Dear Director Brown:

Pursuant to Chapter 7, Laws of 2020, I hereby allocate \$250,000 from the Disaster Response Account to the Department of Commerce. The purpose of the allocation is for Consolidated Technology Services (WaTech) and Washington State University to install infrastructure hardware for drive-in WiFi locations at schools and libraries.

Using expenditure authority code 6C0, please submit the required allotment amendment packet to the Office of Financial Management using the "Operating Allocation" packet type. Any amount not spent by June 30, 2021 must be returned to the Disaster Response Account. If you receive any federal funding for this purpose, report the amount and fund source to OFM so we can appropriately account for it.

We appreciate your vital efforts in responding to this health crisis. If you have any questions, please contact Nona Snell, Assistant Director for Budget, at (360) 902-0542 or nona.snell@ofm.wa.gov.

Sincerely,
