SUBJECT: Contingency Planning for State Agency Operations on July 1

This is in response to your memo dated June 12, 2013 requesting agencies to submit any constitutional mandates or federal law that requires they remain in operation, or if they had any non-appropriated funding.

Human Rights Commission does not meet any of the exemptions listed and therefore would close operations effective July 1, 2013.

If any further correspondence is needed please contact our agency.

Thank you.
