees for use in HCA communications. This communication shall include all the participatory unions' logos and/or names provided by the unions as well as HCA/PEBB branding.
2. Exploring the option of sharing a list of all eligible employees who did not use the ~~three~~^{two} hundred and ~~fifty~~ dollar (\$~~300~~²⁵⁰.00) benefit for the previous calendar year.
3. Creating a timely and targeted communication for those employees who have not yet accessed their FSA benefit.
4. Reviewing existing communications provided to new employees about the FSA benefit.
5. Assisting the Coalition of Unions with providing information to their members about the FSA benefit.
6. Ensuring that any information shared protects employees' personally identifiable information and protected health information.
7. Exploring options to provide access to this information for non-English speakers, for example, a flyer in multiple languages with notification of these benefits.
