

Culture Map Chart

This is the place to brainstorm ways to translate your current practices to be more inclusive of all of your team members, no matter where or when they're working. To use the culture map, start by listing a cultural activity on the top line. Then, identify your current practices in Column 1 and the impact on your team in Column 2. Finally, identify ways to do it differently in Column 3.

Activity: _____

Current Practices	Team Impact	New Practices

Activity: _____

Current Practices	Team Impact	New Practices
