## **PREAMBLE**

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and the Washington Association of Fish & Wildlife Professionals, referred to as the “Association.”

The purpose of this Agreement is to promote mutual agreement and understanding between the parties and to set forth those matters pertaining to rates of pay, hours of work, and other employment relations matters, in accordance with [RCW 41.80](#), which pertain to a respectful and productive labor relationship. The Preamble is not subject to the grievance procedure in [Article 27](#).

## **ARTICLE 1**

### **RECOGNITION CLAUSE**

- 1.1** This Agreement covers the employees in the following bargaining units:

Non-Supervisory Fish, Wildlife, and Habitat	12141
Biological Data Systems / Quantitative Assessments	9797
Wildlife Area Managers and Assistant Managers	12354

- 1.2** This Agreement does not cover any statutorily excluded positions. In the event of a title change, or reallocation, the Agency will notify the Association of such change in advance of the change.
- 1.3** The Employer recognizes the Association as the exclusive bargaining representative for all employees in its certified bargaining units.
- 1.4** If the Public Employment Relations Commission (PERC) certifies the Association as the exclusive representative during the term of this Agreement for a bargaining unit in general government, the terms of this Agreement will apply.
- 1.5** The parties recognize that PERC has the exclusive authority to determine appropriate bargaining unit composition and exclusive representation.

## **ARTICLE 2**

### **NON-DISCRIMINATION**

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, creed, genetic information, national origin, political affiliation, military status, status as an honorably discharged veteran, a disabled veteran or Vietnam era veteran, sexual orientation, gender expression, gender identity, or any real or perceived sensory, mental or physical disability, or because of Association membership. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2** Both parties agree that unlawful harassment of any form will not be tolerated, including disparate treatment and hostile work environment on the basis of any of the categories listed in Section 2.1.
- 2.3** Employees who feel they have been the subject of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Association may request in writing that the grievance process be

continued. Such requests must be made within twenty-one (21) calendar days of the employee and the Association being notified in writing of the findings of the internal complaint.

### **ARTICLE 3**

#### **FILLING OF VACANCIES**

- 3.1** The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification that is being filled. By that determination, the Employer will not remove positions from the bargaining units represented by the Association without satisfying its bargaining obligation. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.
- 3.2** An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 31](#), Layoff and Recall, of this Agreement and are confined to each individual agency.
- 3.3** The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with [WAC 357-46-080](#).
- 3.4** A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the agency.
- 3.5** A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the agency.
- 3.6** A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum within the agency.
- 3.7** When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
- A. The most senior candidate on the agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
  - B. If there are no names on the internal layoff list, the agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. The agency will interview all certified internal candidates. If there is a tie for the last position on the certification for either

promotional or other candidates, the agency may consider up to ten (10) additional tied candidates. The Agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.

- C. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
- D. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the agency may add up to three (3) affirmative action candidates to the names certified for the position.
- E. When recruiting for multiple positions, the agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

### **3.8 Crediting Experience for Required Competencies**

The Agency will credit all Agency experience for all candidates, including but not limited to all levels of Department of Fish & Wildlife (DFW) Scientific Technicians, that demonstrates through the application process one or more of the specific competencies required for the position.

### **3.9 Opportunity for Feedback Conference**

Any employee considered, but not promoted, may confer with the supervisor of the position about reasons for non-selection and possible improvement for future promotions.

## **ARTICLE 4 HIRING AND APPOINTMENTS**

### **4.1 Filling Positions**

The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. If the agency changes an existing permanent position to a non-permanent position, it shall notify the Association in advance of the change. When filling positions with other than a non-permanent appointment, the Employer will fill positions in accordance with [Article 3](#), Filling of Vacancies. When recruiting for a permanent bargaining unit position, the recruitment announcement will be posted for a minimum of ten (10) calendar days.

- 4.2 Prior to certifying candidates in accordance with [Article 3](#), an Appointing Authority may grant an administrative transfer, an appointment to the most senior candidate on the layoff list, voluntary demotion or elevation within an agency as long as the permanent employee has the skills and abilities required to perform the duties of

the position. Employees desiring a transfer, appointment from the layoff list, voluntary demotion or elevation will initiate a request in writing, and appointing authorities will consider these individuals. Candidates interviewed will be notified of the hiring decision.

#### **4.3 Permanent Status**

An employee will attain permanent status in a job classification upon his/her successful completion of a probationary, trial service or transition review period.

#### **4.4 Types of Appointment**

##### **A. Non-Permanent**

1. The Agency may make non-permanent appointments to fill in for the absence of a permanent employee, during a short-term workload peak, while recruitment is being conducted, due to impending or actual layoff, when the nature of the work is sporadic and does not fit a particular pattern, or a hiring freeze when the agency is prohibited from hiring a permanent employee. A non-permanent appointee must have the skills and abilities required for the position. When the Appointing Authority converts a non-permanent appointment to a permanent appointment, the employee will not serve a trial service period if they have been in that position for at least twelve (12) continuous months.
2. An employee with permanent status may accept a non-permanent appointment. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify his/her current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the agency and the duration of those return rights. At a minimum, the agency must provide the employee access to the agency's internal layoff list.
3. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee, however, when practicable the Employer may provide more than one (1) working day's notice. Non-permanent appointments normally will not exceed eighteen (18) consecutive months in duration, unless mutually agreed upon by the Association and the Employer to extend the appointment.

##### **B. On-Call Employment**

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving one (1) day's notice to the employee.

C. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program.
2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service, any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service periods required by the in-training program. Employees who are not successful may be separated at any time with three (3) working days' notice from the Employer.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does not successfully complete the trial service period or periods at any time with three (3) working days' notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to his/her in-training appointment, in accordance with [Subsection 4.5 B](#) of this Article.
4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.
6. If the entire in-training program—meaning all levels within the in-training appointment—is designated as a trial service period, the employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.

D. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.

2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

Employees with permanent project status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
  - b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.
3. The Employer may consider project employees with permanent project status for transfer, voluntary demotion, or promotion to non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.
  4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or trial service period, unless a permanent project employee has already completed the probationary period for that classification.
  5. The layoff and recall rights of project employees will be in accordance with the provisions in [Article 31](#), Layoff and Recall.

E. Seasonal Career Employment

1. The Employer may make seasonal career appointments that are cyclical in nature, recur at the same agency at approximately the same time each year, and last for a minimum of five (5) months but are less than twelve (12) months in duration during any consecutive twelve (12) month period. The Employer may vary the duration of a seasonal career appointment within the current season.
2. Upon completion of a twelve (12) month probationary period completed in consecutive seasons at the same agency, employees in seasonal career employment will assume the rights of employees with permanent status.
3. The layoff and recall rights of seasonal career employees will be in accordance with the provisions in [Article 31](#), Layoff and Recall.
4. Changes may be made to the length of a career seasonal employee's season length, including the conversion of the appointment to a year round appointment without the need to open a recruitment. The

Employer will notify the Association when it permanently modifies an employee's season length.

- F. Terminations during probationary periods, non-permanent appointments, or reversions of trial service periods are not subject to the grievance procedure in [Article 27](#), Grievance Procedure.

#### **4.5 Review Periods**

A. Probationary Period

1. Every part-time and full-time employee, following his/her initial appointment to a permanent position, will serve a probationary period of twelve (12) consecutive months. Once an employee serves his/her probationary period, he/she will not serve a subsequent probationary period unless there is a break in state service.
2. The Employer may separate a probationary employee at any time during the probationary period, and such separation will not be subject to the grievance procedure in [Article 27](#), Grievance Procedure. The Employer will provide the employee two (2) working days' written notice prior to the effective date of the separation. If the Employer fails to provide two (2) days' notice, the separation will stand and the employee will be entitled to payment of salary for up to two (2) working days, which the employee would have worked had notice been given. Under no circumstance will notice deficiencies result in an employee gaining permanent status.
3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay, sick leave or shared leave, except for leave taken for military service.
4. An employee who transfers or is promoted prior to completing his/her initial probationary period will serve a new probationary period. The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than as defined in Subsection A.1, above.
5. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Appointing Authority may credit time worked in a non-permanent appointment toward completion of a probationary period within the same job classification.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who

voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months, unless the employee meets the requirements of [Article 36.3.A.1](#). The Employer may extend the trial service period to no more than twelve (12) consecutive months. The Agency will provide the reason(s) in writing to the employee and Association.

2. Any employee serving a trial service period will have his/her trial service period extended, on a day-for-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. An employee serving a trial service period may voluntarily revert to his/her former permanent position within thirty (30) calendar days of the appointment, provided that the position has not been filled or an employment offer has not been made. With approval of the Appointing Authority, an employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
  - a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification;
  - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.
  - c. The reversion option, if any, will be determined by the Agency using the order listed above. In both (a) and (b) above, the Agency will determine the position the employee may revert to and the employee must have the skills and abilities required for the position. If possible, the reversion option will be within a reasonable commuting distance for the employee.
4. With seven (7) calendar working days' prior written notice by the Employer, an employee who does not successfully complete his/her trial service period has the right to revert to a position, if available, in the same agency that is:
  - a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification;  
or
  - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

5. Any unsuccessful employee who has no reversion options may request that his/her name be placed on the agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where he/she had previously attained permanent status.
6. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in [Article 27](#), Grievance Procedure.

