8. Select: Save changes.

9. Select: Next.

### **Data Review and Exit Business Process Wizard**

You can expand each area to display specific lease contracts. This provides a quick way to review the information before you save your changes and exit the business process wizard.

1. Select: Open.

→ FPMT will display owned facility information.

2. Select: Save and close.

- → Select Previous to return to an earlier screen for edits.
- → FPMT will display an error message if there are data validation issues that you need to correct.
- → FPMT will save all changes and close the business process wizard.
- Save and close = save all changes and close the business process wizard.
- Cancel all changes = cancel all changes and close the business process wizard.
