Class Specification

ELECTRICIAN TRADE TRAINEE

608E

Abolished: Adopted 08/13/2009, Effective 08/14/2009

Definition:

Perform semi-skilled work of graduated complexity pertinent to the electrician journey class under "in-training" in the agency, college or university's building maintenance and alterations program.

Distinguishing Characteristics:

Positions in this class are distinguished by assignment as a trade trainee for the Electrician journey class receiving on-the-job and academic training to achieve journey status.

Typical Work:

Under guidance of a journey level worker, perform various maintenance and alteration duties, with special emphasis on those duties required to complete the specific on-the-job electrician trades training program;

Obtain, prepare, and deliver materials to the job site and assist in assembly and installation;

Clean up and maintain shop areas, work sites, and storage areas;

Complete on-the-job electrician trades training program requirements;

Complete related academic training which will consist of designated trades school and/or correspondence courses as available and applicable to the electrician journey class;

Perform related duties and functions as specified in approved trades training program.

Knowledge and Abilities:

Knowledge of: standard practices, methods, materials, tools, and equipment of electrical trade; electrical codes; safety precautions.

Ability to: work from blueprints, plans, and sketches; estimate materials and time needed to complete jobs; use hand and power tools.

Legal Requirement(s):

There may be instances where individual positions must have additional licenses or certification. It is the employer's responsibility to ensure the appropriate licenses/certifications are obtained for each position.

Desirable Qualifications:

High school graduation or equivalent; OR six months' experience as a maintenance aide, or equivalent. Possession of a valid motor vehicle operator's license may be required.

Class Specification History

New class; adopted January 3, 1973.

Revise class. Revise class code (formerly 5338), general revision; adopted May 10, 2007, effective July 1, 2007.