## **ARTICLE 5**

### **PERFORMANCE EVALUATION**

#### **5.1 Objective**

The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements. It is the responsibility of the supervisor to address performance issues in a timely manner and accurately reflect their evaluation of the employees that they supervise.

- 5.2 A. Employee work performance will be evaluated during probationary and trial service periods and at least annually thereafter. Immediate supervisors will meet with employees at the start of their review period to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations as well as notification of any modifications made during the review period.
- B. The performance evaluation process will include, but not be limited to, a written performance evaluation on forms used by the Employer, the employee's signature acknowledging receipt of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. If the need arises, the reviewer (typically the second line supervisor) may function as a mediator upon the request of either the supervisor or the employee. The employee has the right to submit a written rebuttal to the content of the evaluation. The original performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.
- C. To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and the supervisor will occur throughout the evaluation period.

- D. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure in [Article 27](#), Grievance Procedure.

## **ARTICLE 6**

### **HOURS OF WORK**

#### **6.1 Definitions**

- A. Full-time Employees  
Employees who are scheduled to work an average of forty (40) hours per workweek.
- B. Part-time Employees  
Employees who are scheduled to work less than an average of forty (40) hours per workweek.
- C. Shift Employees  
Overtime-eligible employees who work in positions that normally require coverage or relief for more than one (1) work shift.
- D. Workday  
One (1) of seven (7) consecutive, twenty-four (24) hour periods in a workweek.
- E. Work Schedules  
The number of days and hours an employee is scheduled to work in a workweek as established by the Employer in order to meet business and customer service needs, as long as the work schedules meet federal and state laws. Employees may work a five (5) day eight (8) hour schedule, four (4) day ten (10) hour schedule or other schedule configurations. When establishing work schedules, the Agency will consider such things as business, operating and customer needs, commute trip reduction, work efficiency, employee needs and other reasonable factors such as Executive Order 14-02. The Agency will designate employees in Total Time (or other Agency payroll system) under whatever designation is necessary to provide appropriate payment. Schedules designated in Total Time (or other Agency payroll system) may not reflect the variability of hours worked by an individual employee although the hours recorded will accurately reflect the total number of hours worked each day.
- F. Work Shift  
The hours an employee is scheduled to work each workday in a workweek.
- G. Workweek  
Normally, workweeks will begin at 12:00 a.m. on Sunday and end at 12:00 midnight the following Saturday.

## **6.2 Determination**

The Employer will determine, based on the Fair Labor Standards Act, whether a position is overtime-eligible or overtime-exempt. The employee and Association will be notified if a change in overtime-eligible status is made to a position. The current overtime-eligible or overtime-exempt status will be maintained, so long as that status is in compliance with the state and federal law.

## **6.3 Overtime-Eligible Employees**

### **A. Regular Work Schedules**

The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, as defined above, with starting and ending times as determined by the requirements of the position. Part time employees will be paid at their regular rate for all hours worked up to forty (40) hours in the workweek.

### **B. Alternate Work Schedules**

Employees may request adjustments to their regular schedule and supervisors will consider adjusting work hours during a workday or workdays during a workweek. Work shifts of different numbers of hours may be established for overtime-eligible employees in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws. The appropriate Division or Regional Program Manager or other Agency designee will consider commute trip reduction, work efficiency and other reasonable factors, such as employee needs, when setting work schedules. Alternate work schedules may be rescinded by the Appointing Authority or designee if business and customer service needs are not being met, or if performance or attendance concerns occur. In such case, the Employer will provide the basis for the change in writing to the employee.

### **C. Temporary Schedule Changes**

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. Overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change. If a temporary schedule change causes an employee to work thirty-eight (38) hours or more before the last workday of the workweek, the employee will be allowed to use vacation leave or compensatory time to reach forty (40) hours worked in the workweek unless the employee will be required to work four (4) hours or more on the last workday of the workweek. If the employee uses leave to reach forty (40) hours in the workweek, the Agency may still require the employee to work the last workday.

- D. Permanent Schedule Changes  
Employees' workweeks and work schedules may be permanently changed with prior notice, which will include the basis for change, from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change.
- E. Emergency Schedule Changes  
The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies. The employee will be paid callback pay in accordance with [Article 37](#), Compensation, and overtime pay as applicable.
- F. Employee-Requested Schedule Changes  
Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the Appointing Authority or designee's approval.

#### **6.4 Overtime-Eligible Unpaid Meal Periods**

The Employer and the Association agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements of [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume his/her unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

#### **6.5 Overtime-Eligible Paid Meal Periods and Rest Periods for Straight Shift Schedules**

The Employer and the Association agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods and rest periods for employees on straight shifts do not require relief from duty.

#### **6.6 Overtime-Eligible Rest Periods**

The Employer and the Association agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed rest periods of fifteen (15) minutes for each one-half (1/2) shift of four (4) or more hours worked at or near the middle of each one-half (1/2) shift of four (4)

or more hours. Rest periods do not require relief from duty. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

## **6.7 Overtime-Exempt Employees**

The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards, which must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities. Full-time overtime-exempt employees are expected to work an average of forty (40) hours per workweek and part-time overtime-exempt employees are expected to work proportionate hours. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer.
- C. The appropriate Division or Regional Program Manager or other agency designee will consider business, operating and customer needs, commute trip reduction, work efficiency and other reasonable factors such as work unit productivity and employee needs when setting work schedules. If an employee requests an alternate work schedule, the supervisor will be expected to submit his/her recommendation regarding the request to the appropriate Division or Regional Program Manager. Alternate work schedules may be rescinded by the Appointing Authority or designee if business and customer service needs are not being met, or if performance or attendance concerns occur. In such a case, the Employer will provide the basis for the change in writing to the employee.
- D. With approval of the appropriate Division or Regional Program Manager or other agency designee, overtime-exempt employees will accrue exchange time for hours worked in excess of their normal workweek unless adjusted per [Subsection 6.7](#) (G) of this Article. Within the pay period, supervisors will work with employees to establish work priorities and make any necessary adjustments to accomplish those priorities.
- E. The salary paid to overtime-exempt employees is full compensation for all hours worked and all approved paid leave, except:

All overtime-exempt employees will receive pay when required by the employer to work on a holiday, as identified in [Article 10](#), Holidays, at an additional rate of one and one-half (1-1/2) times the employee's salary for the time worked.

- F. Exchange time may be accrued at straight time to a maximum of one hundred ten (110) hours. Accrued exchange time will be used and scheduled in the same manner as vacation leave, as in [Article 11](#), Vacation Leave.

Exchange time has no cash value and cannot be transferred between agencies. The Appointing Authority may authorize the accumulation of exchange time in excess of one hundred ten (110) hours. The Appointing Authority may require the request for accumulation above the maximum to be accompanied with a liquidation plan to reduce those hours to the maximum.

- G. If they give notification and receive prior approval from the immediate supervisor, overtime-exempt employees may flex their work hours within the pay period. Employees are responsible for keeping their supervisors apprised of their work hours and their whereabouts. Flexible work hours are not standard, recurring hours across pay periods, and do not change an employee's approved schedule.
- H. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

#### **6.8 Positive Time Reporting**

Employees will accurately report time worked in accordance with a positive time reporting process as determined by the Agency.

### **ARTICLE 7 OVERTIME**

#### **7.1 Definitions**

- A. Overtime  
Overtime is defined as time that an overtime-eligible employee works in excess of forty (40) hours per workweek.
- B. Overtime Rate

- C. Work  
The definition of work, for overtime purposes only, includes:
  - 1. All hours actually spent performing the duties of the assigned job;
  - 2. Travel time required by the Employer during normal work hours from one work site to another or travel time outside the employee's normal work hours to a different work location that is greater than the employee's normal home-to-work travel time;
  - 3. Vacation leave;

4. Sick leave;
5. Compensatory time;
6. Holidays; and
7. Any other paid time not listed below.

D. Work does not include:

4. Time compensated as standby, call back, or any other penalty pay.

## **7.2 Authorization for Overtime**

- A. The immediate supervisor may assign overtime-eligible employees to work more than forty (40) hours in a work week provided that such assignment conforms with management directives, program priorities and budget constraints.
- B. Employees may not conduct work activities that exceed forty (40) hours in a work week without prior approval, except in the case of a bona fide emergency. In the case of an emergency necessitating overtime the employee shall notify their immediate supervisor as soon as practical.

## **7.3 Overtime-Eligibility Compensation**

Employees who are overtime-eligible will receive compensation under the following circumstances:

- A. Employees who work more than forty (40) hours in a workweek will be compensated at the overtime rate.
- B. An employee whose workweek is less than forty (40) hours will be paid at their regular rate of pay for all work performed up to forty (40) hours in a workweek and paid at the overtime rate for work of more than forty (40) hours in a workweek.
- C. Computation of overtime will be rounded up to the nearest one-tenth (1/10th) of an hour.

