## About this Report

This annual Performance-Based Incentives and Recognition Report is produced by the State Human Resources Division at the Office of Financial Management. Engrossed Substitute House Bill 2049, which was signed into law in 2009 and codified in RCW 41.06.133(4), mandates this annual report.

This report presents information for permanent and non-permanent employees in executive branch agencies only. It does not include data for higher education institutions or the judicial or legislative branch agencies.

Data is presented on a fiscal year basis (July 1 through June 30) unless otherwise noted. This report focuses on fiscal year 2014 with comparison to the previous fiscal year, where applicable. The source of the data is the Human Resource Management System (HRMS), which is the central personnel and payroll system for state agencies. Slight headcount variations may occur because HRMS data may be affected by retroactive updates or adjustments in the system.

## Executive Summary

### Background

RCW 41.06.133(4) directs the Office of Financial Management (OFM), in cooperation with state agencies, to report annually to the Governor and the Legislature the following information:

- **Number of state employees:** The number of classified employees, including Washington Management Service (WMS), the number of exempt employees, and the change compared to the previous report. The remainder of the report refers to exempt employees who serve at the pleasure of the appointing authority as “at-will.” At-will employees are exempt from civil service provisions and not covered under a collective bargaining agreement or similar provision.
- **Performance-based incentives and recognition:** The number of bonuses and performance-based incentives awarded to state agency employees, the base wages of those employees, and the cost of each recognition or incentive awarded.

For purposes of this report, bonuses and performance-based incentives include cash awards or lump-sum payments that appointing authorities have discretion to grant to employees in recognition of special job performance, outstanding achievements and special accomplishments. Such payments do not become a permanent addition to base pay.

The Legislature mandated a moratorium on monetary performance awards that began February 15, 2010 and ended June 30, 2013. On July 1, 2013, the Office of Financial Management suspended the performance-based awards and incentives portion of the Performance Management Confirmation program until March 31, 2014 (WAC 357.28.295). On March 28, 2014, OFM continued this suspension through June 30, 2015, pending further review of the program.

Freezes on exempt (at-will) and classified WMS salaries continued through June 30, 2013 (ESSB 5860). This freeze was lifted July 1, 2013.

### Summary

#### Number of State Employees

The executive branch headcount increased from 58,955 to 59,878 employees in fiscal year 2014. Of that 923 headcount increase, approximately:

- 76.6 percent were classified general service
- 11.9 percent were classified WMS (which includes traditional managers, as well as persons who don't manage personnel but are high-level technical experts in their field)
- 11.5 percent were at-will non-managers

Headcount comparisons by agency can be found in [Section A](#) of this report.

## **Performance-based Incentives and Recognition**

Since the initial moratorium on performance-based incentives and recognition in 2009:

- the total number of awards dropped from 9,323 awards totaling \$1.9 million to 185 awards totaling \$191,597.
- the number of agencies presenting awards dropped from 24 to 10.

### **Recognition Awards**

Cash recognition awards range from \$25 to \$200; the average award is \$155.36. These awards are the most common type of award granted to employees for outstanding achievements, safety, performance or longevity, or for employee suggestion evaluators and implementers.

### **Performance-Based Incentives**

The majority of the expense in fiscal year 2014 for performance-based incentives and recognition is actually a distribution of funds that were held in a reserve account by the Washington State Housing Finance Commission for Performance Management Confirmation work performed during the 2008-2009 program year. More information about this and other award detail can be found in [Section B](#) of this report.

## Section A: State Workforce Headcount by Agency

### Types of Employment

State employees are either “classified” or “at-will.” Classified employees are subject to the civil service law, Chapter 41.06 RCW, or similar statutory provisions. At-will employees are those who are exempt from civil service provisions and serve at the pleasure of the appointing authority. They are not covered under a collective bargaining agreement or similar provision.

### Classified Employees

Classified employees compose the majority of the executive branch workforce and are predominantly covered by collective bargaining agreements. Washington Management Service (WMS) employees are included in the classified service, but are excluded by statute from the collective bargaining process. The majority of WMS employees are managers of people; the rest are high-level program and policy experts as defined in RCW 41.06.022.

### At-Will Employees

At-will employees compose 5 percent of the workforce and include non-managerial and managerial positions. Examples of non-managerial at-will employees include Assistant Attorneys General, seasonal workers and executive support. Examples of at-will managers include elected and appointed officials and agency senior managers.

