|                               |               |  |       |       |       |       |       |             |         |         | _       |         |            |       |       |      |       |  |                   |   |                                    |

Priority:

(216)

(2,286)

(2,070)

L = Low priority agency activity or program

M = Medium priority agency activity or program

H = High priority agency activity or program

## Impact:

1 = Allows continuation of the program/activity at a reduced level

2 = Eliminates the ability to perform program objectives

3 = Eliminates agency function
4 = Long term implications (moves the problem to next biennium)
5 = Short term (reduction to one time increase)