## **7.4 General Provisions**

- A. The Employer will determine whether work will be performed on regular work time or overtime, the number, the skills and abilities of the employees required to perform the work, and the duration of the work. The Employer will first attempt to meet its overtime requirements on a voluntary basis with qualified employees who are currently working. In the event there are not

enough employees volunteering to work, the supervisor may require employees to work overtime unless prohibited by law.

- B. If an employee was not offered overtime for which he/she was qualified, the employee will be offered the next available overtime opportunity for which he/she is qualified. Under no circumstances will an employee be compensated for overtime that was not worked unless ordered by an arbitrator, court or administrative agency. There will be no pyramiding of overtime.

## **7.5 Compensatory Time for Overtime-Eligible Employees**

- A. Compensatory Time Eligibility

The Employer will grant compensatory time in lieu of cash payment for overtime to an overtime-eligible employee, upon agreement between the Employer and the employee. Compensatory time must be granted at the rate of one and one-half (1-1/2) hours of compensatory time for each hour of overtime worked.

- B. Maximum Compensatory Time

Employees may accumulate compensatory time to no more than the maximum hours allowed under the Fair Labor Standards Act.

- C. Compensatory Time Use

Employees may use compensatory time prior to using vacation leave, unless this would result in the loss of their vacation leave or the employee is using vacation leave for Domestic Violence Leave. Employees may use compensatory time for leave as required by the Domestic Violence Leave Act, [RCW 49.76](#). Compensatory time must be used and scheduled in the same manner as vacation leave, as in [Article 11](#), Vacation Leave. The Employer may schedule an employee to use his/her compensatory time with fourteen (14) calendar days' notice.

- D. Compensatory Time Cash Out

All compensatory time must be used by June 30th of each year. If compensatory time balances are not scheduled to be used by the employee by April of each year, the supervisor will contact the employee to review his/her schedule. The employee's compensatory time balance will be cashed out every June 30th or when the employee:

1. Leaves state service for any reason;
2. Moves to a position in their agency with different funding sources;  
or
3. Moves to another state agency.

biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child; a spouse; a registered domestic partner as defined by RCW 26.60.020 and 26.60.030; a grandparent; a grandchild; or sibling.

- C. Qualified absence under the Family Medical Leave Act,
- D. Exposure of the employee to a contagious disease when attendance at work would jeopardize the health of others.
- E. Death of a relative that requires the employee's absence from work. In addition to relatives defined in [Article 16.5](#) D relatives include foster child, aunt, uncle, niece, nephew, first cousin and corresponding relatives of employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#) or significant other.
- F. Leave for Family Military Leave as required by RCW 49.77 and in accordance with Section 17.11.
- G. Leave for Domestic Violence Leave as required by RCW 49.76.
- H. Preventative health care appointments of household member, up to one (1) day for each occurrence, when the employee attends the appointment, if arranged in advance with the Employer.
- I. In accordance with RCW 49.46.210, when an employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's school or place of care has been closed for such a reason. Health related reason, as defined in WAC 296-128-600 (8), means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material. Health-related reason does not include closure for inclement weather.
- J. When an employee is absent from work to be with members(s) of the employee's household, not to include family members the care of which is governed by 12.2 above, who experience an illness or injury, up to five (5) days for each occurrence or as extended by the Employer.

### **12.3 Use of Compensatory Time, Exchange Time or Vacation Leave for Sick Leave Purposes**

The Employer will allow an employee who has used all of his/her sick leave to use compensatory time, exchange time, personal holiday, personal leave day or vacation leave for sick leave purposes. An employee may be denied the ability to use compensatory time, exchange time, personal holiday, personal leave day or vacation leave for sick leave purposed if the employee has been informed that he or she has documented attendance problems reflected in their personnel or supervisory file.

#### **12.4 Restoration of Vacation Leave**

In the event an employee is injured or becomes ill while on vacation leave, the employee may submit a written request to use sick leave and have the equivalent amount of vacation leave restored. The supervisor may require a written medical certificate.

#### **12.5 Sick Leave Reporting and Verification**

An employee must promptly notify his/her supervisor on the first day of sick leave and each day after, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify his/her supervisor at least two (2) hours prior to his/her scheduled time to report to work. If the Employer suspects abuse, the Employer may require a written medical certificate for that sick leave absence. An employee returning to work after any sick leave absence may be required to provide written certification from his/her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

#### **12.6 Sick Leave Annual Cash Out**

Each January, employees are eligible to receive cash on a one (1) hour for four (4) hours basis for ninety-six (96) hours or less of their accrued sick leave, if:

- A. Their sick leave balance at the end of the previous calendar year exceeds four hundred and eighty (480) hours;
- B. The converted sick leave hours do not reduce their previous calendar year sick leave balance below four hundred and eighty (480) hours; and
- C. They notify their payroll office by January 31st that they would like to convert their sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.
- D. All converted hours will be deducted from the employee's sick leave balance.

#### **12.7 Sick Leave Separation Cash Out**

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for his/her total sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include "vested out of service" employees who leave funds on deposit with the retirement system. In accordance with state and federal law, agencies and employees in bargaining units may agree to form Voluntary Employee Beneficiary Associations (tax-free medical spending accounts) funded by the retiree sick leave cash out described above.

#### **12.8 Re-employment**

Former state employees who are re-employed within five (5) years of leaving state service will be granted all unused sick leave credits they had at separation.

### **12.9 Carry Forward and Transfer**

Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this agreement.

When an employee moves from one state agency to another, regardless of status, the employee's accrued sick leave will be transferred to the new agency for the employee's use.

## **ARTICLE 13 SHARED LEAVE**

\*This Article has been modified by an [MOU](#) effective July 1, 2018.

**13.1** State employees may donate vacation leave, sick leave, or personal holidays to a fellow state employee who is called to service in the uniformed services, responding to a state of emergency anywhere within the United States declared by the federal or any state government, bonding with their newborn, adoptive or foster child, sick or temporarily disabled because of pregnancy or child birth, a victim of domestic violence, sexual assault, or stalking, or suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition. The term does not include persons sharing the same general house, when the living style is primarily that of a dormitory or commune.

- E. “Domestic Partner” is defined as two (2) adults who meet the requirements for a valid state registered domestic partnership as established by [RCW 26.60.030](#) and who have been issued a certificate of state registered domestic partnership by the Secretary of State’s Office.

- N. Pregnancy disability means a pregnancy related medical condition or miscarriage.

**13.2** An employee may be eligible to receive shared leave under the following conditions:

- A. The employee's agency head determines that the employee meets the criteria described in this Section.
- B. For work-related illness or injury, the employee has diligently pursued and been found to be ineligible for benefits under [RCW 51.32](#) if the employee qualifies under Section 13.3.
- C. The employee has abided by agency policies regarding the use of sick leave if the employee qualifies under Section 13.3.
- D. The employee has abided by agency policies regarding the use of vacation leave and paid military leave if the employee qualifies under Subsection 13.3 A.2.
- E. A state of emergency has been declared anywhere within the United States by the federal government or any state government if the employee qualifies under Subsection 13.3 A.3.
- F. Donated leave may be transferred from employees within the same agency, or with the approval of the heads or designees of both state agencies, higher education institutions, or school districts/educational service districts, to an employee of another state agency, higher education institution, or school district/educational district.
- G. The employee has abided by Agency policy regarding the use of sick leave and vacation leave if the employee qualifies under 13.3.A.5

**13.3** An employee may donate vacation leave, sick leave, or personal holiday to another employee only under the following conditions:

- A. The receiving employee either:
  - 1. Suffers from or has a relative or household member suffering from an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature; or
  - 2. Has been called to service in the uniformed services; or
  - 3. Has the needed skills to assist in responding to an emergency or its aftermath and volunteers his/her services to either a governmental agency or to a nonprofit organization engaged in humanitarian relief in the devastated area, and the governmental agency or nonprofit organization accepts the employee's offer of volunteer services; or
  - 4. Is a victim of domestic violence, sexual assault, or stalking.

5. Is taking parental or pregnancy disability leave.
- B. The illness, injury, impairment, condition, call to service, or emergency volunteer services, consequence of domestic violence, sexual assault or parental or pregnancy disability leave, or stalking, has caused, or is likely to cause, the receiving employee to:
    1. Go on leave without pay status; or
    2. Terminate state employment.
  - C. The receiving employee's absence and the use of shared leave are justified.
  - D. The receiving employee has depleted or will shortly deplete their:
    1. Vacation leave and sick leave reserves if the employee qualifies under Section 13.3; or
    2. Vacation leave and paid military leave allowed under RCW 38.40.060 if the employee qualifies under Section 13.3;
    3. Vacation leave and personal holiday if the employee qualifies under Subsection 13.3 A.3 or A.4; or
    4. Personal holiday, vacation leave and sick leave if the employee qualifies under Subsection 13.3.A.5. However, the employee is not required to deplete all of their vacation and sick leave and can maintain up to forty (40) hours of each of vacation and sick leave;
  - E. The agency head permits the leave to be shared with an eligible employee.
  - F. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee's vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for annual leave balances will be prorated.
  - G. Employees may donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
  - H. The donating employee may donate any specified amount of sick leave provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
  - I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.

