25.45.10 Commute Time

Jan. 1, 2022

In general, an employee's regular commute time or "home to job site" travel is not compensable. If an employee is directed to report to an agency work site, the agency must notify the employee to report to their assigned agency work location no later than the end of the employee's previous work shift. If the notification is not provided within this timeframe, the employee's time to commute may be compensable.
