### 2 CFR 200.510 -- Financial statements.

State of Washington Single Audit Report For Fiscal Year Ended June 30, 2022

Auditee's Section Schedule of Expenditures of Federal Awards (b) Schedule of expenditures of Federal awards. The auditee must also prepare a schedule of expenditures of Federal awards for the period covered by the auditee's financial statements which must include the total Federal awards expended as determined in accordance with § 200.502. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. At a minimum, the schedule must:

(1) List individual Federal programs by Federal agency. For a cluster of programs, provide the cluster name, list individual Federal programs within the cluster of programs, and provide the applicable Federal agency name. For R&D, total Federal awards expended must be shown either by individual Federal award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

Note H

(2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by **A Note F** the pass-through entity must be included.

(3) Provide total Federal awards expended for each individual Federal program and the Assistance Listings Number or other identifying number when the Assistance Listings information is not available. For a cluster of programs also provide the total for the cluster.

## Note G

- Relatively immaterial to the total SEFA.
- Rely on agencies to identify and report appropriately.
- Missing any agencies that also have subawards that fall into the Note G category?

# Note F

- ~ \$275 million reported on FY23 Pass Through Form
- Some ALNs were reported in both direct and pass-through forms. Any double-reporting?

- Questions to ponder:
  - How can agency track the information needed to be reported on Note G?
  - Does 3rd tier reporting agency have visibility into the source of funding from non-state entities?
  - Can the 1<sup>st</sup> tier subcontract template include requirement to disclosure source of funding when subsequent subawards are made to state agencies?