- 13.4** The agency head will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment. The Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature. A non-permanent or on-call employee who is eligible to use accrued leave or personal holiday may not use shared leave beyond the termination date specified in the non-permanent or on-call employee's appointment letter.
- 13.5** The agency head will require the employee to submit, prior to approval or disapproval, a medical certificate from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition when the employee is qualified under Section 13.3 A.1, a copy of the military orders verifying the employee's required absence when the employee is qualified for shared leave under Section 13.3 A.2, proof of acceptance of an employee's offer to volunteer for either a governmental agency or a nonprofit organization during a declared state of emergency when the employee is qualified for shared leave under Subsection 13.3 A.3, verification of the employee's status as a victim of domestic violence, sexual assault or stalking when the employee is qualified for shared leave under Subsection 13.3 A.4, or verification of the birth, adoption or foster care placement of a child and/or a medical certificate form a licensed physician or health care practitioner verifying pregnancy disability under Subsection 13.3 A.5.
- 13.6** Any donated leave may only be used by the recipient for the purposes specified in this Section.
- 13.7** The receiving employee will be paid their regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The calculation of the recipient's leave value will be in accordance with Office of Financial Management policies, regulations, and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.
- 13.8** All forms of paid leave available for use by the recipient must be used prior to using shared leave when qualified under Section 13.3 A.1 and A.4. All forms of paid leave, except sick leave, available for use by the recipient must be used prior to using shared leave when qualified under Section 13.3 A.2 or 13.3 A.3. For shared leave qualified under subsection 13.3 A.5 the employee is not required to deplete all of their annual leave and sick leave and can maintain up to forty (40) hours of annual leave and forty (40) hours of sick leave.

- 13.9** A. Any shared leave no longer needed or will not be needed at a future time in connection with the original injury or illness or for any other qualifying condition by the recipient as determined by the agency head or designee will be returned to the donor(s).
- B. Unused leave may not be returned until one (1) of the following occurs:
1. The Agency head or designee receives a statement from the employee's doctor verifying the injury or illness is resolved; or
  2. The employee is released to full-time employment; has not received additional medical treatment for their current condition or any other qualifying condition for at least six (6) months; and the employee's doctor has declined, in writing, the employee's request for a statement indicating the employee's condition has been resolved.
- C. The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's appropriate leave balance. The return will be prorated back based on the donor's original donation.
- 13.10** If a shared leave request is closed and an employee later has a need to use shared leave due to the same condition listed in the closed request, the Agency head or designee must approve a new shared leave request for the employee.
- 13.11** All donated leave must be given voluntarily. No employee will be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.
- 13.12** The Agency will maintain records which contain sufficient information to provide for legislative review.
- 13.13** An employee who uses leave that is transferred under this Section will not be required to repay the value of the leave that used.

### **FAMILY AND MEDICAL LEAVE - PREGNANCY DISABILITY LEAVE**

- 14.1** A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for any one (1) or more of the following reasons 1-5 (note – in Subsection 5 the law allows up to twenty-six (26) work weeks in a single twelve (12) month period):

1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
3. Family medical leave to care for a spouse, son, daughter, parent, or state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) weeks of FMLA.
4. Family medical leave for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include short notice deployment, attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, rest and recuperation, attending post-deployment reintegration briefings and parental care.
5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to FMLA leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.

- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.
- 14.2** The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.
- 14.3** The Employer will continue the employee's existing employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay his/her share of health insurance, life insurance and disability insurance premiums.
- 14.4** The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a family medical leave qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event. Any employee using paid leave for a family medical leave qualifying event must follow the notice and certification requirements relating to family medical leave usage in addition to any notice and certification requirements relating to paid leave.
- 14.5** The Employer may require certification from the employee's, the family member's, or the covered service member's health care provider for the purpose of qualifying for family medical leave. Certification may also be required for use of military exigency leave.
- 14.6** The Employer will use forms designated by the United States Department of Labor in the administration of FMLA.
- 14.7** Personal medical leave, serious health condition leave or serious injury or illness leave covered by the family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 14.8** Upon returning to work after the employee's own family medical leave-qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider. Once the employee provides the fitness-for-duty certification, the agency will not delay the return to work while the agency seeks clarification and authentication from the employee's health care provider.

- 14.9** The employee will provide the Employer with not less than thirty (30) days' notice before the family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.

**14.10 Parental Leave**

- A. Parental leave will be granted to the employee for the purpose of bonding with his/her newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the family medical leave during the first year after the child's birth or placement. The Agency will notify the employee whether the leave is granted or denied within fourteen (14) days of the employee's leave request. Leave beyond the period covered by family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at the agency director step of the grievance procedure in [Article 27](#), Grievance Procedure.
- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, exchange time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FMLA or WFLA leave for baby bonding purposes.

**14.11 Pregnancy Disability Leave**

- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA or WFLA.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, exchange time, shared leave, and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

**14.12 Lactation Facilities**

The Employer will provide lactation facilities in accordance with the Patient Protection and Affordable Care Act.

**ARTICLE 15**  
**SEVERE INCLEMENT WEATHER AND**  
**NATURAL DISASTER LEAVE**

**15.1** If the Employer decides that a state office or work location is non-operational or inaccessible due to severe inclement weather or natural disaster, the following will apply:

- A. Non-emergency (or emergency, if applicable) employees may be released with no loss of pay during the disruption of services.
- B. Non-emergency (or emergency, if applicable) employees may be reassigned to similar positions at locations within a reasonable driving distance from the non-operational location during the disruption of services.
- C. If affected state offices or work locations are reasonably believed to be temporarily non-operational, employees will be allowed to utilize accrued leave for up to four (4) weeks. The employee's leave will be charged in the following order:
  - 1. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
  - 2. Any accrued vacation leave;
  - 3. Accrued sick leave, up to a maximum of three (3) days in any calendar year;
  - 4. Leave without pay.
- D. At the discretion of the Employer, if after four (4) weeks, the state office or work location is still non-operational, non-emergency employees may be subject to a temporary reduction of work hours or temporary layoff consistent with [Section 31.5](#) of [Article 31](#), Layoff and Recall, of this Agreement.
- E. At the discretion of the employee's immediate supervisor, employees may work from their home if their work assignment permits.

**15.2** If a work location remains fully operational but an employee is unable to report to work or remain at work because of severe inclement weather or a natural disaster, the employee's leave will be charged in the following order:

- A. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
- B. Any accrued vacation leave;

- C. Any accrued sick leave, up to a maximum of three (3) days in any calendar year; then
- D. Leave without pay.
- E. At the discretion of the employee's immediate supervisor, employees may work from their home or another work location if their work assignment permits.

Although the types of paid leave will be used in the order listed above, and each type of paid leave will be exhausted before the next is used, employees will be permitted to use leave without pay rather than vacation or sick leave at their request.

- 15.3** If the Employer decides to close a state office or work location after the work shift has begun, employees will be released for the balance of the day without loss of pay. An employee who was unable to report to work because of severe inclement weather, conditions caused by severe inclement weather or a natural disaster and is on leave in accordance with Subsection 15.2 of this Article, will be compensated for the balance of his or her work shift remaining after the closure was determined and will not be charged leave for that time. An employee who is on approved leave for reasons other than severe inclement weather, conditions caused by severe inclement weather or a natural disaster will not have his or her leave restored.
- 15.4** Employees who report to work late due to severe inclement weather or a natural disaster will be allowed up to one (1) hour of paid time. The Employer may grant additional paid time if deemed reasonable under the circumstances. Section 15.2 will apply to any additional late time.

## **ARTICLE 16**

### **MISCELLANEOUS LEAVE**

- 16.1** Subject to the Employer's approval, employees will be allowed paid leave, during scheduled work time, for:
  - A. Examinations or interviews for state employment;
  - B. To receive assessment from the Employee Assistance Program (EAP); or
  - C. Life-giving procedures, when approved in advance.

#### **16.2 Jury Duty**

Employees will receive paid leave and be allowed to retain any compensation paid to them for their jury duty service. Employees will promptly inform the Employer when notified of his/her jury duty summons. If selected to be on a jury, employee-requested schedule changes will be approved to accommodate jury duty service. If employees are released from jury duty and there are more than two (2) hours remaining on their work shift, they may be required to return to work.

**16.3** A subpoenaed employee will receive paid leave, during scheduled work time, to appear as a witness in a court or an administrative hearing for work-related cases, unless he/she:

- A. Is a party in the matter and is not represented by the Attorney General's Office of the State of Washington, or
- B. Has an economic interest in the matter.

Nothing in this Section will preclude an employee from receiving regular pay, travel expenses and per diem to appear in a court or an administrative hearing on behalf of the Employer.

**16.4** Employees will not be eligible for per diem or travel expenses under this Article.

**16.5 Bereavement Leave**

- A. An employee is entitled to three (3) days of paid bereavement leave if his/her family member or household member dies. An employee may request less than three (3) days of bereavement leave.
- B. The Employer may require verification of the family member's or household member's death.
- C. In addition to paid bereavement leave, the Employer may approve an employee's request to use compensatory time, sick leave, vacation leave, exchange time, his/her personal holiday or leave without pay for purposes of bereavement and in accordance with this Agreement.
- D. For purposes of this Subsection a family member is defined as parent, step-parent, sister, brother, parent-in-law, spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), grandparent, grandchild, and child. A household member is defined as persons who reside in the same home who have reciprocal duties to and do provide financial support for one another. This term does not include persons sharing the same house when the living style is primarily that of a dormitory or commune.

