Telework Update

Robin Vazquez, Office of Financial Management

Highlights:

- Ongoing conversations on how to support telework long-term.
 - Workplace Strategies Council has been working on several resources for agencies such as the Change Management document, the Recruitment and Retention Best Practices Report, the Operational Interruptions Guidance, and Ergonomic resources.
- There are many items to consider in approving out of state telework.
 - Reminder about the Out-of-State Telework Checklist, which provides a list of things to consider when authorizing an employee to telework full time.
 - Exploring options for assisting with the tax and entitlement program compliance, including a possible master contract through DES.
