About this Report

This annual Performance-Based Incentives and Recognition Report is produced by the State Human Resources Division at the Office of Financial Management (OFM). Engrossed Substitute House Bill 2049, which was signed into law in 2009 and codified in RCW 41.06.133(4), mandates this annual report.

This report presents information for permanent and nonpermanent employees in executive branch agencies only. It does not include data for higher education institutions or the judicial or legislative branch agencies.

Data is presented on a fiscal year basis (July 1 through June 30) unless otherwise noted. This report focuses on fiscal year 2017, with comparison to the previous fiscal year, where applicable. The source of the data is the Human Resource Management System (HRMS), which is the central personnel and payroll system for state agencies. Slight head count variations may occur because HRMS data may be affected by retroactive updates or other adjustments.

Executive Summary

Background

RCW 41.06.133(4) directs the Office of Financial Management, in cooperation with state agencies, to report annually to the governor and the Legislature the following information:

- Number of state employees: The number of classified employees, including Washington Management Service (WMS), the number of exempt employees and the change compared to the previous report. The remainder of the report refers to exempt employees who serve at the pleasure of the appointing authority as "at-will." At-will employees are exempt from civil service provisions and not covered under a collective bargaining agreement or similar provision.
- Performance-based incentives and recognition: The number of bonuses and performance-based incentives awarded to state agency employees, the base wages of those employees and the cost of each recognition or incentive awarded.

For the purposes of this report, bonuses and performance-based incentives include cash awards or lump-sum payments that appointing authorities have discretion to grant to employees in recognition of special job performance, outstanding achievements or special accomplishments. Such payments do not become a permanent addition to base pay.

Summary

Number of state employees

The executive branch head count increased from 61,578 to 63,432 employees in fiscal year 2017. Of that 1,854 head count increase, approximately:

- 98.2 percent were classified employees.
- 1.8 percent were at-will employees.

Head count comparisons by agency are in Section A of this report.

Performance-based incentives and recognition

The awards are granted by various authorities, as listed in Section B of this report. The total number of awards for 2017 is 929 from 17 agencies, totaling \$136,393.60. The total amount of awards represents .003 percent of the state's \$5.1 billion annual payroll and benefits costs (excluding higher education institutions).

Recognition awards under RCW 41.60.150

Under this authority, agencies may recognize employees, either individually or as a class. Recognition awards may not exceed \$200 in value per award. These awards are the most common type of award granted to employees for outstanding achievements, safety, recruitment referrals, performance or longevity, or for employee suggestion evaluators and implementers.

Section A: State Workforce Head Count by Agency

Types of employment

State employees are either "classified" or "at-will." Classified employees are subject to the civil service law, Chapter 41.06 RCW, or similar statutory provisions. At-will employees are those who are exempt from civil service provisions and serve at the pleasure of the appointing authority. They are not covered under a collective bargaining agreement or similar provision.

Classified employees

Classified employees compose the majority of the executive branch workforce and are predominantly covered by collective bargaining agreements. WMS employees are included in classified service, but are excluded by statute from the collective bargaining process. The majority of WMS employees are managers of staff; the rest are high-level program and policy experts as defined in RCW 41.06.022.

At-will employees

At-will employees compose 5.4 percent of the workforce and include nonmanagerial and managerial positions. Examples of nonmanagerial at-will employees are assistant attorneys general, seasonal workers and executive support staff. Examples of at-will managers are elected and appointed officials and agency senior managers.

Overview

	Class	sified Workfo	orce	At-w	ill Workforce	;	
	Classified Employees*	Classified WMS	Total Classified	At-will Non- Managers	At-will Managers	Total At-will	Total Classified and At-will
2016	53,880	4,288	58,168	2,513	897	3,410	61,578
2017	55,451	4,537	59,988	2,511	933	3,444	63,432

^{*} Nonclassified employees who are exempt from civil service law but still covered under a bargaining agreement or regulation are included in the classified employee counts (approximately 2,929 in fiscal year 2017). These are mainly the Department of Transportation's ferry workers and the Washington State Patrol's commissioned officers and troopers.

The executive branch workforce increased by 3.0 percent from the previous fiscal year. At the end of fiscal year 2017, the workforce was:

- 87.4 percent classified.
- 5.4 percent at-will.
- 7.2 percent classified WMS employees.

Employees identified as "manager" by the employing agency represent 7.6 percent of the executive branch workforce. This includes at-will employees, elected officials, agency directors, classified Washington General Service managers and classified managers.

Section B: Performance-Based Incentives and Recognition

There is no clear definition in law or rule of the terms "performance-based incentives" and "bonuses." For purposes of this report, OFM interprets these terms to include cash awards or lump-sum payments that appointing authorities have discretion to grant to employees in recognition of special job performance, outstanding achievements or special accomplishments. Such payments do not become a permanent addition to base pay.

Legislation enacted in February 2009 prohibits any wage or salary increase for all exempt and WMS employees for one year. Substitute Senate Bill 6382 from 2010 continued the prohibition on wage and salary increases and, with Substitute House Bill 2998, placed moratoriums on most types of monetary recognition awards between February 15, 2010, and June 30, 2011. This moratorium was extended through June 30, 2013, with Engrossed Substitute Senate Bill 5860 (RCW 41.06.070). OFM suspended the performance-based awards and incentives portion of the Performance Management Confirmation program until June 30, 2015 (WAC 357.28.295).

Performance-based incentives and recognition awards trends:

- FY 2009: 9,323 awards totaling \$1.9 million
- FY 2010: 1,096 awards totaling \$205,436
- FY 2011: 260 awards totaling \$141,837
- FY 2012: 54 awards totaling \$11,660
- FY 2013: 38 awards totaling \$4,799
- FY 2014: 185 awards totaling \$191,597
- FY 2015: 276 awards totaling \$39,929
- FY 2016: 573 awards totaling \$56,607
- FY 2017: 929 awards totaling \$136,393.60

Summary of Awards Granted by Award Type

The authority to provide the following awards can be found in both statute and rule. In addition, collective bargaining agreements for Washington State Patrol troopers provide for specific recognition awards.