**16.6 Personal Leave**

- A. An employee may choose one (1) workday as a personal leave day each fiscal year during the life of this Agreement if the employee has been continuously employed for more than five (5) months.
- B. The Employer will release the employee from work on the day selected for personal leave if:
  - 1. The personal leave is scheduled and approved in the same manner as vacation leave.

2. The number of employees selecting a particular day off does not prevent the agency from providing continued public service.
- C. Personal leave may not be carried over.
- D. Part-time and on-call employees who are employed during the month in which the personal leave day is taken will be compensated for the personal leave day in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- E. Upon request, an employee will be approved to use part or all of his/her personal leave day for:
1. The care for family members as required by the Family Care Act, [WAC 296-130](#);
  2. Leave as required by the Military Family Leave Act, [RCW 49.77](#) and in accordance with [Article 17.11](#); or
  3. Leave as required by the Domestic Violence Leave Act, [RCW 49.76](#).

#### **16.7 Life-Giving Procedure**

When approved by the immediate supervisor, employees will receive paid leave, not to exceed five (5) working days in a two (2) year period, for participating in life-giving procedures. “Life-giving procedure” is defined as a medically-supervised procedure involving the testing, sampling, or donation of blood, platelets, organs, fluids, tissues, and other human body components for the purposes of donation, without compensation, to a person or organization for medically necessary treatments. Employees will provide reasonable advance notice and written proof from an accredited medical institution, physician or other medical professional that the employee participated in a life-giving procedure. Agencies may take into account program and staffing replacement requirements in the scheduling of leave for life-giving procedures.

### **ARTICLE 17 LEAVE WITHOUT PAY**

#### **17.1** Leave without pay will be granted for the following reasons:

## **20.5 Reasonable Suspicion Testing**

- A. Reasonable suspicion testing for alcohol or controlled substances may be directed by the Employer for any employee when there is reason to suspect that alcohol or controlled substance usage may be adversely affecting the employee's job performance or that the employee may present a danger to the physical safety of the employee or others. Specific objective grounds must be stated in writing that support the reasonable suspicion.
- B. Referral  
Referral for testing will be made on the basis of specific written objective grounds documented by a supervisor who has completed the U.S. DOT recommended training on detecting the signs/symptoms of being affected by controlled substances/alcohol.
- C. Testing
  - 1. When reasonable suspicion exists, employees must submit to alcohol and/or controlled substance testing when required by the Employer. The cost of reasonable suspicion testing, including the employee's salary will be paid by the Employer.
  - 2. Testing will be conducted in such a way to ensure maximum accuracy and reliability by using the techniques, chain of custody procedures, equipment and laboratory facilities, which have been approved by the U.S. Department of Health and Human Services. If the test result is negative, the Employer will reimburse the employee for the cost of the split sample test.
  - 3. An employee who has a positive alcohol test and/or a positive controlled substance test may be subject to disciplinary action, up to and including discharge based on the incident that prompted the testing.

## **20.6 Training**

The Agency will support legislation to increase the maximum benefit.

## **ARTICLE 23**

### **OFFICIAL DUTY STATION**

- 23.1** It shall be the duty of Management to establish the permanent duty station of each employee. In the absence of assigned state office space, the employee may be asked to use his/her home as the official duty station. Once established, the Agency will not change the duty stations without first complying with [Article 46](#), Entire Agreement.
- 23.2** If the official duty station is the employee's residence, and the employee is required to use a department phone with voicemail capability and/or a computer with internet access to perform DFW duties at that residence:

With approval of their immediate supervisor and in accordance with OFM regulations, employees will be permitted to park state vehicles(s) at their home for fewer than thirty (30) days. With the approval of the Appointing Authority or designee and in accordance with OFM regulations, employees will be permitted to park state vehicles(s) at their home for longer than thirty (30) days.
  - F. The Agency shall provide storage space for agency boats and other equipment.
- 23.3** The Agency will assign vehicles to field employees in accordance with State, agency policies and procedures for work related travel. Usage of assigned vehicles that is inconsistent with OFM regulations, agency policies or procedures may be subject to disciplinary action and loss of assigned vehicle.
- 23.4** The Agency shall establish a geographical area within which each field employee, not located in an office, must establish a permanent residence. Current duty stations are considered to conform with this Section.
- 23.5** Duty station changes will be discussed with employees sufficiently in advance of implementation to allow consideration of options.

- 23.6** Exceptions to the above residency requirement will be considered by the agency in light of an employee's personal circumstances on a case-by-case basis and may be granted if agency objectives will be met.
- 23.7** The Agency will not close, move or consolidate duty stations without negotiations with the Association regarding the impact of that decision.

## **ARTICLE 24**

### **OFF-DUTY CONDUCT**

- 24.1** The off-duty activities of an employee will not be grounds for disciplinary action unless said activities are a conflict of interest as set forth in [RCW 42.52](#), or are detrimental to the employee's work performance, or Title 77.
- 24.2 All Employees**  
Employees will report all arrests and any court-imposed sanctions or conditions that would prevent or negatively affect their ability to perform assigned duties to their appointing authority or designee within twenty-four (24) hours or prior to their scheduled work shift, whichever occurs first.

## **ARTICLE 25**

### **DEFENSE AND INDEMNIFICATION**

- 25.1 Employee Liability**  
In the event an employee becomes a defendant in a civil liability suit arising out of actions taken or not taken in the course of his/her employment for the state, he/she has the right to request representation and indemnification through his/her agency in accordance with [RCW 4.92.060](#) and [.070](#) and agency policy.

## **ARTICLE 26**

### **DISCIPLINE**

- 26.1** The Employer will not discipline any permanent employee without just cause.
- 26.2** When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.
- 26.3** Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.
- 26.4** The Employer has the authority to determine the method and develop appropriate guidelines for conducting investigations and will notify the Association. Upon written request of the Association, if an investigation will last longer than sixty (60) days from the date the employee was notified of the investigation, the Employer will provide an explanation to the Association of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate

timeframe for completion. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification that the investigation is completed and that no discipline will be imposed. A traditional element of just cause requires discipline to be imposed in a timely manner in light of the need for thorough investigation.

## **26.5 Investigatory Interviews**

- A. The Employer will notify the employee in writing, no less than seventy-two (72) hours in advance of an investigatory interview and the nature of the allegations. Upon request, an employee has the right to an Association representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have an Association representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative.
- B. The role of the representative is to provide assistance and counsel to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- C. Employees have a duty to cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.
- D. Employees who are the subject of an investigatory interview will be informed of the general nature of the alleged misconduct before the employee is asked to respond to questions concerning the allegation(s).
- E. The Employer will allow a reasonable break for an employee participating in an investigatory interview.

## **26.6 Alternative Assignments**

An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting his or her Association representative unless there is a conflict of interest, in which case the employee may contact another Association representative. This does not preclude the Employer from restricting an employee's access to Agency premises. Upon completion of the investigation process(es), the employee will be notified. Upon conclusion of the investigation and resulting decision by the Appointing Authority, the employee will be immediately returned to his/her regular assignment, unless circumstances warrant otherwise.

**26.7 Pre-Disciplinary Meetings**

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee and the Association of the reasons for the contemplated discipline, an explanation of the evidence and copies of written documents relied upon to take the action. The employee will be provided an opportunity to respond in writing or in person.

**26.8** The Employer will provide an employee with fifteen (15) calendar days' written notice prior to the effective date of the reduction in pay or demotion.

**26.9** The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 27, Grievance Procedure](#). Oral reprimands, however, may only be processed through the agency head step of the grievance procedure.

**26.10** Copies of disciplinary actions, except for oral reprimands, will be sent to the Association at the time it is given to the employee.

**ARTICLE 27**  
**GRIEVANCE PROCEDURE**

**27.1** The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

**27.2 Terms and Requirements**

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during the term of this Agreement. The term "grievant" as used in this Article includes the term "grievants."

B. Filing a Grievance

Grievances may be filed by the Association on behalf of an employee or on behalf of a group of employees. If the Association does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Association to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Association to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;
2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
3. The specific article and section of the Agreement violated;
4. The specific remedy requested; and
5. The name and signature of the grievant(s) or the Association representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved or withdrawn by the Association, a grievance cannot be resubmitted.

J. Pay

Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.

K. Consolidation

The Employer may consolidate grievances arising out of the same set of facts.

- L. Bypass  
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- M. Discipline  
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

### **27.3 Filing and Processing**

- A. Filing  
A grievance must be filed within fifteen (15) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have an Association representative or Association steward present.

Even when informal discussions occur, the written grievance must be filed no later than the fifteen (15) days described above.

- B. Alternative Resolution Methods  
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Association may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

- C. Processing  
**Step 1: Appointing Authority or Designee:**  
If the issue is not resolved informally, the Association may file a written grievance with the employee's Appointing Authority or designee, with a copy to the Human Resources Office within the fifteen (15) day period described in Subsection 27.3 A.

The Appointing Authority or designee will meet (or if mutually agreeable confer by telephone), with an Association steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal and will respond in writing to the Association within fifteen (15) days after the meeting.

