SUBJECT: CORRECTION TO GOVERNOR'S SUPPLEMENTAL TRANSPORTATION BUDGET REQUEST

The Governor's supplemental transportation budget inadvertently struck subsection (1) of the proviso in section 301. The intention was to only strike the reference to the LEAP list of Freight Mobility Strategic Investment Board projects and replace it with an updated list of projects. The purpose is to provide an updated list based on projects that were completed, cancelled, or changed.

We recommend the following corrected language:

(1) Except as otherwise provided in this section, the entire appropriations in this section are provided solely for the projects by amount, as listed in the ~~LEAP Transportation Document 2019-3 as developed April 27, 2019~~ 20GOV003 transportation document as developed December 16, 2019, FMSIB Project List.

Thank you for your consideration. Please contact us if you have any questions.