### Overview

	Classified Workforce			At-will Workforce			Total Classified & At-will
	Classified Employees*	Classified WMS	Total Classified	At-will Non-Managers	At-will Managers	Total At-will	
2013	52,035	3,796	<b>55,831</b>	2,229	895	<b>3,124</b>	<b>58,955</b>
2014	52,742	3,906	<b>56,648</b>	2,331	899	<b>3,230</b>	<b>59,878</b>

\* Non-classified employees who are exempt from civil service law but still covered under a bargaining agreement or regulation are included in the Classified Employee counts (approximately 2,720 in fiscal year 2014). These are mainly Transportation’s ferry workers and State Patrol’s commissioned officers and troopers.

The executive branch workforce increased by 1.6 percent from the previous fiscal year. At the end of fiscal year 2014, the workforce was:

- 89.8 percent classified, of which 78.8 percent were represented by a labor organization
- 5.3 percent at-will
- 6.5 percent classified WMS employees

Employees identified as “Manager” by the employing agency is 7.7 percent of the executive branch workforce. This includes at-will employees, elected officials, agency directors, classified Washington General Service (WGS) managers, and classified Washington Management Service (WMS) managers.

The following pages of Section A contain data on the state workforce headcount by agency.

## Section B: Performance-Based Incentives & Recognition

There is no clear definition in law or rule of the terms “performance-based incentives” and “bonuses.” For purposes of this report, OFM interprets these terms to include cash awards or lump-sum payments that appointing authorities have discretion to grant to employees in recognition of special job performance, outstanding achievements and special accomplishments. Such payments do not become a permanent addition to base pay.

Legislation enacted in February 2009 prohibited any wage or salary increase for all exempt and WMS employees for one year. Substitute Senate Bill 6382 from 2010 continued the prohibition on wage and salary increases and, with Substitute House Bill 2998, placed moratoriums on most types of monetary recognition awards between February 15, 2010 and June 30, 2011. This moratorium was extended through June 30, 2013, with Engrossed Substitute Senate Bill 5860 (RCW 41.06.070). OFM suspended the performance-based awards and incentives portion of the Performance Management Confirmation program until June 30, 2015 (WAC 357.28.295).

Even though the moratorium on cash recognition awards ended June 30, 2013, performance-based incentives and recognition awards granted in fiscal year 2014 are still significantly lower than they were in 2009:

- FY 2009: 9,323 awards totaling \$1.9 million
- FY 2010: 1,096 awards totaling \$205,436
- FY 2011: 260 awards totaling \$141,837
- FY 2012: 54 awards totaling \$11,660
- FY 2013: 38 awards totaling \$4,799
- FY 2014: 185 awards totaling \$191,597

### Summary of Awards Granted by Award Type

The authority to provide the following awards can be found in both statute and rule. In addition, collective bargaining agreements for Washington State Troopers provide for specific recognition awards.

Following is a summary of awards granted in fiscal year 2014 by award type:

Award /Authority	Description	Number of Awards	Total Amount	Average Award
Cash Recognition RCW 41.60.150	Payment for outstanding achievements, safety, performance, longevity, outstanding public service or service as employee suggestion evaluators and implementers. Cash recognition awards may not exceed \$200 in value per award.	99	\$15,381.12	\$155.36

Additional information on PMC is available on the <a href="http://hr.wa.gov">hr.wa.gov</a> web site.	11	\$18,693.00	\$1,699.36
WMS-Lump Sum Recognition RCW 41.06.500 WAC 357-58-135,140 Suspended until June 30, 2015	See performance recognition above. Applies to WMS employees only.	38	\$145,568.00	\$3,830.74
At-Will Management Service Performance Pay	Payment to an at-will employee to recognize outstanding performance or the achievement of predefined work goals.	1	\$7,400.00	\$7,400.00

The 11 Performance Recognition awards and 38 WMS-Lump Sum Recognition awards were paid by the Washington State Housing Finance Commission (Commission) in December 2013 from a reserve account that was established during fiscal year 2009 in accordance with its Performance Management Incentive program. The Commission is a non-allocated, non-appropriated agency that is self-supported by the fees generated for the services it provides.

The Commission was granted Performance Management Incentive Program confirmation on July 10, 2007. As part of the Commission's performance management program, the Commission limited Washington Management Service (WMS) annual salary increases from one to three percent based on a qualitative review of the employee's performance during the year. Additionally, the Commission implemented the following performance based program:

- All Commission staff (WMS and WGS) had the opportunity to earn a performance award by completing pre-established and monitored performance goals; this included from one to four percent for individual goals; and,
- From one to three percent for team goals for the combined work of a division (team goals were for WMS staff only).

Due to severe state budget shortages, the Commission was required to suspend its Performance Management Incentive Program in March 2009. The Commission allowed staff to continue working on pre-defined work goals for fiscal year 2009. It documented the completion of those goals and reserved those funds in a separate account until it was allowed to distribute those funds. Fiscal year 2014 was the Commission's first opportunity to pay the staff for the work completed in fiscal year 2009.