**Step 2: Agency Head or Designee:**  
If the grievance is not resolved at Step 1, the Association may move it to Step 2 by filing the written grievance with the agency head, with a copy to the Human Resources Office, within fifteen (15) days of the Association's receipt of the Step 1 decision. Upon agreement of the parties, the agency

head or designee will meet or confer by telephone with an Association steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 1 decision. Management will provide a written response to the Association within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

**Step 3: Mediation:**

If the grievance is not resolved at Step 2, the Association may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with [WAC 391-55-020](#), with a copy to the OFM State Human Resources Labor Relations Section (LRS) and the agency's Human Resources Office within fifteen (15) days of the Association's receipt of the Step 2 decision.

**Step 4: Arbitration:**

If the grievance is not resolved at Step 3, or the Association does not file a request for mediation, the Association may file a request for arbitration. The demand to arbitrate the dispute must be filed with the LRS within fifteen (15) days of the final mediation session or the Association's receipt of the Step 2 decision. The Association will request a list of fifteen (15) arbitrators for selection through the Public Employment Relations Commission.

D. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators, and will follow the Labor Arbitration Rules of the American Arbitration Association (AAA) unless they agree otherwise in writing.

E. Authority of the Arbitrator

1. The arbitrator will:
  - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
  - b. Be limited in his/her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
  - c. Not make any decision that would result in the violation of this Agreement.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the

arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Association, the Employer and the grievant.

F. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses and any fees. Grievants will be paid for participation in arbitration hearings and may use leave for preparation for and travel to or from arbitration hearings.

**27.4 Election of Remedies**

Pursuit of a claim before the Equal Employment Opportunity Commission, the Human Rights Commission, or in a judicial or other forum constitutes a waiver of the right to pursue the same claim through arbitration under this Article.

## **ARTICLE 28**

### **PERSONNEL FILES**

- 28.1** There will be one (1) official personnel file maintained by the agency for each employee. The location of personnel files will be determined by the agency. Medical files will be kept separate and confidential in accordance with state and federal laws. An employee will have the right to examine his/her own personnel file. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the file that he/she considers objectionable. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or his/her representative.

- 28.2** When documents in an employee's personnel file are the subject of a public disclosure request, the Employer will provide the employee notice of the request at least ten (10) working days in advance of the intended release date. The State shall not release documents such as evaluations, personnel action drafts or employee likenesses unless required to do so by public disclosure statutes after meeting the notice requirements herein.
- 28.3** Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the official personnel file.
- 28.4** Prior to any document that may be deemed derogatory to the employee being placed into the employee's personnel file, the employee will be provided a copy.

**28.5 Removal of Documents**

- A. Documented counseling, oral reprimand documentation, and written reprimands and their related documentation will be removed from an employee's personnel file after two (2) years if:
1. Circumstances do not warrant a longer retention period, such as sexual harassment or criminal conduct; and
  2. There has been no subsequent discipline; and
  3. The employee submits a written request for its removal.
- B. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, and written reprimands not removed after two (2) years will be removed after six (6) years if:
1. Circumstances do not warrant a longer retention period, such as sexual harassment, or criminal conduct; and
  2. There has been no subsequent discipline; and
  3. The employee submits a written request for its removal.
- C. Nothing in this Section will prevent the Employer and employee from agreeing to an earlier removal date, unless to do so would violate [RCW 41.06.450](#).
- D. Any employee requests for removal of documents from his/her personnel file will be directed to the HR Director or designee in writing. Upon consultation with the Appointing Authority, the HR Director or designee will provide a written response of the decision regarding removal of documents to the employee within thirty (30) days of the request.

#### **28.6 Supervisory Files**

Supervisory files will be purged of the previous year's job performance information following completion of the annual performance evaluation unless circumstances warrant otherwise.

### **ARTICLE 29**

#### **REASONABLE ACCOMMODATION AND DISABILITY SEPARATION**

- 29.1** The Employer and the Association will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
- 29.2** An employee who believes that he/she suffers a disability and requires a reasonable accommodation to perform the essential functions of his/her position may request such an accommodation by submitting a request to the agency. The Employer will acknowledge receipt of the request for reasonable accommodation. The Employer will begin processing a reasonable accommodation request within thirty (30) calendar days.
- 29.3** Employees requesting accommodation must cooperate with the agency in discussing the need for and possible form of any accommodation. The Agency may require supporting medical documentation and may require the employee to obtain a second medical opinion at agency expense. Medical information disclosed to the agency will be kept confidential.
- 29.4** The Agency will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. A status update will be given to the employee within thirty (30) days of the submittal of the request and each thirty (30) days thereafter.
- 29.5** An employee with permanent status may be separated from service when the agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional. The Agency can require an employee to obtain an independent medical examination at the agency's expense, including paid time, from a physician or licensed mental health professional of the agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations. An employee may elect to have a second medical examination, at the employee's expense, if the employee disagrees with the results of the agency's physician's exam. The employee must use approved leave for the second exam. If the employee elects to have a second medical examination, the Agency will give the employee a copy of the documentation provided to the physician or licensed mental health professional that performed the original independent medical examination. The results of the second (2<sup>nd</sup>) examination will

be taken into consideration when making an accommodation or disability separation determination.

- 29.6** The Agency may separate an employee after providing at least three (3) working days' notice when the agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability.
- 29.7** An employee separated due to disability, will be placed in the General Government Transition Pool Program if he/she submits a written request for reemployment and has met the reemployment requirements of [WAC 357-46-090](#) through [-105](#). Employees participating in the transition pool program shall have no right of appeal within the program.
- 29.8** Disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve his/her disability separation in accordance with [Article 27](#), Grievance Procedure, unless separation was at the employee's request. Should an employee grieve a disability separation taken as a result of an examination, the Agency will release the examination results to the Association provided the employee signs a medical release form authorizing such release.

## **ARTICLE 30**

### **SENIORITY**

#### **30.1 Definition**

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on call employees will be based on actual hours worked. Actual hours worked includes all overtime hours and all paid holiday and leave hours, excluding compensatory time. For purposes of calculating actual hours worked for part-time and on-call employees, forty (40) hours will equal seven (7) days of seniority. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:
1. Military leave or United States Public Health Services Workers' compensation;
  2. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
  3. Educational leave, contingent upon successful completion of the coursework; and/or

4. Reducing the effects of layoff; and/or
5. Compensable work related injury or illness leave.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward to an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with [Article 31](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within two (2) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by [RCW 26.60.020](#) and [26.60.030](#), as provided in [RCW 41.06.133](#).

### **30.2 Ties**

If two (2) or more employees have the same date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the agency;
- C. Longest continuous time with the State; and
- D. By lot.

### **30.3 Seniority List**

The Employer will prepare and post a seniority list and provide a copy to the Association by September 15th of each year. The list will be updated annually and will contain each employee's name, job classification and seniority date. Employees will have thirty (30) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct.

### **30.4 Application**

This Article will apply prospectively. Employees will retain their current unbroken state service date, which will become their seniority date.

## **ARTICLE 31 LAYOFF AND RECALL**

### **31.1** Layoff is an Employer initiated action, taken in accordance with Subsection 31.3 below, that results in:

- A. Separation from service with the Employer,

- B. Employment in a class with a lower salary range,
- C. Reduction in the work year, or
- D. Reduction in the number of work hours.

**31.2** The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. Thirty (30) calendar days prior to any layoff, with the exception of career seasonal employment layoffs and those resulting from subsections (E) and (F) in [Section 31.3](#), below, the Agency will notify the Association of its intent to lay off bargaining unit members. This notice shall include: the position(s) to be eliminated; all funding sources for the position(s) to be eliminated; an electronic list of the seniority of all general service WDFW employees including each employee's job class and Program; and a list of all current funded permanent vacant positions. Upon request, the employer will discuss impacts to the bargaining unit with the Association.

**31.3 Basis for Layoff**

Layoffs may occur for any of the following reasons:

- A. Lack of funds;
- B. Lack of work;
- C. Change in the length of a seasonal career appointment;
- D. Good faith reorganization;
- E. Ineligibility to continue in a position that was reallocated;
- F. Termination of a project; or
- G. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

**31.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours**

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce his/her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

**31.5 Permanent, Non-Permanent and Probationary Employees**

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently

held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

### **31.6 Temporary Reduction of Work Hours or Layoff – Agency Option**

- A. The Agency may temporarily reduce the work hours of an employee to no less than twenty (20) per week, up to thirty (30) calendar days, due to severe and inclement weather or natural disaster and unanticipated loss of funding, or lack of work. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours.
- B. The Agency may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or severe and inclement weather or natural disaster. Employees will receive notice of seven (7) calendar days of a temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
  - 1. Be paid any leave balance;
  - 2. Bump to any other position; or
  - 3. Be placed on the internal layoff list.
- D. A temporary reduction of work hours or layoff will not affect an employee's periodic increment date and the employee will continue to accrue vacation and sick leave credit at their normal rate.

### **31.7 Layoff Units**

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix A, Layoff Units.

### **31.8 Skills and Abilities**

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of recruitment and layoff, the Agency will use the most current completed (reviewed, approved and signed by the appropriate chain of command) position description form as the primary basis for determining the skills and abilities necessary to perform the duties of the position.

### 31.9 Formal Options

A. Employees will be laid off in accordance with [Section 31.3](#), Basis for Layoff. Formal options, if any, are based on seniority, as defined in [Article 30](#), Seniority, among the group of employees with the required skills and abilities for the position as defined in [Section 31.8](#) of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position, using all available information including written skills and abilities submitted by the employee. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit, as defined in Appendix A and illustrated in the layoff flow chart. For the purposes of this article, project and permanent positions will be considered comparable. Once an option as described in 1 through 3 below is available and offered, no further formal option will be provided.

1. A funded vacant position for which the employee has the skills and abilities, within his/her current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice according to seniority and the required skills and abilities.
2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within his/her current job classification.
3. A funded vacant or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as his/her current permanent position, within a job classification in which the employee has held permanent status or, at the employee's written request, to a lower classification within his or her current job classification series even if the employee has not held permanent status in the lower job classification.

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions. Part-time employees only have formal options to part-time positions. Full-time employees only have formal options to full-time positions unless the agency receives a written request from the employee within seven (7) calendar days of the date of the at-risk notice that he/she would accept a part-time position as a formal layoff option.

B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of employees with the skills and abilities of the position(s).

- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify any layoff option(s). The employee must have the skills and abilities of any identified position.

### **31.10 Informal Options**

An employee being laid off will be offered a funded vacant position if available, to job classifications within his/her layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status. The Agency will determine, using all available information including written skills and abilities submitted by the employee, if the employee possesses the required skills and abilities for the position. Part-time employees may be provided informal options to both part-time and full-time positions and full-time employees may be provided informal options to both part-time and full-time positions.

An employee may request an informal option to job classifications through the Agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

### **31.11 Notification to Employees With Permanent Status**

- A. Except for temporary reduction in work hours and temporary layoffs as provided in [Section 31.6](#), employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Association will be provided with a copy of the notice at the same time the employee is notified.
- B. Except for temporary reduction in work hours and temporary layoffs as provided in [Section 31.6](#), if the agency chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid his/her salary for the days that he/she would have worked had full notice been given.
- C. Except for seasonal career employees, employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Agency to the employee. Notice for career seasonal employees will be in accordance with [Section 31.16](#).
- D. The day that notification is given constitutes the first day of notice.

### **31.12 Salary**

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump  
An employee who accepts a transfer or bumps to another position within his/her current job classification will retain his/her current salary.
- B. Voluntary Demotion in Lieu of Layoff or Bump to a Lower Position  
An employee who voluntarily demotes in lieu of layoff or who bumps to another position with a lower salary range will be paid an amount equal to his/her current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Appointment from a Layoff List
  - 1. Employees who are appointed from a layoff list to a position with the same salary range from which they were laid off will be paid the amount in which they were compensated when laid off plus any general wage increase or step increase that occurred during the time they were laid off.
  - 2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

### **31.13 Transition Review Period**

- A. The Agency will require an employee to complete a twelve (12) month transition review period when the employee accepts a layoff option to a job classification in which he/she has:
  - 1. Not held permanent status;
  - 2. Been appointed from the General Government Transition Pool Program;
  - 3. Been appointed from a layoff list.
- B. The Agency will have the authority to shorten an employee's review period. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as his/her

eligibility expires or he/she has been rehired, whichever occurs first. Separation during the transition review period will not be subject to the grievance procedure in [Article 27](#), Grievance Procedure.

#### **31.14 Recall**

- A. The Agency will maintain layoff lists for each job classification that will include geographic availability. Permanent employees who are laid off will, at their request, have their name placed on the list for the job classification from which they were laid off and will indicate the geographic areas they are willing to accept employment. Additionally, employees may request to have their name placed on the layoff list for other job classifications in which they have held permanent status. An employee will remain on layoff lists for two (2) years from the effective date of his/her layoff or until such time he/she has been rehired for the classification the list covers, whichever occurs first.
- B. When a vacancy occurs within an agency and when there are names on a layoff list, the agency will fill the position in accordance with either Article 4.2 or [Article 3](#), Filling of Vacancies. An employee who is offered a position two (2) times and refuses the offer each time will have his/her name removed from the layoff list. Once an employee accepts an offer, his/her name is removed from the layoff list unless returned to the list in accordance with other sections of this contract.

#### **31.15 General Government Transition Pool Program**

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Enterprise Services. When a vacancy occurs within an agency, the Agency will consider employees in the General Government Transition Pool Program along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

#### **31.16 Seasonal Career Employment**

- A. Seasonal career employees have layoff rights within their agency to other seasonal career positions within their layoff unit as provided in Appendix B. Employees will be given no less than two (2) working days' notice of a layoff.
- B. Formal options will be determined using the procedure outlined in [Section 31.9](#), above, to other seasonal career positions. Employees separated due to layoffs will be placed on a separate seasonal layoff list for the season in which they were laid off. Employees who have the skills and abilities to perform the duties of the position to be filled will be recalled based on seniority for other seasonal career positions.

B. Participation

1. The Association will provide the Human Resources Office with the names of their committee members at least ten (10) calendar days in advance of the date of the meeting in order to facilitate the release of employees. The Employer will authorize the release of employee representatives to attend committee meetings if advance notice is received and their absences do not cause a disruption of work. Employees will be allowed up to one (1) hour during their normal working hours to prepare for each Labor/Management Communication Committee meeting.
2. Employees released to attend committee meetings during their work time will have no loss in pay. Attendance at meetings during employees' non-work time will not be compensated for or considered as time worked. Notification will include the approximate amount of time the steward expects the activity to take. Any agency business requiring the employee's immediate attention will be completed prior to attending the meeting. Attendance at meetings during the Association representative's non-work hours will not be considered as time worked. Association representatives may not use state vehicles to travel to and from a work site in order to perform representational activities, unless authorized by the agency.

### **34.3 Use of State Facilities, Resources and Equipment**

- A. Meeting Space and Facilities

The Employer's offices and facilities may be used by the Association to hold meetings, subject to availability of the space and with prior written authorization from the Employer.

The Association and its membership will not use state-purchased supplies or equipment to conduct Association business or representational activities. This does not preclude the use of the telephone for representational activities if there is little or no cost to the Employer, the call is brief in duration and it does not disrupt or distract from agency business.

- C. E-mail, Fax Machines, the Internet, and Intranets

The Association and its members will not use state-owned or operated e-mail, fax machines, the Internet, or intranets to communicate with one another, except as provided in this agreement. In bargaining units where no bulletin board or space on existing bulletin boards has been provided, the Employer will supply the Association with a board or space. Material posted on the bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethics laws, and identified as Association literature. Association communications may not be posted in any other location in the agency.

#### **34.5 Association Training**

The Employer agrees to release with pay all designated representatives for a bona fide training by the Association, regarding labor relations with the Employer, for two (2) days per fiscal year, provided the absence does not cause a workload coverage issue. The representatives agree to provide their supervisors with fourteen (14) days' notice of the date of the training.

#### **34.6 General Membership Meetings**

Provided the employees' attendance does not interfere with the operations of the agency and the employee has provided seven (7) calendar days' advance written notice to his/her supervisor with the anticipated duration of time spent away from the worksite, Association members shall, while on duty, be allowed to attend one (1) general membership meeting per fiscal year, regarding labor relations with the Employer. The Employer will not be responsible for travel costs (including mileage, lodging and per diem) or overtime related to the meeting.

The Agency will provide payments for all said deductions to the Association each pay period.

**35.2 Notification**

When the Employer hires, transfers, or promotes or demotes an employee into a classification represented by the Association, the Employer will inform the employee of the Union's exclusive representation status, provide the employee with membership material supplied by the Association and will notify the Association within fourteen (14) days of the Human Resources Office receiving notice of that hire, transfer or promotion. New employees will also be subject to the provisions of Article 34.9.

**35.3 Dues Cancellation**

An employee may cancel payroll deduction of dues by written notice to the Employer and the Association. The cancellation will become effective no later than the second payroll after receipt of the notice.. #### **36.1 Classification Plan Revisions**

- A. The Employer will provide to the Association, in writing, any proposed changes to the classification plan including descriptions for newly created classifications. Such notice will be provided utilizing the OFM State Human Resources Director's meeting agenda notice. Agency initiated requests will be provided to the Association. The parties may then meet to discuss the assignment of new bargaining unit classes or the reassignment of existing bargaining unit classes to pay ranges.

- B. The Employer will assign newly created positions to the appropriate classification within the classification plan.

### **36.2 Position Review**

The Agency will create a clear and detailed procedure for this process including a list of all required forms (both LRS and WDFW) and a flow chart of required signatures and HR contacts.

Employee Initiated Review: An individual employee who believes that the duties of his/her position have changed, or that his/her position is improperly classified may request a review according to the following procedure:

- A. The employee and/or the employee's immediate supervisor will complete and sign the appropriate form. Nothing precludes an employee who is requesting a reallocation from submitting a copy of the request to the designated Human Resources Office to be date stamped.
- B. The supervisor will then send the completed form (including all components identified in the WDFW Allocation Checklist) to the agency's Human Resources Office where it will be assigned to a Senior HRC who will review the Position Description and accompanying material in preparation for the final analysis. In the event a reallocation decision has not been made within 90 days of submission of the completed form, the employee and the Association will be notified via email that the Human Resources Director is either reassigning the review or will otherwise ensure the review is completed. A decision regarding appropriate classification will then be made by the agency within one-hundred-eighty (180) calendar days of the submission for reallocation.
- C. In the event the employee disagrees with the reallocation decision of the agency, he/she may appeal the decision to OFM State Human Resources within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The Director of the OFM State Human Resources will then make a written determination which will be provided to the employee.
- D. The employee or the employer may appeal the determination of the OFM/State Human Resources to the Washington Personnel Resources Board within thirty (30) calendar days of being provided the written decision. The board will render a decision which will be final and binding.

### **36.3 Effect of Reallocation**

#### **A. Reallocation to a Class With a Higher Salary Range Maximum**

1. If the employee has performed the higher level duties for at least twelve (12) months and meets the skills and abilities required of the position, the employee will remain in the position and retain existing appointment status.
2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher level duties for at least twelve (12) months, the Employer must give the employee the opportunity to compete for the position if he/she possesses the required skills and abilities. The Employer may choose to promote the incumbent employee without competition as long as the employee possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 31](#), Layoff and Recall, of this Agreement applies. If the employee is appointed, he/she must serve a trial service period.

#### **B. Reallocation to a Class with an Equal Salary Range Maximum**

1. If the employee meets the skills and abilities requirements of the position, the employee remains in the position and retains existing appointment status.

The employee retains his/her previous base salary.

C. Reallocation to a Class With a Lower Salary Range Maximum

  2. The employee has been called to service in the uniformed services.
  3. The call to service has caused, or is likely to cause, the employee to go on leave without pay status or terminate state employment.
  4. The employee’s absence and the use of shared leave are justified.
  5. The employee has depleted or will shortly deplete his/her vacation leave and paid military leave allowed under [RCW 38.40.060](#).
  6. The employee has followed agency rules regarding military leave.
- B. An employee may donate vacation leave, sick leave, or all or part of a personal holiday to the uniformed service shared leave pool under the following conditions:
1. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee’s vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.
  2. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee’s sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.
  3. The donating employee may donate all or part of a personal holiday.

#### **41.4 Process**

- A. Employees requesting to donate to or receive leave from the uniformed service shared leave pool must follow their agency policies and procedures addressing uniformed service shared leave.
- B. Employees requesting to receive leave from the uniformed service shared leave pool must also comply with Military Department procedures for requesting and receiving leave from the uniformed service shared leave pool. Employees requesting leave from the uniformed service shared leave pool should provide to their agency head or designee an earnings statement verifying military salary and orders of service, most current state leave and earnings statement, a completed uniformed service shared leave pool recipient request form, and notification of any change. The employee must also provide copies of earnings statements and orders of service when requested by the Military Department.
- C. Shared leave may not be granted unless the pool has a sufficient balance to fund the requested leave for the expected term of service.
- D. Shared leave, in combination with military salary, will not exceed the level of the employee's state monthly salary. Up to eight (8) hours per month of shared leave may be withdrawn and used to continue coverage under the Public Employees Benefit Board, regardless of the employee's monthly salary and military salary.
- E. The receiving employee continues to be classified as a state employee and receives the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.
- F. Agencies will investigate any alleged abuse of the uniformed service shared leave pool. If there is a finding of wrongdoing the employee may be required to repay all of the shared leave received from the pool.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE DEPARTMENT OF FISH AND WILDLIFE  
AND**

**THE DEPARTMENT OF FISH AND WILDLIFE PROFESSIONAL EMPLOYEES**

The Department of Fish and Wildlife does not have an expectation that Wildlife Conflict Specialists (WCS) respond to public needs 24/7 under any circumstances. Most work done by WCS's can be completed during a normal work week or using flex time that allows for a reasonable work schedule. However, to facilitate customer service, WCS's are authorized to take home state-owned vehicles when engaged in any of the activities described below or when approved by their supervisor for other administrative reasons (e.g. no room for the vehicle at a regional or satellite office).

WCS's should notify their supervisor when they are in a short-term Take Home Vehicle situation or seek approval through the take home vehicle request form if longer term (**NOTE:** the request form requirement could change if this direction becomes program policy that satisfies the State policy requirement). The authorization for a Take Home Vehicle is not meant to imply the WCS is on Standby or has any other predetermined special compensation status other than any approval that may exist regarding Exchange Time or Overtime.

The Department recognizes there are times that ensuring a faster response time would be beneficial to the state and that having staff take home a vehicle would be prudent and acceptable. Staff will be authorized to take home vehicles under the following circumstances:

- Ongoing wolf depredations that require continual field presence or unusual hours of operations.
- Responses to animal damage complaints that are tied to high-value crops or have other reasons to generate social/political concerns; these responses would typically be tied to an ongoing management response plan or contract with a landowner that has identified department actions designed to protect the state's investment in the situation.
- Any other time that a WCS supervisor authorizes a WCS to work outside of normal work expectations, including for administrative reasons.

The Department will continue to evaluate other situations where take home vehicles might be appropriate in the future.

The provisions of this MOU expires June 30, 2019.

- A. Meeting Space and Facilities

The Employer's offices and facilities may be used by the Association to hold meetings, subject to availability of the space and with prior written authorization from the Employer.

- B. Supplies and Equipment

Association communications may not be posted in any other location in the agency.

#### **34.5 Association Training**

The Employer agrees to release with pay all designated representatives for a bona fide training by the Association, regarding labor relations with the Employer, for two (2) days per fiscal year, provided the absence does not cause a workload coverage issue. The representatives agree to provide their supervisors with fourteen (14) days' notice of the date of the training.

#### **34.6 General Membership Meetings**

Provided the employees' attendance does not interfere with the operations of the agency and the employee has provided seven (7) calendar days' advance written notice to his/her supervisor with the anticipated duration of time spent away from the worksite, Association members shall, while on duty, be allowed to attend one (1) general membership meeting per fiscal year, regarding labor relations with the Employer. **MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE STATE OF WASHINGTON  
AND  
WASHINGTON ASSOCIATION OF FISH AND WILDLIFE PROFESSIONALS**

This Memorandum of Understanding is entered into by and between The Washington Association of Fish and Wildlife Professionals, hereinafter referred to as the Union, and The Office of Financial Management and The State of Washington, hereinafter referred to as the Employer. The parties agree to modify Article 35 as follows:

**ARTICLE 35  
DUES DEDUCTION AND STATUS REPORTS**

**35.1 Association Dues Deduction**

When an employee provides written authorization to the Employer, the Employer will deduct from the employee's salary, an amount equal to the ~~fees and~~ dues required to be a member of the Association, depending on their permanent or non-permanent dues rate. The Agency will provide payments for all said deductions to the Association each pay period.

**35.2 Agency Shop Notification**

~~All employees in the bargaining units represented by the Association covered by this Agreement will, as a condition of employment, either become members of the Association and pay membership dues, or, as non-members, pay a fee as described in B, C and D below, no later than the 30th day following the effective date of this Agreement or the beginning of their employment.~~

A. — When the Employer hires, transfers, or promotes or demotes an employee into a classification represented by the Association, the Employer will inform the employee of the Union's exclusive representation status, ~~notify the employee of his/her obligation under an agency shop provision, will~~ provide the employee with appropriate payroll deduction forms and membership material supplied by the Association and will notify the Association within fourteen (14) days of the Human Resources Office receiving notice of that hire, transfer or promotion. New employees will also be subject to the provisions of Article 34.9.

B. — ~~Employees who choose not to become Association members must pay to the Association, no later than the 30th day following the beginning of employment, an agency shop fee equal to the amount required to be a member in good standing of the Association.~~

~~C. — An employee who does not join the Association based on bona fide religious tenets, or teachings of a church or religious body of which they are members, will make payments to the Association that are equal to its membership dues, less monthly Association insurance premiums, if any. These payments will be used for purposes within the program of the Association that are in harmony with the employee's conscience. Such employees will not be members of the Association, but are entitled to all of the representational rights of Association members.~~

D. The Association will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of collective bargaining expenses, rather than the full membership fee.

~~E. — The Association will notify employees of the above provisions. If an employee fails to meet these conditions, the Association will notify the Employer and inform the employee that his/her employment will be discharged if the employee does not comply with the requirements in this Section.~~

### 35.3 Dues Cancellation

An employee may cancel ~~his/her~~ payroll deduction of dues by written notice to the Employer and the Association. The cancellation will become effective no later than on the second payroll after receipt of the notice. ~~However, the cancellation may cause the employee to be discharged, subject to Subsection 35.2 E, above.~~ The Agency will inform an employee when the employee takes a new position outside an Association bargaining unit.

### 35.4 Indemnification

The ~~Employer will be held harmless by the~~ Association and employees agree to indemnify and hold the Employer harmless from all claims, demands, lawsuits or other forms of liability that shall arise against the Employer for or on account of compliance with this Article and any issues related to the deduction of dues ~~and fees~~.
